With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.07, 2.08, 2.09, 2.10 or 3.06 or Appendix A), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Company and (b)(i) set forth or determined in the manner provided in an Officer's Certificate of the Company or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

(1) whether such Additional Notes shall be issued as part of a new or existing series of Notes and the title of such Additional Notes (which shall distinguish the Additional Notes of the series from Notes of any other series);

(2) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the same series

pursuant to Sections 2.07, 2.08, 2.09, 2.10 or 3.06 or Appendix A and except for Notes which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

(3) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue; *provided*, *however*, that (to the extent such Additional Notes are to be part of the same series as other Notes) such Additional Notes will qualify to be treated as "part of the same issue" as the Original Notes pursuant to Treasury Regulations Section 1.1275-l(f) or 1.1275-2(k); and

This Indenture is unlimited in aggregate principal amount. The Original Notes, the Exchange Notes and, if issued, any Additional Notes will be treated as a single class for all purposes under this Indenture, including with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise specified with respect to each series of Notes.

SECTION 2.02. Form and Dating

Any Additional Notes issued other than as Transfer Restricted Notes (including any Exchange Notes) shall each be substantially in the form of Exhibit A (without the Restricted Notes Legend), which is hereby incorporated in and expressly made part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage, *provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer and the Trustee. Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form without interest coupons and

only in minimum denominations of €50,000 or $75,000, as applicable, and whole multiples of €1,000 or $1,000, as applicable, in excess thereof.

SECTION 2.03. Execution and Authentication

One Officer shall sign the Notes for each Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee or an authentication agent manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee or an authentication agent shall authenticate and make available for delivery Notes as set forth in Appendix A following receipt of an authentication order signed by an Officer of each Issuer directing the Trustee or an authentication agent to authenticate such Notes.

The Trustee may appoint an authentication agent reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authentication agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authentication agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04. Registrar and Paying Agent

(a) The Issuers shall maintain one or more registrars with offices in Luxembourg where Notes may be presented for registration (the "*Registrar*"), and a transfer agent in each of (i) the City of London, (ii) Ireland (for so long as the Euro Notes are listed on the Irish Stock Exchange and its rules so require) and (iii) the Borough of Manhattan, City of New York where Notes may be presented for transfer or exchange (the "*Transfer Agent*") or for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms "*Paying Agent*" and "*Transfer Agent*" include any additional paying agent or transfer agent, as applicable, and the term "*Registrar*" includes any co-registrars. The Issuers initially appoint Deutsche Bank AG, London Branch, in the City of London, Deutsche Bank Trust Company Americas, in the Borough of Manhattan, City of New York and Deutsche International Corporate Services (Ireland) Limited, in Ireland, who each have accepted such appointment, as Paying Agent for the Euro Notes, Paying Agent for the Dollar Notes (the "*New York Paying Agent*") and Ireland Paying Agent (the "*Ireland Paying Agent*"), respectively. The Issuers initially appoint Deutsche Bank Trust Company Americas and Deutsche Bank, London Branch, who have accepted such appointments, as Calculation Agent for the Dollar Notes and Calculation Agent for the Euro Notes, respectively (each, a "*Calculation Agent*"). The Issuers initially appoint Deutsche Bank Luxembourg S.A. in Luxembourg, who accepts such appointment, as Registrar, Transfer Agent and Irish Listing Agent. In addition, the Issuers

undertake to the extent possible, to use reasonable efforts to maintain a Paying Agent in a member state of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC regarding the taxation of savings income (the "*Directive*"). Deutsche Bank Trust Company Americas will act as New York Registrar, Transfer Agent and New York Paying Agent in connection with the Global Notes with respect to the Dollar Notes settled through DTC. Deutsche Bank AG, London Branch will act as Transfer Agent and Paying Agent in connection with the Global Notes with respect to the Euro Notes settled through Euroclear or Clearstream.

(b) So long as the Notes are listed on the Irish Stock Exchange and its rules so require, a paying agent and transfer agent (the "*Ireland Transfer Agent*") will be maintained in Ireland at all times that payments are required to be made in respect of the Notes. The Issuers initially appoint Deutsche International Corporate Services (Ireland) Limited, who accepts such appointment, as Ireland Transfer Agent.

(c) The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to or appointed under this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent, which shall incorporate the terms of the TIA. Any Registrar or Paying Agent appointed hereunder shall be entitled to the benefits of this Indenture as though a party hereto. The Issuers shall notify the Trustee of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. Either Issuer or any Subsidiary may act as Paying Agent or Registrar.

(d) The Issuers may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided, however,* that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the Trustee or (ii) written notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above; *provided, further,* that in no event may the Issuers appoint a Paying Agent in any member state of the European Union where the Paying Agent

would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Notes unless the Paying Agent would be so obliged if it were located in all other member states. The Registrar, Paying Agent or Transfer Agent may resign by providing 30 day's written notice to the Issuer and the Trustee. In addition, for so long as the Notes are listed on the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, the Issuers shall deliver notice of the change in the Registrar, Paying Agent or Transfer Agent to the Companies Announcement Office in Dublin.

(e) The Calculation Agent shall determine the interest rates for the Euro Notes and the Dollar Floating Rate Notes in accordance with the Notes or a supplemental indenture. The Calculation Agent shall, as soon as practicable after 11:00 a.m. (London time) for Euro Notes or 11:00 a.m. (New York time) for Dollar Floating Rate Notes on each

determination date, determine the applicable rate and calculate the aggregate amount of interest payable in respect of the following interest period (the "*Interest Amount*"). The Interest Amount shall be calculated by applying the applicable rate to the principal amount of each Note outstanding at the commencement of the interest period, multiplying each such amount by the actual amounts of days in the interest period concerned divided by 360 and rounding the resultant figure upwards to the nearest available currency unit. The determination of the applicable rate and the Interest Amount by the Calculation Agent shall, in the absence of willful default, bad faith or manifest error, be final and binding on all parties.

SECTION 2.05. Paying Agent to Hold Money in Trust

No later than 10:00 a.m. London time in respect of payments to be made in London or 10:00 a.m. New York time in respect of payments to be made in New York on each due date of the principal of, interest and premium (if any) on any Note, the Issuers shall deposit with the Paying Agent (or if either Issuer or a Restricted Subsidiary of either Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and subject to receipt of such monies, the Paying Agent shall make payment on the Notes in accordance with this Indenture. The Issuers shall require each Paying Agent to agree in writing (and each Paying Agent party to this Indenture agrees) that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes but such Paying Agent may use such monies as banker in the ordinary course of business without accounting for profits (other than in the case of Article 8), and shall notify the Trustee of any default by the Issuers in making any such payment. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.05.

SECTION 2.06. Holder Lists

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange

The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a

Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Notes are presented to the Registrar with a written request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Trustee or an authentication agent shall authenticate Notes at the Registrar's request. The Issuers may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuers are not required to register the transfer or exchange of any Notes (i) for a period of 15 days prior to any date fixed for the redemption of any Notes, (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part or (iii) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Trustee, the Paying Agent, and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to Section 2 of the Notes) interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of either Issuer, the Trustee, the Paying Agent, or the Registrar shall be affected by notice to the contrary.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interest in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Notes

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee OT an authentication agent shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuers or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuers, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, the Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note including reasonable fees and expenses of counsel. In the event any such mutilated, lost, destroyed or

wrongfully taken Note has become or is about to become due and payable, the Issuers in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated lost, destroyed or wrongfully taken Notes.

SECTION 2.09. Outstanding Notes

Notes outstanding at any time are all Notes authenticated by the Trustee or an authentication agent except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Note does not cease to be outstanding because the Issuers or an Affiliate of either Issuer holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If the Paying Agent receives (or if either Issuer or a Restricted Subsidiary of either Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Notes

In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee or an authentication agent shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee or an authentication agent shall authenticate Definitive Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuers, without charge to the Holder.

SECTION 2.11. Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuers pursuant to written direction by an Officer of either Issuer. Certification of the

destruction of all canceled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation. Neither the Trustee nor an authentication agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.12. Common Codes, CUSIP and ISIN Numbers

The Issuers in issuing the Notes may use Common Codes, CUSIP and ISIN numbers (if then generally in use) and, if so, the Trustee shall use Common Codes, CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; *provided, however,* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee and the Paying Agent of any change in the Common Code, CUSIP or ISIN numbers.

SECTION 2.13. Currency

In the case of (1) the Euro Notes, the euro and (2) the Dollar Notes, the U.S. dollar, is the sole currency of account and payment for all sums payable by the Issuers under or in connection with the Euro Notes and the Dollar Notes, as the case may be, including damages. Any amount received or recovered in a currency other than euro (in the case of the Euro Notes) or the U.S. dollar (in the case the Dollar Notes), whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise by any Holder of a Euro Note or a U.S. Dollar Note, as the case may be, or by the Trustee, in respect of any sum expressed to be due to it from the Issuers will only constitute a discharge to the Issuers to the extent of the euro amount or the U.S. dollar amount, as the case may be, which the recipient is able to purchase with the amount so received or

recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that euro amount is less than the euro amount expressed to be due to the recipient or the relevant Trustee under any Euro Note, or if that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient or the Trustee under any U.S. Dollar Note, the Issuers will indemnify them against any loss sustained by such, recipient as a result. In any event, the Issuers will indemnify the recipient against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be prima facie evidence of the matter stated therein for the Holder of a Note or the Trustee to certify in a manner satisfactory to the Issuers (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuers' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Except as otherwise specifically set forth herein, for purposes of determining compliance with any euro-denominated restriction herein, the Euro Equivalent amount for purposes hereof that is denominated in a non-euro currency shall be calculated based on the relevant currency exchange rate in effect on the date such non-euro amount is Incurred or made, as the case may be.

If the Company adopts the U.S. dollar as its reporting currency, it may elect irrevocably to convert all euro denominated restrictions into dollar denominated restrictions at the applicable spot rate of exchange prevailing on the date of such election, and all references in this Indenture to determining Euro Equivalents and euro amounts shall apply *mutatis mutandis* as though referring to U.S. dollars.

ARTICLE 3

If the Issuers elect to redeem Notes pursuant to Sections 5 or 6 of the Notes, it shall notify the Trustee and the relevant Paying Agent in writing of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

The Issuers shall give each written notice to the Trustee and the relevant Paying Agent provided for in this Article 3 at least 40 days, but not more than 60 days, before the redemption date unless the Trustee or the relevant Paying Agent (as the case may be) consents to a shorter period. In the case of a redemption pursuant to Section 5 of the Notes, such notice shall be accompanied by an Officer's Certificate from the Issuers to the effect that such redemption will comply with the conditions herein.

The Trustee will accept such Officer's Certificate and opinion as sufficient existence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders. Any such notice may be canceled at any tune prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect.

SECTION 3.02. Selection of Notes To Be Redeemed or Repurchased

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities

exchange, if any, on which that series of Notes is listed, and/or in compliance with the requirements of Euroclear, Clearstream or DTC, as applicable, or if that series of Notes is not so listed or such exchange prescribes no method of selection and the Notes are not held through Euroclear, Clearstream or DTC, as applicable, or Euroclear, Clearstream or DTC, as applicable, prescribes no method of selection, on a pro rata basis; *provided, however,* that no Note of €50,000 (in the case of Euro Notes) or $75,000 (in the case of Dollar Notes) in aggregate principal amount or less shall be redeemed in part. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.03. Notice of Redemption.

(a) At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 and as provided below to each Holder of Notes to be redeemed at such Holder's registered address; *provided, however,* that any notice of a redemption provided for by Section 6 of the Notes shall not be given earlier than 90 days prior to the earliest date on which the Payor would be obligated to make a payment of Additional Amounts unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect. In addition, for so long as the Notes are listed on the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, the Issuer shall give notice of redemption to the Companies Announcement Office in Dublin.

The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date;

(2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(5) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

(7) the Common Codes, CUSIP or ISIN number, as applicable, if any, printed on the Notes being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the Common Codes, CUSIP or ISIN number, as applicable, if any, listed in such notice or printed on the Notes.

(b) At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at the Issuers' expense. In such event, the Issuers shall provide the Trustee and the Paying Agent with the information required and within the time periods specified by this Section.

SECTION 3.04. Effect of Notice of Redemption

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, become due and payable on the redemption date and at the redemption price stated in the notice, *provided, however,* that any redemption notice given in respect of the redemption referred to in Section 5 of the Notes may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under such Section 5. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price

No later than 10:00 a.m. London time in respect of payments to be made in London or 10:00 a.m. New York time in respect of payments to be made in New York on the redemption date, the Issuer shall deposit with the relevant Paying Agent (or, if either Issuer or a Restricted Subsidiary of either Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuers to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05.

SECTION 3.06. Notes Redeemed in Part

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, the Issuers shall execute and the Trustee or an authentication agent shall authenticate for the Holder (at the Issuers' expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Publication

Where any notice is required to be published pursuant to this Indenture, the Issuers must provide the form of such notice to the Trustee and the Paying Agents at least

8 Business Days prior to the final date for publication unless the Trustee agrees to a shorter period.

ARTICLE 4

Covenants

SECTION 4.01. Payment of Notes

The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

SECTION 4.02. Withholding Taxes

(a) All payments made by either Issuer, a Successor Company or Guarantor (a "*Payor*") on the Notes or the Note Guarantees will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(1) The Netherlands or any political subdivision or Governmental Authority thereof or therein having power to tax;

(2) any jurisdiction from or through which payment on any such Note or Note Guarantee is made by the Issuers, Successor Company, Guarantor or their agents, or any political subdivision or Governmental Authority thereof or therein having the power to tax; or

(3) any other jurisdiction in which the Payor is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or Governmental Authority thereof or therein having the power to tax (each of clause (1), (2) and (3), a "*Relevant Taxing Jurisdiction*"),

will at any time be required from any payments made with respect to any Note or Note Guarantee, including payments of principal, redemption price, premium, if any, interest or Additional Interest, if any, the Payor will pay (together with such payments) such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by the Holders or the Trustee, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts), will not be less than the amounts which would have been received in respect of such payments on any such Note or Guarantee in the absence of such withholding or deduction; provided, however, that no such Additional Amounts will be payable for or on account of:

(1) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder (or between a fiduciary settlor, beneficiary, member or shareholder of, or possessor of power over the relevant Holder, if the relevant Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such Note or the receipt of any payment in respect thereof;

(2) any Taxes that are imposed or withheld by reason of the failure by the Holder or the beneficial owner of the Note to comply with a written request of the Payor addressed to the Holder, after reasonable notice, to provide certification, information, documents or other evidence concerning the nationality, residence or identity of the Holder or such beneficial owner or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from all or part of such tax, assessment or other governmental charge;

(3) any Taxes that are payable otherwise than by deduction or withholding from a payment of the principal of, premium, if any, interest, if any, or Additional Interest, if any, on the Notes;

(4) any estate, inheritance, gift, sales, excise, transfer, personal property or similar tax, assessment or other governmental charge;

(5) any Taxes that are required to be deducted or withheld on a payment to an individual and that are required to be made pursuant to the European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to such directive;

(6) except in the case of the liquidation, dissolution or winding-up of the Payor, any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a Holder or beneficial owner who would have been able to avoid such Tax by presenting the relevant Note to, or otherwise accepting payment from, another paying agent in a member state of the European Union; or

(7) any combination of the above.

Such Additional Amounts will also not be payable (x) if the payment could have been made without such deduction or withholding if the beneficiary of the payment had presented the Note for payment (where presentation is permitted or required for payment) within 15 days after the relevant payment was first made available for payment to the Holder or (y) where, had the beneficial owner of the Note been the Holder, such beneficial owner would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (7) inclusive above.

(a) The Payor will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes, in such form as provided in the ordinary course by the Relevant Taxing Jurisdiction and as is reasonably available to the Company and will provide such certified copies to the Trustee. Such copies shall be made available to the Holders upon request and will be made available at the offices of the Irish Paying Agent if the Notes are then listed on the Irish Stock Exchange. The Payor will attach to each certified copy a certificate stating (x) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding Taxes paid per €1,000 principal amount of the Euro Notes or per $1,000 principal amount of the Dollar Notes, as the case may be.

(b) If any Payor will be obligated to pay Additional Amounts under or with respect to any payment made on any Note or Note Guarantee, at least 30 days prior to the date of such payment, the Payor will deliver to the Trustee an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the Payor may deliver such Officer's Certificate as promptly as practicable after the date that is 30 days prior to the payment date).

(c) Wherever in this Indenture or the Note Guarantees there are mentioned, in any context:

(1) the payment of principal,

(2) purchase prices in connection with a purchase of Notes,

(3) interest or Additional Interest, if any, or

(4) any other amount payable on or with respect to any of the Notes,

such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The Issuers will pay any present or future stamp, court or documentary taxes, or any other excise, property or similar taxes, charges or levies that arise in any jurisdiction from the execution, delivery, registration or enforcement of any Notes, this Indenture, the Security Documents or any other document or instrument in relation thereto (other than a transfer of the Notes) excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction, and the Issuers agree to indemnify the Holders for any such taxes paid by such Holders. The foregoing obligations of this paragraph will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in

which any successor to either Issuer is organized or any political subdivision or taxing authority or agency thereof or therein.

SECTION 4.03. Change of Control

(a) If a Change of Control occurs, subject to this Section 4.03, each Holder will have the right to require the Issuers to repurchase all of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however,* that the Issuers shall not be obliged to repurchase Notes of any series as described under Section 4.03, in the event and to the extent that they have unconditionally exercised their right to redeem all of the Notes of such series as described under Section 5 of the Notes or all conditions to such redemption have been satisfied or waived.

(b) Unless the Issuers have unconditionally exercised their right to redeem all the Notes of a series as described under Section 5 of the Notes or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control, the Issuers will mail a notice (the "*Change of Control Offer*") to each Holder of any such Notes, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuers to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the "*Change of Control Payment Date*");

(3) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(4) describing the procedures determined by the Issuers, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased; and

(5) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control.

(c) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuers will, to the extent lawful:

(1) accept for payment all Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered; and

(3) deliver or cause to be delivered to the Trustee an Officer's Certificate stating the Notes or portions thereof being purchased by the Issuers in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the principal Paying Agent the Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuers; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuers.

(d) If any Definitive Registered Notes have been issued, the Paying Agent will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder of Definitive Registered Notes a new Note equal in principal amount to the unpurchased portion of the Notes surrendered, if

any; provided that each such new Note will be in a principal amount that is at least €50,000 or $75,000, as the case may be, and integral multiples of €1,000 in excess thereof or $1,000 in excess thereof, as the case may be.

(e) For so long as the Notes are listed on the Irish Stock Exchange and the rules of such exchange so require, the Company will give notice of the Change of Control Offer to the Companies Announcement Office in Dublin.

(f) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(g) The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(h) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations (or exchange rules) and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

of making Restricted Payments under Sections 4.06(c)(l), 4.06(c)(6) and 4.06(c)(10) to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any Net Cash Proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this clause (12) to the extent the Company or any of its Restricted Subsidiaries makes a Restricted Payment under Section 4.06(a)(4)(z), 4.06(c)(l), 4.06(c)(6) or 4.06(c)(10) in reliance thereon;

(13) Indebtedness of Restricted Subsidiaries incurred as a result of (i) any governmental or regulatory restrictions, limitations or penalties in the nature of capital controls, exchange controls or similar restrictions affecting the incurrence or repayment of intercompany Indebtedness by any Restricted Subsidiary or (ii) any ordinary course country risk management policies of the Company restricting or limiting transfers or distributions from the Company or any Restricted Subsidiary to the Company or any Restricted Subsidiary, provided that the principal amount of such Indebtedness so incurred when aggregated with other Indebtedness previously incurred in reliance on this clause (13) and still outstanding shall not in the aggregate exceed €350.0 million; and

(14) the guarantee by the Company or a Restricted Subsidiary of Debt of any Person in which the Company or a Restricted Subsidiary has beneficial ownership of 15% or more of the Voting Stock in respect, of performance, bid or surety bonds issued by or on behalf of any such Person

in the ordinary course of business in an aggregate amount, together with all other guarantees of the Company outstanding pursuant to this clause (14) on the date of such incurrence, not to exceed €15.0 million.

(c) [Reserved].

(d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.05:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 4.05(a) and 4.05(b), the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of the second paragraph or the first paragraph of this covenant;

(2) all Indebtedness outstanding on the Issue Date under the Senior Facilities Agreement shall be deemed initially Incurred on the Issue Date under Section 4.05(b)(l) and not Section 4.05(a) or Section 4.05(b)(4)(b), and may not be reclassified pursuant to Section 4.05(d)(l);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being

treated as Incurred pursuant to Section 4.05(b)(1), 4.05(b)(7), 4.05(b)(11), 4.05(b)(12) or 4.05(b)(13) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this covenant need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.05 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(e) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.05. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(f) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.05, the Company shall be in Default of this Section 4.05).

(g) For purposes of determining compliance with any euro-denominated restriction on the Incurrence of Indebtedness, the Euro Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or, at the option of the Company, first committed, in the case of Indebtedness Incurred under a revolving credit facility, *provided* that (1) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than euros, and such refinancing would cause the applicable euro-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such euro-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (2) the Euro Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant

currency exchange rate in effect on the Issue Date; and (3) if and for so long as any such Indebtedness is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the amount of such Indebtedness, if denominated in euros, will be the amount of the principal payment required to be made under such Currency Agreement and, otherwise, the Euro Equivalent of such amount plus the Euro Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(h) Notwithstanding any other provision of this Section 4.05, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 4.05 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(B) the redesignation of Unrestricted Subsidiaries (other than SSMC) as Restricted Subsidiaries (valued, in each case, as provided in the definition of "Investment") not to exceed, in the case of any Unrestricted Subsidiary, the amount of Investments previously made by the Company or any Restricted Subsidiary in such Unrestricted Subsidiary, which amount, in each case under this Section 4.06(a)(4)(z)(iv), was included in the calculation of the amount of Restricted Payments referred to in the first sentence of this Section 4.06(a)(4)(z); *provided, however,* that no amount will be included in Consolidated Net Income for purposes of Section 4.06(a)(4)(z)(i) to the extent that it is (at the Company's option) included under this Section 4.06(a)(4)(z)(iv); and

(B) any dividend or distribution made by an Unrestricted Subsidiary or Affiliate (other than SSMC) to the Company or a Restricted Subsidiary;

provided, however, that no amount will be included in Consolidated Net Income for purposes of Section 4.06(a)(4)(z)(i) to the extent that it is (at the Company's option) included under this Section 4.06(a)(4)(z)(v); *provided further,* however, that such amount shall not exceed the amount included in the calculation of the amount of Restricted Payments referred to in the first sentence of this Section 4.06(a)(4)(z).

The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment shall be determined conclusively by the Board of Directors of the Company acting in good faith.

(e) In addition to the foregoing, it will be a breach of this Section 4.06 if any of the Initial Investors receives directly or indirectly from SSMC payments that would, if made by the Company, constitute Restricted Payments of the types described in Sections 4.06(a)(1), 4.06(a)(2) and 4.06(a)(3), other than through distributions and dividends (x) to the Company and the making of such payments by the Company in a manner permitted by this Section 4.06 or (y) on a pro rata basis (proportionate to its ownership of SSMC) to another portfolio company of any Initial Investor, or, in the case of Philips, another operating subsidiary, engaged in an active business that owns Capital Stock of SSMC at such time.

SECTION 4.08. Limitation on Restrictions on Distributions from Restricted Subsidiaries

(a) The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(3) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in Section 4.08(b)(1), 4.08(b)(2) or 4.08(b)(3) (an "*Initial Agreement*") or contained in any amendment, supplement or other modification to an agreement referred to in Section 4.08(b)(1), 4.08(b)(2) or 4.08(b)(3); *provided, however,* that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company);

(4) any encumbrance or restriction:

(a) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(b) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements; or

(c) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(5) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(6) any encumbrance or restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(7) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments entered into in the ordinary course of business;

(8) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

(9) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business;

(10) any encumbrance or restriction pursuant to Currency Agreements, Interest Rate Agreements or Commodity Hedging Agreements;

(11) any encumbrance or restriction arising pursuant to an agreement or instrument (a) relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.05 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Senior Facilities Agreement, together with the security documents associated therewith, as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), the Company determines at the time of issuance of such Indebtedness that such encumbrances or restrictions will not adversely affect, in any material respect, the Issuers' ability to make principal or interest payments on the Notes; or

(12) any encumbrance or restriction existing by reason of any lien permitted under Section 4.07.

SECTION 4.09. Limitation on Sales of Assets and Subsidiary Stock

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness of a Restricted Subsidiary), (i) to prepay, repay or purchase any Indebtedness of a non-Guarantor Restricted Subsidiary (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary) or Indebtedness under the Senior Facilities Agreement (or any Refinancing Indebtedness in respect thereof) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however,* that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (a), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of the Senior Facilities Agreement) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or (ii) to prepay, repay or purchase Pari Passu Indebtedness at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment or purchase; *provided* that the Company shall redeem, repay or repurchase Pari Passu Indebtedness pursuant to this clause (ii) only if the Company makes (at such time or subsequently in compliance with this Section 4.09) an offer to the Holders of the Notes to purchase their Notes in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; or

(B) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash, *provided, however,* that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day;

provided that, pending the final application of any such Net Available Cash in accordance with Section 4.09(a)(3)(A) or 4.09(a)(3)(B), the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.09(a) will be deemed to constitute *"Excess Proceeds"* under this Indenture. On the 366th day after an Asset Disposition, if the aggregate amount of Excess Proceeds under this Indenture exceeds €50 million, the Issuers will be required to make an offer *("Asset Disposition Offer")* to all holders of Notes and, to the extent the Issuers elect, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in case of the Euro Notes in minimum denominations of €50,000 and in integral multiples of €1,000 in excess thereof or, in case of the Dollar Notes in minimum denominations of $75,000 and in integral multiples of $1,000 in excess thereof.

(c) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of the Notes issued surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in euro, such Indebtedness shall be calculated by converting any such principal amounts into their Euro Equivalent determined as of a date selected by the Issuers that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Any Net Available Cash payable in respect of the Notes pursuant to Section 4.09 will be apportioned between the Euro Notes and the Dollar Notes in proportion to the respective aggregate principal amounts of Euro Notes and Dollar Notes validly tendered and not withdrawn, based upon the Euro Equivalent of such principal amount of Dollar Notes determined as of a date selected by the Issuers that is within the Asset Disposition Offer Period. To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuers upon converting such portion into such currency.

(e) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the *"Asset Disposition Offer Period").* No later than five Business Days after the termination of the Asset Disposition Offer Period (the *"Asset Disposition Purchase Date")* the Issuers will purchase the principal amount of Notes and, to the extent they elect, Pari Passu Indebtedness required to be purchased pursuant to this Section 4.09 (the *"Asset Disposition Offer Amount")* or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(f) On or before the Asset Disposition Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of Euro Notes, in minimum denominations of €50,000 and in integral multiples of €1,000 in excess thereof or, in the case of the Dollar Notes, in minimum denominations of $75,000 and in integral multiples of $1,000 in excess thereof. The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 4.09. The Company or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Company for purchase, and the Company will promptly issue a new Note (or amend the applicable Global Note), and the Trustee, upon delivery of an Officer's Certificate from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of €50,000 in the case of Euro Notes and $75,000 in the case of Dollar Notes. Any Note not so accepted will be promptly mailed or delivered (or transferred by book entry) by the Company to the Holder thereof.

(g) For the purposes of Section 4.09(a)(2), the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness of the Company or Indebtedness of a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary of the Company from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.09 that is at that time outstanding, not to exceed the greater of €100.0 million and 1% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(h) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Section 4.09, the Company will comply with the applicable securities laws and regulations (or exchange rules) and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

SECTION 4.10. Limitation on Affiliate Transactions

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an *"Affiliate Transaction"*) involving aggregate value in excess of €20 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of €50 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in Section 4.10(a)(2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors. (b) The provisions of Section 4.10(a) will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.06, any Permitted Payments (other than pursuant to Section 4.06(c)(9)(b)(ii)) or any Permitted Investment (other than Permitted Investments as defined in paragraphs (1)(b), (2), (11) and (15) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

(6) the Transactions and the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.10 or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business, which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior

management of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

SECTION 4.11. Reports

Except as provided for above, no report need include separate financial statements for any Subsidiaries of the Company. In addition to the foregoing, following the effectiveness of a registration statement with respect to the Notes, the Company shall file all information required of it with the SEC within the time periods specified. The filing of an Annual Report on Form 20-F within the time period specified in (1) will satisfy such provision. The financial statements included in the quarterly report for the quarter ended September 30, 2006 shall be prepared on the same basis as the unaudited financial

(c) Substantially concurrently with the issuance to the Trustee of the reports specified in Sections 4.11(a)(l), 4.1l(a)(2) and 4.11(a)(3), the Company shall also (a) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be

then maintained by the Company and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Company in good faith) or (b) to the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding clause (a) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(d) So long as the Notes remain outstanding and during any period during which the Company is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Company shall furnish to the Holders and, upon their request, prospective purchasers of the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Issuers will comply with Section 314(a) of the TIA.

SECTION 4.12. Guarantees by Restricted Subsidiaries

(a) The following Subsidiaries will fully and unconditionally guarantee the Notes on the Issue Date in accordance with Article 10: NXP Semiconductors B.V., NXP Semiconductors Germany GmbH, NXP Semiconductors (Taiwan) Ltd., NXP Semiconductors Philippines Inc., NXP Semiconductors USA Inc., NXP Semiconductors Hong Kong Limited, NXP Semiconductors (Thailand) Co. Ltd., NXP Semiconductors UK Limited (subject to the Agreed Security Principles), and NXP Semiconductors (Singapore) Pte. Ltd.; *provided* that if any such Subsidiary is unable to provide such Note Guarantee on the Issue Date, the Company shall (subject to the Agreed Security Principles) cause such Subsidiary to provide a Note Guarantee as soon as practicable, and in any event not later than 90 days after the Issue Date (or 120 days if the lenders under the Senior Facilities Agreement agree to defer such date under the Senior Facilities Agreement). If the Company or any of its Restricted Subsidiaries acquires or creates a Wholly Owned Subsidiary (other than an Immaterial Subsidiary) after the Issue Date and the issuance of a Guarantee by such Guarantor is not precluded by the Agreed Security Principles, the new Restricted Subsidiary must within 30 days (or such longer period as the Trustee may agree) after becoming a Restricted Subsidiary, provide a Note Guarantee under this Indenture.

(b) A Restricted Subsidiary required to provide a Note Guarantee shall provide such Note Guarantee in accordance with the provisions of Section 10.07.

SECTION 4.13. Suspension of Covenants on Achievement of Investment Grade Status

If on any date following the Issue Date, the Notes of any series have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then, beginning on that day and continuing until the Reversion Date, the following provisions of this Indenture will not apply to such Notes: Sections 4.05, 4.06, 4.08, 4.09, 4.10, 4.14 and 5.01(a)(3)and, in each case, any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and its Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first

day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Company properly taken during the continuance of the Suspension Event, and Section 4.06 will be interpreted as if it has been in effect since the date of this Indenture except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.06 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Company's option, as having been Incurred pursuant to Section 4.05(a) or 4.05(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred under Section 4.05(a) or 4.05(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.05(b)(4).

In addition, so long as each of Moody's and S&P (or another Nationally Recognized Statistical Ratings Organization which has provided a rating used to achieve Investment Grade Status) has been notified in advance that such Investment Grade Status will result in such release as set forth in Section 10.02(b)(5), all Liens securing such Notes will be released upon achievement of an Investment Grade rating, as shall any future obligation to grant further security or Note Guarantees. All such Liens, and such further obligation to grant Guarantees and security, shall be reinstated upon the Reversion Date.

The Company shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing the security interest with respect to the Collateral (it being understood that the Incurrence of Permitted Collateral Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Trustee and the Holders, and the Company shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Collateral Agent, for the benefit of the Trustee and the Holders and the other beneficiaries described in the Security Documents, any interest whatsoever in any of the Collateral except that the Company and its Restricted Subsidiaries may Incur Permitted Collateral Liens and the Collateral may be discharged, transferred or released in accordance with the Indenture or the applicable Security Documents.

priority basis (subject to the provisions of the Collateral Agency Agreement) by Liens on the Collateral in accordance with, within the time periods specified by, and subject to the limitations of, Section 12.01 (including the Agreed Security Principles).

SECTION 4.21. Equal and Ratable Security

SECTION 4.22. Security Over Cash and Bank Accounts

ARTICLE 5

Successor Company

SECTION 5.01. Merger and Consolidation of the Company

(a) The Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the resulting, surviving or transferee Person (the *"Successor Company"*) will be a Person organized and existing under the laws of any member state of the European Union on January 1, 2004, or the United States of America, any State of the United States or the District of Columbia, Canada or any province of Canada, Norway or Switzerland and the Successor Company (if not the Company) will expressly assume, (a) by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture and (b) all obligations of the Company under the Security Documents and the Registration Rights Agreement;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction, either (a) the Successor Company would be able to Incur at least an additional €1.00 of Indebtedness pursuant to Section 4.05(a) or (b) the Fixed Charge Coverage Ratio would not be lower than it was immediately prior to giving effect to such transaction; and

(4) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company (in each case, in form and substance reasonably satisfactory to the Trustee), *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of Sections 5.01(a)(2)and 5.01(a)(3).

(b) Any Indebtedness that becomes an obligation of the Company or any Restricted Subsidiary (or that is deemed to be Incurred by any Restricted Subsidiary that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with Section 5.01(a), and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with Section 4.05.

(c) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets

of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(d) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(e) Notwithstanding Sections 5.01(a)(2) and 5.01(a)(3) (which do not apply to transactions referred to in this Section 5.01(e)) and, other than with respect to Sections 5.01(c) and 5.01(a)(4), (a) any Restricted Subsidiary of the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company and (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding Sections 5.01(a)(2)and 5.01(a)(3)(which do not apply to the transactions referred to in Section 5.01(e)), the Company may consolidate or otherwise combine with or merge into an Affiliate

incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

(f) The provisions of this Section 5.01 (other than the requirements of Section 5.01(a)(2)) shall not apply to the creation of a new subsidiary as a Restricted Subsidiary of the Company.

SECTION 5.02. Merger and Consolidation of the Co-Issuer

(a) The Co-Issuer may not consolidate with, merge with or into any person or permit any person to merge with or into the Co-Issuer unless:

(1) concurrently therewith, a Subsidiary of the Company that is a limited liability company or corporation organized under the laws of the United States of America or any state thereof or the District of Columbia (which may be the Co-Issuer or the continuing person as a result of such transaction) expressly assumes all of the obligations of the Co-Issuer under the Notes, the Security Documents, this Indenture and the Registration Rights Agreement; or

(2) after giving effect to the transaction, at least one obligor on the Notes is a limited liability company or corporation organized under the laws of the United States of America or any state thereof or the District of Columbia.

(b) Upon the consummation of any transaction effected in accordance with SECTION 5.02(a) , the resulting, surviving or transferee Co-Issuer will succeed to, and be substituted for, and may exercise every right and power of, the Co-Issuer under this Indenture and the Notes with the same effect as if such successor Person had been named as the Co-Issuer in this Indenture. Upon such substitution, the Co-Issuer will be released from its obligations under this Indenture and the Notes.

SECTION 5.03. Merger and Consolidation of a Guarantor

(a) No Guarantor may:

(1) consolidate with or merge with or into any Person, or

(2) sell, convey, transfer or dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person, or

(3) permit any Person to merge with or into the Guarantor unless

(A) the other Person is the Company or any Restricted Subsidiary that is Guarantor or becomes a Guarantor concurrently with the transaction); or

(B) (1) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Note Guarantee, the Security Documents and the Registration Rights Agreement; and (2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

ARTICLE 6

Defaults and Remedies

SECTION 6.01. Events of Default

(a) An *"Event of Default"* occurs if or upon:

(1) default in any payment of interest or Additional Interest, if any, on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with any of the Issuers, obligations under Article 4 or 5 (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2));

(4) failure to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with the Issuers other agreements contained in this Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by either Issuer or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by either Issuer

any of its Restricted Subsidiaries) other than Indebtedness owed to either Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(6) either Issuer or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar office is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property or assets is instituted without the consent of such Person and continues undismissed or unstayed for (60) calendar days, or an order for relief is entered in any such proceeding;

(7) failure by the Issuers or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuers and their Restricted Subsidiaries), would constitute a Significant Subsidiary to pay final judgments aggregating in excess of €100 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) any security interest under the Security Documents on any material Collateral shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Security Document and the Indenture) for any reason other than the satisfaction in full of all obligations under the Indenture or the release or amendment of any such security interest in accordance with the terms of the Indenture or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable or either Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; and

(9) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of this Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with this Indenture.

(b) However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5)or 6.01(a)(7) will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under this Indenture notify the Issuers of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7), as applicable, after receipt of such notice.

SECTION 6.02. Acceleration

(a) If an Event of Default (other than an Event of Default described in Section 6.01(a)(6) above) occurs and is continuing the Trustee by notice to the Issuers or the Holders of at least 30% in principal amount of the outstanding Notes under this Indenture by written notice to the Issuers and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes under this Indenture to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, including Additional Interest, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, including Additional Interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

(b) If an Event of Default described in Section 6.01(a)(6)above occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.03. Other Remedies

Subject to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair

the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

To the extent permitted by the Collateral Agency Agreement the Trustee may direct the Collateral Agent to take enforcement action with respect to the Collateral if any amount is declared or becomes due and payable pursuant to Section 6.02 (but not otherwise).

SECTION 6.04. Waiver of Past Defaults

Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may, on behalf of the Holders of all the Notes, waive all past or existing Defaults or Events of Default except a continuing Default in the payment of the principal, premium or interest, and Additional Interest, if any, on the Notes and rescind any acceleration with respect to the Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority

The Holders of a majority in principal amount of the Notes then outstanding may direct in writing the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however,* that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification or other security reasonably satisfactory to it against all losses, liabilities and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due on the Notes, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;

(2) the Holders of at least 30% in principal amount of the Notes then outstanding make a request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer to the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) the Holders of a majority in principal amount of the Notes then outstanding do not give the Trustee a direction that, in the opinion of the Trustee is, inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Rights of Holders to Receive Payment

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee

If an Event of Default specified in Sections 6.01(a)(1) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities

If the Trustee collects any money or property pursuant to this Article 6, including upon enforcement of any Liens, it shall, subject to Section 4 of the Collateral Agency Agreement, pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuers.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuers a notice that states the record date, the payment date and amount to be paid.

The Collateral Agents shall apply the proceeds of the Collateral as directed by the Collateral Agency Agreement.

SECTION 6.11. Undertaking for Costs

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

SECTION 6.12. Waiver of Stay or Extension Laws

The Issuers (to the extent they may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuers (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

Trustee

SECTION 7.01. Duties of Trustee

(a) The duties and responsibilities of the Trustee are as provided by the TIA and as set forth herein. If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall he read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Sections 6.02 or 6.05;

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to Sections 7.01(a), 7.01(b) and 7.01(c) and the TIA.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur liability in the performance of any of its duties hereunder or under the Security Documents to take or omit to take any action under this Indenture or under the Security Documents or take any action at the request or direction of Holders including without limitation in relation to lender liability claims for restitution by creditors of any pledgor, in each case, arising in connection with any action or direction given in relation to the Security Documents if it has reasonable grounds for believing that repayment of such funds is not assured to it or it does not receive indemnity reasonably satisfactory to it in its discretion against any loss, liability or expense which might reasonably be incurred by it in compliance with such request or direction nor shall the Trustee be required to do anything which is illegal or contrary to applicable laws. The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control. No provision of this Indenture or of the Security Document shall require the Trustee to indemnify the Collateral Agents, and the Collateral Agents waive any claim they may otherwise have by operation of law in any jurisdiction to be indemnified by the Trustee acting as principal vis a vis its agent, the Collateral Agents (but this does not prejudice the Collateral Agents' rights to bring any

claim or suit against the Trustee (including for damages in the case of the negligence or willful misconduct of the Trustee)).

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(g) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

Subject to TIA Sections 315(a) through (d):

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable the State of New York. Furthermore, the Trustee may also retain from taking such action if it would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in relying on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(c) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may act through attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; *provided*, *however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such farther inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuers.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity or other security reasonably satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(i) Except with respect to Section 4.01, the Trustee shall have no duty to inquire as to the performance of the Issuers with respect to the covenants contained in Article 4. Delivery of reports, information and documents to the Trustee under Section 4.11 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(j) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes.

(k) If any Note Guarantor is substituted to make payments on behalf of the Issuers pursuant to Article 10, the Issuers shall promptly notify the Trustee of such substitution.

(1) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in its capacity hereunder and by each agent (including Deutsche Bank AG, London Branch, Deutsche Bank Trust Company Americas, Deutsche Bank Luxembourg S.A. and Deutsche International Corporate Services (Ireland) Limited)), custodian and other Person

employed with due care to act as agent hereunder (including without limitation each Transfer Agent, Paying Agent and Calculation Agent). Each Paying Agent, Calculation Agent and Transfer Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(m) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(n) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a written direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Collateral Agents with respect thereto unless it has been indemnified in accordance with Section 7.01(e). In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(1) any failure of the Collateral Agents to enforce such security within a reasonable time or at all;

(2) any failure of the Collateral Agents to pay over the proceeds of enforcement of the Security;

(3) any failure of the Collateral Agents to realize such security for the best price obtainable;

(4) monitoring the activities of the Collateral Agents in relation to such enforcement;

(5) taking any enforcement action itself in relation to such security;

(6) agreeing to any proposed course of action by the Collateral Agents which could result in the Trustee incurring any liability for its own account; or

(7) paving any fees, costs or expenses of the Collateral Agents.

(o) The permissive right of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(p) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but no limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action

(q) The Trustee may assume without inquiry in the absence of actual knowledge that the Issuers are each duly complying with their obligations contained in this Indenture required to be performed and observed by them, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

SECTION 7.03. Individual Rights of Trustee

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

However, the Trustee is subject to TIA Sections 310(b) and 311. For purposes of TIA Section 311 (b)(4) and (6):

(a) "*cash transaction*" means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand; and

(b) "*self-liquidating paper*" means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

SECTION 7.04. Trustee's Disclaimer

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 13.03 hereof from the Issuers or any Holder.

