

NXP Semiconductors and Morgan Stanley to Present Industrial & IoT Edge Processing Teach-In

March 3, 2021

ENDHOVEN, The Netherlands, March 03, 2021 (GLOBE NEWSWIRE) – NXP Semiconductors N.V. (NASDAQ: NXP) and Morgan Stanley & Co. LLC will co-host a conference call for the investor and analyst community to provide an in-depth update and Q&A session on NXP's innovative edge processing solutions for the Industrial & IoT end-market. The call will take place on Wednesday, March 17, 2021 at 10:00 a.m. U.S. Eastern Daylight Time (EDT).

The call will be co-hosted by Ron Martino, Senior Vice President and General Manager, Edge Processing at NXP and Craig Hertenbach, Executive Director and Research Analyst, Morgan Stanley Investment Research.

Conference Call Registration

Interested parties are requested to pre-register with Morgan Stanley for the event at <https://open.mst/2021Q1> to obtain the conference call dial-in information and a unique access ID.

The call will be recorded and a replay available for 30-days by https://morganstanley.usfcm.com/infocenter/infocenter.do?_afid=1420126&_afid=1420126