SECTION 7.05. Notice of Defaults

If a Default or Event of Default occurs and is continuing and the Trustee is informed of such occurrence by the Issuer or by any other person, the Trustee must give notice of the Default to the Holders within 60 days after the Trustee is informed of such occurrence. Except in the case of a Default in payment of principal of or interest or premium, if any, on any Note, the Trustee may withhold the notice if and so long as a committee of its trust officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders. Notice to Holders under this Section will be given in the manner and to the extent provided in TIA Section 313(c).

SECTION 7.06. Reports by Trustee to Holders

Within 60 days after each May 15, beginning with May 15, 2007, the Trustee will mail to each Holder, as provided in TIA Section 313(c), a brief report dated as of such May 15, if required by TIA Section 313(a), and file such reports with each stock exchange upon which its Notes are listed and with the SEC as required by TIA Section 313(d).

SECTION 7.07. Compensation and Indemnity

The Issuers, or, upon the failure of the Issuers to pay, each Note Guarantor (if any), jointly and severally, shall pay to the Trustee from time to time such compensation as the Issuer and Trustee may from time to time agree for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuers agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuers shall pay to the Trustee such additional remuneration as shall be agreed between them. In the event of the Trustee and the Issuers failing to agree upon whether such duties shall be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, or upon such additional remuneration, such matters shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Issuers or, failing such approval, nominated (on the application of the Trustee) by the President of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such investment bank being payable by the Issuers) and the determination of any such investment bank shall be final and binding upon the Trustee and the Issuer.

The Issuers and each Note Guarantor (if any), jointly and severally, shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers and each Note Guarantor (if any), jointly and severally shall indemnify the Trustee, the Collateral Agents and the Paying Agents and their respective officers, directors, agents and employers against any and all loss, liability taxes or expenses (including reasonable attorneys' fees) incurred by or in connection with the acceptance or administration of its duties this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or under the Security Documents, as the case may be.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however,* that any failure so to notify the Issuer shall not relieve the Issuer or any Note Guarantor of its indemnity obligations hereunder, or under the Security Documents, as the case may be. Except in cases where the interests of the Issuers and the Trustee may be adverse, the Issuers shall defend the claim and the

indemnified party shall provide reasonable cooperation at the Issuers' and any Note Guarantor's expense in the defense. Notwithstanding the foregoing, such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuers and any Note Guarantor shall, jointly and severally, pay the reasonable fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee). Such indemnified parties may have separate counsel of their choosing and the Issuers and any Note Guarantor, jointly and severally, shall pay the reasonable fees and expenses of such counsel (as evidenced in an invoice from the Trustee); *provided, however,* that the Issuers shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuers and any Note Guarantor, as applicable, and such parties in connection with such defense. The Issuers need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, negligence or bad faith.

To secure the Issuers' and any Note Guarantor's payment obligations in this Section 7.07, the Trustee and the Paying Agents have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' and any Note Guarantor's payment obligations pursuant to this Section and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Paying Agents. Without prejudice to any other rights available to the Trustee and the Paying Agents under applicable law, when the Trustee and the Paying Agents incur expenses after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuers, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder including, without limitation, as Registrar, Transfer Agent and Paying Agent, and by each agent (including Deutsche Bank AG, London Branch, Deutsche Bank Luxembourg S.A. and Deutsche International Corporate Services (Ireland) Limited)), custodian and other Person employed with due care to act as agent hereunder.

SECTION 7.08. Replacement of Trustee

(a) The Trustee may resign at any time by so notifying the Issuers. If the Trustee is no longer eligible under Section 7.10 or in the circumstances described in TIA Section 310(b), any Holder that satisfies the requirements of TIA Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee in writing and the appointment of a successor Trustee. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuers shall be entitled to remove the Trustee or any Holder who has been a bona fide Holder for

not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(i) the Trustee has or acquires a conflict of interest that is not eliminated;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or;

(iv) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a)or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided*, that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(g) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.08, including its right to be indemnified, are extended to, and shall be enforceable by each Paying Agent, Transfer Agent and Registrar employed to act hereunder.

(h) The Trustee agrees to give the notices provided for in, and otherwise comply with, TIA Section 310(b).

SECTION 7.09. Successor Trustee by Merger

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility

The Indenture must always have a Trustee that satisfies the requirements of TIA Section 310(a) and has a combined capital and surplus of at least $25,000,000 as set forth in its most recent published annual report of condition.

SECTION 7.11. Certain Provisions.

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith. The Trustee shall not be responsible for the legality, validity, effectiveness, suitability, adequacy or enforceability of the Security Documents or any obligation or rights created or purported to be created thereby or pursuant thereto or any security or the priority thereof constituted or purported to be constituted thereby or pursuant thereto, nor shall it be responsible or liable to any person because of any invalidity of any provision of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court. The Trustee shall be under no obligation to monitor or supervise the functions of the Collateral Agents under the Security Documents and shall be entitled to assume that the Collateral Agents are properly performing their functions and obligations thereunder and the Trustee shall not be responsible for any diminution in the value of or loss occasioned to the assets subject thereto by reason of the act or omission by the Collateral Agents in relation to its functions thereunder. The Trustee shall have no responsibility whatsoever to the Issuer, any Note Guarantor or any Holder as regards any deficiency which might arise because the Trustee is subject to any tax in respect of the Security Documents, the security created thereby or any part thereof or any income therefrom or any proceeds thereof.

SECTION 7.12. Preferential Collection of Claims Against Issuer

The Trustee shall comply with Section 31l(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 31l(a) of the TIA to the extent indicated.

ARTICLE 8

Discharge of Indenture; Defeasance

SECTION 8.01. Discharge of Liability on Notes; Defeasance

(a) Any Note Guarantees, this Indenture and the Security Documents will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes, and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuers) have been delivered to the Trustee for cancellation; or (b) all Notes not previously delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers; (2) the Issuers have deposited or caused to be deposited with the Trustee money, European Government Obligations (in the case of the Euro Notes), U.S. Government Obligations (in the case of the Dollar Notes), or a combination thereof, as applicable, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under this Indenture; and (4) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under this Section 8.01 have been complied with, provided that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

(b) Subject to Sections 8.01(c) and 8.02, either Issuer at any time may terminate (i) all of its obligations and all obligations of each Note Guarantor (if any) under the Notes, any Note Guarantees and this Indenture *("legal defeasance option")* or (ii) its obligations under Article 4 (other than Section 4.01) and under Article 5 (other than Sections 5.01(a)(l)and 5.01(a)(2)), and thereafter any omission to comply with such obligations shall not constitute a Default or an Event of Default with respect to the Notes, and the operation of Sections 6.01(a)(3) (other than with respect to Sections 5.01(a)(l) and 5.0l(a)(2)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (with respect to the Issuers and Significant Subsidiaries), 6.01(a)(7), 6.01(a)(8) and 6.01(a)(9) ("*covenant defeasance option*"*).* The Issuers at their option at any

time may exercise their legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Notes and this Indenture by exercising its legal defeasance option, the obligations under any Note Guarantees shall each be terminated simultaneously with the termination of such obligations.

If the Issuers exercise their legal defeasance option or its covenant defeasance option, the Collateral will be released and each Note Guarantor (if any) will be released from all its obligations under its Note Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

(c) Notwithstanding Sections 8.01(a) and (b) above, the Issuers' and any Note Guarantors' obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 2.10, 2.11, 7.01, 7.02, 7.03, 7.07, 7.08, this Article 8 and Section 12.06, as applicable, shall survive until the Notes have been paid in full. Thereafter, the Issuers' and any Note Guarantors' obligations in Sections 7.07, 8.05, 8.06 and 12.06, as applicable, shall survive.

SECTION 8.02. Conditions to Defeasance

(a) The Issuers may exercise its legal defeasance option or its covenant defeasance option only if:

(1) an Issuer has irrevocably deposited in trust (the *"defeasance trust")* with the Trustee cash in euros or euro-denominated European Government Obligations or a combination thereof (in the case of the Euro Notes) or in dollars or U.S. Government Obligations or a combination thereof (in case of the Dollar Notes) for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including delivery to the Trustee of:

(A) an Opinion of Counsel in the United States to the effect that holders of the relevant Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel in the United States must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law);

(B) an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, liquidation, reorganization, administration, moratorium, receivership or similar laws affecting creditors' rights generally under any applicable U.S. federal or state law and that the Trustee has a perfected security interest in such trust funds for the ratable benefit of the Holders;

(C) an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuers or any Note Guarantors;

(D) an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with;

(E) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940; and

(F) the Issuers deliver to the Trustee all other documents or other information that the Trustee may reasonably require in connection with either defeasance option.

(2) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money

The Trustee shall hold in trust money or Government Obligations deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from the Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes. Money and securities so held in trust are not subject to the Collateral Agency Agreement.

SECTION 8.04. Repayment to Issuers

The Trustee and the Paying Agent shall promptly turn over to the Issuers upon request any money or Government Obligations held by it as provided in this Article which, in the written opinion of an internationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for Government Obligations

The Issuers and any Note Guarantor, jointly and severally, shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against

deposited Government Obligations or the principal and interest received on such Government Obligations.

SECTION 8.06. Reinstatement

If the Trustee or Paying Agent is unable to apply any money or Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Obligations in accordance with this Article 8; *provided, however,* that if the Issuers have made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

Amendments

SECTION 9.01. Without Consent of Holders

The Issuers, the Trustee and the other parties thereto may amend or supplement any Note Documents without notice to or consent of any Holder to:

(1) cure any ambiguity, omission, defect, error or inconsistency, conform any provision to the "Description of Notes" in the Offering Memorandum, or reduce the minimum denomination of any Note;

(2) provide for the assumption by a successor Person of the obligations of the Issuers under any Note Document;

(3) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(4) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Issuers or any Restricted Subsidiary;

(5) make any change that does not adversely affect the rights of any Holder in any material respect;

(6) at the issuers' election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA, if such qualification is required;

(7) make such provisions as necessary (as determined in good faith by the Issuers) for the issuance of Additional Notes;

(8) to provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 4.05, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien (including the Collateral and the Security Documents) with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture or the Security Documents;

(9) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Note Document; or

(10) in the case of the Security Documents, to mortgage pledge, hypothecate or grant a security interest in favor of the Collateral Agent, for the benefit of parties to the Senior Facilities Agreement, in any property which is required by the Senior Facilities Agreement (as in effect on the Issue Date) to be mortgaged, pledged or hypothecated or in which a security interest is required to be granted to the Collateral Agents, or to the extent necessary to grant a security interest for the benefit of any Person; provided, that the granting of such security interest is not prohibited by this Indenture and Section 4.14 is complied with.

SECTION 9.02. With Consent of Holders

(a) The Issuers, the Trustee and the other parties thereto, as applicable, may amend, supplement or otherwise modify the Note Documents with the consent of the holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and subject to certain exceptions any default or compliance with any provisions thereof may be waived with the consent of the holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), *provided,* that if any amendment, waiver or other modification will only affect one series of the Notes, only the consent of a majority in principal amount of the then outstanding Notes of such series shall be required. However, without the consent of Holders holding not 1ess than 100% (or, in the case of clauses (7) and (10), 90%) of the then outstanding principal amount of the Notes), an amendment or waiver may not, with respect to any Notes held by a non-consenting Holder:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment;

(2) reduce the stated rate of or extend the stated time for payment of interest on any Note;

(3) reduce the principal of or extend the Stated Maturity of any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case as described in Section 5 of the Notes;

(5) make any Note payable in money other than that stated in the Note;

(6) impair the right of any Holder to receive payment of principal of and interest, including Additional Interest, on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes;

(7) make any change to Section 4.02 that adversely affects the right of any Holder of such Notes in any material respect or amends the terms of such Notes in a way that would result in a loss of an exemption from any of the Taxes described thereunder or an exemption from any obligation to withhold or deduct Taxes so described thereunder unless the Payor agrees to pay Additional Amounts, if any, in respect thereof;

(8) release the security interest granted fox the benefit of the Holders in the Collateral other than pursuant to the terms of the Security Document, the Intercreditor Agreement or as otherwise permitted by this Indenture;

(9) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(10) make any change in this Section 9.02(a) which require the Holders' consent described in this sentence.

(b) The Issuer will, for so long as the Notes are listed on the Irish Stock Exchange, to the extent required by the rules of the Irish Stock Exchange, (i) inform the Irish Stock Exchange of any of the foregoing amendments, supplements and waivers and (ii) deliver notice of any amendment, supplement and waiver in Ireland to the Companies Announcement Office in Dublin.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment of the Note Documents, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

After an amendment under this Section 9.02 becomes effective, in case of Holders of Definitive Notes, the Issuers shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

The Notes issued on the Issue Date, and any Additional Notes part of the same series, will be treated as a single class for all purposes under this Indenture, including with respect to waiver and amendments, except as the relevant amendment, waiver, consent, modification or similar action affects the rights of the Holders of the different series of Notes dissimilarly. For the purposes of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, wavier, consent, modifications or other similar action, the Issuers (acting reasonably and in good faith) shall be entitled to select a record date as of which the Euro Equivalent of the principal amount of any Notes shall be calculated in such consent or voting process.

SECTION 9.03. Revocation and Effect of Consents and Waivers

(a) A written consent to an amendment or a waiver by a holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the written consent or waivers as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Issuer certifying that the requisite number of consents have been received. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers and the Trustee.

(b) The Issuers may, but shall not be obliged to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Notes

If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determine, the Issuers in exchange for the Note shall issue and the Trustee or an authentication agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.05. Trustee and Collateral Agents to Sign Amendments

(a) The Trustee and the Collateral Agents shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or the Collateral Agents or adversely affect the rights, duties, liabilities or immunities of the Trustee and the Collateral Agents under this Indenture. If it does, the Trustee or the Collateral Agents may, but need not sign it. In signing such amendment the Trustee and the Collateral Agents shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legal, valid and binding obligation of the Issuers and the Note Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions.

(b) Every amendment or supplemental indenture executed pursuant to this Article shall conform to the requirements of the TIA.

SECTION 9.06. Payment for Consent

Neither the Issuers nor any Affiliate of either Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Note Documents (or the appointment of any Proxy in relation to any of the foregoing) unless such consideration is offered (subject to limitations of applicable law) to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement or proxies in relation thereto.

ARTICLE 10

Note Guarantees

SECTION 10.01. Note Guarantees.

(a) Subject to the limitations set forth in Schedule 10.1, each Restricted Subsidiary that is required to become a Note Guarantor pursuant to Section 4.12 hereof hereby Irrevocably Guarantees (collectively, the *"Note Guarantees"),* as primary obligor and not merely as surety, on a senior basis to each Holder, the Collateral Agents (on behalf of and for the benefit of Holders, for the purpose of this Article 10, and not in their individual capacities, but solely in their roles as representatives of the Holders in holding and enforcing the Collateral and the Security Documents), and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all payment obligations of the Issuers under this Indenture and the Notes, whether for payment of principal of, premium, or interest and all other monetary obligations of the Issuers under this Indenture or in respect of the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuers whether

for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the *"Guaranteed Obligations").* Any such Note Guarantor farther agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Note Guarantor, and that such Note Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Note Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Note Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Note Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Collateral Agents on behalf of the Holders or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any Notes held by any Holder, the Collateral Agents or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder, the Collateral Agents on behalf of the Holders or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Note Guarantor, except as provided in Section 10.02(b).

(c) Each Note Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Note Guarantors, such that such Note Guarantor's obligations would be less than the full amount claimed. Each Note Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' or such Note Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Note Guarantor hereunder. Each Note Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Note Guarantor.

(d) Each Note Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any Note held for payment of the Guaranteed Obligations.

(e) If any Note Guarantor makes payments under its Note Guarantee, each Note Guarantor must contribute its share of such payments. Each Note Guarantor's share of such payment will be computed based on the proportion that the net worth of the relevant Note Guarantor represents relative to the aggregate net worth of all the Note Guarantors combined.

(f) [Reserved].

(g) Each Note Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in Ml of the Guaranteed Obligations. Except as expressly set forth in Sections 4.12, 4.13, 8.01(b), 10.02, Schedule 10.1 and the terms of any Note

Guarantee Supplement, the obligations of each Note Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Note Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Note Guarantor or would otherwise operate as a discharge of such Note Guarantor as a matter of law or equity.

(h) Each Note Guarantor agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuers or otherwise unless such Note Guarantee has been released in accordance with this Indenture.

(i) Subject to the limitations set forth in Schedule 10.1, in furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Note Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Note Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of the Notes, (ii) accrued and unpaid interest on the Notes and (iii) all other monetary obligations of the Issuers to the Holders and the Trustee, including any other unpaid principal amount of such Guaranteed Obligations, accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and any Additional Amounts.

(j) Each Note Guarantor agrees that it shall not be entitled to exercise any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Note Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Note Guarantor for the purposes of this Section 10.01.

(k) Each Note Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section.

(l) Upon request of the Trustee, each Note Guarantor shall execute and deliver such further instruments and do such further acts as the Trustee may reasonably require to carry out more effectively the purpose of this Indenture.

(m) The Collateral Agents may only assert a claim or demand or enforce a right or remedy with respect to the Note Guarantees at the direction of the Trustee. The Trustee may direct the Collateral Agents to take enforcement action with respect to the Note Guarantees if any amount is declared or becomes due and payable pursuant to Section 6,02 (but not otherwise).

SECTION 10.02. Limitation on Liability

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Note Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Note Guarantor without rendering the Note Guarantee, as it relates to such Note Guarantor, voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally.

(b) A Note Guarantee as to any Note Guarantor shall terminate and be of no further force or effect and such Note Guarantor shall be deemed to be released from all obligations under this Article 10 upon:

(1) a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture,

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary,

(3) defeasance or discharge of the Notes, as provided in Article 8,

(5) upon the achievement of Divestment Grade Status by the relevant series of Notes so long as each of Moody's and S&P (or another Nationally Recognized Statistical Ratings Organization which has provided a rating used to achieve Investment Grade Status) has been notified in advance that such Investment Grade Status will result in the termination of such Note Guarantee; *provided* that such Note Guarantee shall, subject to the Agreed Security Principles, be reinstated upon the Reversion Date.

In all cases, the Issuers and such Note Guarantors that are to be released from their Note Guarantees shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel certifying compliance with this Section 10.02(b). At the request of the Issuers, the Trustee shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Issuers).

SECTION 10.03. Successors and Assigns

This Article 10 shall be binding upon each Note Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver

Neither a failure nor a delay on the part of, the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Collateral Agents, the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Note Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Note Guarantor in any case shall entitle such Note Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. [Reserved.]

SECTION 10.07. Execution of Note Guarantee Supplement for Note Guarantors

Each Subsidiary which is required to become a Note Guarantor pursuant to this Indenture shall promptly execute and deliver to the Trustee a note guarantee supplement in the form of Exhibit D hereto pursuant to which such Subsidiary shall become a Note Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such note guarantee supplement, the Issuers shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such note guarantee supplement complies with this Indenture and has been duly authorized, executed and delivered by such Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally

and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Note Guarantor is a legal, valid and binding obligation of such Note Guarantor, enforceable against such Note Guarantor in accordance with its terms and to such other matters as the Trustee may reasonably request.

SECTION 12.01. Collateral and Security Documents

(a) Subject to the Agreed Security Principles, the payment obligations of the Issuers under the Notes and this Indenture will be secured on a first priority basis by Liens on the Collateral. To the extent any Liens over the intended Collateral pursuant to any Security Document listed on Schedule 1.1 or any action or deliverable related to the creation or perfection of Liens over the intended Collateral (other than any Collateral the Liens over which may be perfected by the filing of a UCC financing statement or, subject to the Agreed Security Principles, the delivery of stock certificates and the Security Document giving rise to the lien therein) or any Guarantee is not provided on the Issue Date after use by the Issuers and the Guarantors of commercially reasonable efforts to do so, the provision of any such Lien or deliverable or Guarantee shall be required to be delivered as soon as reasonably practicable, in any event not later than 90 days after the Issue Date (or 120 days if the lenders under the Senior Facilities Agreement agree to defer such date under the Senior Facilities Agreement); *provided, however,* that, subject to the Agreed Security Principles, the Issuers will be obligated to provide security on NXP Semiconductors (Thailand) Co. Ltd.'s machinery and equipment within seven months of the Issue Date.

(b) Each of the Issuers, the Trustee and the Holders agree that the Collateral Agents shall be the joint creditors (together with the Holders) of each and every obligation of the parties hereto under the Notes and this Indenture, and that accordingly the Collateral Agents will have its own independent right to demand performance by the Issuers of those obligations, except that such demand shall only be made with the prior written consent of the Trustee or as otherwise permitted under the Collateral Agency Agreement. However, any discharge of such obligation to the Collateral Agents, on the one hand, or to the Trustee or

the Holders, as applicable, on the other hand, shall, to the same extent, discharge the corresponding obligation owing to the other.

(c) The Collateral Agents agree that it will hold the security interests in Collateral created under the Security Documents to which it is a party as contemplated by this Indenture and the Collateral Agency Agreement, and any and all proceeds thereof, for the benefit of, among others, the Trustee and the Holders, without limiting the Collateral Agents' rights including under Section 12.02, to act in preservation of the security interest in the Collateral. The Collateral Agents will take action or refrain from taking action in connection therewith only as directed by the Trustee, subject to the terms of the Collateral Agency Agreement.

(d) Each Holder, by accepting a Note, shall be deemed to have agreed to all the terms and provisions of the Security Documents and the Collateral Agency Agreement. The claims of Holders will be subject to the Collateral Agency Agreement (whether then entered into or entered into in the future pursuant to this Indenture). In the event of a conflict between this Indenture and the Collateral Agency Agreement, the Collateral Agency Agreement shall prevail.

(e) (1) Subject to the Agreed Security Principles, within 60 days (or such longer period as the Collateral Agents may agree in writing) after (i) any Restricted Subsidiary becomes a Guarantor in accordance with Section 4.12 or (ii) any Issuer or Guarantor acquires any material property that is not automatically subject to a perfected security interest under the Security Documents, the relevant Issuer or Guarantor shall, in each case at its sole cost and expense, duly execute and deliver to the Collateral Agents such mortgages, security agreement supplements and other security documents, as reasonably specified by and in form and substance reasonably satisfactory to the Collateral Agents (in form and scope, and covering such collateral on such terms, in each case consistent with the mortgages, security agreements and other security documents in effect on the Issue Date), granting a security interest in favor of the secured parties under the Security Documents, and take such additional actions (including the giving of notices, the filing of statements and the provision of all instruments and documents reasonably requested by the Collateral Agents) to perfect and protect such security interests of the secured parties under the Security Documents. Notwithstanding the foregoing, no Issuer or Guarantor shall be required to provide a security interest pursuant to this Section 12.01(e) (x) except as provided in Section 4.22, in cash or bank accounts prior to the occurrence of an Enforcement Event, (y) if the Agreed Security Principles would not so require or (z) over assets or properties that are not subject to Liens under the Security Documents specifically set forth on Schedule 1.1 (whether or not such Security Documents shall have been executed on the Issue Date) (as in effect on the date hereof) as a result of the application of the Agreed Security Principles. Any security interest provided pursuant to this Section 12.01(e) shall be accompanied with such opinions of counsel to the Company as customarily given by Company's counsel in the relevant jurisdiction, in form and substance customary for such jurisdiction. The Company will use reasonable endeavors to procure that its counsel in any relevant jurisdiction provides a legal opinion in respect of any such security interest.

(2) Subject to the Agreed Security Principles, promptly upon request by the Collateral Agents, the Issuers shall (a) correct any material defect or error that may be discovered in any Security Documents or in the execution, acknowledgment, filing or recordation thereof, and (b) do, execute,

acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances and other instruments as the Collateral Agents, may reasonably require from time to time in order to carry out more effectively the purposes of any Security Documents.

(3) To the extent applicable, the Company will comply with Section 313(b) of the TIA, relating to reports, and Section 314(d) of the TIA, relating to the release of property and to the substitution therefor of any property to be pledged as collateral for the Secured Notes. Any certificate or opinion required by Section 314(d) of the TIA may be made by an Officer of the Company except in cases where Section 314(d) requires that such certificate or opinion be made by an independent engineer, appraiser or other expert, who shall be reasonably satisfactory to the Trustee. Notwithstanding anything to the contrary herein, the Company and its Subsidiaries will not be required to comply with all or any portion of Section 314(d) of the TIA if they determine, in good faith based on advice of outside counsel, that under the terms of that section and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including "no action" letters or exemptive orders, all or any portion of Section 314(d) of the TIA is inapplicable to the released Collateral.

SECTION 12.02. Suits To Protect the Collateral

Subject to the provisions of the Security Documents and the Collateral Agency Agreement, the Collateral Agents shall have power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Collateral Agents, in their sole discretion, may deem expedient to preserve or protect the security interests in the Collateral created under the Security Documents (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Lien on the Collateral or be prejudicial to the interests of the Holders or the Trustee).

SECTION 12.03. Resignation and Replacement of the Collateral Agents

(a) Any resignation or replacement of, a Collateral Agent shall be made in accordance with the Collateral Agency Agreement.

SECTION 12.04. Amendments and Additional Agency Agreements

(a) At the request of the Issuers, in connection with the Incurrence or refinancing by the Company or its Restricted Subsidiaries of any Indebtedness secured or permitted to be secured on the Collateral, the Issuers, the relevant Restricted Subsidiaries and the Trustee shall enter into a collateral agency or similar agreement (an *"Additional Agency Agreement")* with the holders of such Indebtedness (or their duly authorized representatives) on substantially the same

terms as the Collateral Agency Agreement (or on terms not materially less favorable to the Holders), including containing substantially the same terms with respect to the application of the proceeds of the collateral held thereunder and the means of enforcement; provided that such Additional Agency Agreement will not impose any personal obligations on the Trustee or, in the opinion of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee under the Indenture or the Collateral Agency Agreement. As used herein, the term "Collateral Agency Agreement" shall include references to any Additional Agency Agreement that supplements or replaces the Collateral Agency Agreement entered into prior to the Issue Date.

(b) At the written direction of the Issuers and without the consent of Holders, the Trustee shall from time to time enter into one or more amendments to any Collateral Agency Agreement to: (1) cure any ambiguity, omission, defect or inconsistency of any such agreement, (2) increase the amount or types of Indebtedness covered by any such agreement that may be Incurred by the Issuers that is subject to any such agreement (provided that such Indebtedness is Incurred in compliance with the indenture relating to the Notes), (3) add Restricted Subsidiaries to the Collateral Agency Agreement, (4) further secure the Notes (including Additional Notes), (5) make provision for equal and ratable pledges of the Collateral to secure Additional Notes or to implement any Permitted Collateral Liens or (6) make any other change to any such agreement that does not adversely affect the Holders of Notes in any material respect. The Issuers shall not otherwise direct the Trustee to enter into any amendment to any Collateral Agency Agreement without the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted below under Article 9 or as permitted by the terms of such Collateral Agency Agreement, and the Issuers may only direct the Trustee to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or, in the opinion of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or any Collateral Agency Agreement.

(c) Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted the terms and conditions of any Collateral Agency Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein).

SECTION 12.05. Release of Liens

The Liens on the Collateral securing the Notes will be released:

(a) upon payment in full of principal, interest and all other Obligations on the Secured Notes issued under the indenture or discharge or defeasance thereof;

(b) upon release of a Note Guarantee (with respect to the Liens securing such Note Guarantee granted by such Guarantor);

(c) in connection with any disposition of Collateral to (1) any Person other than the Company or any of its Restricted Subsidiaries (but excluding any transaction subject to Section 5.01) that is permitted by the Indenture (with respect to the Lien on such Collateral) or (b) any Restricted Subsidiary that is not a Guarantor; provided that the net aggregate amount of Collateral that may be released pursuant to this clause (b) from and after

the Issue Date shall not exceed the greater of €200 million and 2% of Total Assets (measured at the time of a proposed transfer);

(d) upon the achievement of Investment Grade Status by the Secured Notes so long as each of Moody's and S&P (or another Nationally Recognized Statistical Ratings Organization which has provided a rating used to achieve Investment Grade Status) has been notified in advance that such Investment Grade Status will result in such release; provided that such Liens shall, subject to the Agreed Security Principles, be reinstated upon the Revision Date; and

(e) automatically without any action by the Trustee or the Collateral Agents, if the Lien granted in favor of the Senior Facilities Agreement is released (other than pursuant to the repayment and discharge thereof); provided that such release would otherwise be permitted by another clause above.

Each of these releases shall be effected by the Collateral Agents without the consent of the Holders or any action on the part of the Trustee (except for (e) as to which no action will be required of the Collateral Agents unless requested by the Company).

SECTION 12.06. Compensation and Indemnity

The compensation and indemnification of the Collateral Agents shall be as set forth in the Collateral Agency Agreement.

SECTION 12.07. Conflicts

Each of the Issuers, the Note Guarantors (if any), the Trustee and the Holders acknowledge and agree that the Collateral Agents are acting as collateral agents and trustee not just on their behalf but also on behalf of the Secured Parties named in the Collateral Agency Agreement and acknowledge and agree that pursuant to the terms of the Collateral Agency Agreement, the Collateral Agents may be required by the terms thereof to act in a manner which may conflict with the interests of the Issuers, the Note Guarantors, the Trustee and the Holders (including the Holders' interests in the Collateral and the Note Guarantees) and that it shall be entitled to do so in accordance with the terms of the Collateral Agency Agreement

SCHEDULE 2.1

AGREED SECURITY PRINCIPLES

1. Agreed Security Principles

1.1 The Guarantees and Liens to be provided by the Issuers and the Guarantors will be given in accordance with certain agreed security principles (the "*Agreed Security Principles*"). This Schedule 2.1 identifies the Agreed Security Principles and addresses the manner in which the Agreed Security Principles will impact on or be determinant of the Guarantees and Liens to be taken in relation to this Indenture.

1.2 The Agreed Security Principles embody a recognition by all parties that there may be certain legal, commercial and practical difficulties in obtaining effective security from the Company and each of its Restricted Subsidiaries in every jurisdiction in which the Company and its Restricted Subsidiaries are located. In particular:

(a) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalization" rules, retention of title claims and similar matters may limit the ability of the Company or any of its Restricted Subsidiaries to provide a Guarantee or Liens or may require that it be limited as to amount or otherwise, and if so the same shall be limited accordingly, *provided* that the Company or the relevant Restricted Subsidiary shall use reasonable endeavors to overcome such obstacle. The Company will use reasonable endeavors to assist in demonstrating that adequate corporate benefit accrues to each of the Restricted Subsidiary;

(b) the Company and its Restricted Subsidiaries will not be required to give Guarantees or enter into Security Documents if (or to the extent) it is not within the legal capacity of the Company or its relevant Restricted Subsidiary or if the same would conflict with the fiduciary duties of their directors or contravene any legal prohibition or regulatory condition or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer or director of the Company or any of the Restricted Subsidiaries, *provided* that the Company and each of its Restricted Subsidiaries shall use reasonable endeavors to overcome any such obstacle;

(c) a key factor in determining whether or not security shall be taken is the applicable cost (including adverse effects on interest deductibility, registration taxes and notarial costs) which shall not be disproportionate to the benefit to the Holders of obtaining such security;

(d) where there is material incremental cost involved in creating security over all assets owned by any of the Issuers or a Guarantor in a particular category (e.g. real estate), regard shall be had to the principle stated at paragraph 1.2(c) of this Schedule 2.1 which shall apply to the immaterial assets and, subject to the

Agreed Security Principles, only the material assets in that category (e.g. real estate of material economic value) shall be subject to security;

(e) it is expressly acknowledged that it may be either impossible or impractical to create security over certain categories of assets in which event security will not be taken over such assets;

(f) any assets subject to contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Agreement and which (subject to override by the UCC and other relevant provisions of applicable law), effectively prevent those assets from being charged will be excluded from any relevant Security Document; *provided* that reasonable endeavors to obtain consent to creating Liens in any such assets shall be used by the Company and each of its Restricted Subsidiaries to avoid or overcome such restrictions if either Collateral Agent reasonably determines that the relevant asset is material (which endeavors shall not include the payment of any consent fees), but unless effectively prohibited by contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Indenture, this shall not prevent security being given over any receipt or recovery under such contract, lease or license;

(g) the giving of a Guarantee, the granting of security or the perfection of the security granted will not be required if it would have a material adverse effect (as reasonably determined in good faith by management of the relevant obligor) on the ability of the relevant obligor to conduct its operations and business in the ordinary course as otherwise permitted by this Indenture;

(h) in the case of accounts receivable, a material adverse effect on either Issuer's or a Guarantor's relationship with or sales to the customer generating such receivables or material legal or commercial difficulties (as reasonably determined by management of the relevant obligor in good faith) *provided* that none of the Issuers and the Guarantors may utilize this exception unless, after giving effect thereto no less than a majority of the book value of the accounts receivable of the Company and its Subsidiaries on a consolidated basis (as measured at the end of each fiscal quarter) is subject to perfected liens, and *provided* further that any accounts receivable of the Issuers and the Guarantors excluded from collateral by virtue of this clause (except where prohibited by law and subject to the remainder of these Agreed Security Principles) shall be subject to perfected Liens promptly if and when the corporate credit of the Company is downgraded to "B" or lower from S&P and "B2" or lower from Moody's;

(i) security will be limited so that the aggregate of notarial costs and all registration and like taxes relating to the provision of security shall not exceed

an amount to be agreed. Any additional costs may be paid by the Holders at their option; and

(j) all security shall be given in favor of a single security trustee or collateral agent and not the secured parties individually. "Parallel debt" provisions and other similar structural options will be used where necessary and such provisions will be contained in the intercreditor agreement and not the individual security documents unless required under local law. No action will be required to be taken in relation to the guarantees or security when any lender assigns or transfers any of its participation in this Indenture to a new lender.

2. Terms of Security Documents

The following principles will be reflected in the terms of any Security Document to be executed and delivered:

(a) subject to permitted liens and these Agreed Security Principles the security will be first ranking and the perfection of security (when required) and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Note Documents or, if earlier or to the extent no such time period is specified in the Note Documents, within the time periods specified by applicable law in order to ensure due perfection;

(b) the security will not be enforceable until an Event of Default has occurred and notice of acceleration of the Notes has been given by the Trustee or the Notes have otherwise become due and payable prior to the scheduled maturity thereof (an "*Enforcement Event*");

(c) prior to the Maturity Date, notification of any Liens over bank accounts will be given (subject to legal advice) to the banks with whom the accounts are maintained only if an Enforcement Event has occurred;

(d) notification of receivables security to debtors who are not members of the Company or its Subsidiaries will only be given if an Enforcement Event has occurred;

(e) notification of any security interest over insurance policies will be served on any insurer of the Company's or any Restricted Subsidiaries' assets (other than in respect of any insurance policy maintained by the Company or any of its Restricted Subsidiaries which is due to expire on or before December 31, 2006);

(f) the Security Documents should only operate to create security rather than to impose new commercial obligations. Accordingly, they should not contain material additional representations, undertakings or indemnities (such as in respect of insurance, information or the payment of costs) unless these are the

same as or consistent with those contained in this Indenture or are necessary for the creation or perfection of the security;

(g) in respect of the share pledges and pledges of infra-group receivables, until an Enforcement Event has occurred, the pledgors will be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not materially adversely affect the value of the security (taken as a whole) or the validity or enforceability of the security or cause an Event of Default to occur, and the pledgors will be permitted to receive dividends on pledged shares and payment of intra-group receivables and retain the proceeds and/or make the proceeds available to Holdings and its Subsidiaries to the extent not prohibited under this Indenture;

(h) the Collateral Agents will only be able to exercise a power of attorney in any Security Document following the occurrence of an Enforcement Event or with respect to perfection or further assurance obligations that following request, the relevant obligor has failed to satisfy;

(i) no obligor shall be required to provide surveys on real property (unless such surveys already exist in which case there shall be no requirement that such surveys be certified to the Holders) or to remove any encumbrances on title (not created in contemplation of the Transactions (as defined in the Senior Facilities Agreement)) that are reflected in any title insurance or any other existing encumbrances on real property (not created in contemplation of the Transactions) (not including Liens securing Indebtedness of the Company or any of its Restricted Subsidiaries);

(j) no obligor shall be required to protect any Liens in the United States prior to the occurrence of an Enforcement Event by means other than customary filings (including UCC-1s, mortgage or deed of trust filings and patent and trademark filings) and delivery of share certificates (accompanied by powers of attorney executed in blank) and any intercompany promissory notes; and

(k) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to protect or create, perfect or register the security and, to the extent so required will be provided annually (unless required to be provided by local law more frequently, but not

more frequently than quarterly) and following the occurrence and during the continuance of an Event of Default, on the Collateral Agents' reasonable request.

SCHEDULE 10.1

GUARANTOR LIMITATIONS

1. The right to enforce the guarantee given by a Guarantor incorporated in Germany as a GmbH (a *"German Guarantor"*) shall be excluded if and to the extent that the Guaranty secures the obligations of an affiliated company *(verbundenes Unternehmen*) within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) of such German Guarantor (other than any of the German Guarantor's direct or indirect subsidiaries), and if and to the extent that (a) the enforcement of the Guaranty would cause such German Guarantor's assets (the calculation of which shall include all items set forth in section 266(2) A, B and C of the German Commercial Code (*Handelsgesetzbuch*)) less such German Guarantor's liabilities (the calculation of which shall include all items set forth in section 266(3) B, C and D of the German Commercial Code) (the *"Net Assets"*) being less than its registered share capital (*Stammkapital*) (*Begründung einer Unterbilanz*) or (b) (if such German Guarantor's Net Assets are already less than its registered share capital) causing such amount to be further reduced (*Vertiefung einer Unterbilanz*).

(c) For the purposes of such calculation the following balance sheet items shall be adjusted as follows:

(i) The amount of the increase of the relevant German Guarantor's registered share capital out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) after the date of this Agreement that has been effected without the prior written consent of the Global Collateral Agent (acting on behalf of the Guaranteed Parties) shall be deducted from the registered share capital; and

(ii) Obligations arising out of loans made to the relevant German Guarantor and other liabilities shall be disregarded if and to the extent such loans and other liabilities are subordinated; and

(iii) Loans and other contractual liabilities incurred in violation of the provisions of the Indenture, the Security Documents or the Guaranty shall be disregarded; and

(iv) Claims of the relevant German Guarantor against its shareholders arising out of any upstream loans permitted under the Indenture, the Security Documents or the Guaranty shall only be taken into account (*aktiviert*) if and to the extent this is permitted pursuant to the jurisprudence of the German Federal High Court (*Bundesgerichtshof*) relating to the permissibility of loans to shareholders under Sections 30, 31 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*).

(d) In addition, a German Guarantor shall realize, to the extent legally permitted, in a situation where after enforcement of the Guaranty such German Guarantor would not have Net Assets in excess of its registered share capital, any and all of its assets that are shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the asset if such asset is not necessary for the German business (*betriebsnotwendig*).

(e) The limitations set out in sub-clause (i) above shall only apply (i) if and to the extent that within 5 Business Days following the demand against such German Guarantor under the Guaranty by the Global Collateral Agent (the *"Guaranty Demand")* the managing directors of the German Guarantor have confirmed in writing to the Global Collateral Agent (x) to what extent the Guaranty is an up-stream or cross-stream security and (y) the amount which cannot be enforced as causing the net assets of such German Guarantor, to fall below its stated share capital and such confirmation is supported by interim financial statements up to the end of the last completed calendar month (taking into account the adjustments set out in paragraph sub-clause (ii) above and such confirmation is supported by evidence reasonably satisfactory to the Global Collateral Agent (the *"Management Determination")* and the Global Collateral Agent has not contested this and argued that no or a lesser amount would be necessary to maintain its stated share capital; or (B) within 20 Business Days from the date the Global Collateral Agent has contested the Management Determination the Global Collateral Agent receives a determination by auditors of international standard and reputation (the "*Auditor's Determination*") as appointed by such German Guarantor of the amount that would have been necessary on the date the Guaranty Demand was made to maintain the German Guarantor stated share capital based on an up to date balance sheet which shall be based on the same accounting principles that were applied when establishing the previous year's balance sheet and calculated and adjusted in accordance with sub-clauses (i) and (ii) above. If a German Guarantor fails to deliver an Auditor's Determination within 20 Business Days after the date the Global Collateral Agent has contested the Management Determination, the Global Collateral Agent shall be entitled to enforce the Guaranty without limitation or restriction

(f) If the Global Collateral Agent disagrees with the Management Determination and/or the Auditor's Determination, the Guaranty shall be enforceable up to the amount which is undisputed between itself and the relevant German Guarantor. In relation to the amount which is disputed, the Global Collateral Agent shall be entitled to further pursue its claims and enforce the Guaranty always subject to sub-clauses (i) to (iv) (inclusive) above and sub-clause (vi) below, if it determines in good faith that the financial condition of such German Guarantor as set forth in the Auditor's Determination and/or the Management Determination has substantially improved (in particular, if such German Guarantor has performed any actions in accordance with sub-clause (iii) above).

(g) Notwithstanding the above provisions of this clause (c), and subject to the following paragraph below, the Guaranty shall not be enforced against a German Guarantor to the extent that such German Guarantor provides constructive evidence that such enforcement will deprive such German Guarantor of the liquidity necessary to fulfil its liabilities to its creditors or result in a breach of the duty of care owed by the relevant managing director to the respective company *(Verbot des existenzvernichtenden Eingriffs, Gebot der Rücksichtnahme auf die Eigenbelange der Gesellschaft)* and is

reasonably likely to result in a personal civil or criminal liability of the relevant managing directors of such German Guarantor or the relevant managing directors of its shareholder.

For the avoidance of doubt, nothing in this Schedule shall be interpreted as a restriction or limitation of the enforcement of the Guaranty to the extent it guarantees the prompt and complete payment and discharge of any and all obligations of a German Guarantor itself or any of its subsidiaries including in each case their legal successors.

[FORM OF BACK OF EURO FLOATING RATE NOTE]

FLOATING RATE SENIOR SECURED NOTES DUE 2013

1. Interest

NXP B.V., a company organized under the laws of The Netherlands, and NXP Funding LLC, a limited liability company organized under the laws of Delaware (together with NXP B.V. and their respective successors and assigns under the Indenture hereinafter referred to, being herein called "*the Issuers*"), jointly and severally promise to pay interest on the principal amount of this Note at the rate per annum as determined below.

Interest on the Notes will accrue at a rate equal to the EURIBO Rate (which will be reset quarterly) plus 2.75%, except that the interest rate on the Notes for the period beginning on the date of issue and ending January 14, 2007 will be 6.214%. Interest on the Notes will be payable, in cash, quarterly in arrears on every January 15, April 15, July 15 and October 15, beginning [ ] to the holders of record on the January 1, April 1, July 1 or October 1 immediately preceding the next interest payment date.

The amount of interest for each day that any Note is outstanding (the "*Daily Interest Amount*") will be calculated by dividing the interest rate in effect for such day by 360 and multiplying the result by the principal amount of such Notes. The amount of interest to be paid on the Notes for each interest period will be calculated by adding the Daily Interest Amounts for each day in the interest period. Each interest period shall end on (but not include) the relevant interest payment date.

All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth, of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655) and all euro amounts used in resulting from such calculations will be rounded to the nearest hundredth of a euro (with one-half cent being rounded upwards).

The interest rate on the Notes will in no event be higher than the maximum rate permitted by law.

Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance.

"*EURIBO Rate*" means, for each quarterly period during which any Note is outstanding subsequent to the initial period beginning on the Issue Date and ending January 14, 2007, the rate determined by the Issuers (written

notice of such rate to be sent to the Trustee by the Issuers on the date of determination thereof) equal to the applicable British Bankers' Association EURIBO Rate for deposits in euro for a period of three months as reported by any generally recognized financial information service as of 11:00 a.m. (London time) two business days prior to the first day of such quarterly period; *provided* that, if no such British Bankers' Association EURIBO Rate is available to the Issuers, the EURIBO Rate for the relevant quarterly period shall instead be the rate at which a first class bank in the London interbank market selected in good faith by the Company offers to place deposits in euro with first class banks in the London interbank market for a period of three months at approximately 11:00 a.m. (London time) two business days prior to the first day of such quarterly period, in amounts equal to €1.0 million. If such a rate cannot be obtained, the EURIBO Rate shall be equal to that applicable to the prior interest period.

The Holders of this Note are entitled to the benefits of the Registration Rights Agreement, dated October 12, 2006, among the Issuers, the guarantors party thereto and the Initial Purchasers named therein (the "*Registration Rights Agreement*"). The Holders of this Note are entitled to the Additional Interest payable in the circumstances as set forth in the Registration Rights Agreement.

2. Method of Payment

Holders must surrender Notes to the relevant Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and Additional Amounts, if any, and interest and Additional Interest, if any, in euro or such other lawful currency of the participating member states in the Third Stage of European Economic and Monetary Union of the Treaty Establishing the European Community that at the time of payment is legal tender for payment of public and private debts. Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on the Global Notes will be payable at the specified office or agency of one or more Paying Agents; provided that all such payments with respect to Notes represented by one or more Global Notes registered in the name of or held by a nominee of Euroclear and/or Clearstream will be made by wire transfer of immediately available funds to the account specified by the Holder or Holders thereof.

Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on any Definitive Notes will be payable at the specified office or agency of one or more Paying Agents in the City of London, maintained for such purposes. In addition, interest on the Definitive Notes may be paid by check mailed to the person entitled thereto as shown on the register for the Definitive Notes; *provided, however,* that cash payments on the Notes may also be made, in the case of a Holder of at least €1,000,000 aggregate principal amount of Notes, by wire transfer to a euro account maintained by the payee with a bank in a country that is a member of the European Union if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

If the due date for any payment in respect of any Note is not a Business Day at the place in which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

3. Paying Agent, Registrar and Calculation Agent

Initially, Deutsche Bank AG, London Branch will act as Euro Paying Agent and Deutsche Bank Luxembourg S.A. will act as Registrar and Transfer Agent. The Issuers may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuers or any of its Restricted Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

The Issuers initially appoint Deutsche Bank AG, London Branch as Calculation Agent for the Notes. The Calculation Agent shall, as soon as practicable after 11:00 a.m. (London time) on each determination date, determine the applicable rate and calculate the aggregate amount of interest payable in respect of the following interest period (the "*Interest Amount*"). The Interest Amount shall be calculated by applying the applicable rate to the principal amount of each Note outstanding at the commencement of the interest period, multiplying each such amount by the actual amounts of days in the interest period concerned divided by 360 and rounding the resultant figure upwards to the nearest available currency unit. The determination of the applicable rate and the Interest Amount by the Calculation Agent shall, in the absence of willful default, bad faith or manifest error, be final and binding on all parties.

4. Indenture

The Issuers issued the Notes under the Indenture dated as of October 12, 2006 (the "*Indenture*"), among the Issuers, the Guarantors party thereto, Deutsche Bank Trust Company Americas, as Trustee (the "*Trustee*"), Morgan Stanley Senior Funding, Inc., as Global Collateral Agent, and Mizuho Corporate Bank, Ltd., as Taiwan Collateral Agent. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. In the event of a conflict, the terms of the Indenture control.

The Notes are senior obligations of the Issuers. This Note is one of the Notes referred to in the Indenture. The Notes and the Additional Notes are treated as a single class under the Indenture. The Indenture imposes certain limitations on the ability of the Issuers and their Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness and layer Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens, make asset sales, impair certain security interests, issue certain guarantees and designate Restricted and Unrestricted Subsidiaries. The Indenture also imposes limitations on the ability of the Issuers to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its property.

5. Optional Redemption

(a) At any time prior to October 15, 2007, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Floating Rate Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the applicable redemption date.

(b) At any time and from time to time on or after October 15, 2007 the Issuers may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest to the redemption date.

12-month period commencing October 15, in Year	Percentage
2007	102%
2008	101%
2009 and thereafter	100%

(c) Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent.

6. Optional Tax Redemption

The Issuers or Successor Company may redeem any series of Notes in whole as to such series, but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders of the relevant series of Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, including Additional Interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers, Successor Company or Guarantor determines in good faith that, as a result of:

(1) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the Issuers, Successor Company or Guarantor are, or on the next interest payment date in respect of the relevant series of Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuers, Successor Company or Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at October 5, 2006, such Change in Tax Law must become effective on or after October 5, 2006. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after October 5, 2006, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction, unless the Change in Tax Law would have applied to the predecessor of the Successor Company. Notice of redemption for taxation reasons will be published in accordance with the procedures described in paragraph 8. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuers have been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of the Notes.

7. Sinking Fund

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. Notice of Redemption

At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 of the Indenture and as provided below.

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, as certified to the Trustee by the Issuers, and/or in compliance with the

requirements of Euroclear or Clearstream, as applicable, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through Euroclear or Clearstream, as applicable, prescribes no method of selection, on a pro rata basis; provided, however, that no Note of €50,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

9. Additional Amounts

The Issuers are required to make all payments under or with respect to the Notes or the Note Guarantees free and clear of and without withholding or deduction for or on account of any present or future Taxes in accordance with Section 4.02 of the Indenture.

10. Repurchase of Notes at the Option of Holders upon (i) a Change of Control and (ii) the occurrence of certain Asset Dispositions

If a Change of Control occurs, each Holder of Notes will have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.09 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

11. Security

The Notes will be secured by first priority liens and security interests in the Collateral, subject to the grant of further Permitted Collateral Liens. Reference is made to the Indenture for terms relating to such security, including the release, termination and discharge thereof. The Security Documents and the Collateral will be administered by a Collateral Agent (or in certain circumstances a sub-agent) pursuant to a Collateral Agency Agreement for the benefit of all holders of Secured obligations. The Issuers shall not be required to

make any notation on this Note to reflect any grant of such security or any such release, termination or discharge.

12. Denominations; Transfer; Exchange

The Notes are in registered form without interest coupons in minimum denominations of €50,000 and multiples of €1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, to furnish information regarding the account of the transferee at Euroclear or Clearstream, where appropriate, to furnish certain certificates and opinions, and to pay any taxes, duties and governmental charges in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

13. Persons Deemed Owners

Except as *provided* in paragraph 2 of this Note, the registered Holder of this Note will be treated as the owner of it for all purposes.

14. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

15. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Notes and the Indenture if the Issuers, among other things, deposit or cause to be deposited with the Trustee money or European Government Obligations denominated in euro in such amounts as will be sufficient for the payment of the entire Indebtedness including principal of, premium, if any, and interest on the Notes to the date of redemption or maturity, as the case may be.

16. Amendment, Waiver

The Indenture and the Notes may be amended as set forth in the Indenture.

17. Defaults and Remedies

The following events constitute *"Events of Default"* under the Indenture: An *"Event of Default"* occurs if or upon:

(1) default in any payment of interest or Additional Interest, if any, on any Note issued under the Indenture when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under the Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with any of its obligations under Article 4 and 5 of the Indenture (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2) of the Indenture);

(4) failure to comply for 60 days after notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with its other agreements contained in the Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by either Issuer or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by either Issuer or any of its Restricted Subsidiaries) other than Indebtedness owed to either Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(8) any security interest under the Security Documents on any material Collateral shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the Security Document and the Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of the Indenture or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable or either Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; or

(9) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) and 6.01(a)(7) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under the Indenture notify either Issuer of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) of the Indenture, as applicable, after receipt of such notice.

including Additional Interest, if any, on all the Notes will become due and payable immediately without any declaration.

18. Trustee Dealings with the Issuers

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

19. No Recourse Against Others

No director, manager, officer, employee, incorporator or shareholder of either Issuer or any of its Subsidiaries or any parent company of either Issuer shall have any liability for any obligations of either Issuer or any Subsidiary with respect to the Notes or the Indenture, or for any claim based on, in respect of, or by reason of such obligations or their creation. [FORM OF BACK OF DOLLAR FLOATING RATE NOTE]

FLOATING RATE SENIOR SECURED NOTES DUE 2013

1. Interest

NXP B.V., a company organized under the laws of The Netherlands, and NXP Funding LLC, a limited liability company organized under the laws of Delaware (together with NXP B.V. and their respective successors and assigns under the Indenture hereinafter referred to, being herein called "*the Issuers*"), jointly and severally promise to pay interest on the principal amount of this Note at the rate per annum as determined below.

Interest on the Notes will accrue at a rate equal to the LIBO Rate (which will be reset quarterly) plus 2.75%, except that the interest rate on the Notes for the period beginning on the date of issue and ending January 14, 2007 will be 8.118%. Interest on the Notes will be payable, in cash, quarterly in arrears on every January 15, April 15, July 15 and October 15, beginning [ ] to the holders of record on the January 1, April 1, July 1 or October 1 immediately preceding the next interest payment date.

The amount of interest for each day that any Note is outstanding (the "*Daily Interest Amount*") will be calculated by dividing the interest rate in effect for such day by 360 and multiplying the result by the principal amount of such Notes. The amount of interest to be paid on the Notes for each interest period will be calculated by adding the Daily Interest Amounts for each day in the interest period. Each interest period shall end on (but not include) the relevant interest payment date.

All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 9.876545% (or .09876545)being rounded to 9.87655% (or .0987655) and all dollar amounts used in resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards).

The interest rate on the Notes will in no event be higher than the maximum rate permitted by law.

Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance.

"*LIBO Rate*" means, for each quarterly period during which any Note is outstanding subsequent to the initial period beginning on the Issue Date and ending January 14, 2007, the rate determined by the Issuers (written notice of such

rate to be sent to the Trustee by the Issuers on the date of determination thereof) equal to the applicable British Bankers' Association LIBO rate for deposits in U.S. dollars for a period of three months as reported by any generally recognized financial information service as of 11:00 a.m. {London time) two business days prior to the first day of such quarterly period; *provided* that, if no such British Bankers' Association LIBO rate is available to the Issuers, the LIBO Rate for the relevant quarterly period shall instead be the rate at which a first-class bank in the London interbank market selected in good faith by the Company offers to place deposits in U.S. dollars with first-class banks in the London interbank market for a period of three months at approximately 11:00 a.m. (London time) two business days prior to the first day of such quarterly period, in amounts equal to $1.0 million. If such a rate cannot be obtained, the LIBO Rate shall be equal to that applicable to the prior interest period.

The Holders of this Note are entitled to the benefits of the Registration Rights Agreement, dated October 12, 2006, among the Issuers, the guarantors party thereto and the Initial Purchasers named therein (the *"Registration Rights Agreement"*). The Holders of this Note are entitled to the Additional Interest payable in the circumstances as set forth in the Registration Rights Agreement.

2. Method of Payment

Holders must surrender Notes to the relevant Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, Applicable Amounts, if any, and interest and Additional Interest, if any, in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on the Global Notes will be payable at the specified office or agency of one or more Paying Agents; provided that all such payments with respect to Notes represented by one or more Global Notes registered in the name of or held by a nominee of DTC will be made by wire transfer of immediately available funds to the account specified by the Holder or Holders thereof.

Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on any Definitive Notes will be payable at the specified office or agency of one or more Paying Agents in New York, maintained for such purposes. In addition, interest on the Definitive Notes may be paid by check mailed to the person entitled thereto as shown on the register for the Definitive Notes; *provided, however,* that cash payments on the Notes may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a dollar account maintained by the payee with a bank in the United States of America if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the

relevant due date for payment (or such other date as the Trustee may accept in its discretion).

If the due date for any payment in respect of any Note is not a Business Day at the place in which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

3. Paying Agent, Registrar and Calculation Agent

Initially, Deutsche Bank Trust Company Americas will act as New York Registrar and U.S. Dollar Paying Agent and Deutsche Bank Luxembourg S.A. will act as Registrar and Transfer Agent. The Issuers may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuers or any of its Restricted Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

The Issuers initially appoint Deutsche Bank Trust Company Americas as Calculation Agent for the Notes. The Calculation Agent shall, as soon as practicable after 11:00 a.m. (New York time) on each determination date, determine the applicable rate and calculate the aggregate amount of interest payable in respect of the following interest period (the *"Interest Amount"*). The Interest Amount shall be calculated by applying the applicable rate to the principal amount of each Note outstanding at the commencement of the interest period, multiplying each such amount by the actual amounts of days in the interest period concerned divided by 360 and rounding the resultant figure upwards to the nearest available currency unit. The determination of the applicable rate and the Interest Amount by the Calculation Agent shall, in the absence of willful default, bad faith or manifest error, be final and binding on all parties.

4. Indenture

The Issuers issued the Notes under the Indenture dated as of October 12, 2006 (the *"Indenture "*), among the Issuers, the Guarantors party thereto, Deutsche Bank Trust Company Americas, as Trustee (the *"Trustee"*), Morgan Stanley Senior Funding, Inc., as Global Collateral Agent, and Mizuho Corporate Bank, Ltd., as Taiwan Collateral Agent. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture for a statement of such, terms and provisions. In the event of a conflict, the terms of the Indenture control.

The Notes are senior obligations of the Issuers. This Note is one of the Notes referred to in the Indenture. The Notes and the Additional Notes are treated as a single class under the Indenture. The Indenture imposes certain limitations on the ability of the Issuers and their Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay

dividends and other distributions, incur Indebtedness and layer Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens, make asset sales, impair certain security interests, issue certain guarantees and designate Restricted and Unrestricted Subsidiaries. The Indenture also imposes limitations on the ability of the Issuers to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its property.

5. Optional Redemption

(a) At any time prior to October 15, 2008, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Floating Rate Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the applicable redemption date.

(b) At any time and from time to time on or after October 15, 2008, the Issuers may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest to the redemption date.

12-month period commencing October 15, in Year	**Percentage**
2008	102%

2009	101%
2010 and thereafter	100%

(c) Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent.

6. Optional Tax Redemption

The Issuers or Successor Company may redeem any series of Notes in whole as to such series, but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders of the relevant series of Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, including Additional Interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers, Successor Company or Guarantor determines in good faith that, as a result of:

(1) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation, of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the Issuers, Successor Company or Guarantor are, or on the next interest payment date in respect of the relevant series of Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuers, Successor Company or Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at October 5, 2006, such Change in Tax Law must become effective on or after October 5, 2006. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after October 5, 2006, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction, unless the Change in Tax Law would have applied to the predecessor of the Successor Company. Notice of redemption for taxation reasons will be published in accordance with the procedures described in paragraph 8. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuers have been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of the Notes.

7. Sinking Fund

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. Notice of Redemption

At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 of the Indenture and as provided below.

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, and/or in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC, prescribes no method of selection, on a pro rata basis; provided, however, that no Note of $75,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

9. Additional Amounts

The Issuers are required to make all payments under or with respect to the Notes or the Note Guarantees free and clear of and without withholding or deduction for or on account of any present or future Taxes in accordance with Section 4.02 of the Indenture.

10. Repurchase of Notes at the Option of Holders upon (i) a Change of Control and (ii) the occurrence of certain Asset Dispositions

If a Change of Control occurs, each Holder of Notes will have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all of the Notes of such Holder at a purchase price equal to 101 % of the principal amount of the Notes to be repurchased plus accrued

and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.09 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

11. Security

The Notes will be secured by first priority liens and security interests in the Collateral, subject to the grant of further Permitted Collateral Liens. Reference is made to the Indenture for terms relating to such security, including the release, termination and discharge thereof. The Security Documents and the Collateral will be administered by a Collateral Agent (or in certain circumstances a sub-agent) pursuant to a Collateral Agency Agreement for the benefit of all holders of Secured obligations. The Issuers shall not be required to make any notation on this Note to reflect any grant of such security or any such release, termination or discharge.

12. Denominations; Transfer; Exchange

The Notes are in registered form without interest coupons in minimum denominations of $75,000 and multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, to furnish information regarding the account of the transferee at DTC, where appropriate, to furnish certain certificates and opinions, and to pay any taxes, duties and governmental charges in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

13. Persons Deemed Owners

Except as *provided* in paragraph 2 of this Note, the registered Holder of this Note will be treated as the owner of it for all purposes.

14. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

15. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Notes and the Indenture if the Issuers, among other things, deposit or cause to be deposited with the Trustee money or U.S. Government Obligations denominated in U.S. dollars in such amounts as will be sufficient for the payment of the entire Indebtedness including principal

of, premium, if any, and interest on the Notes to the date of redemption or maturity, as the case may be.

16. Amendment, Waiver

The Indenture and the Notes may be amended as set forth in the Indenture.

17. Defaults and Remedies

The following events constitute "*Events of Default*" under the Indenture: An "*Event of Default*" occurs if or upon:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the

However, a default under Sections 6.01 (a)(3), 6.01 (a)(4), 6.01(a)(5) and 6.01(a)(7) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under the Indenture notify either Issuer of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) of the Indenture, as applicable, after receipt of such notice.

If an Event of Default occurs and is continuing the Trustee by notice to either Issuer or the Holders of at least 30% in principal amount of the

outstanding Notes under the Indenture by written notice to either Issuer, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes will become due and payable immediately without any declaration.

18. Trustee Dealings with the Issuers

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

19. No Recourse Against Others

No director, manager, officer, employee, incorporator or shareholder of either Issuer or any of its Subsidiaries or any parent company of either Issuer shall have any liability for any obligations of either Issuer or any Subsidiary with respect to the Notes or the Indenture, or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

20. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note. The signature shall be conclusive evidence that the security has been authenticated under the Indenture.

21. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

22. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK

23. CUSIP Numbers, Common Codes and ISIN Numbers

The Issuers in issuing the Notes may use CUSIP Numbers, Common Codes and ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP Numbers, Common Codes and ISIN numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers.

The Issuers will furnish to any Holder of Notes upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Note.

NXP B.V., a company organized under the laws of The Netherlands, and NXP Funding LLC, a limited liability company organized under the laws of Delaware (together with NXP B.V. and their respective successors and assigns under the Indenture hereinafter referred to, being herein called *"the Issuers"*), jointly and severally promise to pay interest on the principal amount of this Note at the rate of $7^{7}/_{8}$% per annum. The Issuers shall pay interest semi-annually on April 15 and October 15 of each year commencing on [ ]. The Issuers will make each interest payment to Holders of record of the Notes on the immediately preceding April 1 and October 1. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from October 12, 2006 until the principal hereof is due. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months. Each interest period shall end on (but not include) the relevant interest payment date.

The Holders of this Note are entitled to the benefits of the Registration Rights Agreement, dated October 12, 2006, among the Issuers, the guarantors party thereto and the Initial Purchasers named therein (the *"Registration Rights Agreement").* The Holders of this Note are entitled to the Additional Interest payable in the circumstances as set forth in the Registration Rights Agreement.

2. Method of Payment

Holders must surrender Notes to the relevant Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, Applicable Amounts, if any, and interest and Additional Interest, if any, in money of the United States of America that at the time of payment is legal tender for payment of public and private debts; Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on the Global Notes will be payable at the specified office or agency of one or more Paying Agents; provided that all such payments with respect to Notes represented by one or more Global Notes registered in the name of or held by a nominee of DTC will be made by wire transfer of immediately available funds to the account specified by the Holder or Holders thereof.

Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on any Definitive Notes will be payable at the specified office or agency of one or more Paying Agents in New York, maintained for such purposes. In addition, interest on the Definitive Notes may be paid by check mailed to the person entitled thereto as shown on the register for the Definitive Notes; *provided, however,* that cash payments on the Notes may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a dollar account maintained by the payee with a bank in the United States of America if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately

preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

If the due date for any payment in respect of any Note is not a Business Day at the place in which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

3. Paying Agent and Registrar

Initially, Deutsche Bank Trust Company Americas will act as New York Registrar and U.S. Dollar Paying Agent and Deutsche Bank Luxembourg S.A. will act as Registrar and Transfer Agent. The Issuers may appoint and change any Registrar, Transfer Agent and Paying Agent. The Issuers or any of its Restricted Subsidiaries may act as Registrar, Transfer Agent and Paying Agent.

4. Indenture

The Issuers issued the Notes under the Indenture dated as of October 12, 2006 (the *"Indenture"*), among the Issuers, the Guarantors party thereto, Deutsche Bank Trust Company Americas, as Trustee (the *"Trustee"*), Morgan Stanley Senior Funding, Inc., as Global Collateral Agent, and Mizuho Corporate Bank, Ltd., as Taiwan Collateral Agent. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. In the event of a conflict, the terms of the Indenture control.

The Notes are senior obligations of the Issuers. This Note is one of the Notes referred to in the Indenture. The Notes and the Additional Notes are treated as a single class under the Indenture. The Indenture imposes certain limitations on the ability of the Issuers and their Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness and layer Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of such

Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens, make asset sales, impair certain security interests, issue certain guarantees and designate Restricted and Unrestricted Subsidiaries. The Indenture also imposes limitations on the ability of the Issuers to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its property.

5. Optional Redemption

(a) At any time prior to October 15, 2010, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the applicable redemption date.

(b) At any time and from time to time on or after October 15, 2010, the Issuers may redeem the Notes; in whole or in part, at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest to the redemption date.

12-month period commencing October 15, in Year	Percentage
2010	103.938%
2011	101.969%
2012 and thereafter	100.000%

(c) At any time and from time to time prior to October 15, 2009, the Issuers may redeem the Notes with the net cash proceeds received by the Issuers from any Equity Offering at a redemption price equal to 107.875% plus accrued and unpaid interest to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including Additional Notes), *provided* that

(1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and

(2) not less than 60% of the original aggregate principal amount of the Notes initially issued remains outstanding immediately thereafter.

(d) Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent (including, in the case of a redemption related to an Equity Offering, the consummation of such Equity Offering).

6. Optional Tax Redemption

The Issuers or Successor Company may redeem any series of Notes in whole as to such series, but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders of the relevant series of Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, including Additional Interest, if any, to the date fixed for redemption (a *"Tax Redemption Date"*) (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers, Successor Company or Guarantor determines in good faith that, as a result of:

(1) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the Issuers, Successor Company or Guarantor are, or on the next interest payment date in respect of the relevant series of Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuers, Successor Company or Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at October 5, 2006, such Change in Tax Law must become effective on or after October 5, 2006. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after October 5, 2006, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction, unless the Change in Tax Law would have applied to the predecessor of the Successor Company. Notice of redemption for taxation reasons will be published in accordance with the procedures described in paragraph 8. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional amounts remains in effect. Prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuers have been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of the Notes.

7. Sinking Fund

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. Notice of Redemption

At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 of the Indenture and as provided below.

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, and/or in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC, prescribes no method of selection, on a pro rata basis; provided, however, that no Note of $75,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such

Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption, notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

9. Additional Amounts

10. Repurchase of Notes at the Option of Holders upon (i) a Change of Control and (ii) the occurrence of certain Asset Dispositions

If a Change of Control occurs, each Holder of Notes will have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.09 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

11. Security

The Notes will be secured by first priority liens and security interests in the Collateral, subject to the grant of further Permitted Collateral Liens. Reference is made to the Indenture for terms relating to such security, including the release, termination and discharge thereof. The Security Documents and the Collateral will be administered by a Collateral Agent (or in certain circumstances a sub-agent) pursuant to a Collateral Agency Agreement for the benefit of all holders of Secured obligations. The Issuers shall not be required to make any notation on this Note to reflect any grant of such security or any such release, termination or discharge.

12. Denominations; Transfer; Exchange

The Notes are in registered form without interest coupons in minimum denominations of $75,000 and multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, to furnish information regarding the account of the transferee at DTC, where appropriate, to furnish certain certificates and opinions, and to pay any taxes, duties and governmental charges in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

13. Persons Deemed Owners

Except as *provided* in paragraph 2 of this Note, the registered Holder of this Note will be treated as the owner of it for all purposes.

14. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their written request useless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

15. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Notes and the Indenture if the Issuers, among other things, deposit or cause to be deposited with the Trustee money or U.S. Government Obligations denominated in U.S. dollars in such amounts as will be sufficient for the payment of the entire Indebtedness including principal of, premium, if any, and interest on the Notes to the date of redemption or maturity, as the case may be.

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(6) either Issuer or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar office is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property or assets is instituted without the consent of such Person and continues undismissed or unstayed for (60) calendar days, or an order for relief is entered in any such proceeding;

(7) failure by the Issuers or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuers and their Restricted Subsidiaries), would constitute a Significant Subsidiary to pay final judgments aggregating in excess of €100 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) any security interest under the Security Documents on any material Collateral shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the Security Document and the Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of the Indenture or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable or either Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for 10 days; or

(9) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) and 6.01(a)(7) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under the Indenture notify either Issuer of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) of the Indenture, as applicable, after receipt of such notice.

If an Event of Default occurs and is continuing the Trustee by notice to either Issuer or the Holders of at least 30% in principal amount of the outstanding Notes under the Indenture by written notice to either Issuer, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes will become due and payable immediately without any declaration.

18. Trustee Dealings with the Issuers

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have

if it were not Trustee.

19. No Recourse Against Others

No director, manager, officer, employee, incorporator or shareholder of either Issuer or any of its Subsidiaries or any parent company of either Issuer shall have any liability for any obligations of either Issuer or any Subsidiary with respect to the Notes or the Indenture, or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(3) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue; *provided, however,* that (to the extent such Additional Notes are to be part of the same series as other Notes) such Additional Notes will qualify to be treated as "part of the same issue" as the Original Notes pursuant to Treasury Regulations Section 1.1275-l(f) or 1.1275-2(k); and

(4) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositaries for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in Exhibit A hereto and any circumstances in addition to or in lieu of those set forth in Section 2.3 of Appendix A in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Note or a nominee thereof.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by an Officer's Certificate and delivered to the Trustee at or prior to the delivery of the Officer's Certificate of the Issuer or the indenture supplemental hereto setting forth the terms of the Additional Notes.

Each of the Euro Notes and the Dollar Notes constitutes a separate series of Notes but will be treated as a single class of securities for all purposes under this Indenture, including for purposes of voting and taking all other actions by holders of the Notes, except as otherwise specified herein.

This Indenture is unlimited in aggregate principal amount. The Original Notes, the Exchange Notes and, if issued, any Additional Notes will be treated as a single class for all purposes under this Indenture, including with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise specified with respect to each series of Notes.

SECTION 2.02. Form and Dating

Provisions relating to the Notes are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The (a) Original Notes and (b) any Additional Notes (if issued as Transfer Restricted Notes) shall each be substantially in the form of Exhibit A, which is hereby incorporated in and expressly made a part of this Indenture. Any Additional Notes issued other than as Transfer Restricted Notes (including any Exchange Notes) shall each be substantially in the form of Exhibit A (without the Restricted Notes Legend), which is hereby incorporated in and expressly made part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer is subject, if any, or usage, *provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer and the Trustee. Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form without interest coupons and only in minimum denominations of €50,000 or $75,000, as applicable, and whole multiples of €1,000 or $1,000, as applicable, in excess thereof.

SECTION 2.03. Execution and Authentication

One Officer shall sign the Notes for each Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee or an authentication agent manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee or an authentication agent shall authenticate and make available for delivery Notes as set forth in Appendix A following receipt of an authentication order signed by an Officer of each Issuer directing the Trustee or an authentication agent to authenticate such Notes.

The Trustee may appoint an authentication agent reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authentication agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authentication agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04. Registrar and Paying Agent

(a) The Issuers shall maintain one or more registrars with offices in Luxembourg where Notes may be presented for registration (the "*Registrar*"), and a transfer agent in each of (i) the City of London, (ii) Ireland (for so long as the Euro Notes are listed on the Irish Stock Exchange and its rules so require) and (iii) the Borough of Manhattan, City of New York where Notes may be presented for transfer or exchange (the "*Transfer Agent*") or for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional transfer and paying agents. The terms "*Paying Agent*" and "*Transfer Agent*" include any additional paying agent or transfer agent, as applicable, and the term "*Registrar*" includes any co-registrars. The Issuers initially appoint Deutsche Bank AG, London Branch, in the City of London, Deutsche Bank Trust Company Americas, in the Borough of Manhattan, City of New York and Deutsche International Corporate Services (Ireland) Limited, in Ireland, who each have accepted such appointment, as Paying Agent for the Euro Notes, Paying Agent for the Dollar Notes (the "*New York Paying Agent*") and Ireland Paying Agent (the "*Ireland Paying Agent*"), respectively. The Issuers initially appoint Deutsche Bank Luxembourg S.A. in Luxembourg, who accepts such appointment, as Registrar, Transfer Agent and Irish Listing Agent. In addition, the Issuers undertake to the extent possible, to use reasonable efforts to maintain a Paying Agent in a member state of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC regarding the taxation of savings income (the "*Directive*"). Deutsche Bank Trust Company Americas will act as New York Registrar, Transfer Agent and New York Paying Agent in connection with the Global Notes with respect to the

Dollar Notes settled through DTC. Deutsche Bank AG, London Branch will act as Transfer Agent and Paying Agent in connection with the Global Notes with respect to the Euro Notes settled through Euroclear or Clearstream.

(b) So long as the Notes are listed on the Irish Stock Exchange and its rules so require, a paying agent and transfer agent (the "*Ireland Transfer Agent*") will be maintained in Ireland at all times that payments are required to be made in respect of the Notes. The Issuers initially appoint Deutsche International Corporate Services (Ireland) Limited, who accepts such appointment, as Ireland Transfer Agent.

(c) The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to or appointed under this Indenture. Such agreement shall implement the provisions of this Indenture that relate to such agent, which shall incorporate the terms of the TIA. Any Registrar or Paying Agent appointed hereunder shall be entitled to the benefits of this Indenture as though a party hereto. The Issuers shall notify the Trustee of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. Either Issuer or any Subsidiary may act as Paying Agent or Registrar.

(d) The Issuers may change any Registrar, Paying Agent or Transfer Agent upon written notice to such Registrar, Paying Agent or Transfer Agent and to the Trustee, without prior notice to the Holders; *provided, however,* that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar, Paying Agent, or Transfer Agent, as the case may be, and delivered to the Trustee or (ii) written notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent or Transfer Agent until the appointment of a successor in accordance with clause (i) above; *provided, further,* that in no event may the Issuers appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Notes unless the Paying Agent would be so obliged if it were located in all other member states. The Registrar, Paying Agent or Transfer Agent may resign by providing 30 day's written notice to the Issuer and the Trustee. In addition, for so long as the Notes are listed on the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, the Issuers shall deliver notice of the change in the Registrar, Paying Agent or Transfer Agent to the Companies Announcement Office in Dublin.

SECTION 2.05. Paying Agent to Hold Money in Trust

No later than 10:00 a.m. London time in respect of payments to be made in London or 10:00 a.m. New York time in respect of payments to be made in New York on each due date of the principal of, interest and premium (if any) on any Note, the Issuers shall deposit with the Paying Agent (or if either Issuer or a Restricted Subsidiary of either Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium (if any) when so becoming due and subject to receipt of such monies, the Paying Agent shall make payment on the Notes in accordance with

this Indenture. The Issuers shall require each Paying Agent to agree in writing (and each Paying Agent party to this Indenture agrees) that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, interest and premium (if any) on the Notes but such Paying Agent may use such monies as banker in the ordinary course of business without accounting for profits (other than in the case of Article 8), and shall notify the Trustee of any default by the Issuers in making any such payment. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.05.

SECTION 2.06. Holder Lists

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange

The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Notes are presented to the Registrar with a written request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Trustee or an authentication agent shall authenticate Notes at the Registrar's request. The Issuers may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuers are not required to register the transfer or exchange of any Notes (i) for a period of 15 days prior to any date fixed for the redemption of any Notes, (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part or (iii) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Disposition Offer.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Trustee, the Paying Agent, and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to Section 2 of the Notes) interest, if any, on such Note and for all other

purposes whatsoever, whether or not such Note is overdue, and none of either Issuer, the Trustee, the Paying Agent, or the Registrar shall be affected by notice to the contrary.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interest in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Notes

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee or an authentication agent shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuers or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuers, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, the Paying Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note including reasonable fees and expenses of counsel. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09. Outstanding Notes

Notes outstanding at any time are all Notes authenticated by the Trustee or an authentication agent except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Note does not cease to be outstanding because the Issuers or an Affiliate of either Issuer holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If the Paying Agent receives (or if either Issuer or a Restricted Subsidiary of either Issuer is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest and premium, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such amount to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Notes

In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee or an authentication agent shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee or an authentication agent shall authenticate Definitive Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuers, without charge to the Holder.

SECTION 2.1l. Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures or deliver canceled Notes to the Issuers pursuant to written direction by an Officer of either Issuer. Certification of the destruction of all canceled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation. Neither the Trustee nor an authentication agent shall authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.12. Common Codes, CUSIP and ISIN Numbers

The Issuers in issuing the Notes may use Common Codes, CUSIP and ISIN numbers (if then generally in use) and, if so, the Trustee shall use Common Codes, CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; *provided, however,* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee and the Paying Agent of any change in the Common Code, CUSIP or ISIN numbers.

SECTION 2.13. Currency

In the case of (1) the Euro Notes, the euro and (2) the Dollar Notes, the U.S. dollar, is the sole currency of account and payment for all sums payable by the Issuers under or in connection with the Euro Notes and the Dollar Notes, as the case may be, including damages. Any amount received or recovered in a currency other than euro (in the case of the Euro Notes) or the U.S. dollar (in the case the Dollar Notes), whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or otherwise by any Holder of a Euro Note or a U.S. Dollar Note, as the case may be, or by the Trustee, in respect of any sum expressed to be due to it from the Issuers will only constitute a discharge to the Issuers to the extent of the euro amount or the U.S. dollar amount, as the case may be, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that euro amount is less than the euro amount expressed to be due to the recipient or the relevant Trustee under any Euro Note, or if that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient or the Trustee under any U.S. Dollar Note, the Issuers will indemnify them against any loss sustained by such recipient as a result. In any event, the Issuers will indemnify the recipient against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be prima facie evidence of the matter stated therein for the Holder of a Note or the Trustee to certify in a manner satisfactory to the Issuers (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuers' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Except as otherwise specifically set forth herein, for purposes of determining compliance with any euro-denominated restriction herein, the Euro Equivalent amount for purposes hereof that is denominated in a non-euro currency shall be calculated based on the relevant currency exchange rate in effect on the date such non-euro amount is Incurred or made, as the case may be.

If the Company adopts the U.S. dollar as its reporting currency, it may elect irrevocably to convert all euro denominated restrictions into dollar denominated restrictions at the applicable spot rate of exchange prevailing on the date of such election, and all references in this Indenture to determining Euro Equivalents and euro amounts shall apply *mutatis mutandis* as though referring to U.S. dollars.

ARTICLE 3

Redemption

SECTION 3.01. Notices to Trustee

If the Issuers elect to redeem Notes pursuant to Sections 5 or 6 of the Notes, it shall notify the Trustee and the relevant Paying Agent in writing of the redemption date and the principal amount of Notes to be redeemed and the section of the Note pursuant to which the redemption will occur.

The Issuers shall give each written notice to the Trustee and the relevant Paying Agent provided for in this Article 3 at least 40 days, but not more than 60 days, before the redemption date unless the Trustee or the relevant Paying Agent (as the case may be) consents to a shorter period. In the case of a redemption pursuant to Section 5 of the Notes, such notice shall be accompanied by an Officer's Certificate from the Issuers to the effect that such redemption will comply with the conditions herein.

In the case of a redemption provided for by Section 6 of the Note, prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuer will deliver to the Trustee and the relevant Paying Agent (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the circumstances referred to above exist. The Trustee will accept such Officer's Certificate and opinion as sufficient existence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders. Any such notice may be canceled at any time prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect.

SECTION 3.02. Selection of Notes To Be Redeemed or Repurchased

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, and/or in compliance with the requirements of Euroclear, Clearstream or DTC, as applicable, or if that series of Notes is not so listed or such exchange prescribes no method of selection and the Notes are not held through Euroclear, Clearstream or DTC, as applicable, or Euroclear, Clearstream or DTC, as applicable, prescribes no method of selection, on a pro rata basis; *provided, however,* that no Note of €50,000 (in the case of Euro Notes) or $75,000 (in the case of Dollar Notes) in aggregate principal amount or less shall be redeemed in part. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.03. Notice of Redemption.

(a) At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 and as provided below to each Holder of Notes to be redeemed at such Holder's registered address; *provided*, however, that any notice of a redemption provided for by Section 6 of the Notes shall not be given earlier than 90 days prior to the earliest date on which the Payor would be obligated to make a payment of Additional Amounts unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect. In addition, for so long as the Notes are listed on

the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, the Issuer shall give notice of redemption to the Companies Announcement Office in Dublin.

The notice shall identify the Notes to be redeemed and shall state:

(1) the redemption date;

(2) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest to the redemption date;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(5) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed;

(6) that, unless the Issuers default in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(7) the Common Codes, CUSIP or ISIN number, as applicable, if any, printed on the Notes being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the Common Codes, CUSIP or ISIN number, as applicable, if any, listed in such notice or printed on the Notes.

(b) At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at the Issuers' expense. In such event, the Issuers shall provide the Trustee and the Paying Agent with the information required and within the time periods specified by this Section.

SECTION 3.04. Effect of Notice of Redemption

Once notice of redemption is delivered, Notes called for redemption cease to accrue interest, become due and payable on the redemption date and at the redemption price stated in the notice, *provided, however,* that any redemption notice given in respect of the redemption referred to in Section 5 of the Notes may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent to the extent permitted under such Section 5. Upon surrender to the Paying Agent, the Notes shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to the redemption date; *provided, however,* that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price

No later than 10:00 a.m. London time in respect of payments to be made in London or 10:00 a.m. New York time in respect of payments to be made in New York on the redemption date, the Issuer shall deposit with the relevant Paying Agent (or, if either Issuer or a Restricted Subsidiary of either Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuers to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest, if any, on, the Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Paying Agent and the Trustee shall be held harmless and have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 3.05.

SECTION 3.06. Notes Redeemed in Part

Subject to the terms hereof, upon surrender of a Note that is redeemed in part, the Issuers shall execute and the Trustee or an authentication agent shall authenticate for the Holder (at the Issuers' expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.07. Publication

Where any notice is required to be published pursuant to this Indenture, the Issuers must provide the form of such notice to the Trustee and the Paying Agents at least 8 Business Days prior to the final date for publication unless the Trustee agrees to a shorter period.

ARTICLE 4

Covenants

SECTION 4.01. Payment of Notes

The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

SECTION 4.02. Withholding Taxes

(a) all payments made by either Issuer, a Successor Company or Guarantor (a "*Payor*") on the Notes or the Note Guarantees will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(1) The Netherlands or any political subdivision or Governmental Authority thereof or therein having power to tax;

(2) any jurisdiction from or through which payment on any such Note or Note Guarantee is made by the Issuers, Successor Company, Guarantor or their agents, or any political subdivision or Governmental Authority thereof or therein having the power to tax; or

(3) any other jurisdiction in which the Payor is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or Governmental Authority thereof or therein having the power to tax (each of clause (1), (2) and (3), a "*Relevant Taxing Jurisdiction*"),

will at any time be required from any payments made with respect to any Note or Note Guarantee, including payments of principal, redemption price, premium, if any, interest or Additional Interest, if any, the Payor will pay (together with such payments) such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by the Holders or the Trustee, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts), will not be less than the amounts which would have been received in respect of such payments on any such Note or Guarantee in the absence of such withholding or deduction; provided, however, that no such Additional Amounts will be payable for or on account of:

(1) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over the relevant Holder, if the relevant Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such Note or the receipt of any payment in respect thereof;

(2) any Taxes that are imposed or withheld by reason of the failure by the Holder or the beneficial owner of the Note to comply with a written request of the Payor addressed to the Holder, after reasonable notice, to provide certification, information, documents or other evidence concerning the nationality, residence or identity of the Holder or such beneficial owner or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from all or part of such tax, assessment or other governmental charge;

(3) any Taxes that are payable otherwise than by deduction or withholding from a payment of the principal of, premium, if any, interest, if any, or Additional Interest, if any, on the Notes;

(4) any estate, inheritance, gift, sales, excise, transfer, personal property or similar tax, assessment or other governmental charge;

(5) any Taxes that are required to be deducted or withheld on a payment to an individual and that are required to be made pursuant to the European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to such directive;

(6) except in the case of the liquidation, dissolution or winding-up of the Payor, any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a Holder or beneficial owner who would have been able to avoid such Tax by presenting the relevant Note to, or otherwise accepting payment from, another paying agent in a member state of the European Union; or

(7) any combination of the above.

Such Additional Amounts will also not be payable (x) if the payment could have been made without such deduction or withholding if the beneficiary of the payment had presented the Note for payment (where presentation is permitted or required for payment) within 15 days after the relevant payment was first made available for payment to the Holder or (y) where, had the beneficial owner of the Note been the Holder, such beneficial owner would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (7) inclusive above.

(a) The Payor will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes, in such form as provided in the ordinary course by the Relevant Taxing Jurisdiction and as is reasonably available to the Company and will provide such certified copies to the Trustee. Such copies shall be made available to the Holders upon request and will be made available at the offices of the Irish Paying Agent if the Notes are then listed on the Irish Stock Exchange. The Payor will attach to each certified copy a certificate stating (x) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding Taxes paid per €1,000 principal amount of the Euro Notes or per $1,000 principal amount of the Dollar Notes, as the case may be.

(b) If any Payor will be obligated to pay Additional Amounts under or with respect to any payment made on any Note or Note Guarantee, at least 30 days prior to the date of such payment, the Payor will deliver to the Trustee an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other

information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the Payor may deliver such Officer's Certificate as promptly as practicable after the date that is 30 days prior to the payment date).

(c) Wherever in this Indenture or the Note Guarantees there are mentioned, in any context:

(1) the payment of principal,

(2) purchase prices in connection with a purchase of Notes,

(3) interest or Additional Interest, if any, or

(4) any other amount payable on or with respect to any of the Notes,

such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The Issuers will pay any present or future stamp, court or documentary taxes, or any other excise, property or similar taxes, charges or levies that arise in any jurisdiction from the execution, delivery, registration or enforcement of any Notes, this Indenture or any other document or instrument in relation thereto (other than a transfer of the Notes) excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction, and the Issuers agree to indemnify the Holders for any such taxes paid by such Holders. The foregoing obligations of this paragraph will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to either Issuer is organized or any political subdivision or taxing authority or agency thereof or therein.

SECTION 4.03. Change of Control.

(a) If a Change of Control occurs, subject to this Section 4.03, each Holder will have the right to require the Issuers to repurchase all of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however,* that the Issuers shall not be obliged to repurchase Notes of any series as described under Section 4.03, in the event and to the extent that they have unconditionally exercised their right to redeem all of the Notes of such series as described under Section 5 of the Notes or all conditions to such redemption have been satisfied or waived.

(b) Unless the Issuers have unconditionally exercised their right to redeem all the Notes of a series as described under Section 5 of the Notes or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any

Change of Control, the Issuers will mail a notice (the "*Change of Control Offer*") to each Holder of any such Notes, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuers to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "*Change of Control Payment*");

(2) stating the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the "*Change of Control Payment Date*");

(3) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(4) describing the procedures determined by the Issuers, consistent with this Indenture, that a Holder must follow in order to have its Notes repurchased; and

(5) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control.

(c) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuers will, to the extent lawful:

(1) accept for payment all Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes so tendered; and

(3) deliver or cause to be delivered to the Trustee an Officer's Certificate stating the Notes or portions thereof being purchased by the Issuers in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the principal Paying Agent the Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuers; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuers.

(d) If any Definitive Registered Notes have been issued, the Paying Agent will promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder of Definitive Registered Notes a new

Note equal in principal amount to the unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount that is at least €50,000 or $75,000, as the case may be, and integral multiples of €1,000 in excess thereof or $1,000 in excess thereof, as the case may be.

(e) For so long as the Notes are listed on the Irish Stock Exchange and the rules of such exchange so require, the Company will give notice of the Change of Control Offer to the Companies Announcement Office in Dublin.

(f) This Section 4.03 will be applicable whether or not any other provisions of this Indenture are applicable.

(g) The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(h) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes pursuant to this Section 4.03. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations (or exchange rules) and will not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(c) [Reserved].

(d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.05:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 4.05(a) and 4.05(b), the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of the second paragraph or the first paragraph of this covenant;

(2) all Indebtedness outstanding on the Issue Date under the Senior Facilities Agreement shall be deemed initially Incurred on the Issue Date under Section 4.05(b)(1) and not Section 4.05(a) or Section 4.05(b)(4)(b), and may not be reclassified pursuant to Section 4.05(d)(1);

(3) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Sections 4.05(b)(1), 4.05(b)(7), 4.05(b)(11), 4.05(b)(12) or 4.05(b)(13) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(6) Indebtedness permitted by this covenant need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.05 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.05. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(f) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.05, the Company shall be in Default of this Section 4.05).

(g) For purposes of determining compliance with any euro-denominated restriction on the Incurrence of Indebtedness, the Euro Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or, at the option of the Company, first committed, in the case of Indebtedness Incurred under a revolving credit facility; *provided* that (1) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than euros, and such refinancing would cause the applicable euro-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such euro-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (2) the Euro Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date; and (3) if and for so long as any such Indebtedness is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the amount of such Indebtedness, if denominated in euros, will be the amount of the principal payment required to be made under such Currency Agreement and, otherwise, the Euro Equivalent of such amount plus the Euro Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(h) Notwithstanding any other provision of this Section 4.05, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 4.05 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 4.06. Limitation on Restricted Payments

(a) The Company will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with the next succeeding paragraph) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Issue Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with Section 4.06(b)) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange);

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of its Restricted Subsidiaries resulting from:

SECTION 4.07. Limitation on Liens

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, Incur or suffer to exist any Lien (other than Permitted Liens or, in the case of assets constituting Collateral, Permitted Collateral Liens) upon any of its property or assets

(including Capital Stock of a Restricted Subsidiary of the Company), whether owned on the Issue Date or acquired after that date, or any interest therein or any income or profits therefrom, which Lien secures any Indebtedness (such Lien, the "*Initial Lien*"), unless contemporaneously with the Incurrence of such Initial Lien effective provision is made to secure the Indebtedness due under this Indenture and the Notes equally and ratably with, or prior to, in the case of Liens with respect to Subordinated Indebtedness, the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured. Any such Lien thereby created in favor of the Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates, (ii) any sale, exchange or transfer to any Person other than the Company or any Subsidiary of the Company of the property or assets secured by such Initial Lien or (iii) upon the defeasance or discharge of the Notes in accordance with Article 8.

SECTION 4.08. Limitation on Restrictions on Distributions from Restricted Subsidiaries

(a) The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;

(2) make any loans or advances to the Company or any Restricted Subsidiary; or

(3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.08(a) will not prohibit:

(1) any encumbrance or restriction pursuant to (a) any Credit Facility (including the Senior Finance Documents) or (b) any other agreement or instrument, in each case, in effect at or entered into on the Issue Date;

(2) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets

(other than Capital Stock or Indebtedness Incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary entered into or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this Section 4.08(b)(2), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

(3) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in Section 4.08(b)(l), 4.08(b)(2) or 4.08(b)(3) (an "*Initial Agreement*") or contained in any amendment, supplement or other modification to an agreement referred to in Section 4.08(b)(l), 4.08(b)(2) or 4.08(b)(3); *provided, however,* that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company);

(4) any encumbrance or restriction:

(a) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(b) contained in mortgages, pledges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges or other security agreements; or

(c) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(5) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(6) any encumbrance or restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the

direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(7) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments entered into in the ordinary course of business;

(8) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;

(9) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business;

(10) any encumbrance or restriction pursuant to Currency Agreements, Interest Rate Agreements or Commodity Hedging Agreements;

(11) any encumbrance or restriction arising pursuant to an agreement or instrument (a) relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.05 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Senior Facilities Agreement, together with the security documents associated therewith, as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), the Company determines at the time of issuance of such Indebtedness that such encumbrances or restrictions will not adversely affect, in any material respect, the Issuers' ability to make principal or interest payments on the Notes; or

(12) any encumbrance or restriction existing by reason of any lien permitted under Section 4.07.

SECTION 4.09. Limitation on Sales of Assets and Subsidiary Stock

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than

Indebtedness) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness of a Restricted Subsidiary), (i) to prepay, repay or purchase any Indebtedness of a non-Guarantor Restricted Subsidiary (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary) or Indebtedness under the Senior Facilities Agreement (or any Refinancing Indebtedness in respect thereof) and any Secured Debt, within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however,* that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (a), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of the Senior Facilities Agreement) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or (ii) to prepay, repay or purchase Pari Passu Indebtedness at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment or purchase; *provided* that the Company shall

redeem, repay or repurchase Pari Passu Indebtedness pursuant to this clause (ii) only if the Company makes (at such time or subsequently in compliance with this Section 4.09) an offer to the Holders of the Notes to purchase their Notes in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; or

(B) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however,* that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day;

provided that, pending the final application of any such Net Available Cash in accordance with Section 4.09(a)(3)(A) or 4.09(a)(3)(B), the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.09(a) will be deemed to constitute "*Excess Proceeds*" under this Indenture. On the 366th day after an Asset Disposition, if the aggregate amount of Excess Proceeds under this Indenture exceeds €50 million, the Issuers will be required to make an offer *("Asset Disposition Offer*") to all holders of Notes and, to the extent the Issuers elect, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in this Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in case of the Euro Notes in minimum denominations of €50,000 and in integral multiples of €1,000 in excess thereof or, in case of the Dollar Notes in minimum denominations of $75,000 and in integral multiples of $1,000 in excess thereof.

(c) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Issuers may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of the Notes issued surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in euro, such Indebtedness shall be calculated by converting any such principal amounts into their Euro Equivalent determined as of a date selected by the Issuers that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Any Net Available Cash payable in respect of the Notes pursuant to Section 4.09 will be apportioned between the Euro Notes and the Dollar Notes in proportion to the respective aggregate principal amounts of Euro Notes and Dollar Notes validly tendered and not withdrawn, based upon the Euro Equivalent of such principal amount of Dollar Notes determined as of a date selected by the Issuers that is within the Asset Disposition Offer Period. To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than the currency in which the relevant Notes are denominated, the amount thereof payable in respect of such Notes shall not exceed the net amount of funds in the currency in which such Notes are denominated that is actually received by the Issuers upon converting such portion into such currency.

(e) The Asset Disposition Offer, in so far as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the "*Asset Disposition Offer Period*"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "*Asset Disposition Purchase Date*"), the Issuers will purchase the

principal amount of Notes and, to the extent they elect, Pari Passu Indebtedness required to be purchased pursuant to this Section 4.09 (the "*Asset Disposition Offer Amount*") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(f) On or before the Asset Disposition Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and, in the case of Euro Notes, in minimum denominations of €50,000 and in integral multiples of €1,000 in excess thereof or, in the case of the Dollar Notes, in minimum denominations of $75,000 and in integral multiples of $1,000 in excess thereof. The Company will deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 4.09. The Company or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Company for purchase, and the Company will promptly issue a new Note (or amend the applicable Global Note), and the Trustee, upon delivery of an Officer's Certificate from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a principal amount with a minimum denomination of €50,000 in the case of Euro Notes and $75,000 in the case of Dollar Notes. Any Note not so accepted will be promptly mailed or delivered (or transferred by book entry) by the Company to the Holder thereof.

(g) For the purposes of Section 4.09(a)(2), the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness of the Company or Indebtedness of a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary of the Company from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.09 that is at that time outstanding, not to exceed the greater of €100.0 million and 1% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(h) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Section 4.09, the Company will comply with the applicable securities laws and regulations (or exchange rules) and will not be deemed to have breached its obligations under this Indenture by virtue of any conflict.

SECTION 4.10. Limitation on Affiliate Transactions

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "*Affiliate Transaction*") involving aggregate value in excess of €20 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's-length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of €50 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in Section 4.10(a)(2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors. If there are no Disinterested Directors, any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 4.10 if the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's length basis.

(b) The provisions of Section 4.10(a) will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.06, any Permitted Payments (other than pursuant to Section 4.06(c)(9)(b)(ii)) or any Permitted Investment (other than Permitted Investments as defined in paragraphs (1)(b), (2), (11) and (15) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

(3) any Management Advances and any waiver or transaction with respect thereto;

(4) any transaction between or among the Company and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries;

(5) the payment of reasonable fees and reimbursement of expenses to, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company, any Restricted

Subsidiary of the Company or any Parent (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);

(6) the Transactions and the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.10 or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;

(7) execution, delivery and performance of any Tax Sharing Agreement or the formation and maintenance of any consolidated group for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business, which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior management of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity,

(10) (a) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; *provided* that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors in their reasonable determination and (b) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(11) without duplication in respect of payments made pursuant to Section 4.10(b)(12) hereof, (a) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) of annual customary management, consulting, monitoring or advisory fees and related expenses customary for portfolio companies of the Initial Investors described in clause (1) of the definition thereof and (b) customary payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this clause (b) are approved by a majority of the Board of Directors in good faith; and

(12) payment to any Permitted Holder of all reasonable out of pocket expenses Incurred by such Permitted Holder in connection with its direct or indirect investment in the Company and its Subsidiaries.

SECTION 4.11. Reports

(a) For so long as any Notes are outstanding, the Company will provide to the Trustee the following reports:

(2) within 60 days (or 90 days in the case of the quarter ending September 30, 2006) following the end of the first three fiscal quarters in each fiscal year of the Company beginning with the quarter ending September 30, 2006, all quarterly reports of the Company containing the following information: (a) an unaudited condensed consolidated balance sheet as of the end of such quarter and unaudited condensed statements of income and cash flow for the most recent quarter year-to-date period ending on the unaudited condensed balance sheet date, and the comparable prior year periods (provided that information for prior year interim periods ending prior to the Issue Date may be based on management reports), together with condensed footnote disclosure; (b) unaudited *pro forma* income statement information and balance sheet information of the Company (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the relevant quarter; (c) an operating and financial review of the unaudited financial statements, including a discussion of the results of operations, financial condition, EBITDA and material changes in liquidity and capital resources of the Company, and a discussion of material changes not in the ordinary course of business in commitments and contingencies since the most recent report; and (d) material recent developments; and

(3) promptly after the occurrence of any material acquisition, disposition or restructuring or any senior executive officer changes at the Company or change in auditors of the Company or any other material event that the Company or any of its Restricted Subsidiaries announces publicly, a report containing a description of such event.

All financial statement and *pro forma* financial information shall be prepared in accordance with GAAP as in effect on the date of such report or financial statement (or otherwise on the basis of GAAP as then in effect) and on a consistent basis for the periods presented; *provided*, *however*, that the reports set forth in Sections 4.11(a)(1), 4.11(a)(2) and 4.11(a)(3) may, in the event of a change in applicable GAAP, present earlier periods on a basis that applied to such periods. Except as provided for above, no report need include separate financial statements for any Subsidiaries of the Company. In addition to the foregoing, following the effectiveness of a registration statement with respect to the Notes, the Company shall file all information required of it with the SEC within the time periods specified. The filing of an Annual Report on Form 20-F within the time period specified in (1) will satisfy such provision. The financial statements included in the quarterly report for the quarter ended September 30, 2006 shall be prepared on the same basis as the unaudited financial statements for the six months ended June 30, 2006 included in the Offering Memorandum, with such pro forma adjustments thereto as management believes appropriate in relation to the allocation of costs and expenses, and shall include a statement of cash flows prepared on a consistent basis with the income statement and balance sheet.

(b) At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary of the Company, then the annual and quarterly financial information required by Sections 4.11(a)(1) and 4.11(a)(2) shall include either (i) a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company or (ii) stand-alone audited or unaudited financial statements, as the case may be, of such Unrestricted Subsidiary or Unrestricted Subsidiaries (as a group or otherwise) together with an unaudited reconciliation to the financial information of the Company and its Subsidiaries, which reconciliation shall include the following items: revenue, EBITDA, net income, cash, total assets, total debt, shareholders equity, capital expenditures and interest expense.

(c) Substantially concurrently with the issuance to the Trustee of the reports specified in Sections 4.11(a)(1), 4.11(a)(2) and 4.11(a)(3), the Company shall also (a) use its commercially reasonable efforts (i) to post copies of such reports on such website as may be then maintained by the Company and its Subsidiaries or (ii) otherwise to provide substantially comparable public availability of such reports (as determined by the Company in good faith) or (b) to the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding clause (a) owing to applicable law or after the use of its commercially reasonable efforts, furnish such reports to the Holders and, upon their request, prospective purchasers of the Notes.

(d) So long as the Notes remain outstanding and during any period during which the Company is not subject to Section 13 or 15(d) of the Exchange Act nor exempt therefrom pursuant to Rule 12g3-2(b), the Company shall furnish to the Holders and, upon their request, prospective purchasers of the Notes, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Issuers will comply with Section 314(a) of the TIA.

SECTION 4.12. Guarantees by Restricted Subsidiaries

(a) The following Subsidiaries will fully and unconditionally guarantee the Notes on the Issue Date in accordance with Article 10: NXP Semiconductors B.V., NXP Semiconductors Germany GmbH, NXP Semiconductors (Taiwan) Ltd., NXP Semiconductors Philippines Inc., NXP Semiconductors USA Inc., NXP Semiconductors Hong Kong Limited, NXP Semiconductors (Thailand) Co. Ltd., NXP Semiconductors UK Limited (subject to the Agreed Security Principles), and NXP Semiconductors (Singapore) Pte. Ltd.; *provided* that if any such Subsidiary is unable to provide such Note Guarantee on the Issue Date, the Company shall (subject to the Agreed Security Principles) cause such Subsidiary to provide a Note Guarantee as soon as practicable, and in any event not later than 90 days after the Issue Date (or 120 days if the lenders under the Senior Facilities Agreement agree to defer such date under the Senior Facilities Agreement). If the Company or any of its Restricted Subsidiaries acquires or creates a Wholly Owned Subsidiary (other than an Immaterial Subsidiary) after the Issue Date and the issuance of a Guarantee by such Guarantor is not precluded by the Agreed Security Principles, the new Restricted Subsidiary must within 30 days (or such longer period as the Trustee may agree) after becoming a Restricted Subsidiary, provide a Note Guarantee under this Indenture.

(b) A Restricted Subsidiary required to provide a Note Guarantee shall provide such Note Guarantee in accordance with the provisions of Section 10.07.

SECTION 4.13. Suspension of Covenants on Achievement of Investment Grade Status

If on any date following the Issue Date, the Notes of any series have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a "*Suspension Event*"), then, beginning on that day and continuing until the Reversion Date, the following provisions of this Indenture will not apply to such Notes: Sections 4.05, 4.06, 4.08, 4.09, 4.10 and 5.01(a)(3) and, in each case, any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and its Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Company properly taken during the continuance of the Suspension Event, and Section 4.06 will be interpreted as if it has been in effect since the date of this Indenture except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.06 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Company's option, as having been Incurred pursuant to Section 4.05(a) or 4.05(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred under Section 4.05(a) or 4.05(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.05(b)(4).

SECTION 4.14. [Reserved]

SECTION 4.15. [Reserved]

SECTION 4.16. Compliance Certificate

The Company shall deliver to the Trustee within 120 days after the end of each fiscal year, an Officer's Certificate in substantially the form of Exhibit C hereto stating that a review of the activities of the Company during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to the Officer signing such Officer's Certificate, that to the best of his or her knowledge, the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest or Additional Amounts, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or propose to take with respect thereto. Within 30 days after the occurrence of a Default, the Company shall deliver to the Trustee a written notice of any events of which it is aware would constitute certain Defaults their status and what action the Company is taking or proposes to take with respect thereto.

The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which its Responsible Officer shall have received written notification in accordance with Section 13.03 or obtained actual knowledge.

SECTION 4.17. Further Instruments and Acts

Upon request of the Trustee, the Issuers shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.18. Listing

The Issuers will use their reasonable efforts to list, subject to notice of issuance, the Euro Notes on the Irish Stock Exchange and to have the Euro Notes admitted to trading on the Irish Stock Exchange as promptly as practicable after the date hereof. If the Euro Notes cease to be listed on the Irish Stock Exchange, the Issuers shall use their reasonable best efforts to promptly list such Euro Notes on a stock exchange to be agreed between the Issuers and Morgan Stanley & Co. Incorporated, Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated.

SECTION 4.19. Limitation on Business Activities of the Co-Issuer

The Co-Issuer may not hold any material assets, become liable for any material obligations or engage in any business activities; *provided* that it may be a co-obligor or guarantor with respect to the Notes or any other Indebtedness issued by the Company or a Guarantor, and

may engage in any activities directly related thereto or necessary in connection therewith. The Co-Issuer shall be a Wholly Owned Subsidiary of the Company at all times.

ARTICLE 5

Successor Company

SECTION 5.01. Merger and Consolidation of the Company

(a) The Company will not consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the resulting, surviving or transferee Person (the "*Successor Company*") will be a Person organized and existing under the laws of any member state of the European Union on January 1, 2004, or the United States of America, any State of the United States or the District of Columbia, Canada or any province of Canada, Norway or Switzerland and the Successor Company (if not the Company) will expressly assume, (a) by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture and (b) all obligations of the Company under the Registration Rights Agreement;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction, either (a) the Successor Company would be able to Incur at least an additional €1.00 of Indebtedness pursuant to Section 4.05(a) or (b) the Fixed Charge Coverage Ratio would not be lower than it was immediately prior to giving effect to such transaction; and

(4) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor

Company (in each case, in form and substance reasonably satisfactory to the Trustee), *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of Sections 5.01(a)(2) and 5.01(a)(3).

(b) Any Indebtedness that becomes an obligation of the Company or any Restricted Subsidiary (or that is deemed to be Incurred by any Restricted Subsidiary that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with Section 5.01(a), and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with Section 4.05.

(c) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(d) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Indenture or the Notes.

(e) Notwithstanding Sections 5.01(a)(2) and 5.01(a)(3) (which do not apply to transactions referred to in this Section 5.01(e)) and, other than with respect to Sections 5.01(c) and 5.01(a)(4), (a) any Restricted Subsidiary of the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company and (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding Sections 5.01(a)(2) and 5.01(a)(3) (which do not apply to the transactions referred to in Section 5.01(e)), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

(f) The provisions of this Section 5.01 (other than the requirements of Section 5.01(a)(2)) shall not apply to the creation of a new subsidiary as a Restricted Subsidiary of the Company.

SECTION 5.02. Merger and Consolidation of the Co-Issuer

(a) The Co-Issuer may not consolidate with, merge with or into any person or permit any person to merge with or into the Co-Issuer unless:

(1) concurrently therewith, a Subsidiary of the Company that is a limited liability company or corporation organized under the laws of the United States of America or any state thereof or the District of Columbia (which may be the Co-Issuer or the continuing person as a result of such transaction) expressly assumes all of the obligations of the Co-Issuer under the Notes, this Indenture and the Registration Rights Agreement; or

(2) after giving effect to the transaction, at least one obligor on the Notes is a limited liability company or corporation organized under the laws of the United States of America or any state thereof or the District of Columbia.

(b) Upon the consummation of any transaction effected in accordance with Section 5.02(a), the resulting, surviving or transferee Co-Issuer will succeed to, and be substituted for, and may exercise every right and power of, the Co-Issuer under this Indenture and the Notes with the same effect as if such successor Person had been named as the

Co-Issuer in this Indenture. Upon such substitution, the Co-Issuer will be released from its obligations under this Indenture and the Notes.

SECTION 5.03. Merger and Consolidation of a Guarantor

(a) No Guarantor may:

(1) consolidate with or merge with or into any Person, or

(2) sell, convey, transfer or dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person, or

(B) (1) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Note Guarantee and the Registration Rights Agreement; and (2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

ARTICLE 6

Defaults and Remedies

SECTION 6.01. Events of Default

(a) An "*Event of Default*" occurs if or upon:

(1) default in any payment of interest or Additional Interest, if any, on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes

with any of the Issuers, obligations under Article 4 or 5 (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2));

(4) failure to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with the Issuers other agreements contained in this Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by either Issuer or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by either Issuer any of its Restricted Subsidiaries) other than Indebtedness owed to either Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, which default:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(6) either Issuer or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar office is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property or assets is instituted without the consent of such Person and continues undismissed or unstayed for (60) calendar days, or an order for relief is entered in any such proceeding;

(7) failure by the Issuers or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuers and their Restricted Subsidiaries), would constitute a Significant Subsidiary to pay final judgments aggregating in excess of €100 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) [Reserved]; and

(9) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of this Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with this Indenture.

(b) However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under this Indenture notify the Issuers of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7), as applicable, after receipt of such notice.

SECTION 6.02. Acceleration

(a) If an Event of Default (other than an Event of Default described in Section 6.01(a)(6) above) occurs and is continuing the Trustee by notice to the Issuers or the Holders of at least 30% in principal amount of the outstanding Notes under this Indenture by written notice to the Issuers and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes under this Indenture to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, including Additional Interest, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent

jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, including Additional Interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

(b) If an Event of Default described in Section 6.01(a)(6) above occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.03. Other Remedies

Subject to the duties of the Trustee as provided for in Article 7, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults

Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may, on behalf of the Holders of all the Notes, waive all past or existing Defaults or Events of Default except a continuing Default in the payment of the principal, premium or interest, and Additional Interest, if any, on the Notes and rescind any acceleration with respect to the Notes and its consequences or if rescission would not conflict with any judgment or decree of a court of competent jurisdiction. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority

The Holders of a majority in principal amount of the Notes then outstanding may direct in writing the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however,* that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification or other security reasonably satisfactory to it against all losses, liabilities and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due on the Notes, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;

(2) the Holders of at least 30% in principal amount of the Notes then outstanding make a request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer to the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) the Holders of a majority in principal amount of the Notes then outstanding do not give the Trustee a direction that, in the opinion of the Trustee is, inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Rights of Holders to Receive Payment

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee

If an Event of Default specified in Sections 6.01(a)(l) or 6.01(a)(2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim

The Trustee may file such proofs of claim and other papers or documents and take such actions as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer, their creditors or their property and, unless prohibited by

law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuers.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuers a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as the Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a Paying Agent, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

SECTION 6.12. Waiver of Stay or Extension Laws

The Issuers (to the extent they may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuers (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

The Trustee will not be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

SECTION 7.02. Rights of Trustee.

Subject to TIA Sections 315(a) through (d):

(a) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to do relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power.

(b) The Trustee may conclusively rely and shall be fully protected in relying on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(f) The Trustee may retain professional advisers to assist it in performing its duties under this Indenture. The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Officer's Certificate, Opinion of Counsel, or any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuers.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee indemnity or other security reasonably satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the requisite majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(j) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes.

Each Paying Agent and Transfer Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(m) The Trustee shall not be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(n) [Reserved].

(o) The permissive right of the Trustee to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(p) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but no limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action

(q) The Trustee may assume without inquiry in the absence of actual knowledge that the Issuers are each duly complying with their obligations contained in this Indenture required to be performed and observed by them, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

SECTION 7.03. Individual Rights of Trustee

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee. For the avoidance of doubt, any Paying Agent, Transfer Agent or Registrar may do the same with like rights.

However, the Trustee is subject to TIA Sections 310(b) and 311. For purposes of TIA Section 31l(b)(4) and (6):

(a) "*cash transaction*" means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand; and

(b) "*self-liquidating paper*" means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, provided the security is received by the Trustee simultaneously with the creation of the creditor relationship arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

SECTION 7.04. Trustee's Disclaimer

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, and it shall not be responsible for any statement of the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 13.03 hereof from the Issuers or any Holder.

SECTION 7.05. Notice of Defaults

If a Default or Event of Default occurs and is continuing and the Trustee is informed of such occurrence by the Issuer or by any other person, the Trustee must give notice of the Default to the Holders within 60 days after the Trustee is informed of such occurrence. Except in the case of a Default in payment of principal of or interest or premium, if any, on any Note, the Trustee may withhold the notice if and so long as a committee of its trust officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders. Notice to Holders under this Section will be given in the manner and to the extent provided in TIA Section 313(c).

SECTION 7.06. Reports by Trustee to Holders

Within 60 days after each May 15, beginning with May 15, 2007, the Trustee will mail to each Holder, as provided in TIA Section 313(c), a brief report dated as of such May 15, if required by TIA Section 313(a), and file such reports with each stock exchange upon which its Notes are listed and with the SEC as required by TIA Section 313(d).

SECTION 7.07. Compensation and Indemnity

The Issuers, or, upon the failure of the Issuers to pay, each Note Guarantor (if any), jointly and severally, shall pay to the Trustee from time to time such compensation as the Issuer and Trustee may from time to time agree for its acceptance of this Indenture and services hereunder and under the Notes. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust.

In the event of the occurrence of an Event of Default or the Trustee considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuers agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, the Issuers shall pay to the Trustee such additional remuneration as shall be agreed between them. In the event of the Trustee and the Issuers failing to agree upon whether such duties shall be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee, or upon such additional remuneration, such matters shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Issuers or, failing such approval, nominated (on the application of the Trustee) by the President of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such investment bank being payable by the Issuers) and the determination of any such investment bank shall be final and binding upon the Trustee and the Issuer.

The Issuers and each Note Guarantor (if any), jointly and severally, shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it (as evidenced in an invoice from the Trustee), including costs of collection, in addition to the compensation for its services. Such expenses shall include the properly incurred compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers and each Note Guarantor (if any), jointly and severally shall indemnify the Trustee and the Paying Agents and their respective officers, directors, agents and employers against any and all loss, liability, taxes or expenses (including reasonable attorneys' fees) incurred by or in connection with the acceptance or administration of its duties this Indenture and the Notes including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however,* that any failure so to notify the Issuer shall not relieve the Issuer or any Note Guarantor of its indemnity obligations hereunder. Except in cases where the interests of the Issuers and the Trustee may be adverse, the Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' and any Note Guarantor's expense in the defense. Notwithstanding the foregoing,

such indemnified party may, in its sole discretion, assume the defense of the claim against it and the Issuers and any Note Guarantor shall, jointly and severally, pay the reasonable fees and expenses of the indemnified party's defense (as evidenced in an invoice from the Trustee). Such indemnified parties may have separate counsel of their choosing and the Issuers and any Note Guarantor, jointly and severally, shall pay the reasonable fees and expenses of such counsel (as evidenced in an invoice from the Trustee); *provided, however,* that the Issuers shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuers and any Note Guarantor, as applicable, and such parties in connection with such defense. The Issuers need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, negligence or bad faith.

To secure the Issuers' and any Note Guarantor's payment obligations in this Section 7.07, the Trustee and the Paying Agents have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' and any Note Guarantor's payment obligations pursuant to this Section and any lien arising thereunder shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee and the Paying Agents. Without prejudice to any other rights available to the Trustee and the Paying Agents under applicable law, when the Trustee and the Paying Agents incur expenses after the occurrence of a Default specified in Section 6.01(a)(6) with respect to the Issuers, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.07, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder including, without limitation, as Registrar, Transfer Agent and Paying Agent, and by each agent (including Deutsche Bank AG, London Branch, Deutsche Bank Luxembourg S.A. and Deutsche International Corporate Services (Ireland) Limited)), custodian and other Person employed with due care to act as agent hereunder.

SECTION 7.08. Replacement of Trustee

(a) The Trustee may resign at any time by so notifying the Issuers. If the Trustee is no longer eligible under Section 7.10 or in the circumstances described in TIA Section 310(b), any Holder that satisfies the requirements of TIA Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee in writing and the appointment of a successor Trustee. The Holders of a majority in principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuers shall be entitled to remove the Trustee or any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee, if:

(i) the Trustee has or acquires a conflict of interest that is not eliminated;

(ii) the Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or;

(iv) the Trustee otherwise becomes incapable of acting as Trustee hereunder.

(b) If the Trustee resigns, is removed pursuant to Section 7.08(a) or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided*, that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

(g) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee in this Section 7.08, including its right to be indemnified, are extended to, and shall be enforceable by each Paying Agent, Transfer Agent and Registrar employed to act hereunder.

(h) The Trustee agrees to give the notices provided for in, and otherwise comply with, TIA Section 310(b).

SECTION 7.09. Successor Trustee by Merger

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility

The Indenture must always have a Trustee that satisfies the requirements of TIA Section 310(a) and has a combined capital and surplus of at least $25,000,000 as set forth in its most recent published annual report of condition.

SECTION 7.11. Certain Provisions

Each Holder by accepting a Note authorizes and directs on his or her behalf the Trustee to enter into and to take such actions and to make such acknowledgements as are set forth in this Indenture or other documents entered into in connection therewith.

SECTION 7.12. Preferential Collection of Claims Against Issuer

The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 31l(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

(b) Subject to Sections 8.01(c) and 8.02, either Issuer at any time may terminate (i) all of its obligations and all obligations of each Note Guarantor (if any) under the Notes, any Note Guarantees and this Indenture ("*legal defeasance option*") or (ii) its obligations under Article 4 (other than Section 4.01) and under Article 5 (other than Sections 5.01(a)(l) and 5.01(a)(2)), and thereafter any omission to comply with such obligations shall not constitute a Default or an Event of Default with respect to the Notes, and the operation of Sections 6.01(a)(3) (other than with respect to Sections 5.01(a)(l) and 5.01(a)(2)), 6.01(a)(4), 6.01(a)(5), 6.6l(a)(6) (with respect to the Issuers and Significant Subsidiaries), 6.01(a)(7) and 6.01(a)(9) ("*covenant defeasance option*"). (B) an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, liquidation, reorganization, administration, moratorium, receivership or similar laws affecting creditors' rights generally under any applicable U.S. federal or state law and that the Trustee has a perfected security interest in such trust funds for the ratable benefit of the Holders;

(C) an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuers or any Note Guarantors;

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

one series of the Notes, only the consent of a majority in principal amount of the then outstanding Notes of such series shall be required. However, without the consent of Holders holding not less than 100% (or, in the case of clauses (7) and (10), 90%) of the then outstanding principal amount of the Notes), an

amendment or waiver may not, with respect to any Notes held by a non-consenting Holder:

(1) reduce the principal amount of Notes whose Holders must consent to an amendment;

(2) reduce the stated rate of or extend the stated time for payment of interest on any Note;

(3) reduce the principal of or extend the Stated Maturity of any Note;

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, in each case as described in Section 5 of the Notes;

(5) make any Note payable in money other than that stated in the Note;

(6) impair the right of any Holder to receive payment of principal of and interest, including Additional Interest, on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes;

(7) make any change to Section 4.02 that adversely affects the right of any Holder of such Notes in any material respect or amends the terms of such Notes in a way that would result in a loss of an exemption from any of the Taxes described thereunder or an exemption from any obligation to withhold or deduct Taxes so described thereunder unless the Payor agrees to pay Additional Amounts, if any, in respect thereof;

(8) [Reserved];

(9) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(10) make any change in this Section 9.02(a) which require the Holders' consent described in this sentence.

(b) The Issuer will, for so long as the Notes are listed on the Irish Stock Exchange, to the extent required by the rules of the Irish Stock Exchange, (i) inform the Irish Stock Exchange of any of the foregoing amendments, supplements and waivers and (ii) deliver notice of any amendment, supplement and waiver in Ireland to the Companies Announcement Office in Dublin.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment of the Note Documents, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

After an amendment under this Section 9.02 becomes effective, in case of Holders of Definitive Notes, the Issuers shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

The Notes issued on the Issue Date, and any Additional Notes part of the same series, will be treated as a single class for all purposes under this Indenture, including with respect to waivers and amendments, except as the relevant amendment, waiver, consent, modification or similar action affects the rights of the Holders of the different series of Notes dissimilarly. For the purposes of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, waiver, consent, modifications or other similar action, the Issuers (acting reasonably and in good faith) shall be entitled to select a record date as of which the Euro Equivalent of the principal amount of any Notes shall be calculated in such consent or voting process.

SECTION 9.03. Revocation and Effect of Consents and Waivers

(a) A written consent to an amendment or a waiver by a Holder shall bind the Holder and every subsequent Holder of that Note or portion of the Notes that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the written consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Issuer certifying that the requisite number of consents have been received. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers and the Trustee.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their written consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Notes

If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuers or the Trustee so determine, the Issuers

in exchange for the Note shall issue and the Trustee or an authentication agent shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.05. Trustee to Sign Amendments

(a) The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not impose any personal obligations on the Trustee or adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture. If it does, the Trustee may, but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment complies with this Indenture and that such amendment has been duly authorized, executed and delivered and is the legal, valid and binding obligation of the Issuers and the Note Guarantors (if any) enforceable against them in accordance with its terms, subject to customary exceptions.

(b) Every amendment or supplemental indenture executed pursuant to this Article shall conform to the requirements of the TIA.

SECTION 9.06. Payment for Consent

Neither the Issuers nor any Affiliate of either Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Note Documents (or the appointment of any Proxy in relation to any of the foregoing) unless such consideration is offered (subject to limitations of applicable law) to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement or proxies in relation thereto.

ARTICLE 10

Note Guarantees

SECTION 10.01. Note Guarantees.

(a) Subject to the limitations set forth in Schedule 10.1, each Restricted Subsidiary that is required to become a Note Guarantor pursuant to Section 4.12 hereof hereby irrevocably Guarantees (collectively, the "*Note Guarantees*"), as primary obligor and not merely as surety, on a senior basis to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by

acceleration or otherwise, of all payment obligations of the Issuers under this Indenture and the Notes, whether for payment of principal of, premium, or interest and all other monetary obligations of the Issuers under this Indenture or in respect of the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuers whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "*Guaranteed Obligations*"). Any such Note Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from such Note Guarantor, and that such Note Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Note Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Note Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Note Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of any thereof; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any Notes held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (v) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Note Guarantor, except as provided in Section 10.02(b).

(c) Each Note Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Note Guarantors, such that such Note Guarantor's obligations would be less than the full amount claimed. Each Note Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' or such Note Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Note Guarantor hereunder. Each Note Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Note Guarantor.

(d) Each Note Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any Note held for payment of the Guaranteed Obligations.

(e) If any Note Guarantor makes payments under its Note Guarantee, each Note Guarantor must contribute its share of such payments. Each Note Guarantor's share of such payment will be computed based on the proportion that the net worth of the relevant Note Guarantor represents relative to the aggregate net worth of all the Note Guarantors combined.

(f) [Reserved].

(g) Each Note Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of the Guaranteed Obligations. Except as expressly set forth in Sections 4.12, 4.13, 8.01(b), 10.02, Schedule 10.1 and the terms of any Note Guarantee Supplement, the obligations of each Note Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination

whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Note Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of such Note Guarantor or would otherwise operate as a discharge of such Note Guarantor as a matter of law or equity.

(h) Each Note Guarantor agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuers or otherwise unless such Note Guarantee has been released in accordance with this Indenture.

(i) Subject to the limitations set forth in Schedule 10.1, in furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Note Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Note Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of the Notes, (ii) accrued and unpaid interest on the Notes and (iii) all other monetary obligations of the Issuers to the Holders and the Trustee, including any other unpaid principal amount of such Guaranteed Obligations, accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and any Additional Amounts.

(j) Each Note Guarantor agrees that it shall not be entitled to exercise any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Note Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such

Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Note Guarantor for the purposes of this Section 10.01.

(k) Each Note Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section.

(l) Upon request of the Trustee, each Note Guarantor shall execute and deliver such further instruments and do such further acts as the Trustee may reasonably require to carry out more effectively the purpose of this Indenture.

SECTION 10.02. Limitation on Liability

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Note Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Note Guarantor without rendering the Note Guarantee, as it relates to such Note Guarantor, voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally.

(b) A Note Guarantee as to any Note Guarantor shall terminate and be of no further force or effect and such Note Guarantor shall be deemed to be released from all obligations under this Article 10 upon:

(1) a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture,

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary,

(3) defeasance or discharge of the Notes, as provided in Article 8,

(4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (1) of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause, or

(5) upon the achievement of Investment Grade Status by the relevant series of Notes so long as each of Moody's and S&P (or another Nationally Recognized Statistical Ratings Organization which has provided a rating used to achieve Investment Grade Status) has been notified in advance that such Investment Grade Status will result in the termination of such Note Guarantee; *provided* that such Note Guarantee shall, subject to the Agreed Security Principles, be reinstated upon the Reversion Date.

In all cases, the Issuers and such Note Guarantors that are to be released from their Note Guarantees shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel certifying compliance with this Section 10.02(b). At the request of the Issuers, the

Trustee shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Issuers).

SECTION 10.03. Successors and Assigns

This Article 10 shall be binding upon each Note Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver

Neither a failure nor a delay on the part of, the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification

No modification, amendment or waiver of any provision of this Article 10; nor the consent to any departure by any Note Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Note Guarantor in any case shall entitle such Note Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. [Reserved.]

SECTION 10.07. Execution of Note Guarantee Supplement for Note Guarantors

Each Subsidiary which is required to become a Note Guarantor pursuant to this Indenture shall promptly execute and deliver to the Trustee a note guarantee supplement in the form of Exhibit D hereto pursuant to which such Subsidiary shall become a Note Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such note guarantee supplement, the Issuers shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such note guarantee supplement complies with this Indenture and has been duly authorized, executed and delivered by such Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Note Guarantor is a legal, valid and binding obligation of such Note Guarantor, enforceable against such Note Guarantor in accordance with its terms and to such other matters as the Trustee may reasonably request.

SECTION 10.08. Non-Impairment

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

SCHEDULE 2.1

AGREED SECURITY PRINCIPLES(1)

1. Agreed Security Principles

The Guarantees and Liens to be provided by the Issuers and the Guarantors will be given in accordance with certain agreed security principles (the "*Agreed Security Principles*"). This Schedule 2.1 identifies the Agreed Security Principles and addresses the manner in which the Agreed Security Principles will impact on or be determinant of the Guarantees and Liens to be taken in relation to this Indenture.

1.2 The Agreed Security Principles embody a recognition by all parties that there may be certain legal, commercial and practical difficulties in obtaining effective security from the Company and each of its Restricted Subsidiaries in every jurisdiction in which the Company and its Restricted Subsidiaries are located. In particular:

(a) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalization" rules, retention of title claims and similar matters may limit the ability of the Company or any of its Restricted Subsidiaries to provide a Guarantee or Liens or may require that it be limited as to amount or otherwise, and if so the same shall be limited accordingly, *provided* that the Company or the relevant Restricted Subsidiary shall use reasonable endeavors to overcome such obstacle. The Company will use reasonable endeavors to assist in demonstrating that adequate corporate benefit accrues to each of the Restricted Subsidiary;

(b) the Company and its Restricted Subsidiaries will not be required to give Guarantees or enter into Security Documents if (or to the extent) it is not within the legal capacity of the Company or its relevant Restricted Subsidiary or if the same would conflict with the fiduciary duties of their directors or contravene any legal prohibition or regulatory condition or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer or director of the Company or any of the Restricted Subsidiaries, *provided* that the Company and each of its Restricted Subsidiaries shall use reasonable endeavors to overcome any such obstacle;

(c) a key factor in determining whether or not security shall be taken is the applicable cost (including adverse effects on interest deductibility, registration taxes and notarial costs) which shall not be disproportionate to the benefit to the Holders of obtaining such security;

(1) For purposes of this Indenture, the Agreed Security Principles relate only to the Guarantees.

(d) where there is material incremental cost involved in creating security over all assets owned by any of the Issuers or a Guarantor in a particular category (e.g. real estate), regard shall be had to the principle stated at paragraph 1.2(c) of this Schedule 2.1 which shall apply to the immaterial assets and, subject to the Agreed Security Principles, only the material assets in that category (e.g. real estate of material economic value) shall be subject to security;

(e) it is expressly acknowledged that it may be either impossible or impractical to create security over certain categories of assets in which event security will not be taken over such assets;

(f) any assets subject to contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Agreement and which (subject to override by the UCC and other relevant provisions of applicable law), effectively prevent those assets from being charged will be excluded from any relevant Security Document; *provided* that reasonable endeavors to obtain consent to creating Liens in any such assets shall be used by the Company and each of its Restricted Subsidiaries to avoid or overcome such restrictions if either Collateral Agent reasonably determines that the relevant asset is material (which endeavors shall not include the payment of any consent fees), but unless effectively prohibited by contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Indenture, this shall not prevent security being given over any receipt or recovery under such contract, lease or license;

(g) the giving of a Guarantee, the granting of security or the perfection of the security granted will not be required if it would have a material adverse effect (as reasonably determined in good faith by management of the relevant obligor) on the ability of the relevant obligor to conduct its operations and business in the ordinary course as otherwise permitted by this Indenture;

(h) in the case of accounts receivable, a material adverse effect on either Issuer's or a Guarantor's relationship with or sales to the customer generating such receivables or material legal or commercial difficulties (as reasonably determined by management of the relevant obligor in good faith) *provided* that none of the Issuers and the Guarantors may utilize this exception unless, after giving effect thereto no less than a majority of the book value of the accounts receivable of the Company and its Subsidiaries on a consolidated basis (as measured at the end of each fiscal quarter) is subject to perfected liens, and *provided* further that any accounts receivable of the Issuers and the Guarantors excluded from collateral by virtue of this clause (except where prohibited by law and subject to the remainder of these Agreed Security Principles) shall be subject to perfected Liens promptly if and when the corporate credit of the Company is downgraded to "B" or lower from S&P and "B2" or lower from Moody's;

(i) security will be limited so that the aggregate of notarial costs and all registration and like taxes relating to the provision of security shall not exceed an amount to be agreed. Any additional costs may be paid by the Holders at their option; and

(j) all security shall be given in favor of a single security trustee or collateral agent and not the secured parties individually. "Parallel debt" provisions and other similar structural options will be used where necessary and such provisions will be contained in the intercreditor agreement and not the individual security documents unless required under local law. No action will be required to be taken in relation to the guarantees or security when any lender assigns or transfers any of its participation in this Indenture to a new lender.

2. Terms of Security Documents

The following principles will be reflected in the terms of any Security Document to be executed and delivered:

(a) subject to permitted liens and these Agreed Security Principles the security will be first ranking and the perfection of security (when required) and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Note Documents or, if earlier or to the extent no such time period is specified in the Note Documents, within the time periods specified by applicable law in order to ensure due perfection;

(b) the security will not be enforceable until an Event of Default has occurred and notice of acceleration of the Notes has been given by the Trustee or the Notes have otherwise become due and payable prior to the scheduled maturity thereof (an "*Enforcement Event*");

(c) prior to the Maturity Date, notification of any Liens over bank accounts will be given (subject to legal advice) to the banks with whom the accounts are maintained only if an Enforcement Event has occurred;

(d) notification of receivables security to debtors who are not members of the Company or its Subsidiaries will only be given if an Enforcement Event has occurred;

(e) notification of any security interest over insurance policies will be served on any insurer of the Company's or any Restricted Subsidiaries' assets (other than in respect of any insurance policy maintained by the Company or any of its Restricted Subsidiaries which is due to expire on or before December 31, 2006);

(f) the Security Documents should only operate to create security rather than to impose new commercial obligations. Accordingly, they should not contain material additional representations, undertakings or indemnities (such as in

respect of insurance, information or the payment of costs) unless these are the same as or consistent with those contained in this Indenture or are necessary for the creation or perfection of the security;

(g) in respect of the share pledges and pledges of intra-group receivables, until an Enforcement Event has occurred, the pledgors will be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not materially adversely affect the value of the security (taken as a whole) or the validity or enforceability of the security or cause an Event of Default to occur, and the pledgors will be permitted to receive dividends on pledged shares and payment of intra-group receivables and retain the proceeds and/or make the proceeds available to Holdings and its Subsidiaries to the extent not prohibited under this Indenture;

(h) the Collateral Agents will only be able to exercise a power of attorney in any Security Document following the occurrence of an Enforcement Event or with respect to perfection or further assurance obligations that following request, the relevant obligor has failed to satisfy;

(i) no obligor shall be required to provide surveys on real property (unless such surveys already exist in which case there shall be no requirement that such surveys be certified to the Holders) or to remove any encumbrances on title (not created in contemplation of the Transactions (as defined in the Senior Facilities Agreement)) that are reflected in any title insurance or any other existing encumbrances on real property (not created in contemplation of the Transactions) (not including Liens securing Indebtedness of the Company or any of its Restricted Subsidiaries);

(j) no obligor shall be required to protect any Liens in the United States prior to the occurrence of an Enforcement Event by means other than customary filings (including UCC-1s, mortgage or deed of trust filings and patent and trademark filings) and delivery of share certificates (accompanied by powers of attorney executed in blank) and any intercompany promissory notes; and

(k) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to protect or create, perfect or register the security and, to the extent so required will be provided annually (unless required to be provided by local law more frequently, but not more frequently than quarterly) and following the occurrence and during the continuance of an Event of Default, on the Collateral Agents' reasonable request.

SCHEDULE 10.1

GUARANTOR LIMITATIONS

1. The right to enforce the guarantee given by a Guarantor incorporated in Germany as a GmbH (a "*German Guarantor*") shall be excluded if and to the extent that the Guaranty secures the obligations of an affiliated company (*verbundenes Unternehmen*) within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) of such German Guarantor (other than any of the German Guarantor's direct or indirect subsidiaries), and if and to the extent that (a) the enforcement of the Guaranty would cause such German Guarantor's assets (the calculation of which shall include all items set forth in section 266(2) A, B and C of the German Commercial Code (*Handelsgesetzbuch*)) less such German Guarantor's liabilities (the calculation of which shall include all items set forth in section 266(3) B, C and D of the German Commercial Code) (the "*Net Assets*") being less than its registered share capital (*Stammkapital*) (*Begründung einer Unterbilanz*) or (b) (if such German Guarantor's Net Assets are already less than its registered share capital) causing such amount to be further reduced (*Vertiefung einer Unterbilanz*).

(c) For the purposes of such calculation the following balance sheet items shall be adjusted as follows:

(i) The amount of the increase of the relevant German Guarantor's registered share capital out of retained earnings (*Kapitalerhöhung aus Gesellschaftsmitteln*) after the date of this Agreement that has been effected without the prior written consent of the Global Collateral Agent (as defined in and pursuant to the Secured Indenture) (acting on behalf of the Guaranteed Parties) shall be deducted from the registered share capital; and

(ii) Obligations arising out of loans made to the relevant German Guarantor and other liabilities shall be disregarded if and to the extent such loans and other liabilities are subordinated; and

(iii) Loans and other contractual liabilities incurred in violation of the provisions of the Indenture, the Security Documents or the Guaranty shall be disregarded; and

(iv) Claims of the relevant German Guarantor against its shareholders arising out of any upstream loans permitted under the Indenture, the Security Documents or the Guaranty shall only be taken into account (*aktiviert*) if and to the extent this is permitted pursuant to the jurisprudence of the German Federal High Court (*Bundesgerichtshof*) relating to the permissability of loans to shareholders under Sections 30, 31 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*).

(d) In addition, a German Guarantor shall realize, to the extent legally permitted, in a situation where after enforcement of the Guaranty such German Guarantor would not have Net Assets in excess of its registered share capital, any and all of its assets that are shown in the balance sheet with a book value (*Buchwert*) that is significantly lower than the market value of the asset if such asset is not necessary for the German business (*betriebsnotwendig*).

(e) The limitations set out in sub-clause (i) above shall only apply (i) if and to the extent that within 5 Business Days following the demand against such German Guarantor under the Guaranty by the Global Collateral Agent (the "*Guaranty Demand*") the managing directors of the German Guarantor have confirmed in writing to the Global Collateral Agent (x) to what extent the Guaranty is an up-stream or cross-stream security and (y) the amount which cannot be enforced as causing the net assets of such German Guarantor, to fall below its stated share capital and such confirmation is supported by interim financial statements up to the end of the last completed calendar month (taking into account the adjustments set out in paragraph sub-clause (ii) above and such confirmation is supported by evidence reasonably satisfactory to the Global Collateral Agent (the "*Management Determination*") and the Global Collateral Agent has not contested this and argued that no or a lesser amount would be necessary to maintain its stated share capital; or (B) within 20 Business Days from the date the Global Collateral Agent has contested the Management Determination the Global Collateral Agent receives a determination by auditors of international standard and reputation (the "*Auditor's Determination*") as appointed by such German Guarantor of the amount that would have been necessary on the date the Guaranty Demand was made to maintain the German Guarantor stated share capital based on an up to date balance sheet which shall be based on the same accounting principles that were applied when establishing the previous year's balance sheet and calculated and adjusted in accordance with sub-clauses (i) and (ii) above. If a German Guarantor fails to deliver an Auditor's Determination within 20 Business Days after the date the Global Collateral Agent has contested the Management Determination, the Global Collateral Agent shall be entitled to enforce the Guaranty without limitation or restriction

(f) If the Global Collateral Agent disagrees with the Management Determination and/or the Auditor's Determination, the Guaranty shall be enforceable up to the amount which is undisputed between itself and the relevant German Guarantor. In relation to the amount which is disputed, the Global Collateral Agent shall be entitled to further pursue its claims and enforce the Guaranty always subject to sub-clauses (i) to (iv) (inclusive) above and sub-clause (vi) below, if it determines in good faith that the financial condition of such German Guarantor as set forth in the Auditor's Determination and/or the Management Determination has substantially improved (in particular, if such German Guarantor has performed any actions in accordance with sub-clause (iii) above).

(g) Notwithstanding the above provisions of this clause (c), and subject to the following paragraph below, the Guaranty shall not be enforced against a German Guarantor to the extent that such German Guarantor provides constructive evidence that such enforcement will deprive such German Guarantor of the liquidity necessary to fulfill its liabilities to its creditors or result in a breach of the duty of care owed by the relevant managing director to the respective company *(Verbot des existenzvernichtenden Eingriffs, Gebot der Riicksichtnahme auf die Eigenbelange der Gesellschaft*) and is reasonably likely to result in a personal civil or criminal liability of the relevant managing directors of such German Guarantor or the relevant managing directors of its shareholder.

(h) For the avoidance of doubt, nothing in this Schedule shall be interpreted as a restriction or limitation of the enforcement of the Guaranty to the extent it guarantees the prompt and complete payment and discharge of any and all obligations of a German Guarantor itself or any of its subsidiaries including in each case their legal successors.

to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (B) or (C) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (C) above.

(D) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.03(h) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this

Section 2.03(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(l) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) *[Reserved.]*

(3) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if:

(A) such exchange or transfer is effected pursuant to the Exchange Offer in accordance with the Registration Rights Agreement and the holder of such beneficial interest, in the case of an exchange, or the transferee, in the case of a transfer, certifies in the applicable Letter of Transmittal that it is not (i) a Broker-Dealer acquiring Notes directly from the Issuers, (ii) a Person participating in the distribution of the Exchange Notes or (iii) a Person who is an affiliate (as defined in Rule 144) of the Issuers;

(B) such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement; or

(C) the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (3) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (C), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with

the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(d) Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent (including, in the case of a redemption related to an Equity Offering, the consummation of such Equity Offering).

6. Optional Tax Redemption

The Issuers or Successor Company may redeem any series of Notes in whole as to such series, but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders of the relevant series of

Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, including Additional Interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers, Successor Company or Guarantor determines in good faith that, as a result of:

(1) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the Issuers, Successor Company or Guarantor are, or on the next interest payment date in respect of the relevant series of Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuers, Successor Company or Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at October 5, 2006, such Change in Tax Law must become effective on or after October 5, 2006. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after October 5, 2006, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction, unless the Change in Tax Law would have applied to the predecessor of the Successor Company. Notice of redemption for taxation reasons will be published in accordance with the procedures described in paragraph 8. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuers have been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The

Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of the Notes.

7. Sinking Fund

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. Notice of Redemption

At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 of the Indenture and as provided below.

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, as certified to the Trustee by the Issuers, and/or in compliance with the requirements of Euroclear or Clearstream, as applicable, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through Euroclear or Clearstream, as applicable, prescribes no method of selection, on a pro rata basis; provided, however, that no Note of €50,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

9. Additional Amounts

The Issuers are required to make all payments under or with respect to the Notes or the Note Guarantees free and clear of and without withholding or deduction for or on account of any present or future Taxes in accordance with Section 4.02 of the Indenture.

10. Repurchase of Notes at the Option of Holders upon (i) a Change of Control and (ii) the occurrence of certain Asset Dispositions

If a Change of Control occurs, each Holder of Notes will have the right, subject to certain conditions specified in the Indenture, to require the Issuers

to repurchase all of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.09 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

11. Denominations; Transfer; Exchange

The Notes are in registered form without interest coupons in minimum denominations of €50,000 and multiples of €1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, to furnish information regarding the account of the transferee at Euroclear or Clearstream, where appropriate, to furnish certain certificates and opinions, and to pay any taxes, duties and governmental charges in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

12. Persons Deemed Owners

Except as *provided* in paragraph 2 of this Note, the registered Holder of this Note will be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Notes and the Indenture if the Issuers, among other things, deposit or cause to be deposited with the Trustee money or European Government Obligations denominated in euro in such amounts as will be sufficient for the payment of the entire Indebtedness including principal of, premium, if any, and interest on the Notes to the date of redemption or maturity, as the case may be.

15. Amendment, Waiver

The Indenture and the Notes may be amended as set forth in the Indenture.

16. Defaults and Remedies

The following events constitute "*Events of Default*" under the Indenture: An "*Event of Default*" occurs if or upon:

(1) default in any payment of interest or Additional Interest, if any, on any Note issued under the Indenture when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under the Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with any of its obligations under Article 4 and 5 of the Indenture (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2) of the Indenture);

(4) failure to comply for 60 days after notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with its other agreements contained in the Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by either Issuer or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by either Issuer or any of its Restricted Subsidiaries) other than Indebtedness owed to either Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(6) either Issuer or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or

(7) failure by the Issuers or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuers and their Restricted Subsidiaries), would constitute a Significant Subsidiary to pay final judgments aggregating in excess of €100 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final; or

(8) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) and 6.01(a)(7) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under the Indenture notify either Issuer of the default and the Issuers do not cure such default within the time specified in Sections 6.01 (a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) of the Indenture, as applicable, after receipt of such notice.

Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, the principal of, premium, if any, and accrued and unpaid interest, including Additional Interest, if any, on all the Notes will become due and payable immediately without any declaration.

17. Trustee Dealings with the Issuers

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may

otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

No director, manager, officer, employee, incorporator or shareholder of either Issuer or any of its Subsidiaries or any parent company of either Issuer shall have any liability for any obligations of either Issuer or any Subsidiary with respect to the Notes or the Indenture, or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

NXP B.V., a company organized under the laws of The Netherlands, and NXP Funding LLC, a limited liability company organized under the laws of Delaware (together with NXP B.V. and their respective successors and assigns under the Indenture hereinafter referred to, being herein called "*the Issuers*"), jointly and severally promise to pay interest on the principal amount of this Note at the rate of 9½% per annum. The Issuers shall pay interest semi-annually on April 15 and October 15 of each year commencing on [ ]. The Issuers will make each interest payment to Holders of record of the Notes on the immediately preceding April 1 and October 1. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from October 12, 2006 until the principal hereof is due. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months. Each interest period shall end on (but not include) the relevant interest payment date.

The Holders of this Note are entitled to the benefits of the Registration Rights Agreement, dated October 12, 2006, among the Issuers, the guarantors party thereto and the Initial Purchasers named therein (the "*Registration Rights Agreement*"). The Holders of this Note are entitled to the Additional Interest payable in the circumstances as set forth in the Registration Rights Agreement.

2. Method of Payment

Holders must surrender Notes to the relevant Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, Applicable Amounts, if any, and interest and Additional Interest, if any, in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on the Global Notes will be payable at the specified office or agency of one or more Paying Agents; provided that all such payments with respect to Notes represented by one or more Global Notes registered in the name of or held by a nominee of DTC will be made by wire transfer of immediately available funds to the account specified by the Holder or Holders thereof.

Principal, premium, if any, Additional Amounts, if any, interest and Additional Interest, if any, on any Definitive Notes will be payable at the specified office or agency of one or more Paying Agents in New York, maintained for such purposes. In addition, interest on the Definitive Notes may be paid by check mailed to the person entitled thereto as shown on the register for the Definitive Notes; *provided, however,* that cash payments on the Notes may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a dollar account maintained by the payee with a bank in the United States of America if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

If the due date for any payment in respect of any Note is not a Business Day at the place in which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

(c) At any time and from time to time prior to October 15, 2009, the Issuers may redeem the Notes with the net cash proceeds received by the Issuers from any Equity Offering at a redemption price equal to 109.5% plus accrued and unpaid interest to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including Additional Notes), *provided* that

(1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and

(2) not less than 60% of the original aggregate principal amount of the Notes initially issued remains outstanding immediately thereafter.

(d) Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent (including, in the case of a redemption related to an Equity Offering, the consummation of such Equity Offering).

6. Optional Tax Redemption

The Issuers or Successor Company may redeem any series of Notes in whole as to such series, but not in part, at any time upon giving not less than 30 nor more than 60 days' notice to the Holders of the relevant series of Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, including Additional Interest, if any, to the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers, Successor Company or Guarantor determines in good faith that, as a result of:

(1) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

the Issuers, Successor Company or Guarantor are, or on the next interest payment date in respect of the relevant series of Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuers, Successor Company or Guarantor (including, for the avoidance of doubt, the appointment of a new Paying

Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at October 5, 2006, such Change in Tax Law must become effective on or after October 5, 2006. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after October 5, 2006, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction, unless the Change in Tax Law would have applied to the predecessor of the Successor Company. Notice of redemption for taxation reasons will be published in accordance with the procedures described in paragraph 8. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of any series of Notes pursuant to the foregoing, the Issuers will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuers have been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of the Notes.

7. Sinking Fund

The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

8. Notice of Redemption

At least 30 days but not more than 60 days before a date for redemption of Notes, the Issuers shall transmit a notice of redemption in accordance with Section 13.03 of the Indenture and as provided below.

If less than all of any series of Notes is to be redeemed at any time, the Trustee will select Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which that series of Notes is listed, and/or in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC, prescribes no method of selection, on a pro rata basis; provided, however, that no Note of $75,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On

and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

9. Additional Amounts

The Issuers are required to make all payments under or with respect to the Notes or the Note Guarantees free and clear of and without withholding or deduction for or on account of any present or future Taxes in accordance with Section 4.02 of the Indenture.

10. Repurchase of Notes at the Option of Holders upon (i) a Change of Control and (ii) the occurrence of certain Asset Dispositions

If a Change of Control occurs, each Holder of Notes will have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.09 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events, including certain Asset Dispositions.

11. Denominations; Transfer; Exchange

The Notes are in registered form without interest coupons in minimum denominations of $75,000 and multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. In connection with any such transfer or exchange, the Indenture will require the transferring or exchanging Holder to, among other things, furnish appropriate endorsements and transfer documents, to furnish information regarding the account of the transferee at DTC, where appropriate, to furnish certain certificates and opinions, and to pay any taxes, duties and governmental charges in connection with such transfer or exchange. Any such transfer or exchange will be made without charge to the Holder, other than any taxes, duties and governmental charges payable in connection with such transfer.

12. Persons Deemed Owners

Except as *provided* in paragraph 2 of this Note, the registered Holder of this Note will be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuers at their written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions, the Issuers at any time may terminate some of or all their obligations under the Notes and the Indenture if the Issuers, among other things, deposit or

cause to be deposited with the Trustee money or U.S. Government Obligations denominated in U.S. dollars in such amounts as will be sufficient for the payment of the entire Indebtedness including principal of, premium, if any, and interest on the Notes to the date of redemption or maturity, as the case may be.

15. Amendment, Waiver

The Indenture and the Notes may be amended as set forth in the Indenture.

16. Defaults and Remedies

The following events constitute "*Events of Default*" under the Indenture: An "*Event of Default*" occurs if or upon:

(1) default in any payment of interest or Additional Interest, if any, on any Note issued under the Indenture when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under the Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with any of its obligations under Article 4 and 5 of the Indenture (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2) of the Indenture);

(4) failure to comply for 60 days after notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes with its other agreements contained in the Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by either Issuer or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by either Issuer or any of its Restricted Subsidiaries) other than Indebtedness owed to either Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness; or

(b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100 million or more;

(6) either Issuer or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the

(8) any Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

However, a default under Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) and 6.01(a)(7) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes under the Indenture notify either Issuer of the default and the Issuers do not cure such default within the time specified in Sections 6.01(a)(3), 6.01(a)(4), 6.01 (a)(5) or 6.01(a)(7) of the Indenture, as applicable, after receipt of such notice.

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

ARTICLE 3
INSTRUCTIONS TO AND ACTIONS BY COLLATERAL AGENTS

Section 3.01. *Instructions in Writing.* Instructions to a Collateral Agent shall only be effective if in writing and signed or countersigned by an Authorized Signatory of the Secured Party giving such instructions.

Section 3.02. *Actions Under Security Documents.* No Collateral Agent shall be obliged or required to take any action under this Agreement or any other Security Document in the absence of instructions received from the Secured Parties in accordance with this Agreement but may take, but shall have no

obligation to take, any and all actions under any applicable Security Document as

it shall deem necessary in its sole discretion in order to maintain, protect or preserve the Collateral and the rights and interests of the Secured Parties therein.

Section 3.03. *Enforcement Notices.* (a) Following the occurrence and during the continuance of an Enforcement Event under a Secured Agreement, the relevant Secured Party that holds, or that is the agent or trustee for the holders of, the Secured Obligations under such Secured Agreement may deliver to the Collateral Agents a notice in substantially the form set forth on Schedule 1 (an "**Enforcement Notice**") instructing the Collateral Agents to take enforcement action under the Security Documents. An Enforcement Notice must certify that all or part of the relevant Secured Obligations have become due and payable prior to or at the stated maturity thereof pursuant to the terms of the relevant Secured Agreement and remain unpaid as of the date of such Enforcement Notice. An Enforcement Notice shall be deemed to be in effect at all times after such Enforcement Notice has been given until such time, if any, as a Rescission Notice has been delivered in accordance with Section 3.04.

(b) The Global Collateral Agent shall promptly provide a copy of any Enforcement Notice received by it from any Secured Party to the other Secured Parties and the Company.

Section 3.04. *Rescission of Instructions.* (a) Any instruction given to the Collateral Agents pursuant to Section 3.01, 3.02 or 3.03 (including any Enforcement Notice) may only be revoked by further notice in writing from the instructing Secured Party. In the case of revocation of an Enforcement Notice, the Secured Party that delivered such Enforcement Notice must deliver to the Collateral Agents a notice in substantially the form set forth on Schedule 2 (a "**Rescission Notice**"). Any such notice of revocation (including a Rescission Notice) shall not, however, affect the liability of the Collateral Agents under this Agreement or any Security Document for any action taken in reliance upon the relevant instruction prior to actual receipt of such notice of revocation (including the consequences of such action whether occurring before or after such receipt).

(b) The Global Collateral Agent shall promptly provide a copy of any Rescission Notice or other revocation instruction received by it from any Secured Party to the other Secured Parties and the Company.

ARTICLE 4
ENFORCEMENT ACTION AND APPLICATION OF PROCEEDS

Section 4.01. *Remedies Upon Enforcement Event.* (a) If an Enforcement Event shall have occurred and be continuing and a Secured Party shall have issued an Enforcement Notice, each Collateral Agent shall exercise (or cause its sub-agents to exercise) any or all of the remedies available to it (or to such sub-agents) under the applicable Security Documents and at Law; *provided* that no

Collateral Agent shall exercise any remedy involving the acceptance of any Collateral in full or partial satisfaction of any Secured Obligation, to the extent available in any applicable jurisdiction, except with the consent of the Required Secured Parties and any other Secured Party that has any Secured Obligation thereby satisfied without payment in full in cash.

(b) Without limiting the generality of clause (a) above, if an Enforcement Event shall have occurred and be continuing and a Secured Party shall have issued an Enforcement Notice, each Collateral Agent may, to the extent permitted by applicable Law, exercise on behalf of the Secured Parties all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to any Personal Property Collateral. In addition, the Collateral Agents may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of Law (i) withdraw all amounts held in the Collateral Accounts and apply such amounts as provided in Section 4.04 and (ii) if there shall be no such amounts or if such amounts shall be insufficient to pay all the Secured Obligations in full, sell, lease, license or otherwise dispose of the Collateral or any part thereof; *provided* that the right of a Collateral Agent to sell or otherwise dispose of the capital stock of any Regulated Subsidiary shall be subject to the relevant Collateral Agent or the relevant Lien Grantor obtaining, to the extent necessary under applicable Law, the prior approval of such sale or other disposition by the Governmental Authority having jurisdiction with respect to such Regulated Subsidiary. Notice of any such sale or other disposition shall be given to the relevant Lien Grantor in accordance with the requirements set forth in the Security Documents or as otherwise required by applicable Law. The foregoing provisions of this clause (b) shall apply to Real Property Collateral only to the extent permitted by applicable Law and the provisions of any applicable Security Document.

(c) Following receipt of an Enforcement Notice, each Collateral Agent shall enforce its rights under each Security Document in accordance with the instructions of the Required Secured Parties (which instructions shall relate to the manner of enforcement only and not the requirement to take enforcement action, which shall be governed exclusively by the Enforcement Notice).

(d) Following receipt of a Rescission Notice from each Secured Party that has issued an Enforcement Notice, each Collateral Agent shall promptly cease enforcing its rights under the Secured Documents. Receipt of a Rescission Notice shall not affect the liability of the Collateral Agents under this Agreement or any Security Documents for actions taken in reliance upon an Enforcement Notice or other instruction received for the Required Secured Parties prior to actual receipt of such Rescission Notice (including the consequences of such actions whether occurring before or after such receipt).

Section 4.02. *Limitation on Duty in Respect of Collateral.* Beyond the exercise of reasonable care in the custody and preservation thereof, no Collateral Agent will have any duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. Each Collateral Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own assets or property, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by

reason of any act or omission of any sub-agent or bailee selected by a Collateral Agent in good faith, except to the extent that such liability arises from such Collateral Agent's gross negligence or willful misconduct.

Section 4.03. *Restrictions on Actions.* Each Secured Party agrees that, unless and until this Agreement is terminated as provided herein, the provisions of this Agreement shall provide the exclusive method by which any Secured Party may exercise, or direct the exercise of, rights and remedies under the Security Documents. Therefore, each Secured Party shall, except as permitted under this Agreement:

(a) refrain from taking or filing any action, judicial or otherwise, to enforce any rights or pursue any remedies under the Security Documents, except for delivering notices or instructions hereunder; and

(b) refrain from exercising any rights or remedies under the Security Documents which may be exercisable as a result of an Enforcement Event;

provided that the foregoing shall not prevent (i) any Secured Party from imposing a default rate of interest in accordance with any Secured Agreement, (ii) a Collateral Agent from exercising any right or remedy or taking any other action on behalf of the Secured Parties that it is permitted or authorized to exercise or take or (iii) a Secured Party from exercising its rights and remedies as a general creditor in accordance with the applicable Secured Agreement and applicable Law, including the right to commence legal proceedings to collect any of the Secured Obligations due and payable to such Secured Party and remaining unpaid, to accelerate the maturity of any Secured Obligations or to terminate any commitment under any Secured Agreement in accordance with the applicable Secured Agreement, to commence legal proceedings to enforce any Secured Agreement and obtain a judgment and to enforce such judgment, in each case to the same extent as if such Secured Party were an unsecured creditor. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Lien Grantor shall be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

Section 4.04. *Application of Proceeds.* (a) The Global Collateral Agent shall apply (i) any amounts held in the Collateral Accounts, (ii) the proceeds of any enforcement of any Liens created by any of the Security Documents, including from the sale or other disposition of all or any part of the Collateral and (iii) any amount received or recovered pursuant to any Insolvency Proceeding relating to any Lien Grantor, in the following order of priorities; *provided* that all amounts received or recovered from any Restricted Collateral or standing to the credit of the Restricted Proceeds Collateral Account shall be applied solely to pay and discharge the RCF Secured Obligations, the Bridge Secured Obligations (until the Bridge Take-out Date), any Hedging Secured Obligations and any Additional Secured Obligations in the priority specified below:

first, to pay ratably (i) the costs, expenses, charges and liabilities incurred by each Collateral Agent in exercising its rights under the Security Documents (including in connection with any sale or other disposition of any Collateral), including reasonable compensation to agents of and counsel for the Collateral Agents, and all expenses, liabilities and advances incurred or made by the Collateral Agents in connection with the Security Documents, and any other amounts then due and payable to the Collateral Agents pursuant to Section 8.04 or Section 8.05, (ii) any amounts due and payable to any Agent for its own account under any RCF Secured Document or any Bridge Secured Document, (iii) any fees payable to any Letter of Credit Issuer under any RCF Secured Document, and (iv) any amounts due and payable to any agent or trustee for its own account under any Note Secured Document or any Additional Secured Documents;

second, to pay ratably (i) all principal, Unpaid Drawings, L/C Advances, interest and other RCF Secured Obligations (other than fees) due and payable to the RCF Finance Parties under the Revolving Credit Agreement, (ii) any amounts (other than fees) due and payable under any Secured Hedging Agreement, and (iii) to the extent that the Additional Secured Obligations under such Additional Secured Documents are designated to have such priority under the applicable Additional Secured Obligations Supplement, all unpaid principal, reimbursement obligations, interest and other Additional Secured Obligations (other than fees) due and payable under the Additional Secured Documents;

third, to pay ratably all fees due and payable to (i) the RCF Finance Parties under the RCF Secured Documents, (ii) the Secured Hedge Counterparties under any Secured Hedging Agreements, and (iii) to the extent that such Additional Secured Obligations are designated to have such priority under the applicable Additional Secured Obligations Supplement, the Additional Secured Parties under the relevant Additional Secured Documents;

fourth, to pay ratably, all principal, interest, reimbursement obligations and other Secured Obligations (other than fees) due and payable (i) to the Bridge Lenders under the Bridge Secured Documents, (ii) to the holders of the Note Secured Obligations under the Note Secured Documents, and (iii) to the

extent that the Additional Secured Obligations under such Additional Secured Documents are designated under the applicable Additional Secured Obligations Supplement to be equal in priority to the Secured Obligations described in the foregoing clauses (i) and (ii) of this paragraph *fourth*, the Additional Secured Parties under the relevant Additional Secured Documents;

fifth, to pay ratably all fees due and payable (i) to the Bridge Lenders under the Bridge Secured Documents, (ii) to the holders of Note Secured Obligations under the Note Secured Documents, and (iii) to the extent that the Additional Secured Obligations under such Additional Secured Documents are designated under the applicable Additional Secured Obligations Supplement to be equal in priority to the Secured Obligations described in the foregoing clauses (i) and (ii) of this paragraph *fifth*, the Additional Secured Parties under any Additional Secured Document;

sixth, to pay to the relevant Lien Grantor, or as a court of competent jurisdiction may direct, any surplus then remaining from the proceeds of the Collateral owned by it.

(b) Amounts distributed to Secured Parties pursuant to the foregoing clause (a) shall be allocated among such Secured Parties for all Secured Obligations referred to in the relevant paragraph, in accordance with the requirements set forth in the applicable Secured Agreements or, in the absence of any such requirement, pro rata among such Secured Obligations in accordance with the respective amounts thereof.

(c) In making distributions pursuant to the foregoing clause (a), the relevant Collateral Agent may provide for the payment of any Contingent Secured Obligation in accordance with clause (f) below.

(d) All amounts received or recovered by the Taiwan Collateral Agent under or in connection with the Taiwan Security Documents shall, to the extent permitted by applicable Law, be deposited into the Unrestricted Proceeds Collateral Account. In the event that the Taiwan Collateral Agent is not permitted under applicable Law to make such deposits, the Taiwan Collateral Agent shall establish and maintain a sub-account into which all amounts received or recovered (or any portion thereof) shall be deposited. Amounts standing to the creditor of such sub-account shall be applied in accordance with clause (a) above.

(e) The Collateral Agents may make such distributions hereunder in cash or in kind or, on a ratable basis, in any combination thereof.

(f) If at any time any portion of any monies collected or received by a Collateral Agent would, but for the provisions of this clause (f), be payable pursuant to clause (a) above in respect of a Contingent Secured Obligation that would be payable if the amount thereof were due and payable, the relevant

Collateral Agent shall not apply any monies to pay such Contingent Secured Obligation but instead shall request the holder thereof, at least three Business Days (or such shorter period as the relevant Collateral Agent may agree) before each proposed distribution hereunder, to notify the relevant Collateral Agent as to the maximum amount of such Contingent Secured Obligation if then ascertainable together with any detail and/or evidence of the computation of such amounts as the relevant Collateral Agent may reasonably request. If the holder of such Contingent Secured Obligation does not notify the relevant Collateral Agent of the maximum ascertainable amount thereof and provide such additional detail and/or evidence at least one Business Day before such distribution, such holder will not be entitled to share in such distribution with respect to such Contingent Secured Obligation. If such holder does so notify the relevant Collateral Agent as to the maximum ascertainable amount thereof, the relevant Collateral Agent will allocate to such holder a portion of the monies to be distributed in such distribution, calculated as if such Contingent Secured Obligation were due and payable in such maximum ascertainable amount. However, the relevant Collateral Agent will not apply such portion of such monies to pay such Contingent Secured Obligation, but instead will hold such monies or invest such monies in Investment Grade Securities or Cash Equivalents as may be directed by the Required Secured Parties from time to time. All such monies and Investment Grade Securities or Cash Equivalents and all proceeds thereof will constitute Collateral hereunder, but will be subject to distribution in accordance with this clause (f) rather than clause (a) above. The relevant Collateral Agent will hold all such monies and Investment Grade Securities or Cash Equivalents and the net proceeds thereof in trust until all or part of such Contingent Secured Obligation becomes a Non-Contingent Secured Obligation, whereupon the relevant Collateral Agent at the request of the relevant Secured Party will apply the amount so held in trust to pay such Non-Contingent Secured Obligation; *provided* that, if the other Secured Obligations theretofore paid pursuant to the same paragraph of clause (a) above were not paid in full, the relevant Collateral Agent will apply the amount so held in trust to pay the same percentage of such Non-Contingent Secured Obligation as the percentage of such other Secured Obligations theretofore paid pursuant to the same paragraph of clause (a) above. If (i) the holder of such Contingent Secured Obligation shall advise the relevant Collateral Agent that no portion thereof remains in the category of a Contingent Secured Obligation and (ii) the relevant Collateral Agent still holds any amount held in trust pursuant to this clause (f) in respect of such Contingent Secured Obligation (after paying all amounts payable pursuant to the preceding sentence with respect to any portions thereof that became Non-Contingent Secured Obligations), such remaining amount will be applied by the relevant Collateral Agent in the order of priorities set forth in clause (a) above. Any interest, income or other amount received or any Investment Grade Securities or Cash Equivalents shall form part of the Collateral and shall not be the property of the relevant Secured Party and no Secured Party shall have any liability or responsibility for

any diminution in value of or losses upon sale or liquidation of Cash Equivalents or Investment Grade Securities.

(g) In making the payments and allocations required by this Section, a Collateral Agent may request and rely upon a certificate delivered to it by each of the Secured Parties to be dated at a date specified by the relevant Collateral Agent and stating:

(i) whether all Secured Obligations owed or owing to that Secured Party have been paid or discharged in full;

(ii) any amounts due to that Secured Party under the Secured Agreements;

(iii) the currency or currencies in which such amounts are due;

(iv) the nature of any amounts due and the date or dates on which such amounts are payable or repayable; and

(v) such other matters as the Relevant Collateral Agent may, acting in good faith, deem necessary or desirable to enable it to make a distribution as at such date.

(h) No Collateral Agent shall be required, until it receives such certificate, to apply any sums in accordance with clause (a) above if it has, as soon as reasonably practicable after receipt or recovery of any amount under any Security Document, requested but not received a certificate under clause (g) without which it is not able to apply such sums in accordance with its obligation under clause (a) above. Each Secured Party shall provide a certificate requested by the Collateral Agent under clause (g) as soon as reasonably practicable after receipt of such request.

Section 4.05. *Currency Conversions for Calculations.* For the purposes of Section 4.04 the value of any Secured Obligations outstanding under any Secured Agreement which are denominated in a currency other than the Base Currency shall be determined by notionally converting such currency into its Base Currency Equivalent.

Section 4.06. *Determinations Conclusive.* All distributions made by any Collateral Agent pursuant to this Section shall be final (except in the event of manifest error) and no Collateral Agent shall have any duty to inquire as to the application by any Secured Party of any amount distributed to it.

Section 4.07. *Turnover of Receipts.* Any Collateral, including without limitation any such Collateral constituting proceeds of other Collateral, that may be received by any Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the Global Collateral

Agent, for the benefit of the Secured Parties, in the same form as received, with any necessary endorsements, and each Secured Party hereby authorizes the Global Collateral Agent to make any such endorsements as agent for such Secured Party (which authorization, being coupled with an interest, is irrevocable).

Section 4.08. *Avoidance Issues.* If any Secured Party is required in any Insolvency Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Lien Grantor, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a fraudulent or preferential transfer, any amount (a "**Recovery**"), whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the relevant Secured Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred.

ARTICLE 5
RELEASE OF LIENS AND COLLATERAL

Section 5.01. *Termination on Satisfaction of Release Conditions.* All Liens granted by the Lien Grantors under the Security Documents shall terminate when the relevant Release Conditions are satisfied. Promptly upon such satisfaction, the Required Secured Parties will provide written confirmation thereof to the Global Collateral Agent, and the Global Collateral Agent shall forward a copy of such confirmation to the Company.

Section 5.02. *Release of Lien Grantors.* At any time before the Liens granted by the Lien Grantors terminate in accordance with Section 5.01, the Liens granted by a Lien Grantor under the Security Documents to which such Lien Grantor is a party will terminate when the relevant Release Conditions are satisfied, *provided* that the Global Collateral Agent shall, and is hereby authorized and instructed by the Secured Parties to, release the Liens created under the Thai Share Pledge on each Accession Date (as defined therein) in accordance with and subject to the conditions set forth in clause 2.2(b)(i) of the Thai Share Pledge and to enter into a replacement pledge pursuant to clause 2.2(b)(ii) of the Thai Share Pledge. Promptly upon such satisfaction, the Required Secured Parties will provide written confirmation thereof to the Global Collateral Agent, and the Global Collateral Agent shall forward a copy of such confirmation to the Company.

Section 5.03. *Release of Assets from Liens.* The assets or properties of a Lien Grantor subject to a Lien under the Security Documents to which such Lien Grantor is a party will be released from such Lien when the relevant Release Conditions are satisfied.

Section 5.04. *Reinstatement of Liens and Collateral.* Any Lien shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by a Collateral Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation, reorganization or similar proceeding under any applicable Law of a Lien Grantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar official for, a Lien Grantor or any part of its property or assets, or otherwise, all as though such payments had been due but not made at such time.

Section 5.05. *Release Documentation.* In connection with any termination of a Lien or release of Collateral in accordance with Section 5.01, Section 5.02 or Section 5.03, the relevant Collateral Agent will, at the expense of the relevant Lien Grantor, execute and deliver to such Lien Grantor such documents as such Lien Grantor shall reasonably request to evidence the termination of such Lien or the release of such Collateral, as the case may be. Any execution and delivery of documents pursuant to this Section 5.05 shall be without recourse to or warranty by the relevant Collateral Agent.

Section 5.06. *No Release By Other Secured Parties.* Release or discharge of any Lien or any asset or property of any Lien Grantor subject to any such Lien by a Secured Party shall not constitute a release or discharge by any other Secured Party except to the extent approved by the Required Secured Parties.

ARTICLE 6
COLLATERAL ACCOUNTS

Section 6.01. *Establishment of Collateral Accounts.* (a) The Global Collateral Agent shall establish and maintain the Collateral Accounts over which the Global Collateral Agent shall have sole dominion and control. The Taiwan Collateral Agent, any sub-agent of a Collateral Agent appointed pursuant to Section 8.0l(h) or Supplemental Collateral Agent may establish and maintain one or more sub-accounts under the Collateral Accounts of the Global Collateral Agent, and any such sub-accounts shall constitute part of the Collateral Accounts of the Global Collateral Agent for purposes hereof.

Section 6.02. *Deposits to Collateral Accounts.* (a) While a Notice of Enforcement received by it is in effect, all amounts which are received or recovered by the Global Collateral Agent in respect of any Restricted Collateral, whether in connection with the exercise of any right or remedy provided in this Agreement or any other Security Document or otherwise (including all amounts received on account of any sale of or other realization upon any Restricted Collateral pursuant to any Security Document or in any Insolvency Proceeding), shall be deposited in the Restricted Proceeds Collateral Account.

(b) While a Notice of Enforcement received by it is in effect, all amounts which are received or recovered by a Collateral Agent in respect of any Unrestricted Collateral, whether in connection with the exercise of any right or remedy provided in this Agreement or any other Security Document or otherwise (including all amounts received on account of any sale of or other realization upon any Unrestricted Collateral pursuant to any Security Document or in any Insolvency Proceeding), shall be deposited in the Unrestricted Proceeds Collateral Account.

(c) Following receipt of a Rescission Notice in accordance with the terms hereof, the Collateral Agents shall (subject to the payment of, or provision for, any Secured Obligations then due and payable in accordance with Section 4.04, and after deducting amounts reasonably estimated to be payable in respect of expenses incurred that constitute Secured Obligations) release any funds then remaining on deposit in any Collateral Account to the Lien Grantor or Lien Grantors entitled thereto.

Section 6.03. *Rights in Collateral Accounts.* (a) All amounts deposited in the Restricted Proceeds Collateral Account shall be held by the Global Collateral Agent solely for the benefit of the RCF Administrative Agent, the Bridge Administrative Agent (until the Bridge Take-out Date), the Secured Hedge Counterparties and each Additional Secured Party, subject to the terms hereof and, if applicable, the Security Documents.

(b) All amounts deposited in the Unrestricted Proceeds Collateral Account shall be held by the Collateral Agents for the benefit of the Secured Parties subject to the terms hereof and, if applicable, the Security Documents.

(c) No Lien Grantor shall have any rights with respect to any Collateral Account other than the right to receive excess proceeds pursuant to the final distribution priority set forth in Section 4.04(a).

Section 6.04. *Investment of Balance of Collateral Accounts.* The Collateral Agents will from time to time invest any cash held in any Collateral Account in Cash Equivalents or Investment Grade Securities in accordance with any directions received in writing from the Required Secured Parties; *provided* that no Collateral Agent shall be obligated to make any such investment in Cash Equivalents unless directed in writing by the Required Secured Parties. In the absence of any instruction to invest any cash held in a Collateral Account in Cash Equivalents or Investment Grade Securities, the Collateral Agent shall deposit any such cash in an interest bearing account or short term time deposit, in each case, with the Global Collateral Agent (or one of its Affiliates) and bearing a market rate of interest. No Collateral Agent shall be obligated to pay any interest to any Lien Grantor on any cash held in the Collateral Account, but any interest earned on any Cash Equivalents, Investment Grade Securities, interest bearing account or time deposit shall form part of the Collateral Account to be applied as provided

herein. The Collateral Agents shall have the right to sell or liquidate any Cash Equivalents or Investment Grade Securities for the purpose of providing the cash necessary for any withdrawal in accordance with this Agreement. No Collateral Agent shall have any responsibility or liability for any diminution in value of or losses upon sale or liquidation of any Cash Equivalents or Investment Grade Securities.

Section 6.05. *Conversion of Currencies.* In the event that any amount is received or recovered by a Collateral Agent or any agent or nominee of a Collateral Agent in any currency other than the currency in which the Secured Obligations (or any part thereof) are denominated, the relevant Collateral Agent shall convert such amount (or any part thereof) into the relevant currency at the applicable Exchange Rate, unless otherwise directed in writing by a Secured Party with respect to its share thereof. No Collateral Agent nor any agent or nominee of any Collateral Agent shall be liable for any losses from such conversion of currencies.

ARTICLE 7
INFORMATION, NOTICES AND AMENDMENTS

Section 7.01. *Delivery of Agreements.* The Company shall deliver to each Collateral Agent, promptly upon the execution thereof, true and complete copies of (a) all amendments, amendments and restatements, extensions, novations, supplements or other modifications to any Secured Agreement, (b) each Note Secured Document, (c) each Secured Hedging Agreement and (d) each Additional Secured Document.

Section 7.02. *Information.* Within 120 days after the end of each year, and while a Notice of Enforcement is in effect, upon the reasonable request of any Collateral Agent, the Company shall promptly deliver to such Collateral Agent a list, setting forth as of a specified date not more than 10 Business Days prior to the date of delivery, of the aggregate outstanding Secured Obligations and Secured Agreements and the name and address of each Secured Party and the respective amounts of Secured Obligations attributable to each. Each Collateral Agent shall provide a copy of the most recent list delivered to it under this Section to any Secured Party upon written request.

Section 7.03. *Waivers and Amendments.* (a) This Agreement and the other Security Documents may only be amended, modified, supplemented, waived or released with the written approval of (i) in the case of this Agreement, the Collateral Agents, the Secured Parties and the Company, (ii) in the case of any other Security Document (other than the Taiwan Security Documents), the Global Collateral Agent, the Required Secured Parties and the Lien Grantor that is a party thereto or (iii) in the case of any Taiwan Security Document, the Taiwan Collateral Agent, the Required Secured Parties and the Lien Grantor that is a party

thereto. Any amendment, modification, supplement, waiver or release with respect to a Security Document shall not affect any other Security Document.

(b) Each Collateral Agent shall promptly notify each Secured Party in the event that such Collateral Agent receives any request by any party hereto or by any Lien Grantor for any consent, waiver, amendment or modification with respect hereto or any other Security Document.

(c) Notwithstanding the foregoing provisions of this Section 7.03, the Collateral Agents and the Lien Grantors, at any time and from time to time, may enter into one or more agreements supplemental hereto or to any other Security Document, in a form satisfactory to the Collateral Agents, (i) to add to the covenants of the Lien Grantors hereunder or thereunder, for the benefit of the Secured Parties or to surrender any right or power herein or therein conferred upon the Lien Grantors or (ii) to cure any ambiguity, to correct or supplement any provision herein or in any other Security Document, or to make any other provision with respect to matters or questions arising hereunder which shall not be inconsistent with any provision hereof; provided, that any such action contemplated by this clause (c) shall not adversely affect the interests of any Secured Party (as certified by the Company to the Collateral Agents) and the Collateral Agents shall be conclusively entitled to rely on such certification in taking any such action.

(d) In connection with the accession of any trustee representing the holders of any Note Secured Obligations, the Collateral Agents shall make such changes to the terms hereof relating to the rights and duties of such trustee and any other party as are required by such trustee without the consent of any other party, *provided* that such changes would not have a material adverse effect on the other parties.

ARTICLE 8
THE COLLATERAL AGENT

Section 8.01. *General Provisions Concerning the Collateral Agents.* (a) Each Collateral Agent is authorized to take such actions and to exercise such powers as are delegated to such Collateral Agent by the terms of this Agreement and the other Security Documents, together with such actions and powers as are reasonably incidental thereto.

(b) Any bank serving as a Collateral Agent shall, in its capacity as a Secured Party, have the same rights and powers as any other Secured Party and may exercise the same as though it were not a Collateral Agent. Such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with any the Company or Affiliate thereof as if it were not a Collateral Agent hereunder.

(c) No Collateral Agent shall have any duties or obligations under this Agreement and the other Security Documents to which it is a party except as expressly set forth herein and therein. Without limiting the generality of the foregoing, (i) no Collateral Agent shall be subject to any fiduciary or other implied duties, regardless of whether an Enforcement Event has occurred and is continuing, (ii) no Collateral Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents to which it is a party that a Collateral Agent is required in writing to exercise by the Required Secured Parties, and (iii) except as expressly set forth in the Security Documents, no Collateral Agent shall have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to the Company or its Affiliates that is communicated to or obtained by any bank serving as a Collateral Agent or any of its Affiliates in any capacity.

(d) No Collateral Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Secured Parties or in the absence of its own gross negligence or willful misconduct.

(e) No Collateral Agent shall be responsible for the existence, genuineness or value of any Collateral or for the validity, perfection, priority or enforceability of any Lien created or purported to be created under any Security Document, whether impaired by operation of law or by reason of any action or omission to act on its part under the Security Documents.

(f) No Collateral Agent shall be deemed to have knowledge of any Enforcement Event unless and until written notice thereof is given to such Collateral Agent by a Secured Party, and no Collateral Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Security Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Security Document or any Secured Agreement, (iv) the validity, enforceability, effectiveness or genuineness of any Security Document, any Secured Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in any Security Document or any Secured Agreement.

(g) Each Collateral Agent shall be entitled to rely on, and shall not incur any liability for relying on, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Collateral Agent also may rely on any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. A Collateral Agent may consult with legal counsel (who may be counsel for a Secured Party or any Lien Grantor), independent accountants and other experts

selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountant or expert. Each Collateral Agent may rely conclusively on advice from a Secured Party as to whether at any time the maturity of the relevant Secured Obligations has been accelerated.

(h) Each Collateral Agent may perform any of its duties and exercise any of its rights and powers through one or more sub-agents appointed by it. Each Collateral Agent and any such sub-agent may perform any of its duties and exercise any of its rights and powers through its Related Parties. All of the provisions of this Agreement applicable to the Collateral Agents (excluding, for this purpose, the rights arising in respect of the Parallel Debts under Section 11.01) shall apply to and be enforceable by any such sub-agent and Related Parties of a Collateral Agent and any such sub-agent. All references herein to a "Collateral Agent" (excluding, for this purpose, the rights arising in respect of the Parallel Debts under Section 11.01) shall include any such sub-agent and Related Parties of a Collateral Agent or any such sub-agent. The parties hereto acknowledge that as of the date hereof the Global Collateral Agent shall appoint The Hong Kong and Shanghai Banking Corporation Limited, Philippines Branch to act as its sub-agent under and in connection with the Philippine Security Documents and to hold the benefit of all Liens and other rights created thereunder for the benefit of the Secured Parties.

(i) Promptly, and in any event within two Business Days after receipt, each Collateral Agent shall send to each Secured Party copies of any certificate or notice received or given by such Collateral Agent under or in connection with any Security Document.

(j) A Collateral Agent may refuse to act on any notice, consent, direction or instruction from any Secured Parties that, in such Collateral Agent's opinion, (i) is contrary to Law or the provisions of any Security Document to which it is a party, or (ii) may expose such Collateral Agent to liability (unless such Collateral Agent shall have been indemnified, to its reasonable satisfaction, for such liability by the Secured Parties that gave such notice, consent, direction or instruction).

Section 8.02. *No Reliance by Secured Parties.* Each Secured Party acknowledges that it will, independently and without reliance upon any Collateral Agent or any other Secured Party and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Security Document or related agreement or any document furnished hereunder or thereunder.

Section 8.03. *Resignation and Removal; Successor Collateral Agent.* (a) Subject to the appointment and acceptance of a successor Collateral Agent as

provided in this Section, a Collateral Agent may resign at any time by notifying the Secured Parties and the Company. Upon any such resignation, the Secured Parties shall have the right, in consultation with the Company, to appoint a successor Collateral Agent. If no successor shall have been so appointed by the Secured Parties and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the Secured Parties, appoint a successor Collateral Agent that complies with clause (b) below. In addition, the Required Secured Parties may remove a Collateral Agent by notice in writing in the event that such Collateral Agent becomes subject to, or affected by, an Insolvency Proceeding; *provided* that the Required Secured Parties shall have appointed a replacement Collateral Agent that complies with clause (b) below and such replacement shall have accepted such appointment.

(b) Any replacement or successor Collateral Agent shall (i) in the case of the Global Collateral Agent, be a bank with an office in New York, New York or London, England, or an Affiliate of any such bank or (ii) in the case of the Taiwan Collateral Agent, be a bank which holds a commercial banking license in Taiwan and satisfies the other criteria to qualify to hold registered security interests over collateral located in the Republic of China as a joint and several creditor under Article 2.83 of the Civil Code of the Republic of China. Upon acceptance of its appointment as Collateral Agent hereunder by a replacement or successor, such replacement or successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent hereunder, and the retiring Collateral Agent shall be discharged from its duties and obligations hereunder.

(c) The fees payable by the Company to a replacement or successor Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Company and such replacement or successor. After a Collateral Agent's resignation or removal hereunder, the provisions of this Section and Section 4.02 shall continue in effect for the benefit of the Collateral Agent so retired or removed, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the Collateral Agent so retired or removed was acting as Collateral Agent.

Section 8.04. *Fees and Expenses; Indemnification.* (a) The Company will pay or reimburse to each Collateral Agent:

(i) the amount of any taxes that a Collateral Agent may have been required to pay under or in connection with the creation of the Liens on the Collateral under the Security Documents on or following the date of this Agreement (including, without limitation, any filing, recordation or other registration fees) or to free any Collateral from any other Lien thereon;

(ii) the amount of any and all reasonable and documented out-of-pocket expenses, including transfer taxes and reasonable fees and expenses of counsel and other advisers, that a Collateral Agent may incur after the date of this Agreement in connection with (x) the enforcement of the Security Documents, including such expenses as are incurred to preserve the value of the Collateral or the validity, perfection, rank or value of any Lien created thereunder, (y) the collection, sale or other disposition of any Collateral or (z) the exercise by such Collateral Agent of any of its rights or powers under any of the Security Documents (including with respect to the addition of new Collateral and the release of any Lien Grantor, any Lien under any Security Documents or any assets or properties subject to a Lien under any Security Documents);

(iii) the amount of any fees that the Company shall have agreed in writing to pay to each Collateral Agent and that shall have become due and payable in accordance with such written agreement; and

(iv) the amount required to indemnify each Collateral Agent for, or hold it harmless and defend it against, any loss, liability or expense (including the reasonable fees and expenses of its counsel and any advisers or sub-agents appointed by it hereunder) incurred or suffered by each Collateral Agent in connection with the enforcement and performance of the Security Documents, including, without limitation, any of the foregoing relating to any violation of, noncompliance with or liability under, any Environmental Law or to any actual or alleged presence, release or threatened release of Hazardous Materials involving or attributable to the operations of the Company or any of its Subsidiaries (all the foregoing in this clause (iv), collectively, the "**indemnified liabilities**"), *provided* that the Company shall have no obligation hereunder with respect to indemnified liabilities to the extent attributable to (A) the gross negligence or willful misconduct of the party to be indemnified or any of its Related Parties or (B) disputes among the Collateral Agents or any Collateral Agent and any of the Secured Parties.

(b) If any transfer tax, documentary stamp tax or other tax is payable in connection with any transfer or other transaction provided for in the Security Documents, the Company will pay such tax and provide any required tax stamps to the relevant Collateral Agent or as otherwise required by Law.

(c) All amounts payable under this Section 8.04 shall be paid within ten Business Days of receipt by the Company of an invoice relating thereto setting forth such expense in reasonable detail.

Section 8.05. *Appointment of Supplemental Collateral Agents.* (a) It is the purpose of this Agreement and the other Security Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of

banking corporations or associations to transact business as agent or trustee in such jurisdiction. Without limiting Section 8.02(h), it is recognized that in case of litigation under, or enforcement of, this Agreement or any of the other Security Documents, or in case a Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the Security Documents or take any other action which may be desirable or necessary in connection therewith, each Collateral Agent is hereby authorized to appoint an additional individual or institution selected by such Collateral Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a **"Supplemental Collateral Agent"** and collectively as **"Supplemental Collateral Agents"**).

(b) In the event that a Collateral Agent appoints a Supplemental Collateral Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Security Documents (other than the rights arising in respect of the Parallel Debts under Section 11.01) to be exercised by or vested in or conveyed to such Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Collateral Agent to the extent, and only to the extent, necessary to enable such Supplemental Collateral Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Collateral Agent (other than covenants and obligations

relating to the Parallel Debt) shall run to and be enforceable by either such Collateral Agent or such Supplemental Collateral Agent, and (ii) the provisions of this Agreement (and, in particular, this Article 8) that refer to a Collateral Agent shall inure to the benefit of such Supplemental Collateral Agent and all references therein to a Collateral Agent shall be deemed to be references to a Collateral Agent and/or such Supplemental Collateral Agent, as the context may require.

(c) Should any instrument in writing from the Company or any other Lien Grantor be required by any Supplemental Collateral Agent so appointed by a Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company, shall, or shall cause the relevant Lien Grantor to, execute, acknowledge and deliver any and all such instruments promptly upon request by a Collateral Agent. In case any Supplemental Collateral Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Collateral Agent, to the extent permitted by Law, shall vest in and be exercised by a Collateral Agent until the appointment of a new Supplemental Collateral Agent.

Section 8.06. *Specific Provisions Relating To Parallel Debt.* (a) Notwithstanding any provision to the contrary in any Secured Agreement, in relation to the Parallel Debts and with respect to any security governed by Dutch law the rights, powers and authorities vested in the Global Collateral Agent pursuant to the Secured Agreements are subject to any restrictions imposed by mandatory Dutch law.

(b) If the Global Collateral Agent resigns or is replaced in accordance with Section 8.03, each Lien Grantor shall execute such documents and take all such other action as is necessary or (in the opinion of the Global Collateral Agent) desirable in connection with the substitution, in accordance with applicable law, of the successor Global Collateral Agent as creditor of the Parallel Debts and as secured party in respect of any security securing the Parallel Debts.

ARTICLE 9
AGREED SECURITY PRINCIPLES AND CONFLICTS

Section 9.01. *Agreed Security Principles.* The parties acknowledge and agree that the obligations of the Lien Grantors with respect to the provision of Liens in favor of a Collateral Agent and the nature of any assets or property that shall be subject to any such Lien are subject to the Agreed Security Principles.

Section 9.02. *Conflicts.* To the extent permitted by applicable Law, in the event of any inconsistency between the provisions of this Agreement and the provisions of any Security Document, the provisions of this Agreement shall prevail to the extent of such inconsistency.

ARTICLE 10
ADDITIONAL PARTIES AND OBLIGATIONS

Section 10.01. *Note Secured Obligations.* The Company may from time to time designate obligations of any Lien Grantor under any Note Secured Document entered into for the purpose of refinancing or repaying the Bridge Secured Obligations (or any portion thereof) as Note Secured Obligations for purposes hereof and the other Security Documents by delivering to the Collateral Agents (a) a certificate signed by a Financial Officer in substantially the form set forth in Schedule 3 that (i) certifies that the Note Secured Documents have been entered into for the purpose of repaying Bridge Secured Obligations, (ii) identifies such Note Secured Documents, specifies the name and address of the Note Secured Party, describes the Note Secured Obligations and the termination date thereof, and (iii) states that the Lien Grantors' obligations thereunder are designated as Secured Obligations for purposes hereof and (b) a Note Supplement hereto with respect to such Note Secured Party.

Section 10.02. *Additional Secured Obligations.* The Company may from time to time designate obligations of any Lien Grantor under any Additional Secured Document entered into from time to time by the Company or any of the Guarantors as Additional Secured Obligations for purposes hereof and the other Security Documents by delivering to the Collateral Agents (a) a certificate signed by a Financial Officer in substantially the form set forth in Schedule 8 that (i) certifies that the Additional Secured Documents have been entered into in compliance with the requirements of the Secured Agreements and that such Indebtedness and such Liens are permitted thereunder, (ii) specifies the priority which such Additional Secured Obligations shall have under Section 4.04 and certifies that such priority is permitted under the Secured Agreements, (iii) identifies such Additional Secured Documents, specifies the name and address of each Additional Secured Party, describes the Additional Secured Obligations and the maturity, expiration or termination date thereof, and (iv) states that the Lien Grantors obligations thereunder are designated as Secured Obligations for purposes hereof and (b) an Additional Secured Obligations Supplement hereto with respect to such Additional Secured Party.

Section 10.03. *Secured Hedging Agreements.* The Company may from time to time designate obligations of any Lien Grantor under any Hedging Agreement (as defined in the Revolving Credit Agreement) as Hedging Secured Obligations by delivering to the Collateral Agents (a) a certificate signed by a Financial Officer in substantially the form set forth in Schedule 11 that (i) certifies that the relevant Secured Hedging Agreements have been entered into in compliance with the requirements of the Secured Agreements, (ii) identifies such Secured Hedging Agreements, specifies the name and address of the Secured Hedge Counterparty and describes the maturity, expiration or termination date of the relevant Secured Hedging Obligations, and (iii) states that the Lien Grantors obligations thereunder are designated as Secured Obligations for purposes hereof and (b) a Secured Hedging Supplement hereto with respect to such Secured Hedge Counterparty.

Section 10.04. *Additional Lien Grantors.* The Company shall ensure that each Subsidiary of the Company that becomes a Guarantor pursuant to the terms of any Secured Agreement shall become a party hereto by signing and delivering to the Collateral Agents a Lien Grantor Supplement, whereupon such Subsidiary shall become a party hereto as a "Guarantor" and a "Lien Grantor", with the same force and effect as if originally named as a Guarantor and Lien Grantor herein.

Section 10.05. *Rights and Obligations Unaffected.* (a) The execution and delivery of any Supplement shall not require the consent of any Lien Grantor hereunder (other than the Company) and, in the case of a Lien Grantor Supplement, the Lien Grantor to which such Lien Grantor Supplement relates.

(b) The rights and obligations of each Lien Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Lien

Grantor, Note Secured Party, Additional Secured Party or Secured Hedge Counterparty as a party to this Agreement.

ARTICLE 11
PARALLEL DEBT AND JOINT AND SEVERAL CLAIMS

Section 11.01. *Parallel Deb.* (a) Each Lien Grantor undertakes with the Global Collateral Agent to pay to the Global Collateral Agent its Parallel Debts. The parties acknowledge that the Global Collateral Agent is the creditor of the Parallel Debts and shall act in its own name and not as agent of any Secured Party (but always for the benefit of the Secured Parties in accordance with the provisions of the Secured Agreements).

(b) Paragraph (a) above is (i) for the purpose of ensuring the validity and effect of any security right governed by Dutch or German laws, or the laws of any other relevant jurisdiction and granted or to be granted by any Lien Grantor pursuant to the Secured Agreements; and (ii) without prejudice to the other provisions of the Secured Agreements.

(c) Each Parallel Debt is a separate and independent obligation and shall not constitute the Global Collateral Agent and any Secured Party as joint and several creditors (in Dutch: *hoofdelijk schuldeisers*) of any Underlying Debt.

Section 11.02. *Fall Back.* In respect of the Dutch Lien Grantors only:

(a) if (notwithstanding Section 11.01(c)) any Parallel Debt constitutes the Global Collateral Agent as a joint and several creditor with any Secured Party, the Global Collateral Agent may determine (at its discretion) that that Parallel Debt and one or more other Parallel Debts shall be combined into one single Parallel Debt (a **"Combined Dutch Parallel Debt"**), whereupon those Parallel Debts shall be combined into a Combined Dutch Parallel Debt:

(i) the amount of which shall be equal to the aggregate of the amounts of the Underlying Debts combined into it;

(ii) which shall, if the Underlying Debts are expressed in different currencies, be expressed in such of those currencies or Euro as the Global Collateral Agent may determine (and, for this purpose, each Underlying Debt shall be converted into the currency of the Combined Dutch Parallel Debt at the applicable Exchange Rate);

(iii) which shall, if the Underlying Debts combined into it fall due at different times, fall due in parts corresponding to those Underlying Debts (but otherwise in accordance with Section 11.03); and

(iv) to which this Agreement shall otherwise apply as if the Combined Dutch Parallel Debt were a Parallel Debt.

(b) if any Underlying Debt is avoided or reduced other than (i) as a result of payment to, or recovery or discharge by, the Secured Party to which the Underlying Debt is owed; or (ii) otherwise with the consent of that Secured Party, then, in either case, the amount of the Parallel Debt corresponding to that Underlying Debt shall be equal to the amount which the Underlying Debt would have had if the avoidance or reduction had not occurred.

Section 11.03. *Payment.* (a) No Lien Grantor may pay any Parallel Debt other than at the instruction of, and in the manner determined by, the Global Collateral Agent.

(b) Without prejudice to clause (a) above, no Lien Grantor shall be obliged to pay any Parallel Debt before the corresponding Underlying Debt has fallen due.

Section 11.04. *Application.* Any payment made, or amount recovered, in respect of a Lien Grantor's Parallel Debts shall reduce the Underlying Debts owed to any Secured Party by the amount which that Secured Party is entitled to receive out of that payment or recovery under the Secured Agreements and shall be applied in accordance with Article 4.

Section 11.05. *Joint and Several Claims.* The parties hereto hereby agree that (a) as regards any Collateral located in or related to the Republic of China, the Taiwan Collateral Agent and each Secured Party shall be deemed a creditor jointly and severally with each other with respect to the rights and claims against the Lien Grantors hereunder and under any of the Secured Agreement pursuant to Article 283 of the Republic of China Civil Code and shall be entitled to exercise and pursue all such rights and claims against the Lien Grantors and (b) the Liens created under the Taiwan Security Documents shall be created in favor of the Taiwan Collateral Agent in its capacity as a joint and several creditor and for the joint and several benefit of the Secured Parties; *provided* that nothing in this Section 11.02 shall release the Taiwan Collateral Agent or any Secured Party from its obligations as to actions requiring the authorization of the Required Secured Parties or under Section 4.

ARTICLE 12
MISCELLANEOUS

Section 12.01. *Continuing Nature of Provisions.* This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until this Agreement is terminated in accordance with Section 12.08. This is a continuing agreement and the Secured Parties may continue, at any time and without notice

to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, the Company or any other Lien Grantor on the faith hereof.

Section 12.02. *Notices.* Each notice, request or other communication given to any party hereunder shall be in writing (which term includes facsimile or other electronic transmission) and shall be effective (a) when delivered to such party at its address specified below, (b) when sent to such party by facsimile or other electronic transmission, addressed to it at its facsimile number or electronic address specified below, and such party sends back an electronic confirmation of receipt or (c) ten days after being sent to such party by certified or registered United States mail, addressed to it at its address specified below, with first class or airmail postage prepaid:

Section 12.03. *No Implied Waivers; Remedies Not Exclusive.* No failure by a Collateral Agent or any Secured Party to exercise, and no delay in exercising and no course of dealing with respect to, any right or remedy under any Security Document shall operate as a waiver thereof; nor shall any single or partial exercise by a Collateral Agent or any Secured Party of any right or remedy under any Security Document preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies specified in the Security Documents are cumulative and are not exclusive of any other rights or remedies provided by law.

Section 12.04. *Successors and Assigns.* This Agreement is for the benefit of the Collateral Agents and the Secured Parties. Section 12.08. *Termination.* This Agreement shall automatically terminate (provided that the provisions of Article 8 shall not be affected by any such termination) when (a) all Liens and security interests granted under the Security Documents have terminated, (b) all the Secured Obligations have been indefeasibly paid in full in cash and no Secured Party has any further commitment to extend credit under any Secured Agreement, and (c) each Secured Party has notified the Collateral Agents in writing that the events described in clauses (a) and (b) have occurred (and each Secured Party agrees to provide such notification promptly after such occurrence); *provided*, however, that (i) this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Secured Obligation is rescinded or must otherwise be restored by any Collateral Agent, any Secured Party, the Company or any other Lien Grantor in any Insolvency Proceeding of the Company, any other Lien Grantor or otherwise and (ii) Section 8.04 shall survive termination of this Agreement.

Schedule 5

AGREED SECURITY PRINCIPLES

1. Agreed Security Principles

1.1 The guarantees and security interests to be provided by the Lien Grantors will be given in accordance with certain agreed security principles (the **"Agreed Security Principles"**). This Schedule 6 identifies the Agreed Security Principles and addresses the manner in which the Agreed Security Principles will impact on or be determinant of the guarantees and security interests to be taken in relation to this Secured Agreements.

1.2 The Agreed Security Principles embody a recognition by all parties that there may be certain legal, commercial and practical difficulties in obtaining effective security from the Company and each of its Restricted Subsidiaries in every jurisdiction in which the Company and its Restricted Subsidiaries are located. In particular:

(a) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalization" rules, retention of title claims and similar matters may limit the ability of the Company or any of its Restricted Subsidiaries to provide a guarantee or security interest or may require that it be limited as to amount or otherwise, and if so the same shall be limited accordingly, *provided* that the Company or the relevant Restricted Subsidiary shall use reasonable endeavors to overcome such obstacle. The Company will use reasonable endeavors to assist in demonstrating that adequate corporate benefit accrues to each of the Restricted Subsidiary;

(b) the Company and its Restricted Subsidiaries will not be required to give Guarantees or enter into Security Documents if (or to the extent) it is not within the legal capacity of the Company or its relevant Restricted Subsidiary or if the same would conflict with the fiduciary duties of their directors or contravene any legal prohibition or regulatory condition or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer or director of the Company or any of the Restricted Subsidiaries, *provided* that the Company and each of its Restricted Subsidiaries shall use reasonable endeavors to overcome any such obstacle;

(c) a key factor in determining whether or not security shall be taken is the applicable cost (including adverse effects on interest deductibility, registration taxes and notarial costs) which shall not be

disproportionate to the benefit to the Secured Parties of obtaining such security;

(d) where there is material incremental cost involved in creating security over all assets owned by any of the Lien Grantors in a particular category (e.g. real estate), regard shall be had to the principle stated at paragraph 1.2(c) of this Schedule 1.1(a) which shall apply to the immaterial assets and, subject to the Agreed Security Principles, only the material assets in that category (e.g. real estate of material economic value) shall be subject to security;

(e) it is expressly acknowledged that it may be either impossible or impractical to create security over certain categories of assets in which event security will not be taken over such assets;

(f) any assets subject to contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Agreement and which (subject to override by the UCC and other relevant provisions of applicable law), effectively prevent those assets from being charged will be excluded from any relevant Security Document; *provided* that reasonable endeavors to obtain consent to creating Security Interests in any such assets shall be used by the Company and each of its Restricted Subsidiaries to avoid or overcome such restrictions if a Secured Party reasonably determines that the relevant asset is material (which endeavors shall not include the payment of any consent fees), but unless effectively prohibited by contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by the Secured Agreements, this shall not prevent security being given over any receipt or recovery under such contract, lease or license;

(g) the giving of a guarantee, the granting of security or the perfection of the security granted will not be required if it would have a material adverse effect (as reasonably determined in good faith by management of the relevant obligor) on the ability of the relevant obligor to conduct its operations and business in the ordinary course as otherwise permitted by the Secured Agreements;

(h) in the case of accounts receivable, a material adverse effect on Holdings' or a Lien Grantor's relationship with or sales to the customer generating such receivables or material legal or commercial difficulties (as reasonably determined by management of the relevant obligor in good faith) *provided* that none of Holdings nor any Lien Grantor may utilize this exception unless, after giving effect thereto no

less than a majority of the book value of the accounts receivable of the Company and its Subsidiaries on a consolidated basis (as measured at the end of each fiscal quarter) is subject to perfected liens, and *provided* further that any accounts receivable of the Lien Grantors excluded from

collateral by virtue of this clause (except where prohibited by law and subject to the remainder of these Agreed Security Principles) shall be subject to perfected liens promptly if and when the corporate credit of the Company is downgraded to "B" or lower from S&P and "B2" or lower from Moody's;

(i) security will be limited so that the aggregate of notarial costs and all registration and like taxes relating to the provision of security shall not exceed an amount to be agreed. Any additional costs may be paid by the Secured Parties at their option; and

(k) all security shall be given in favor of a single security trustee or collateral agent and not the secured parties individually. "Parallel debt" provisions and other similar structural options will be used where necessary and such provisions will be contained in the intercreditor agreement and not the individual security documents unless required under local law. No action will be required to be taken in relation to the guarantees or security when any lender assigns or transfers any of its participation in any Secured Agreement to a new lender.

2. Terms of Security Documents

The following principles will be reflected in the terms of any Security Document to be executed and delivered as part of the Transaction:

(a) subject to permitted liens and these Agreed Security Principles the security will be first ranking and the perfection of security (when required) and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Secured Agreements or, if earlier or to the extent no such time period is specified in the Secured Agreements, within the time periods specified by applicable law in order to ensure due perfection;

(b) the security will not be enforceable until an Enforcement Event has occurred;

(c) prior to the maturity date of loans and credit extended under the Secured Agreements, notification of any security interest over bank accounts will be given (subject to legal advice) to the banks with whom the accounts are maintained only if an Enforcement Event has occurred;

(d) notification of receivables security to debtors who are not members of the Company or its Subsidiaries will only be given if an Enforcement Event has occurred;

(e) notification of any security interest over insurance policies will be served on any insurer of the Company's or any Restricted Subsidiaries' assets (other than in respect of any insurance policy maintained by the Company or any of its Restricted Subsidiaries which is due to expire on or before December 31, 2006);

(f) the Security Documents should only operate to create security rather than to impose new commercial obligations. Accordingly, they should not contain material additional representations, undertakings or indemnities (such as in respect of insurance, information or the payment of costs) unless these are the same as or consistent with those contained in the Secured Agreements or are necessary for the creation or perfection of the security;

(g) in respect of the share pledges and pledges of intra-group receivables, until an Enforcement Event has occurred, the pledgors will be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not materially adversely affect the value of the security (taken as a whole) or the validity or enforceability of the security or cause an event of default under any Secured Agreement to occur, and the pledgors will be permitted to receive dividends on pledged shares and payment of intra-group receivables and retain the proceeds and/or make the proceeds available to Holdings and its Subsidiaries to the extent not prohibited under the Secured Agreements;

(h) Secured Parties will only be able to exercise a power of attorney in any Security Document following the occurrence of an Enforcement Event or with respect to perfection or further assurance obligations that following request, the relevant obligor has failed to satisfy;

(i) no obligor shall be required to provide surveys on real property (unless such surveys already exist in which case there shall be no requirement that such surveys be certified to the Secured Parties) or to remove any encumbrances on title (not created in contemplation of the Transactions) that are reflected in any title insurance or any other existing encumbrances on real property (not created in contemplation of the Transactions) (not including Liens securing Indebtedness of the Company or any of its Restricted Subsidiaries);

(j) no obligor shall be required to protect any security interests in the United States prior to the occurrence of an Enforcement Event by

means other than customary filings (including UCC-1s, mortgage or deed of trust filings and patent and trademark, filings) and delivery of share certificates (accompanied by powers of attorney executed in blank) and any intercompany promissory notes; and

(k) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to protect or create, perfect or register the security and, to the extent so required will be provided annually (unless required to be provided by local law more frequently, but not more frequently than quarterly) and following the occurrence and during the continuance of an event of default under any Secured Agreement, on the applicable Collateral Agent's reasonable request.

2. Registration Under the 1933 Act.

(a) After the first date on which the Securities are issued, the Company and the Guarantors shall use their commercially reasonable efforts to cause to be filed an Exchange Offer Registration Statement covering the offer by the Company to the Holders to exchange all of the Registrable Securities for Exchange Securities and to have such Registration Statement

remain effective until the closing of the Exchange Offer. The Company shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement has been declared effective by the SEC and use its commercially reasonable efforts to have the Exchange Offer consummated not later than 450 days after the original issue date of the Registrable Securities. The Company shall commence the Exchange Offer by mailing the related exchange offer Prospectus and accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law:

(i) that the Exchange Offer is being made pursuant to this Registration Rights Agreement and that all Registrable Securities validly tendered will be accepted for exchange;

(ii) the dates of acceptance for exchange (which shall be a period of at least 20 New York business days from the date such notice is mailed) (the "Exchange Dates");

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest, but will not retain any rights under this Registration Rights Agreement;

(iv) that Holders electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to surrender such Registrable Security, together with the enclosed letters of transmittal, to the appropriate institution and at the appropriate address (located in the Borough of Manhattan, The City of New York or at a European office) specified in the notice prior to the close of business on the last Exchange Date; and

(v) that Holders will be entitled to withdraw their election, not later than the close of business on the last Exchange Date, by sending to the institution and at the address (located in the Borough of Manhattan, The City of New York or at a European office) specified in the notice a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing his or her election to have such Securities exchanged.

As soon as practicable after the last Exchange Date, the Company shall:

(i) accept for exchange Registrable Securities or portions thereof tendered and not validly withdrawn pursuant to the Exchange Offer; and

(ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and mail to each Holder, an Exchange Security equal in principal amount to the principal amount of the Registrable Securities

surrendered by such Holder; provided that in the case of any Notes held in global form by a depositary, authentication and delivery to such depositary of one or more replacement Securities in global form in an equivalent principal amount thereto for the account of such Holders shall satisfy such requirement.

The Company and the Guarantors shall use its commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the 1933 Act, the 1934 Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than (i) that the Exchange Offer does not violate applicable law or any applicable interpretation of the Staff of the SEC; (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Company to proceed with the Exchange Offer, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Company; and (iii) all governmental approvals shall have been obtained, which approvals the Company deems necessary for the consummation of the Exchange Offer. The Company shall inform the Placement Agents of the names and addresses of the Holders to whom the Exchange Offer is made (if known by the Company), and the Placement Agents shall have the right, in consultation with the Company and subject to applicable law, to contact such Holders and otherwise facilitate the tender of Registrable Securities in the Exchange Offer.

(b) In the event that (i) the Company determines that the Exchange Offer Registration provided for in Section 2(a) above is not available or may not be consummated as soon as practicable after the last Exchange Date because it would violate applicable law or the applicable interpretations of the Staff of the SEC, (ii) the Exchange Offer is not for any other reason consummated within 450 days of the original issue date of the Registrable Securities or (iii) in the case of any Holder that participates in the Exchange Offer, such Holder does not receive Exchange Securities on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of the Securities Act) and so notifies the Company within 30 days after such Holder first becomes aware of such restrictions, the Company and the Guarantors shall use their commercially reasonable efforts to cause to be filed as soon as practicable after such determination, date or notice of such opinion of counsel is given to the Company, as the case may be, a Shelf Registration Statement providing for the sale by the Holders of all of the Registrable Securities and to have such Shelf Registration Statement declared effective by the SEC. In the event the Company is required to file a Shelf Registration Statement solely as a result of the matters referred to in clause (iii) of the preceding sentence, the Company and the Guarantors shall use their commercially reasonable efforts to file and have declared effective by the SEC both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement)

with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer. The Company and the Guarantors agree to use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the earliest of two years after the date of original issuance of the Securities, the expiration of the period referred to in Rule 144(k) with respect to the Registrable Securities or such shorter period that will terminate when all of the Registrable Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement, subject to Section 2(f) hereof. The Company and the Guarantors further agree within this period to supplement or amend the Shelf Registration Statement if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the 1933 Act or by any other rules and regulations thereunder for shelf registration or if reasonably requested by the Majority Holders (or their counsel) with respect to information relating to one or more of such Holders, and to use its commercially reasonable efforts to cause any such amendment to become effective and such Shelf Registration Statement to become usable as soon as thereafter practicable. The Company agrees to furnish to the Holders of Registrable Securities copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof or a Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC; provided, however, that, if, after it has been declared effective, the offering of Registrable Securities pursuant to a Shelf Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, such Registration Statement will be deemed not to have become effective during the period of such interference until the offering of Registrable Securities pursuant to such Registration Statement may legally resume. If (i) the Company has not exchanged the Registrable Securities in accordance with the terms of the Exchange Offer on or prior to the 450th day after the original issue date of the Registrable Securities or (ii) if applicable, a Shelf Registration Statement covering resales of the Registrable Securities has been declared effective and such Shelf Registration Statement ceases to be effective (except for reasons specific to a particular Holder) at any time during the period of the Shelf Registration except as provided in Section 2(f), then additional interest ("Additional Interest") shall accrue on the principal amount of the Registrable Securities which remain restricted or that have not been disposed of or exchanged pursuant to a Registration Statement at a rate of 0.25% per annum (which rate will be increased by an additional 0.25% per annum for each subsequent 90-day period that such Additional Interest continues to accrue, *provided* that the rate at which such additional interest accrues may in no event exceed 0.50% per annum) commencing on (x) the 451st day after the original issue date of the Registrable Securities, in the case of (i) above, or (y) the day such shelf registration statement ceases to be effective, in the case of (ii) above; *provided however,* that upon the exchange of Registrable Securities tendered (in the case of clause (i) above), or upon the effectiveness of a Shelf Registration Statement that

had ceased to remain effective (in the case of clause (ii) above), Additional Interest on the Registrable Securities as a result of such clause, as the case may be, shall cease to accrue.

(d) The Company shall pay all Registration Expenses in connection with the registration pursuant to Section 2(a) and Section 2(b), Each Holder shall pay all underwriting discounts and commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(e) Each Holder that participates in the Exchange Offer, as a condition to participation in the Exchange Offer, will be required to represent to the Company in writing (which may be contained in the applicable letter of transmittal) that: (i) any Exchange Securities acquired in exchange for Registrable Securities tendered are being acquired in the ordinary course of business of the Person receiving such Exchange Securities, whether or not such recipient is such Holder itself; (ii) at the time of the commencement or consummation of the Exchange Offer neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder has an arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act; (iii) neither the Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is an "affiliate" (as defined in Rule 405) of the Company or, if it is an affiliate of the Company, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable and will provide information to be included in the Shelf Registration Statement in accordance with Section 6 hereof in order to have their Securities included in the Shelf Registration Statement and benefit from the provisions regarding Additional Interest in Section 5 hereof; (iv) if such Holder is not a broker-dealer, neither such Holder nor, to the actual knowledge of such Holder, any other Person receiving Exchange Securities from such Holder is engaging in or intends to engage in a distribution of the Exchange Securities; and (v) if such Holder is a Participating Broker-Dealer, such Holder has acquired the Registrable Securities for its own account in exchange for Securities that were acquired as a result of market-making activities or other trading activities and that it will comply with the applicable provisions of the Securities Act (including, but not limited to, the prospectus delivery requirements thereunder).

(f) Notwithstanding anything to the contrary in this Agreement, at any time, the Company may delay the filing of any Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of 60 consecutive days or more than three (3) times during any calendar year (each, a "Shelf Suspension Period"), if the Board of Directors of the Company determines reasonably and in good faith that the filing of any such Initial Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Board of Directors of the Company, would be detrimental to the Company if so disclosed or would

otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law.

3. Registration Procedures.

In connection with the obligations of the Company with respect to the Registration Statements pursuant to Section 2(a) and Section 2(b) hereof, the Company shall as expeditiously as possible:

(a) prepare and file with the SEC a Registration Statement on the appropriate form under the 1933 Act, which form (x) shall be selected by the Company and (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the selling Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to

be filed therewith (taking into account any relief granted to the Company by the SEC in advance of such filing with respect to such form and financial statement requirements), and use its commercially reasonable efforts to cause such Registration Statement to become effective and remain effective in accordance with Section 2 hereof;

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the 1933 Act, to keep each Prospectus current during the period described under Section 4(3) and Rule 174 under the 1933 Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(c) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, to counsel for the Placement Agents, to counsel for the Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus, including each preliminary Prospectus, and any amendment or supplement thereto and such other documents as such Holder or Underwriter may reasonably request, in order to facilitate the public sale or other disposition of the Registrable Securities; and the Company consents to the use of such Prospectus and any amendment or supplement thereto in accordance with applicable law by each of the selling Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus or any amendment or supplement thereto in accordance with applicable law;

(d) use its commercially reasonable efforts to register or qualify the Registrable

Securities under all applicable state securities or “blue sky” laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request in writing by the time the applicable Registration Statement is declared effective by the SEC, to cooperate with such Holders in connection with any filings required to be made with the National Association of Securities Dealers, Inc. and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holder to consummate the disposition in each such jurisdiction of such Registrable Securities owned by such Holder; provided, however, that the Company shall not be required to (i) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (ii) file any general consent to service of process or (iii) subject itself to taxation in any such jurisdiction if it is not so subject or be subject to other unreasonable expense;

(e) in the case of a Shelf Registration, notify each Holder of Registrable Securities, counsel for the Holders and counsel for the Placement Agents promptly and, if requested by any such Holder or counsel, confirm such advice in writing (i) when a Registration Statement has become effective and when any post-effective amendment thereto has been filed and becomes effective, (ii) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, (iii) if, between the effective date of a Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to the offering cease to be true and correct in all material respects or if the Company receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (iv) of the happening of any event during the period a Shelf Registration Statement is effective which makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or which requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (v) of any determination by the Company that a post-effective amendment to a Registration Statement would be appropriate;

(f) make every commercially reasonable effort to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement at the earliest possible moment and provide immediate notice to each Holder of the withdrawal of any such order;

(g) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without documents incorporated therein by reference or exhibits thereto, unless requested) (it being understood and agreed that the

posting of such documents on the SEC’s website shall constitute compliance with this Section 3(g));

(h) in the case of a Shelf Registration, cooperate with the selling Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be in such denominations (consistent with the provisions of the Indenture) and registered in such names as the selling Holders may reasonably request at least two business days prior to the closing of any sale of Registrable Securities;

(i) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(e)(v) hereof, use its commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to a Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company agrees to notify the Holders to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and the Holders hereby agree to suspend use of the Prospectus until the Company has amended or supplemented the Prospectus to correct such misstatement or omission. Notwithstanding the foregoing, the Company shall not be required to amend or supplement a Registration Statement, any related Prospectus or any document incorporated therein by reference, for a reasonable period of time, but not in excess of 60 consecutive days or more than three times during any calendar year, if the Board of Directors of the Company determines reasonably and in good faith that the filing of any such Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Board of Directors of the Company, would be detrimental to the Company if so disclosed or would otherwise materially adversely affect a financing; acquisition, disposition, merger or other material transaction or such other action as is required by applicable law.

(j) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or any document which is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement, provide copies of such document to the Placement Agents and their counsel (and, in the case of a Shelf Registration Statement, the Holders and their counsel) and make such of the representatives of the Company as shall be reasonably requested by the Placement

Agents or their counsel (and, in the case of a Shelf Registration Statement, the Holders or their counsel) available for discussion of such document, and shall not at any time file or make any amendment to the Registration Statement, any Prospectus or any amendment of or supplement to a Registration Statement or a Prospectus or any document which is to be incorporated by reference into a Registration Statement or a Prospectus, of which the Placement Agents and their counsel (and, in the case of a Shelf Registration Statement, the Holders and their counsel) shall not have previously been advised and furnished a copy or to which the Placement Agents or their counsel (and, in the case of a Shelf Registration Statement, the Holders or their counsel) shall object, except for any amendment or supplement or document (a copy of which has been previously furnished to the Placement Agents and its counsel (and, in the case of a Shelf Registration Statement, the Holders and their counsel)) which counsel to the Company shall advise the Company in writing is required in order to comply with applicable law;

(k) obtain a CUSIP, ISIN or Common Code number for all Exchange Securities or Registrable Securities, as the case may be, not later than the effective date of a Registration Statement;

(l) cause the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "TIA"), in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be, cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the TIA and execute, and use its commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(m) in the case of a Shelf Registration, make available for inspection by a representative of the Majority Holders (which representative shall be reasonably acceptable to the Company), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, and attorneys and accountants designated by the Majority Holders, at reasonable times and in a reasonable manner, all financial and other records, pertinent documents and properties of the Company, and cause the respective officers, directors and employees of the Company to supply all relevant information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with a Shelf Registration Statement;

(n) in the case of a Shelf Registration, use its commercially reasonable efforts to cause all Registrable Securities to be listed on any securities exchange or any automated quotation system on which similar securities issued by the Company are then listed if requested by the Majority Holders, to the extent such Registrable Securities satisfy

applicable listing requirements;

(o) in the case of a Shelf Registration, use its commercially reasonable efforts to cause the Exchange Securities or Registrable Securities, as the case may be, to be rated by two nationally recognized statistical rating organizations (as such term is defined in Rule 436(g)(2) under the 1933 Act);

(p) if requested by the Majority Holders (or their counsel), (i) promptly incorporate in a Prospectus supplement or post-effective amendment such information with respect to any Holder as reasonably requested to be included therein and (ii) make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be incorporated in such filing; and

(q) in the case of a Shelf Registration, enter into such customary agreements and take all such other actions in connection therewith (including those requested by the Holders of a majority of the Registrable Securities being sold) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (i) to the extent possible, make such representations and warranties to any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries, the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by the Company to underwriters in underwritten offerings and confirm the same if and when requested, (ii) obtain opinions of counsel to the Company (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to such Underwriters and their respective counsel) addressed to each Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (iii) obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other certified public accountant of any subsidiary of the Company, or of any business acquired by the Company for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to the Underwriters of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings, and (iv) deliver such documents and certificates as may be reasonably requested by the representative of Holders of a majority in principal amount of the Registrable Securities being sold (which representative shall be reasonably acceptable to the Company) or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company made pursuant to clause (i) above and to evidence compliance with any customary conditions contained in an underwriting agreement.

In the case of a Shelf Registration, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding the Holder and the proposed distribution by such Holder of such Registrable Securities as the Company may from time to time reasonably request in writing.

In the case of a Shelf Registration, each Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(e)(v) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to a Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(i) hereof, and, if so directed by the Company, such Holder will deliver to the Company, or confirm to the Company the destruction of (in each case at its expense) all copies in its possession, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. If the Company shall give any such notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company shall extend the period during which the Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions. The Company may give any such notice only in accordance with the provisions of Section 3(i).

The Holders of Registrable Securities covered by a Shelf Registration Statement who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker or investment bankers and manager or managers (the "Underwriters") that will administer the offering will be selected by the Majority Holders with the consent of the Company (such consent not to be unreasonably withheld) of the Registrable Securities included in such offering.

The Company shall not be required to assist in an underwritten offering unless requested by the Holders of a majority in aggregate principal amount of the Registrable Securities.

No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

4. Participation of Broker-Dealers in Exchange Offer.

(a) The Staff of the SEC has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer", which term shall be used herein to refer exclusively to the Placement Agents), may be deemed to be an "underwriter" within the meaning of the 1933 Act and must deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Securities.

The Company understands that it is the Staffs position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers to satisfy their prospectus delivery obligation under the 1933 Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the 1933 Act.

(b) In light of the above, notwithstanding the other provisions of this Agreement, the Company agrees that the provisions of this Agreement as they relate to a Shelf Registration shall also apply to an Exchange Offer Registration to the extent, and with such reasonable modifications thereto as may be, reasonably requested by the Placement Agents or by one or more Participating Broker-Dealers, in each case as provided in clause (ii) below, in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above; provided that:

(i) the Company shall not be required to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement, as would otherwise be contemplated by Section 3(i), for a period exceeding 180 days after the last Exchange Date (as such period may be extended pursuant to the penultimate paragraph of Section 3 of this Agreement) and Participating Broker-Dealers shall not be authorized by the Company to deliver and shall not deliver such Prospectus after such period in connection with the resales contemplated by this Section 4; and

(ii) the application of the Shelf Registration procedures set forth in Section 3 of this Agreement to an Exchange Offer Registration, to the extent not required by the positions of the Staff of the SEC or the 1933 Act and the rules and regulations thereunder, will be in conformity with the reasonable request to the Company by the Placement Agents or with the reasonable request in writing to the Company by one or more broker-dealers who certify to the Placement Agents and the Company in writing that they anticipate that they will be Participating Broker-Dealers; and provided further that, in connection with such application of the Shelf Registration procedures set forth in Section 3 to an

Exchange Offer Registration, the Company shall be obligated (x) to deal only with one entity representing the Participating Broker-Dealers, which shall be Morgan Stanley & Co. Incorporated unless it elects not to act as such representative, (y) to pay the fees and expenses of only one counsel representing the Participating Broker-Dealers, which shall be counsel to the Placement Agents unless such counsel elects not to so act and (z) to cause to be delivered only one, if any, "cold comfort" letter with respect to the Prospectus in the form existing on the last Exchange Date and with respect to each subsequent amendment or supplement, if any, effected during the period specified in clause (i) above.

(c) The Placement Agents shall have no liability to the Company or any Holder with respect to any request that it may make pursuant to Section 4(b) above.

5. Indemnification and Contribution.

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless the Placement Agents, each Holder of Registrable Securities and each Person, if any, who controls any Placement Agent or any Holder within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act, or is under common control with, or is controlled by, any Placement Agent or any Holder, from and against all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred by the Agent, any Holder of any such controlling or affiliated Person in connection with defending or investigating any such action or claim), to which they or any of them may become subject under the 1933 Act, the 1934 Act or other U.S. federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) pursuant to which Exchange Securities or Registrable Securities were registered under the 1933 Act, including all documents incorporated therein by reference and any free writing prospectus used in connection therewith, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or caused by any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or any free writing prospectus, or caused by any omission or alleged omission to state therein a material fact necessary to make the statements therein in light of the circumstances under which they were made not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to the Placement Agents or any Holder furnished to the Company in writing through Morgan Stanley & Co. Incorporated or by any selling Holder expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and the Guarantors, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the 1933 Act and the 1934 Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, the Placement Agents and the other selling Holders, and each of their respective directors, officers who sign the Registration Statement and each Person, if any, who controls the Company, any Placement Agent and any other selling Holder within the meaning of

either Section 15 of the 1933 Act or Section 20 of the 1934 Act to the same extent as the foregoing indemnity from the Company to the Placement Agents and the Holders, but only with reference to information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement (or any amendment thereto) or any Prospectus (or any amendment or supplement thereto).

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any Person in respect of which indemnity may be sought pursuant to either paragraph (a) or paragraph (b) above, such Person (the "indemnified party") shall promptly notify the Person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (a) the fees and expenses of more than one separate firm (in addition to one local counsel) for the Placement Agents and all Persons, if any, who control any Placement Agent within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act, (b) the fees and expenses of more than one separate firm (in addition to one local counsel) for the Company, its directors, its officers who sign the Registration Statement and each Person, if any, who controls the Company within the meaning of either such Section and (c) the fees and expenses of more than one separate firm (in addition to one local counsel) for all Holders and all Persons, if any, who control any Holders within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In such case involving the Placement Agents and Persons who control the Placement Agents, such firm shall be designated in writing by Morgan Stanley & Co. Incorporated. In such case involving the Holders and such Persons who control Holders, such firm shall be designated in writing by the Majority Holders. In all other cases, such firm shall be designated by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but, if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which such indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified

party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) If the indemnification provided for in paragraph (a) or paragraph (b) of this Section 5 is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Holders shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Holders' respective obligations to contribute pursuant to this Section 5(d) are several in proportion to the respective principal amount of Registrable Securities of such Holder that were registered pursuant to a Registration Statement.

(e) The Company and each Holder agree that it would not be just or equitable if contribution pursuant to this Section 5 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating

or defending any such action or claim. Notwithstanding the provisions of this Section 5, no Holder shall be required to indemnify or contribute any amount in excess of the amount by which the total price at which Registrable Securities were sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 1l(f) of the 1933 Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Placement Agents, any Holder or any Person controlling any Placement Agent or any Holder, or by or on behalf of the Company, its officers

or directors or any Person controlling the Company and (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. Miscellaneous.

(a) No Inconsistent Agreements. The Company has not entered into, and on or after the date of this Agreement will not enter into, any agreement which is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's other issued and outstanding securities under any such agreements.

(b) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided, however, that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder.

(c) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Placement Agents, the address set forth in the Purchase Agreement; and (ii) if to the Company, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c).

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five business days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next business day if timely delivered to an air courier guaranteeing overnight delivery.

Copies of all such notices, demands, or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement. If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Placement Agents (in their capacity as Placement Agents) shall have no liability or obligation to the Company with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) Purchases and Sales of Securities. The Company shall not, and shall use its best efforts to cause its Subsidiaries not to, purchase and then resell or otherwise transfer any Securities.

(f) Third Party Beneficiary. The Holders shall be third party beneficiaries to the agreements made hereunder between the Company, on the one hand, and the Placement Agents, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of Holders hereunder, provided that nothing herein shall prevent this Agreement from being amended in accordance with the provisions of Section 6(b) hereof.

(g) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(h) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(i) Governing Law. This Agreement shall be governed by the laws of the State of New York.

(j) Jurisdiction. The Company and each Guarantor irrevocably submit to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York over any suit, action or proceeding arising out of or relating to this Agreement or the Exchange Offer. The Company and each Guarantor irrevocably waive, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue

of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company and the Guarantors have or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Company and each Guarantor irrevocably waive, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

(k) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

6. Joinder of Future Subsidiaries. Until the time at which there is no obligation to file or keep effective any Registration Statement, any subsidiary of NXP B.V. that is required to be a guarantor under the Indenture shall become a party to this Agreement by executing and delivering a joinder agreement in the form attached hereto as Annex A.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933 (the "Act") of (i) €1,000,000,000 aggregate principal amount Floating Rate Senior Secured Notes due 2013, $1,535,000,000 aggregate principal amount Floating Rate Senior Secured Notes due 2013 and $1,026,000,000 aggregate principal amount 7 7/8% Senior Secured Notes due 2014 (together, the "Secured Exchange Notes") of NXP B.V., a company organized under the laws of The Netherlands (the "Company"), and NXP Funding LLC, a limited liability company organized under the laws of the State of Delaware (the "Co-Issuer"), issued pursuant to the Senior Secured Indenture, dated as of October 12, 2006 (the "Secured Indenture"), among the Company, the Co-Issuer, the Guarantors (as herein defined), Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), Morgan Stanley Senior Funding Inc., as Global Collateral Agent and Mizuho Corporate Bank Ltd., as Taiwan Collateral Agent, and (ii) €525,000,000 aggregate principal amount 8 5/8% Senior Notes due 2015 and $1,250,000,000 aggregate principal amount 9 1/2% Senior Notes due 2015 (collectively, and together with the Secured Exchange Notes, the "Exchange Notes") of the Company and the Co-Issuer, issued pursuant to the Senior Unsecured Indenture, dated as of October 12, 2006 (the "Unsecured Indenture", and together with the Secured Indenture, the "Indentures"), among the Company, the Co-Issuer, the Guarantors and the Trustee, in each case unconditionally and irrevocably guaranteed as to the payment of principal, premium, if any, and interest (the "Guarantees") by NXP Semiconductors USA Inc., a Delaware corporation (the "U.S. Guarantor"), and the guarantors listed on Annex A hereto (collectively, the "Foreign Guarantors" and, together with the U.S. Guarantor, the

---

"Guarantors") pursuant to the Indentures, which Exchange Notes are to be issued in exchange for any and all outstanding euro-denominated Floating Rate Senior Secured Notes due 2013, dollar-denominated Floating Rate Senior Secured Notes due 2013, dollar-denominated 7 7/8% Senior Secured Notes due 2014, euro-denominated 8 5/8% Senior Notes due 2015 and dollar-denominated 9 1/2% Senior Notes due 2015 (collectively, the "Outstanding Notes") of the Company and the Co-Issuer, we, as your United States counsel, have examined such corporate records, certificates and other documents, and such questions of United States Federal and New York State law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, we advise you that, in our opinion, when the registration statement relating to the Exchange Notes and the Guarantees (the "Registration Statement") has become effective under the Act, the terms of the Exchange Notes and the Guarantees and of their issuance and exchange for Outstanding Notes have been duly established in conformity with the Indentures so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon any of the Company, the Co-Issuer or any of the Guarantors and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over any of the Company, the Co-Issuer or any of the Guarantors, and the Exchange Notes have been duly executed and authenticated in accordance with the Indentures and issued and exchanged for Outstanding Notes as contemplated in the Registration Statement, (i) the Exchange Notes will constitute valid and legally binding obligations of the Company and the Co-Issuer and (ii) the Guarantees will constitute valid and legally binding obligations of the respective Guarantors, subject in the case of clauses (i) and (ii) above, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

We note that, as of the date of this opinion, a judgment for money in an action based on the Exchange Notes or Guarantees of Exchange Notes denominated in euros in a Federal or state court in the United States ordinarily would be enforced in the United States only in United States dollars. The date used to determine the rate of conversion of euros into United States dollars will depend upon various factors, including which court renders the judgment. Under Section 27 of the New York Judiciary Law, a state court in the State of New York rendering a judgment on such Exchange Notes or Guarantees would be required to render such judgment in euros, and such judgment would be converted into United States dollars at the exchange rate prevailing on the date of entry of the judgment.

The foregoing opinion is limited to the Federal laws of the United States and the laws of the State of New York and we are expressing no opinion as to the effect of the laws of any other jurisdiction. For purposes of our opinion, we have, with your approval, assumed that (i) the Company has been duly formed and is validly existing

under the laws of The Netherlands, (ii) each Foreign Guarantor has been duly formed and is validly existing under the laws of their respective jurisdictions of incorporation or formation, (iii) the Indentures have been duly authorized, executed and delivered by the Company insofar as the laws of The Netherlands are concerned, (iv) the Indentures have been duly authorized, executed and delivered by the Foreign Guarantors insofar as the laws of their respective jurisdictions of incorporation or formation are concerned, (v) the Exchange Notes have been duly authorized, executed, issued and delivered by the Company insofar as the laws of The Netherlands are concerned and (vi) the provisions of the Exchange Notes and the Indentures designating the law of the State of New York as the governing law for the Exchange Notes and the Indentures are valid and binding on the Company and each of the Foreign Guarantors insofar as the laws of their respective jurisdictions of incorporation or formation are concerned. We note that with respect to all matters of the local laws of the jurisdictions listed on Annex B hereto you are relying upon the opinions of the respective counsel named in Annex B hereto, all of which are also filed as exhibits to the Registration Statement.

Also, we have relied as to certain factual matters on information obtained from public officials, officers of the Company, the Co-Issuer and the Guarantors and other sources believed by us to be responsible, and we have assumed that the Indentures have been duly authorized, executed and delivered by the Trustee thereunder, that the Exchange Notes will conform to the specimens thereof examined by us and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to us under the heading “Legal Matters” in the prospectus included in the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

Sullivan & Cromwell LLP

This opinion is limited to Dutch law as applied by the Dutch courts and published and in effect on the date of this opinion. It is given on the basis that all matters relating to it will be governed by, and that it (including all terms used in it) will be construed in accordance with, Dutch law.

3 Scope of Inquiry; definitions

For the purpose of this opinion, I have examined the following documents:

3.1 An original or a photocopy, faxed copy or e-mailed copy (as set out in **annex 2**) of each Document.

3.2 An e-mailed copy received by me on 18 April 2007 of the form of Notes (as set out in **annex 3**).

3.3 An original or a photocopy or faxed copy of a notarial copy of the deed of incorporation of each Company and its articles of association as contained in its deed of incorporation or as most recently amended according to the trade register extract concerned (as set out in **annex 1**), as filed with the chamber of commerce and industry concerned.

3.4 An original or faxed copy of a trade register extract regarding each Company, provided by the chamber of commerce and industry concerned and dated as set out in **annex 1**.

3.5 A photocopy, faxed copy or e-mailed copy of the written resolutions, minutes of meetings or extracts from minutes and confirmations of the managing board, supervisory board, stated shareholder(s) or general meeting of shareholders (as set out in **annex 1**) of each Company and dated, or held on the date, as set out in **annex 1**.

3.6 (a) A print of an e-mailed copy received by me on 25 September 2006 of a letter from the central works council (*centrale ondernemingsraad*) of Philips Electronics Nederland B.V. ("**PEN**") (the "**Works Council**") dated 11 September 2006 and containing the Works Council's advice on the proposed decision of the Issuer and the Guarantor referred to in it to execute and deliver its Documents (the "**Works Council's Advice**").

(b) A photocopy of an e-mailed copy received by me on 25 September 2006 of a letter from Mr. H.J.G. Hendriks in his stated capacity of chairman of the managing board of PEN to Mr. J. Pasmans in his stated capacity of chairman of the Works Council dated 11 September 2006.

(c) A print of an e-mailed copy received by me on 25 September 2006 of a letter from Mr. M. Snoeren in his stated capacity of secretary of the Works Council, to Mr. H.J.G. Hendriks in his stated capacity of chairman of the managing board of PEN dated 11 September 2006.

In addition, I have obtained the following confirmations given by telephone on the date of this opinion:

3.7 Confirmation from each chamber of commerce and industry concerned that the trade register extracts referred to in **annex 1** are up to date.

3.8 Confirmation from the office of the bankruptcy division (*faillissementsgriffie*) of the district court of the place where each Company has its corporate seat that the Company concerned is not registered as having been declared bankrupt or granted suspension of payments.

I have not examined any document, and do not express an opinion on any document or any reference to it, other than the documents listed in this paragraph 3. My examination has been limited to the text of the documents and I have not investigated the meaning and effect of any document governed by a law other than Dutch law under that other law.

3.9 Certain terms used in this opinion are defined in the annexes. In addition, in this opinion:

"**Companies**" means the Issuer and the Guarantor.

"**Documents**" means each document listed in **annex 2**.

"**Indentures**" means the Unsecured Indenture and the Secured Indenture.

"**Notes**" do not include the Additional Notes (as defined in the Indentures).

"**Powers of Attorney**" means the NXP Power of Attorney and the NXP Semiconductor Power of Attorney.

"**its Documents**", in relation to a Company, means the Documents expressed to be executed and delivered by it.

4 Assumptions

For the purpose of this opinion, I have made the following assumptions:

4.1 All copy documents conform to the originals and all originals are genuine and complete.

4.2 Each signature is the genuine signature of the individual concerned.

4.3 Any minutes and extracts from minutes referred to in paragraph 3 or **annex 1** are a true record of the proceedings described in them in duly convened, constituted and quorate meetings and the resolutions set out in those minutes and any written resolutions referred to in paragraph 3 or **annex 1** were validly passed and remain in full force and effect without modification. Any confirmation referred to in paragraph 3 or **annex 1** is true.

4.4 The Works Council's Advice was validly adopted in a duly convened, constituted and quorate meeting, there are no facts or circumstances which, if known to the Works Council at the time, might have caused it not to adopt the Works Council's Advice as adopted and the decision of each of the Issuer and the Guarantor to execute and deliver its Documents conforms with the Works Council's Advice.

4.5 The Notes have been or will have been issued in the form referred to in paragraph 3 or **annex 3**.

4.6 The Documents are within the capacity and powers of, and have been validly authorised and executed and delivered into by each party other than the Companies expressed to execute and deliver them, and each Note has been or will have been validly authenticated in accordance with the Indentures.

4.7 Each Power of Attorney remains in full force and effect without modification and no rule of law which under the The Hague Convention on the Law applicable to Agency 1978 applies or may be applied to the existence and extent of the authority of any person authorised to execute and deliver a Document or a Note on behalf of a Company under a Power of Attorney, adversely affects the existence and extent of that authority as expressed in that Power of Attorney.

4.8 The Notes have been or will have been executed and delivered on behalf of the Issuer, manually or, with the approval of the managing directors concerned, in facsimile, in accordance with its articles of association or by a person authorised to do so under a Power of Attorney.

4.9 When validly executed and delivered by all the parties, the Notes are valid, binding and enforceable on each party under the laws of the State of New York ("**New York Law**") by which they are expressed to be governed.

4.10 The Notes have been, are and will be offered in the Netherlands only in accordance with the Financial Markets Supervision Act (*Wet op het financieel toezicht*, the "**FMSA**").

4.11 The Issuer does not qualify as a bank (*bank*) within the meaning of the FMSA.

5 Opinion

Based on the documents and confirmations referred to and the assumptions in paragraphs 3 and 4 and subject to the qualifications in paragraph 6 and to any matters not disclosed to me, I am of the following opinion:

5.1 Each Company has been incorporated and is existing as a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) under Dutch law.

5.2 Each Company has the corporate power to execute and deliver and perform its Documents and the Issuer has the corporate power to issue and perform the Notes.

5.3 Each Company has taken all necessary corporate action to authorise its execution and delivery and performance of its Documents and the Issuer has taken all necessary corporate action to authorise its issue and performance of the Notes.

5.4 Each Company has validly executed and delivered its Documents and the Issuer has validly executed and delivered the Notes.

5.5 The execution and delivery and performance of its Documents by each Company and the issue and performance of the Notes by the Issuer do not violate Dutch law or its articles of association.

5.6 Under Dutch law the choice of New York Law as the governing law of the Notes is recognised and accordingly New York Law governs the validity, binding effect and enforceability against each Company of the Notes.

6 Qualifications

This opinion is subject to the following qualifications:

6.1 This opinion is subject to any limitations arising from bankruptcy, insolvency, liquidation, moratorium, reorganisation and other laws of general application relating to or affecting the rights of creditors.

6.2 Under Dutch law, notwithstanding the recognition of New York Law as the governing law of the Notes:

- effect may be given to the law of another jurisdiction with which the situation has a close connection, insofar as, under the law of that jurisdiction, that law is mandatory irrespective of the governing law of the Notes;
- Dutch law will be applied insofar as it is mandatory irrespective of the governing law of the Notes;
- the application of New York Law may be refused if it is manifestly incompatible with Dutch public policy;
- regard will be had to the law of the jurisdiction in which performance takes place in relation to the manner of performance and the steps to be taken in the event of defective performance.

6.3 The enforcement in a Dutch court of the Notes is subject to Dutch rules of civil procedure.

6.4 To the extent that Dutch law applies, any provision that the registered holder of any Note will be treated as its absolute owner may not be enforceable under all circumstances.

6.5 To the extent that Dutch law applies, title to a Note may not pass if (i) the Note is not delivered (*geleverd*) in accordance with Dutch law, (ii) the transferor does not have the power to pass on title (*beschikkingsbevoegdheid*) to the Note or (iii) the transfer of title is not made pursuant to a valid title of transfer (*geldige titel*).

6.6 To the extent that the Terms and Conditions are general conditions within the meaning of Section 6:231 Civil Code (Burgerlijk Wetboek, "**CC**"), a holder of a Note may nullify (*vernietigen*) a provision therein if (i) the Issuer has not offered the holder a reasonable opportunity to examine the Terms and Conditions or (ii) the provision, having regard to all relevant circumstances, is unreasonably onerous to the holder. A provision in general conditions as referred to in Section 6:236 CC is deemed to be unreasonably onerous, irrespective of the circumstances, if the holder of a Note is a natural person not acting in the conduct of a profession or trade.

6.7 If a Note has been executed and delivered on behalf of the Issuer (manually or in facsimile) by a person who at the signing date is, but before the date of the Note and its authentication and issue ceases to be, a duly authorised

representative of the Issuer, enforcement of the Note in a Dutch court may require that the holder of the Note submits a copy of the Indenture concerned.

6.8 To the extent that pursuant to any Document a Company is required or forbidden to take, or restricted in taking, any action that falls within the powers of its general meeting of shareholders, it may not be binding and enforceable against it.

6.9 To the extent that Dutch law applies, a power of attorney can be made irrevocable only (i) insofar as it has been granted for the purpose of performing a legal act in the interest of the authorised person or a third party and (ii) subject to any amendments made or limitations imposed by the courts on serious grounds (*gewichtige redenen*).

6.10 In proceedings in a Dutch court for the enforcement of the Documents or the Notes, the court may mitigate amounts due in respect of litigation and collection costs.

6.11 Under Dutch law, any trust to which the Convention on the Law applicable to Trusts and their Recognition 1985 (the "**Trust Convention**") applies, will be recognised subject to the Trust Convention. Any trust to which the Trust Convention does not apply may not be recognised.

6.12 To the extent that Dutch law applies, a legal act (*rechtshandeling*) performed by a person (including (without limitation) an agreement pursuant to which it guarantees the performance of the obligations of a third party or agrees to provide or provides security for any of its or a third party's obligations and any other legal act having a similar effect) may be nullified by any of its creditors, if (i) it performed the act without an obligation to do so (*onverplicht*), (ii) the creditor concerned was prejudiced as a consequence of the act and (iii) at the time the act was performed both it and (unless the act was for no consideration (*om niet*)) the party with or towards which it acted, knew or should have known that one or more of its creditors (existing or future) would be prejudiced.

6.13 If a legal act (*rechtshandeling*) performed by a Dutch legal entity (including (without limitation) an agreement pursuant to which it guarantees the performance of the obligations of a third party or agrees to provide or provides security for any of its or a third party's obligations and any other legal act having a similar effect) is not in the entity's corporate interest, the act may (i) exceed the entity's corporate power, (ii) violate its articles of association and (iii) be nullified by it if the other party or parties to the act knew or should have known that the act is not in the entity's corporate interest.

6.14 Under Dutch law, a Dutch private company with limited liability and its subsidiaries (*dochtermaatschappijen*) (including, possibly, any foreign subsidiaries) may not create security, grant a guarantee or accept liability with a view to (*met het oog op*) the acquisition by a third party of shares in its share capital, and any transaction in violation of this prohibition (i) violates Dutch law, and (ii) will most likely be void (the "**Financial Assistance Prohibition**").

6.14.1 I understand that:

(a) Koninklijke Philips Electronics N.V. ("**KPENV**") contributed an amount of cash on its shares in the Issuer (the "**Equity Contribution**");

(b) subsequently, against payment of a cash amount funded from the Equity Contribution (the "**Purchase Price**"), KPENV transferred to the Issuer:

(i) all shares in the Guarantor and Philips Software B.V.; and

(ii) all intercompany loans provided by it to the Guarantor and Philips Software B.V. (the "**Sub IC's**");

(c) upon completion of such transfers, and receipt by KPENV of the Purchase Price, KPENV provided a loan to the Issuer (the "**Intercompany Loan**");

(d) subsequently, against payment of a cash amount funded from the Intercompany Loan, KPENV transferred to the Issuer the shares in certain semiconductor business entities (other than the Guarantor and Philips Software B.V.) and other assets (including intercompany loans provided by it to such semiconductors business entities);

(e) the Issuer has used and will use the proceeds of the loans (the "**Loans**") made to it under the senior secured bridge loan agreement between the Issuer and NXP Funding LLC; KASLION Acquisition B.V. ("**Holdings**"); Morgan Stanley Bank International Limited, Deutsche Bank AG, London Branch, Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated; Morgan Stanley Senior Funding, Inc.; Merril Lynch Capital Corporation; and the original lenders named in it dated 29 September 2006 (the "**Secured Bridge Agreement**") and the senior unsecured bridge loan agreement between the Issuer, NXP Funding LLC, Holdings, Morgan Stanley Bank International Limited, Deutsche Bank AG, London Branch, Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated; Morgan Stanley Senior Funding, Inc.; Merril Lynch

Capital Corporation; and the original lenders named in it dated 29 September 2006 (the "**Unsecured Bridge Agreement**") solely:

(i) to repay the Intercompany Loan;

(ii) to finance, in part, the Reorganization (as defined in the Unsecured Bridge Agreement and the Secured Bridge Agreement) (but excluding its acquisition of (i) the shares in the Guarantor and in Philips Software B.V. and (ii) the Sub IC's);

(iii) to pay fees and expenses in connection with the Transactions (as defined in the Unsecured Bridge Agreement and the Secured Bridge Agreement (but excluding any fees and expenses relating to its acquisition of (i) the shares in the Guarantor and in Philips Software B.V. and (ii) the Sub IC's));

(iv) to retain as cash for future use for general corporate purposes; and

(f) the Issuer has used and will use the proceeds of the Notes solely to repay the Loans.

6.14.3 The interpretation of the wording "with a view to" in the Financial Assistance Prohibition is subject to legal debate and there is hardly any case law to provide guidance. Accordingly, the scope of the Financial Assistance Prohibition is unclear. On the basis of paragraph 6.14.2, I believe that the better view is that the Dutch Security Rights and the guarantees provided by the Guarantor pursuant to the Indentures to secure the Notes and any other liability accepted by the Guarantor under the Documents do not violate the Financial Assistance Prohibition.

6.15 Each Company's corporate seat must be clearly stated on all written or printed documents and announcements to which such Company is a party or which it issues (excluding telegrams and advertisements).

6.16 The trade register extracts referred to in paragraph 3 do not provide conclusive evidence that the facts set out in it are correct. However, under the 1996 Trade Register Act (*Handelsregisterwet 1996*), subject to limited exceptions, a company cannot invoke the incorrectness or incompleteness of its trade register registration against third parties who were unaware of it.

6.17 A confirmation of the office of a bankruptcy division as referred to in paragraph 3 does not provide conclusive evidence that the Companies have not been declared bankrupt or granted suspension of payments.

6.18 I do not express any opinion on the Works Councils Act (*Wet op de ondernemingsraden*) other than in relation to the Works Council.

6.19 I do not express any opinion as to any taxation matters.

6.20 I do not express any opinion on the validity of any assignment or transfer pursuant to section 10.03 of each Indenture or any other *in rem* matters.

7 Reliance

This opinion is solely for the purpose of the Registration. It is not to be transmitted to anyone nor is it to be relied upon for any other purpose or quoted or referred to in any public document or filed with anyone without my written consent except that it may be filed with the SEC as an exhibit to the Registration Statement (but I do not admit that I am a person whose consent for that filing and reference is required under Section 7 of the United States Securities Act of 1933, as amended).

Yours faithfully,

relating to the proposed issuance by NXP B.V. and NXP Funding LLC of €1,000,000,000 principal amount Floating Rate Senior Secured Notes due 2013, $1,535,000,000 principal amount Floating Rate Senior Secured Notes due 2013, $1,026,000,000 principal amount 7⅞% Senior Secured Notes due 2014, €525,000,000 principal amount 8⅝% Senior Notes due 2015 and $1,250,000,000 principal amount 9½% Senior Notes due 2015, for any and all outstanding unregistered euro-denominated Floating Rate Senior Secured Notes due 2013, dollar-denominated Floating Rate Senior Secured Notes due 2013, 7⅞% Senior Secured Notes due 2014, euro-denominated 8⅝% Senior Notes due 2015 and dollar-denominated 9½% Senior Notes due 2015.

We act for the Company in Hong Kong in connection with the Secured Indenture and the Unsecured Indenture. We have been asked to provide you with our Hong Kong legal opinion in relation to the Secured Indenture and the Unsecured Indenture.

Each of the Secured Indenture and the Unsecured Indenture is called an **Indenture**.

For the purposes of this opinion we have examined the following documents:

(a) a signed copy of each Indenture;

(b) a certified copy of the certificate of incorporation of the Company, certified to be true, correct and complete as at 12 October 2006;

(c) a certified copy of the memorandum and articles of association of the Company, certified to be true, correct and complete as at 12 October 2006;

(d) a certified copy of the written resolutions signed by all the directors of the Company and dated 29 September 2006 (the **Board Approval**), certified to be true, correct and complete as at 12 October 2006;

(e) a certified copy of the written resolutions signed by the sole shareholder of the Company and dated 29 September 2006 (the **Shareholder Approval**), certified to be true, correct and complete as at 12 October 2006; and

(f) a certified copy of the power of attorney dated 29 September 2006 and made by the Company, certified to be true, correct and complete as at 12 October 2006.

We carried out searches of the Company at the Hong Kong Companies Registry on 21 March 2007 and at the Hong Kong Official Receiver's Office on 21 March 2007. It is possible that matters which should be revealed by such searches are not yet revealed. For example, it is possible that a winding up order or appointment of a receiver may have been made, or a winding-up petition may have been issued, without notice thereof having yet been filed.

The above are the only documents or records we have examined and the only searches and enquiries we have carried out for the purpose of this opinion.

We assume that:

(a) no step has been taken to wind up the Company or appoint a receiver in respect of it or any of its assets, although the searches of the Hong Kong Companies Registry and the Hong Kong Official Receiver's Office referred to above give no indication that a winding-up order or appointment of a receiver has been made or a winding-up petition has been issued;

(b) each of the Notes (as defined in each Indenture) have been duly executed by all parties to it;

(c) each Indenture has been duly executed on behalf of the Company by the person(s) authorised by the Board Approval;

(d) all signatures and documents are genuine;

(e) all documents are up-to-date;

(f) the correct procedure was carried out for the Board Approval and the Shareholder Approval; for example, all relevant interests of directors were declared and the resolutions were duly passed, and that none of the Board Approval and the Shareholder Approval have been revoked, amended or rescinded and that each of the Board Approval and the Shareholder Approval remain in full force and effect;

(g) the Guaranteed Obligations (as defined in each Indenture) will not breach any restriction to which the Company is subject (provided that this assumption does not extend to any restrictions contained in any document that we have examined for the purpose of this opinion or any restrictions under any laws applicable to companies generally); and

(h) the guarantee and other undertakings given by the Company in each Indenture were given for the legitimate purposes of the Company and may reasonably be regarded as having been in the interests of the Company.

Subject to the qualifications set out below and to any matters not disclosed to us, it is our opinion that, so far as the present laws of Hong Kong are concerned:

(1) **Status**: The Company is a company incorporated with limited liability under the laws of Hong Kong and is not in liquidation.

(2) **Powers and authority**: The Company has the corporate power to enter into and perform each Indenture and has taken all necessary corporate action to authorise the execution, delivery and performance of each Indenture.

(3) **Execution and delivery**: Each Indenture has been duly executed and, where applicable, delivered by the Company.

Notwithstanding the foregoing this opinion is subject to the following qualifications:

(1) This opinion is subject to all insolvency and other laws affecting the rights of creditors generally.

(2) No opinion is expressed on matters of fact.

(3) We assume that no foreign law affects the conclusions stated above.

This opinion is given for your sole benefit in connection with the Registration Statement on Form F-4 by NXP B.V., NXP Funding LLC and the Guarantors (as defined in each Indenture) and may not be relied upon by or disclosed to any other person.

We hereby consent to the filing of this opinion with the U.S. Securities and Exchange Commission as an exhibit to the Registration Statement on Form F-4 by NXP B.V., NXP Funding LLC and the Guarantors (as defined in each Indenture).

We are admitted to practice in Hong Kong.

Yours faithfully

Allen & Overy

In this opinion:

CRD means the Partnerships and Companies Registration Office of the Department of Business Development, Ministry of Commerce; and

Indentures has the meaning given to it above.

DOCUMENTS

For the purposes of this opinion we have examined only:

(a) a copy of the signed Indentures;

(b) a certified copy of the affidavit, memorandum and articles of association of the Thai Guarantor issued by the CRD on 21 March 2007; and

(c) a certified copy of the minutes of a meeting of the board of directors of the Thai Guarantor No. 2/2006 held on 24 August 2006.

On 21 March 2007, we carried out a search of the file of the Thai Guarantor at the CRD.

We have not carried out any other searches or enquiries and the above are the only documents or records that we have examined for the purposes of this opinion. Our opinion is confined solely to the laws of Thailand and does not extend to the laws of any other jurisdiction.

ASSUMPTIONS

We assume that:

(a) all signatures and documents are genuine;

(b) all documents submitted to us as originals are authentic and complete;

(c) all documents submitted to us as copies conform to authentic and complete original documents;

(d) all documents are and remain up to date;

(e) all certificates and other documents which we have examined remain accurate as to all factual matters contained in them;

(f) the correct procedure was carried out for and at the board meeting referred to above (for example, the meeting was duly convened and held and the resolution was duly passed at such meeting);

(g) the Thai Guarantor was fully solvent at the time it entered into the Indentures and will not be insolvent as a result of the entry into or performance of the Indentures; and

(h) the information disclosed by the search of the Thai Guarantor's files at the CRD is true and complete and the situation has not changed since the date of that search and that search did not fail to disclose any information which had been delivered for registration but did not appear on the public files searched.

OPINIONS

Based on the foregoing and subject to the qualifications set out below and to any matters not disclosed to us, we are of the opinion that, so far as the present laws of Thailand are concerned:

(i) the Thai Guarantor is a limited company incorporated under the laws of Thailand.

(ii) the Thai Guarantor has the corporate power to enter into and perform the Indentures and has taken all necessary corporate action to authorise the entry into, delivery and performance of the Indentures.

QUALIFICATIONS

This opinion is subject to the following qualifications:

(a) This opinion is subject to all insolvency and other laws relating to or affecting the rights of creditors or secured creditors generally.

(b) No opinion is expressed as to matters of fact.

(c) This opinion relates only to Thai domestic law and not Thai conflicts of law rules.

(d) While companies established in Thailand are required to be registered with the CRD, it is not possible to rely on obtaining from there certified up-to-date corporate information such as the Memorandum or Articles of Association or names of shareholders or directors and the information available does not include information relating to encumbrances, charges, pledges or assignments over corporate assets, nor is it possible to conduct conclusive searches to ascertain whether winding-up or rehabilitation proceedings have been initiated in Thailand or whether encumbrances, charges, pledges or assignments over such assets exist.

(e) Insofar as this opinion refers to the law or laws of Thailand, such references include Royal Decrees, Ministerial Decrees, Ministerial Regulations and Notifications, and Supreme Court judgments, and are limited to those which are published and available to the public as of the date of this opinion.

This opinion is given for your benefit and in connection with the Registration Statement on Form F-4 by NXP B.V., NXP Funding LLC and the Guarantors (as defined in each Indenture) and may not be relied upon by or disclosed to any other person without our express prior written consent (except that a copy may be released to the U.S. Securities and Exchange Commission as an exhibit to the Registration Statement on Form F-4 by NXP B.V., NXP Funding LLC and the Guarantors). If we consent to the disclosure of this opinion to any other person, then (unless we expressly state otherwise to that person in writing) that disclosure will (and shall be deemed to be) made only on the basis that it is for information only and that we shall have no liability or responsibility whatsoever towards that person as a result of that disclosure or in connection with this opinion.

Yours faithfully,

2. Examination of Documents

In our capacity as such counsel, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and

---

other instruments as we have deemed necessary or appropriate for purposes of this opinion, including:

(i) the Secured Note Guarantee Supplement, dated as of November 17, 2006, among the English Guarantor, NXP B.V. and the Trustee, pursuant to which the English Guarantor agrees to become a Guarantor under the Senior Secured Indenture;

(ii) the Unsecured Note Guarantee Supplement, dated as of November 17, 2006, among the English Guarantor, NXP B.V. and the Trustee, pursuant to which the English Guarantor agrees to become a Guarantor under the Senior Unsecured Indenture (together with the document described in (i) above, the "Note Guarantee Supplements");

(iii) a copy of the Certificate of Incorporation and a Certificate of Incorporation on Change of Name in respect of the English Guarantor;

(iv) the minutes of a meeting of the directors of the English Guarantor held on November 17, 2006 (the "Minutes");

(v) a board memorandum, dated November 17, 2006 (the "Board Memorandum"), signed by Michael Gallagher and Gary Munro, as directors of the English Guarantor (the "Directors")

(vi) the memorandum and articles of association of the English Guarantor;

(vii) an officer's certificate from Michael Gallagher, as secretary and director of the English Guarantor, dated November 17 , 2006 (the "Officer Certificate");

(viii) the written resolution of the English Guarantor, dated November 17, 2006, approving, among other things, the execution by the English Guarantor of the Note Guarantee Supplements;

(ix) a statutory declaration on Form 155(6)a (and annexures thereto), dated November 17, 2006, made by Michael Gallagher;

(x) a statutory declaration on Form 155(6)a (and annexures thereto), dated November 17, 2006, made by Gary Munro (together with the document described in (ix) above, the "Statutory Declarations"); and

(xi) an auditors' report by KPMG, dated November 17, 2006, addressed to the Directors, being the report annexed to each Statutory Declaration (the "Auditors Report").

3. Searches and Enquiries

For the purposes of this opinion, we have made the following searches and enquiries:

(i) a search against the entries and filings shown in respect of the English Guarantor on the Companies House online service "Companies House Direct" on March 21, 2007 which revealed no order or resolution for the winding up of the Company and no notice of the appointment of a receiver or administrator in relation to the Company; and

(ii) a telephone enquiry of the Central Registry of Winding-up Petitions made at 10:16 a.m. on March 21, 2007 which revealed that no petition for the winding up of the English Guarantor had been presented.

4. Opinion

Based on the foregoing and on the assumptions set out in Section 6 below, subject to the limitations set out in Section 5 below and the reservations set out in Section 7 below, we are of the opinion that:

(i) the English Guarantor is a company duly incorporated in England under the Companies Act 1985; and

(ii) the English Guarantor has duly authorized, executed and delivered the Note Guarantee Supplements.

5. Limitations

This opinion:

(i) relates solely to English law as applied by the English courts at the date hereof, and we express no opinion as to the effect of the law of any other jurisdiction;

(ii) speaks as of the date hereof as based on the documents identified above;

(iii) is strictly limited to the matters stated herein and no opinion may be inferred or implied except as expressly stated herein; and

(iv) is governed by, and shall be construed in accordance with, English law.

6. Assumptions

For the purposes of this opinion, we have assumed:

(i) the genuineness of all signatures, stamps and seals on all documents submitted to us, the completeness and authenticity of all documents submitted to us as originals and the conformity to original documents of all copies submitted to us;

(ii) that the meeting of the directors of the UK Guarantor held on November 17, 2006 was duly convened and

held; that the requisite quorum was present; and that the resolutions appearing in the Minutes are a true record of such proceedings at such meeting and are in full force and effect and have not been amended, revoked or suspended;

(iii) the accuracy as of the date thereof of the statements in the Officer's Certificate and the determinations, opinions and conclusions of the Directors set forth in the Minutes and the Board Memorandum;

(iv) that the Directors had, as of the date thereof, reasonable grounds for the opinions expressed in the Statutory Declarations;

(v) the accuracy as of the date thereof of the statements in the Auditors Report;

(vi) that the English Guarantor had, as at the date of the Note Guarantee Supplements, net assets which were not reduced by the financial assistance provided by virtue of the execution and delivery of the Note Guarantee Supplements, or to the extent that they were reduced, the financial assistance was provided out of distributable profits of the English Guarantor;

(vii) that the execution and delivery of the Note Guarantee Supplements and the performance of its

obligations thereunder will sufficiently benefit and is in the interests of the English Guarantor;

(viii) the Directors acted in good faith and in the interests of the English Guarantor in approving the Note Guarantee Supplements; and

(ix) that no law of any jurisdiction outside England would render the execution, delivery, or performance of the terms of the Note Guarantee Supplements illegal or ineffective and that, insofar as any obligation under the Note Guarantee Supplements falls to be performed in any jurisdiction other than England, its performance will not be illegal or ineffective by virtue of the laws of that jurisdiction.

7. Reservations

This opinion is subject to the following reservations:

(i) we express no opinion as to:

(a) the validity and legally binding nature or the enforceability of the obligations of the English Guarantor under the Note Guarantee Supplements; or

(b) the due authorization, execution and delivery by the English Guarantor of, or the validity and legally binding nature of the obligations of

the English Guarantor under, any agreement entered into by the English Guarantor, whether in connection with the Indentures or otherwise, other than the Note Guarantee Supplements;

(ii) we express no opinion as to any liability to tax which may arise or be suffered as a result of or in connection with the execution, delivery and performance of the Note Guarantee Supplements;

(iii) we express no opinion as to whether the execution, delivery and performance by the English Guarantor would conflict with or result in a breach of or constitute a default under any agreement, deed, instrument or other document to which it is a party; and

(iv) the search on Companies House Direct referred to above is not conclusively capable of revealing whether or not:

(a) a winding up order has been made in respect of a company; or

(b) a resolution for the winding up of a company has been passed; or

(c) an administration order has been made in respect of a company; or

(d) a receiver, administrative receiver, liquidator or administrator has been appointed in respect of a company, since notice of these matters might not be filed with the Registrar of Companies immediately and, when filed, might not be entered on the electronic records of the relevant company immediately; and

(v) the enquiry with the Central Registry of Winding-up Petitions referred to above relates only to a compulsory winding up and is not capable of revealing conclusively whether or not a winding up petition in respect of a compulsory winding up has been presented since details of the petition may not have been entered on the records of the Central Registry of Winding-up Petitions immediately or, in the case of a petition presented to a County Court, may not have been notified to the Central Registry and entered on such records at all, and the response to an enquiry only relates to the period of six months prior to the date when the enquiry was made. We have not made enquiries of any County Court as to whether any petition of the appointment of an administrator has been presented to, or any administration order has been made by, such County Court against the relevant companies.

This opinion is being furnished to you in connection with the filing with the U.S. Securities and Exchange Commission of the Registration Statement on Form F-4 by NXP B.V., NXP Funding LLC and the Guarantors (the “Registration Statement”) and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the United States federal securities laws. We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving such consent, we do not thereby admit that we are the category of persons whose consent is required under section 7 of the United States Securities Act of 1933.

We are admitted to practice in England and Wales.

Very truly yours,

_____

(b) Each Lender may at its option make any EURIBOR Loan or LIBOR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan, provided that (i) any exercise of such option shall not affect the obligation of the relevant Borrower to repay such Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the relevant Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.10 shall apply). All Loans shall be repaid in full together with all accrued but unpaid interest thereon pursuant to Section 2.8(e) on the Maturity Date or as otherwise required by Section 2.5. In the event that any Loan is made by any domestic or foreign branch or Affiliate of a Lender on behalf of such Lender as contemplated by this clause (b) all of the provisions of this Agreement applicable to Lenders shall apply to and be enforceable by any such domestic or foreign branch or Affiliate.

2.2. Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing shall be in a multiple of, in the case of LIBOR Loans and EURIBOR Loans, €1,000,000 (or its equivalent in any Alternative Currency) or, in the case of ABR Loans, $500,000 and, in each case, shall not be less than the Minimum Borrowing Amount with respect thereto. More than one Borrowing may be incurred

on any date, provided that at no time shall there be outstanding more than 25 Borrowings of Loans under this Agreement.

2.3. Notice of Borrowing (a) Whenever a Borrower desires to incur Loans (other than borrowings to repay Unpaid Drawings), it shall give the Administrative Agent at the Administrative Agent's Office, (i) prior to 10:00 a.m. at least two Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of LIBOR Loans or EURIBOR Loans, and (ii) prior to 12:00 Noon at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of ABR Loans. Each such notice (a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.10, shall specify (i) the aggregate principal amount of the Loans to be made pursuant to such Borrowing, (ii) the date of Borrowing (which shall be a Business Day), (iii) the currency of such Borrowing (which shall be US Dollars in the case of ABR Loans, the Base Currency in the case of EURIBOR Loans or an Alternative Currency in the case of LIBOR Loans) and (iv) whether the respective Borrowing shall consist of ABR Loans, LIBOR Loans or EURIBOR Loans and, if LIBOR Loans or EURIBOR Loans, the Interest Period to be initially applicable thereto. If a Borrower specifies a Type of Loan but fails to specify the currency of such Loan in a Notice of Borrowing, then the Loan so requested shall be made in the Base Currency in the case of EURIBOR Loans or US Dollars in the case of LIBOR Loans and ABR Loans. If a Borrower specifies the currency of a Loan but fails to specify a Type of Loan in a Notice of Borrowing, then the Loan so required shall be a EURIBOR Loan (in the case of Loans denominated in the Base Currency) or a LIBOR Loan (in the case of Loans denominated in an Alternative Currency). If a Borrower fails to specify both the currency of a Loan and the Type of Loan in a Notice of Borrowing, then the Loan so requested shall be a made in the Base Currency and shall be a EURIBOR Loan. If a Borrower fails to specify an Interest Period (if applicable) of a Loan in a Notice of Borrowing then the Loan so requested shall have an initial Interest Period of one month. Upon receipt of a Notice of Borrowing, the Administrative Agent shall confirm there are sufficient Available Commitments and that neither the HK Dollars Sublimit nor the Singapore Dollars Sublimit (nor, in the case of a Borrowing by Holdings, the Holdings Sublimit) will be exceeded after giving effect to the proposed Borrowing and the Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing, of such Lender's proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(b) Borrowings to reimburse Unpaid Drawings shall be made upon the notice specified in Section 3.4.

(c) Without in any way limiting the obligation of a Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of a Borrower. In each such case, such Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice. Any Notice of Borrowing delivered in writing to the Administrative Agent shall be in substantially the form set forth in Exhibit B.

2.4. Disbursement of Funds. (a) No later than 12:00 Noon on the date specified in each Notice of Borrowing, each Lender will make available its *pro rata* portion, if any, of each Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts it is to fund to a Borrower under any Borrowing in immediately available funds in the relevant currency to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will (except in the case of Borrowings to repay Unpaid Drawings) make available to such Borrower, by depositing to an account designated by such Borrower to the Administrative Agent the aggregate of the amounts so made available in the relevant currency. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the relevant Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the relevant Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the relevant Borrower, and such Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or such Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the relevant Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if paid by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry practice on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, or (ii) if paid by the Borrower, the then-applicable rate of interest, calculated in accordance with Section 2.8, for the relevant Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that any Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that the obligations of each Lender hereunder are several and no Lender shall be responsible for the failure of any other Lender to fulfill its obligations hereunder).

2.5. Repayment of Loans; Evidence of Debt. (a) Each Borrower shall repay to the Administrative Agent, for the benefit of the Lenders, on the Maturity Date, the then-unpaid Loans made to such Borrower, provided that each Borrower shall repay to the Administrative Agent, for the benefit of the Lenders, the full amount of any and all Loans made to such Borrower on the Closing Date or during the 10 Business Day period after the Closing Date, no later than the date which is 10 Business Days after the Closing Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain the Register pursuant to Section 13.7(b), in which Register shall be recorded (i) the amount of each Loan made hereunder, the Borrower of such Loan, the Type of each Loan made and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the relevant Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the relevant Borrower and each Lender's share thereof.

(d) The entries made in the Register and accounts maintained pursuant to paragraphs (b) and (c) of this Section 2.5 shall, to the extent permitted by applicable Law, be prima facie evidence of the existence and amounts of the obligations of a Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of any Borrower to repay (with applicable interest) the Loans made to such Borrower by such Lender in accordance with the terms of this Agreement.

2.6. Conversions and Continuations. (a) A Borrower shall have the option on any Business Day to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Loans made to such Borrower of one Type into a Borrowing or Borrowings of another Type and such Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans or EURIBOR Loans, as the case may be, for an additional Interest Period, provided that (i) no partial conversion of LIBOR Loans or EURIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans or EURIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if a Default or Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans denominated in US Dollars may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the relevant Borrower by giving the Administrative Agent at the Administrative Agent's Office prior to 10:00 a.m. at least two Business Days' (or one Business Day's notice in the case of a conversion into ABR Loans) prior written notice (or telephonic notice promptly confirmed in writing) (each, a "Notice of Conversion or Continuation") specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans or are to be converted into or continued as LIBOR Loans or EURIBOR Loans, the Interest Period to be initially applicable

thereto. The Administrative Agent shall give each Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Default or Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans denominated in US Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans or EURIBOR Loans, a Borrower has failed to specify a new Interest Period to be applicable thereto as provided in paragraph (a) above, such Borrower shall be deemed to have specified an Interest Period of one month, effective as of the expiration date of such current Interest Period. If a Borrower requests the conversion to, or continuation of, a LIBOR Loan or a EURIBOR Loan, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. No Loan may be converted into or continued as a Loan denominated in a different currency, but instead such Loan must be prepaid in the original currency of such Loan and a new Loan reborrowed in the other currency.

2.7. *Pro Rata Borrowings*. Each Borrowing of Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then-applicable Commitments, respectively. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation under any Credit Document.

2.8. Interest. (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable ABR Margin plus the ABR in effect from time to time.

(b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be aggregate of (i) the Applicable LIBOR Margin in effect from time to time, (ii) the relevant LIBOR Rate, and (iii) the Mandatory Cost, if any.

(c) The unpaid principal amount of each EURIBOR Loan shall bear interest for the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the aggregate of (i) the Applicable EURIBOR Margin in effect from time to time, (ii) the relevant EURIBOR Rate, and (iii) the Mandatory Cost, if any.

(d) If all or a portion of (i) the principal amount of any Loan (ii) the principal amount of any Unpaid Drawing or (iii) any interest payable thereon shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear

interest at a rate *per annum* that is (x) in the case of overdue principal on any Loan or Unpaid Drawing, the rate that would otherwise be applicable thereto plus 1% or (y) in the case of any overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a), (b) or (c), as applicable, plus 1%, in each case from and including the date of such non-payment to but excluding the date on which such amount is paid in full (after as well as before judgment).

(e) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last day of each March, June, September and December, (ii) in respect of each LIBOR Loan and EURIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan (except, other than in the case of prepayments, any ABR Loan), on any prepayment (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(f) All computations of interest hereunder shall be made in accordance with Section 5.5.

(g) Each Lender shall supply the Administrative Agent with any information required by the Administrative Agent in order to calculate the Mandatory Cost in accordance with Schedule 1.1(d).

(h) The Administrative Agent, upon determining the interest rate for any Borrowing of Loans, shall promptly notify the relevant Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9. Interest Periods. At the time a Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans or EURIBOR Loans (in the case of the initial Interest Period applicable thereto) or prior to 10:00 a.m. at least two Business Days prior to the expiration of an Interest Period applicable to a Borrowing of LIBOR Loans or EURIBOR Loans, such Borrower shall have the right to elect by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) the Interest Period applicable to a Borrowing, which Interest Period shall, at the option of the relevant Borrower be a one, two, three, or six month period, provided that the initial Interest Period may be for a period less than one month if agreed upon by the relevant Borrower and the Administrative Agent.

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of LIBOR Loans or EURIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of LIBOR Loan or EURIBOR Loan begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day, provided that if any Interest Period in respect of a LIBOR Loan or EURIBOR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan or EURIBOR Loan if such Interest Period would extend beyond the Maturity Date; and

(e) after giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than 25 Interest Periods in effect with respect to LIBOR Loans and EURIBOR Loans.

2.10. Increased Costs, Illegality, etc. (a) In the event that (x) in the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the LIBOR Rate or EURIBOR Rate for any Interest Period that (x) deposits in the principal amounts of the Loans comprising such Borrowing are not generally available in the relevant currency in the Relevant Interbank Market for a period equivalent to the relevant Interest Period or (y) by reason of any changes arising on or after the Closing Date affecting the Relevant Interbank Market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR Rate or EURIBOR Rate (as the case may be); or

(ii) at any time, that such Lender shall incur any increase in the cost to such Lender or reductions in the amounts received or receivable hereunder in connection with making or agreeing to make, funding or maintaining, LIBOR Loans, EURIBOR Loans or its Commitment hereunder (other than any such increase or reduction attributable to Taxes) because of (x) any Change in Law, such as, for example, without limitation, a change in official reserve requirements, and/or (y) other circumstances affecting the Relevant Interbank Market or the position of such Lender in such market; or

(iii) at any time, that the making or continuance of any LIBOR Loan or EURIBOR Loan or its Commitment hereunder has become unlawful by compliance by such Lender in good faith with any Law, governmental rule, regulation, guideline or

order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the date hereof that materially and adversely affects the Relevant Interbank Market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the relevant Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans and EURIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the relevant Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by any Borrower with respect to LIBOR Loans or EURIBOR Loans that have not yet been incurred shall be deemed rescinded by the relevant Borrower (y) in the case of clause (ii) above, the relevant Borrower shall pay to such Lender, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the relevant Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by Law.

(b) At any time that any LIBOR Loan or EURIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the relevant Borrower may (and in the case of a LIBOR Loan or EURIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (i) if the affected LIBOR Loan or EURIBOR Loan has been requested pursuant to a Notice of Borrowing or a Notice of Conversion or Continuation but has not been made, cancel said Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that such Borrower was notified by a Lender pursuant to 2.10(a)(ii) or (iii); or (ii) if the affected LIBOR Loan or EURIBOR Loan is then outstanding (x) upon at least three Business Days' notice to the Administrative Agent (if such Lender may lawfully continue to maintain such LIBOR Loans or EURIBOR Loans to such day or immediately, if such Lender may not lawfully continue to maintain such LIBOR Loans or EURIBOR Loans), require the affected Lender to convert each such LIBOR Loan and EURIBOR Loan into an ABR Loan if such conversion would overcome the illegality and each Loan so converted shall, unless already denominated in Dollars, be redenominated into Dollars at the applicable Exchange Rate, (y) prepay the affected EURIBOR Loans or LIBOR Loans on the last day of the Interest Period applicable thereto, if such Lender may lawfully continue to maintain such LIBOR Loan or EURIBOR Loan to such date, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Loan or EURIBOR Loan, or (z) cause any affected Lender to assign the affected EURIBOR Loans or LIBOR Loans to another Lender or to

another bank or institution willing to accept such assignment (which assignment shall be subject to and in compliance with Section 13.7) to the extent any such affected Lender may lawfully continue to maintain the relevant LIBOR Loans or EURIBOR Loans until such time as such assignment becomes effective in accordance with the terms hereof. Upon any such conversion or prepayment, the relevant Borrower shall also pay accrued interest on the amount so converted or prepaid all amounts due, if any, in connection with such prepayment or conversion under Section 2.11. The relevant Borrower shall pay all reasonable costs and expenses incurred by any Lender in connection with any assignment pursuant to sub-clause (z). If more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the date hereof, the adoption of any applicable Law, rule or regulation regarding capital adequacy, or any Change in Law, or any change in the interpretation or administration thereof by any Governmental Authority, the National Association of Insurance Commissioners, any central bank or comparable agency charged with the interpretation or administration thereof, or compliance by a Lender or its parent with any request or directive made or adopted after the date hereof regarding capital adequacy (whether or not having the force of law) of any such authority, association, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Lender's or its parent's policies with respect to capital adequacy), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the relevant Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent or its Affiliates for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to compensation for such reduction except to the extent resulting from the adoption of any applicable Law, rule or regulation regarding capital adequacy, or any Change in Law, or any change in the interpretation or administration thereof by any Governmental Authority, the National Association of Insurance Commissioners, any central bank or comparable agency charged with the interpretation or administration thereof, after the date hereof. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the relevant Borrower which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish such Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) It is understood that this Section 2.10 shall not apply to Excluded Taxes or to any amounts that would be payable under Section 5.4 but for another provision of Section 5.4 or, to the extent duplicative of Section 5.4, this Section 2.10 shall not apply to Taxes.

2.11. Compensation. If (a) any payment of principal of any LIBOR Loan or EURIBOR Loan is made by a Borrower to or for the account of a Lender, or is converted or continued, other than on the last day of the Interest Period for such LIBOR Loan or EURIBOR Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 13.8, as

a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loans or EURIBOR Loans is not made as a result of a withdrawn Notice of Borrowing or as a result of the operation of any of the provisions of this Agreement, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation or as a result of the operation of any of the provisions of this Agreement, (d) any LIBOR Loan or EURIBOR Loan is not continued as a LIBOR Loan or EURIBOR Loan (as the case may be), as a result of a withdrawn Notice of Conversion or Continuation or as a result of the operation of any of the provisions of this Agreement, (e) any prepayment of principal of any LIBOR Loan or EURIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2 or as a result of the operation of any of the

provisions of this Agreement, (f) any assignment of a LIBOR Loan or EURIBOR Loan on a day other than the last day of the Interest Period for such Loan as a result of a request by the Company pursuant to Section 13.8(a), the relevant Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan or EURIBOR Loan.

For purposes of calculating amounts payable by a Borrower to the Lenders under this Section 2.11, each Lender shall be deemed to have funded each LIBOR Loan or EURIBOR Loan (as the case may be) made by it by a matching deposit or other borrowing in the Relevant Interbank Market in the relevant currency for a comparable amount and for a comparable period, whether or not such LIBOR Loan or EURIBOR Loan (as the case may be) was in fact so funded.

2.12. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii), 2.10(a)(iii), 2.10(b), 3.5 or 5.4 with respect to such Lender, it will, if requested by the relevant Borrower use commercially reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event or to assign its rights and obligations hereunder to another of its branches or Affiliates, provided that such designation or assignment is made on such terms that would eliminate or reduce amounts payable pursuant to Section 2.10(a)(ii), 2.10(a)(iii), 2.10(b), 3.5 or 5.4, as the case may be, and that, in such Lender's judgment, cause such Lender and its lending office suffer no economic (including becoming subject to any unreimbursed cost or expense), legal or regulatory disadvantage. Nothing in this Section 2.12 shall affect or postpone any of the obligations of any Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13. Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, 3.5 or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to

compensation under Section 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the 181st day prior to the giving of such notice to the Borrower.

2.14. Additional Alternative Currencies. (a) A Borrower may from time to time request that LIBOR Loans be made and/or a Letter of Credit be issued in an Additional Alternative Currency. A currency will only constitute an Additional Alternative Currency for the purposes of a Credit Event if (i) it is a lawful currency that is readily available in the amount required and freely transferable and convertible into the Base Currency in the Relevant Interbank Market on the date the Administrative Agent receives the relevant Notice of Borrowing or Letter of Credit Request (as applicable) and the date on which the Credit Event occurs, and (ii) it has been approved by the Administrative Agent (acting on the instructions of, in the case of the making of a LIBOR Loan, all the Lenders and in the case of the issuance of a Letter of Credit, all the Lenders and the Letter of Credit Issuer) on or prior to receipt by the Administrative Agent of the relevant Notice of Borrowing or Letter of Credit Request (as applicable) for that Credit Event.

(b) Any such request for approval of an Additional Alternative Currency pursuant to clause (a) above shall be made to the Administrative Agent not later than 11:00 a.m., five Business Days prior to the date of the proposed Credit Event (or such other time or date as may be agreed by the Administrative Agent). In the case of any such request pertaining to a LIBOR Loan, the Administrative Agent shall promptly notify each Lender thereof and, in the case of any such request pertaining to the issuance of Letters of Credit, the Administrative Agent shall promptly notify each Letter of Credit Issuer thereof. Each Lender (in the case of any such request pertaining to LIBOR Loans) or the Letter of Credit Issuer (in the case of a request pertaining to the issuance of Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., two Business Days after receipt of such request whether it consents, in its sole discretion, to the making of LIBOR Loans or the issuance of Letters of Credit, as the case may be, in such requested currency and the minimum amount (and, if required, integral multiples) for any subsequent Credit Event in that currency.

(c) The failure by a Lender or any Letter of Credit Issuer, as the case may be, to respond to such notice within the time period specified in clause (b) above shall be deemed to be a refusal by such Lender or the Letter of Credit Issuer, as the case may be, to permit LIBOR Loans to be made or Letters of Credit to be issued in the requested currency.

(d) If the Administrative Agent and all the Lenders and the Letters of Credit Issuers (as the case may be) consent to making LIBOR Loans or the issuance of Letters of Credit (as the case may be) in the currency requested by a Borrower, the Administrative Agent shall promptly notify the relevant Borrower mat the requested currency is acceptable and such currency shall thereupon be deemed for all purposes to be an Additional Alternative Currency hereunder for purposes of LIBOR Loans and Letters of Credit.

(e) The Administrative Agent shall promptly notify the relevant Borrower and the Company (if different) if any Lender and (if applicable) the Letter of Credit Issuer does not approve the relevant currency requested.

SECTION 3. Letters of Credit

3.1. Letters of Credit. (a) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and from the Closing Date and prior to the L/C Maturity Date, the Letter of Credit Issuer agrees to issue upon the request of, and for the benefit of the Borrowers and the Restricted Subsidiaries standby letters of credit, letters of credit or bank guarantees in the Base Currency or any Alternative Currency (the "Letters of Credit" and each, a "Letter of Credit") in such form as may be approved by such Letter of Credit Issuer in its reasonable discretion; provided that the Company shall be a co-applicant, and jointly and severally liable with respect to, each Letter of Credit issued for the account of a Restricted Subsidiary.

(b) Notwithstanding the foregoing, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letters of Credit Outstanding at such time, would exceed the L/C Sublimity then in effect; (ii) no Letter of Credit shall be issued the Stated Amount of which would cause the aggregate amount of the Lenders' Credit Exposures at such time to exceed the Total Commitments then in effect; (iii) each Letter of Credit shall have an expiration date occurring no later than one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the Letter of Credit Issuer but may by its terms be automatically renewed for additional 12 month periods, provided that in no event shall such expiration date occur later

than the L/C Maturity Date; (iv) each Letter of Credit shall be denominated in the Base Currency or any Alternative Currency; (v) no Letter of Credit shall be issued if it would be illegal under any applicable Law or is prohibited by any order, judgment, decree of any Governmental Authority or arbitrator which, by its terms, purports to enjoin or restrain the Letter of Credit Issuer from issuing such Letter of Credit or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over the Letter of Credit Issuer shall prohibit, or request that the Letter of Credit Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular; (vi) no Letter of Credit shall be issued by Morgan Stanley Bank International Limited or any of its Affiliates if the Stated Amount of such Letter of Credit, when added to the Letters of Credit Outstanding of Morgan Stanley Bank International Limited and its Affiliates at such time, would result in Morgan Stanley Bank International Limited and its Affiliates having issued Letters of Credit with an aggregate Stated Amount in excess of, in aggregate, £150,000,000 (or its equivalent in any Alternative Currency); (vii) no Letter of Credit shall be issued which is denominated in Singapore Dollars if the Stated Amount of such Letter of Credit, when added to the aggregate amount of the Lenders' Credit Exposures at such time denominated in Singapore Dollars, would exceed the Singapore Dollars Sublimit; (viii) no Letter of Credit shall be issued which is denominated in HK Dollars if the Stated Amount of such Letter of Credit when added to the aggregate amount of the Lenders' Credit Exposures at such time denominated in HK Dollars, would exceed the HK Dollars Sublimit; and (ix) without limiting Section 7.1, no Letter of Credit shall be issued by a Letter of Credit Issuer after it has received a written notice from any Credit Party or any Lender stating that a Default or Event of Default has occurred and is continuing until such time as the Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.2.

(c) Upon at least three Business Day's prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent and the Letter of Credit Issuer (which notice the Administrative Agent shall promptly transmit to each of the applicable Lenders), a Borrower shall have the right, on any day, permanently to terminate or reduce the L/C Sublimit in whole or in part, provided that, after giving effect to such termination or reduction, the Letters of Credit Outstanding shall not exceed the L/C Sublimit.

3.2. Letter of Credit Requests. (a) Whenever a Borrower desires that a Letter of Credit be issued for its account, it shall give the Administrative Agent and the Letter of Credit Issuer prior to 12:00 Noon at least five (or such lesser number as may be agreed upon by the Administrative Agent and the Letter of Credit Issuer) Business Days' written notice thereof. Each notice shall be executed by such Borrower and shall be in the form of Exhibit C (each a "Letter of Credit Request"). Each Letter of Credit Request shall specify (i) the initial Stated Amount of the Letter of Credit, (ii) the date of issuance (which shall be a Business Day) and (iii) the currency in which the Letter of Credit shall be denominated (which shall be the Base Currency or an Alternative Currency). Upon receipt of a Letter of Credit Request the Administrative Agent shall confirm there are sufficient Available Commitments and that neither the HK Dollars Sublimit nor the Singapore Dollars Sublimit will be exceeded after giving effect to the issuance of the relevant Letter of Credit and the Administrative Agent shall promptly transmit copies of each Letter of Credit Request to each Lender.

(b) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the relevant Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(b) and Section 7.

3.3. Letter of Credit Participations. (a) Immediately upon the issuance by the Letter of Credit Issuer of any Letter of Credit, the Letter of Credit Issuer shall be deemed to have sold and transferred to each other Lender (each such other Lender, in its capacity under this Section 3.3, an "L/C Participant"), and each such L/C Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation (each an "L/C Participation"), to the extent of such L/C Participant's Commitment Percentage in such Letter of Credit, each substitute letter of credit, each drawing made thereunder and the obligations of the relevant Borrower under this Agreement with respect thereto, and any security therefor or Guarantee pertaining thereto; provided that the Letter of Credit Fees will be paid directly to the Administrative Agent for the ratable account of the L/C Participants as provided in Section 4.1(b) and the L/C Participants shall have no right to receive any portion of any Fronting Fees.

(b) Each Lender and each Borrower agrees that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders

or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or any other document. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude any Borrower pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 3.3(g); provided, however, that anything in such clauses to the contrary notwithstanding, the relevant Borrower may have a claim against the Letter of Credit Issuer, and the Letter of Credit Issuer may be liable to such Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such Borrower which were caused by the Letter of Credit Issuer's willful misconduct or gross negligence or the Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(c) In the event that the Letter of Credit Issuer makes any payment under any Letter of Credit issued by it and the relevant Borrower shall not have repaid such amount in full to the respective Letter of Credit Issuer pursuant to Section 3.4, the Letter of Credit Issuer shall promptly notify the Administrative Agent and each L/C Participant of such failure, and each such L/C Participant shall promptly and unconditionally pay to the Administrative Agent for the account of the Letter of Credit Issuer, the amount of such L/C Participant's Commitment Percentage of such unreimbursed payment in the currency in which such payment was made by the Letter of Credit Issuer and in immediately available funds. If the Letter of Credit Issuer so notifies, prior to

11:00 a.m. on any Business Day, each L/C Participant shall make available to the Administrative Agent for the account of the Letter of Credit Issuer such L/C Participant's Commitment Percentage of the amount of such payment on such Business Day in immediately available funds. If and to the extent such L/C Participant shall not have so made its Commitment Percentage of the amount of such payment available to the Administrative Agent for the account of the Letter of Credit Issuer, such L/C Participant agrees to pay to the Administrative Agent for the account of the Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon for each day from such date until the date such amount is paid to the Administrative Agent for the account of the Letter of Credit Issuer at the Federal Funds Effective Rate. A certificate from the relevant Letter of Credit Issuer submitted to any L/C Participant (through the Administration Agent) with respect to amounts owing under this Section 3.3(c) shall be conclusive absent manifest error. The failure of any L/C Participant to make available to the

Administrative Agent for the account of the Letter of Credit Issuer its Commitment Percentage of any payment under any Letter of Credit shall not relieve any other L/C Participant of its obligation hereunder to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Commitment Percentage of any payment under such Letter of Credit on the date required, as specified above, but no L/C Participant shall be responsible for the failure of any other L/C Participant to make available to the Administrative Agent such other L/C Participant's Commitment Percentage of any such payment.

(d) With respect to any Unpaid Drawing that is not fully reimbursed pursuant to Section 3.4 or refinanced by a Borrowing of Loans because the conditions set forth in Section 7 cannot be satisfied or for any other reason, the relevant Borrower shall be deemed to have incurred from the relevant Letter of Credit Issuer an L/C Borrowing in the amount of the Unpaid Borrowing that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the ABR Rate plus the Applicable ABR Margin plus 1% per annum. In such event, each L/C Participant's payment to the Administrative Agent for the account of the relevant Letter of Credit Issuer pursuant to Section 3.3(c) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 3.3.

(e) Each L/C Participant's obligation to make a Loan or L/C Advances to reimburse a Letter of Credit Issuer for amounts drawn under Letter of Credit, as contemplated by this Section 3.3(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (x) any setoff, counterclaim, recoupment, defense or other right which such L/C Participant may have against the relevant Letter of Credit Issuer, any Borrower or any other Person for any reason whatsoever; (y) the occurrence or continuance of a Default or any Event of Default; or (z) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that each Lender's obligation to make Loans pursuant to this Section 3.3(c) is subject to the conditions set forth in Section 7 (other than delivery by the relevant Borrower of a Notice of Borrowing). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the relevant Borrower to reimburse the Letter of Credit Issuer for the amount of any payment made by such Letter of Credit Issuer under any Letter of Credit, together with interest as provided herein.

(f) Until each Lender funds its Loan or L/C Advance pursuant to this Section 3.3 to reimburse the Letter of Credit Issuer for any Unpaid Drawing, interest in respect of such Lender's Commitment Percentage of such amount shall be solely for the account of the Letter of Credit Issuer.

(g) Whenever the Letter of Credit Issuer receives a payment from a Borrower in respect of an Unpaid Drawing as to which the Administrative Agent has received for the account of the Letter of Credit Issuer any L/C Advances from the L/C Participants pursuant to this Section 3.3, the Letter of Credit Issuer shall pay to the Administrative Agent and the Administrative Agent shall promptly pay to each L/C Participant that has paid its Commitment Percentage of such reimbursement obligation, in the relevant currency and in immediately available funds, an amount equal to such L/C Participant's share (based upon the proportionate aggregate amount originally funded by such L/C Participant to the aggregate amount funded by

all L/C Participants) of the principal amount of such Unpaid Drawing and interest thereon accruing after the purchase of the respective L/C Participations.

(h) The obligations of the Borrowers to make payments to the Administrative Agent for the account of a Letter of Credit Issuer with respect to drawings under Letters of Credit shall be absolute, unconditional and irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including under any of the following circumstances:

(i) any lack of validity or enforceability of the Letter of Credit, this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, set-off, defense or other right that any Credit Party may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom the beneficiary or any such transferee may be acting), the Administrative Agent, the relevant Letter of Credit Issuer, any Lender or other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between a Borrower and the beneficiary named in any such Letter of Credit);

(iii) any draft, demand, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(v) the occurrence of any Default or Event of Default.

3.4. Agreement to Repay Letter of Credit Drawings. Each Borrower hereby agrees to reimburse the relevant Letter of Credit Issuer, by making payment in the currency in which the relevant Letter of Credit is issued, to the Administrative Agent in immediately available funds, for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "Unpaid Drawing") no later than the date that is three Business Days after the date on which the relevant Borrower receives notice of such payment or disbursement (the "Reimbursement Date"), with interest on the amount so paid or disbursed by the Letter of Credit Issuer, to the extent not reimbursed prior to 5:00 p.m. on the date of such payment or disbursement, from and including the date on which such payment or disbursement was made by the Letter of Credit Issuer to but excluding the

date the Letter of Credit Issuer is reimbursed therefor at a rate *per annum* that shall at all times be the Applicable ABR Margin plus the ABR Rate as in effect from time to time, provided that, notwithstanding anything contained in this Agreement to the contrary, (i) unless the relevant Borrower shall have

notified the Administrative Agent and the relevant Letter of Credit Issuer prior to 10:00 a.m. at least two Business Days prior to the Reimbursement Date that such Borrower intends to reimburse the relevant Letter of Credit Issuer for the amount of such drawing with funds other than the proceeds of Loans, such Borrower shall be deemed to have given a Notice of Borrowing requesting that, with respect to Letters of Credit, the Lenders make Loans on the Reimbursement Date in the relevant currency in the amount of such Unpaid Drawing which Loans, in the case of Unpaid Drawings denominated in US Dollars, shall be ABR Loans, in the case of Unpaid Drawings denominated in the Base Currency, shall be EURIBOR Loans and in the case of Unpaid Drawings denominated in any Alternative Currency other than US Dollars, shall be LIBOR Loans; and (ii) the Administrative Agent shall promptly notify each relevant L/C Participant of such drawing and the amount of its Loan to be made on the Reimbursement Date in respect thereof, and each L/C Participant shall be obligated to make a Loan to the relevant Borrower in the manner deemed to have been requested in the amount of its Commitment Percentage of the applicable Unpaid Drawing by 12:00 noon on such Reimbursement Date by making the amount of such Loan available to the Administrative Agent if, and only if, there are Available Commitments sufficient to make such Loan and the conditions set forth in Section 7 (other than the delivery of a Notice of Borrowing) shall be satisfied. Such Loans shall be made without regard to the Minimum Borrowing Amount or multiples. The initial interest period for any EURIBOR Loan or LIBOR Loan made pursuant to this Section 3.4 shall be one month. The Administrative Agent shall use the proceeds of such Loans solely for purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing.

3.5. Increased Costs. If after the date hereof, the adoption of any applicable Law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by the Letter of Credit Issuer or any L/C Participant with any request or directive made or adopted after the date hereof (whether or not having the force of law), by any such Governmental Authority, central bank or comparable agency shall either (a) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against letters of credit issued by the Letter of Credit Issuer, or any L/C Participant's L/C Participation therein, or (b) impose on the Letter of Credit Issuer or any L/C Participant any other conditions affecting its obligations under this Agreement in respect of Letters of Credit or L/C Participations therein or any Letter of Credit or such L/C Participant's L/C Participation therein, and the result of any of the foregoing is to increase the cost to the Letter of Credit Issuer or such L/C Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by the Letter of Credit Issuer or such L/C Participant hereunder (other than any such increase or reduction attributable to Taxes) in respect of Letters of Credit or L/C Participations therein, then, promptly after receipt of written demand to each relevant Borrower by the Letter of Credit Issuer or such L/C Participant, as the case may be, (a copy of which notice shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent (with respect to Letter of Credit issued on account of such Borrower)) such Borrower shall pay to the Letter of Credit Issuer or such L/C Participant such additional amount or amounts as will compensate the Letter of Credit Issuer or such L/C Participant for such increased cost or reduction, it being understood and agreed, however, that the Letter of Credit Issuer or a L/C Participant shall not be entitled to

such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such Law, rule or regulation as in effect on the date hereof. A certificate submitted to a Borrower by the relevant Letter of Credit Issuer or a L/C Participant, as the case may be, (a copy of which certificate shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent (with respect to Letters of Credit issued on account of the Borrower)) setting forth in reasonable detail the basis for the determination of such additional amount or amounts necessary to compensate the Letter of Credit Issuer or such L/C Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error.

3.6. New or Successor Letter of Credit Issuer.

(a) A Letter of Credit Issuer may resign as a Letter of Credit Issuer upon 60 days' prior written notice to the Administrative Agent, the Lenders and the Company. The Company may replace a Letter of Credit Issuer for any reason upon five Business Days written notice to the Administrative Agent and the relevant Letter of Credit Issuer. The Company may add Letter of Credit Issuers at any time upon notice to the Administrative Agent. If the Letter of Credit Issuer shall resign or be replaced, or if a new Letter of Credit Issuer under this Agreement shall be added in accordance with this Section 3.6, then the Company may appoint from among the Lenders a successor issuer of Letters of Credit or a new Letter of Credit Issuer, as the case may be, or, with the consent of the Administrative Agent (such consent not to be unreasonably withheld), another successor or new issuer of Letters of Credit, whereupon such successor issuer shall succeed to the rights, powers and duties of the replaced or resigning Letter of Credit Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a Letter of Credit Issuer hereunder, and the term "Letter of Credit Issuer" shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Company shall pay to the resigning or replaced Letter of Credit Issuer all accrued and unpaid fees pursuant to Sections 4.1(c) and 4.1(d). The acceptance of any appointment as a Letter of Credit Issuer hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to the Company and the Administrative Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "Letter of Credit Issuer" hereunder. After the resignation or replacement of a Letter of Credit Issuer hereunder, the resigning or replaced Letter of Credit Issuer shall remain a party hereto and shall continue to have all the rights and obligations of a Letter of Credit Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Company, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced Letter of Credit Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Company shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Letter of Credit Issuer, to issue "back-stop"

Letters of Credit, in a form and substance reasonably satisfactory to the resigning or replaced Letter of Credit, naming the resigning or replaced Letter of Credit Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced Letter of Credit Issuer, which new Letters of Credit shall

have a face amount equal to the Letters of Credit being back-stopped and the sole requirement for drawing on such new Letters of Credit shall be a drawing on the corresponding back-stopped Letters of Credit. After any resigning or replaced Letter of Credit Issuer's resignation or replacement as Letter of Credit Issuer, the provisions of this Agreement relating to a Letter of Credit Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a Letter of Credit Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such Letter of Credit Issuer.

(b) To the extent that there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of Fees or the reimbursement or funding of amounts drawn), except that the Company, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

3.7. Issuance By Affiliates. In the event that any Letter of Credit is issued by an Affiliate of a Letter of Credit Issuer on behalf of such Letter of Credit Issuer as contemplated by the definition of "Letter of Credit Issuer" all of the provisions of this Agreement applicable to Letter of Credit Issuers shall apply to and be enforceable by any such Affiliate.

SECTION 4. Fees; Commitments

4.1. Fees. (a) (i) The Company agrees to pay to the Administrative Agent in the Base Currency, for the account of each Lender (in each case *pro rata* according to the respective Commitments of all such Lenders), a commitment fee for each day from and including the Closing Date to but excluding the Termination Date. Such commitment fee shall be payable in arrears (x) on the last day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received), (y) on the cancelled amount of the relevant Lender's Commitment on the date on which such Commitment is cancelled pursuant to this Agreement and (z) on the Termination Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above), and shall be computed for each day during such period at a rate per *annum* equal to the Commitment Fee Rate in effect on such day on the Available Commitments in effect on such day.

(ii) Notwithstanding the foregoing, (i) any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Company so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Company prior to such time, and (ii) no commitment fee shall accrue on any of the

Available Commitment of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) The Company agrees to pay to the Administrative Agent in the Base Currency for the account of the Lenders *pro rata* on the basis of their respective Letter of Credit Exposure, a fee in respect of each Letter of Credit (the "Letter of Credit Fee"), for the period from and including the date of issuance of such Letter of Credit to but excluding the termination date of such Letter of Credit computed at the *per annum* rate for each day equal to the Applicable LIBOR Margin for Loans minus 0.125% *per annum* on the average daily Stated Amount of such Letter of Credit. Such Letter of Credit Fees shall be due and payable quarterly in arrears on the last day of each March, June, September and December and on the date upon which the Total Commitment terminates and the Letters of Credit Outstanding shall have been reduced to zero.

(c) The Company agrees to pay to the Administrative Agent in the Base Currency for the account of each Letter of Credit Issuer a fee in respect of each Letter of Credit issued by it (the "Fronting Fee"), for the period from and including the date of issuance of such Letter of Credit to but excluding the termination date of such Letter of Credit, computed at the rate for each day equal to 0.125% *per annum* on the average daily Stated Amount of such Letter of Credit (or at such other rate per annum as agreed in writing between the Company and the Letter of Credit Issuer). Such Fronting Fees shall be due and payable quarterly in arrears on the last day of each March, June, September and December and on the date upon which the Total Commitment terminates and the Letters of Credit Outstanding shall have been reduced to zero.

(d) The Company agrees to pay directly to the Letter of Credit Issuer in the Base Currency upon each issuance of, drawing under, amendment and/or cancellation of, a Letter of Credit issued by it such amount as the Letter of Credit Issuer and the Company shall have agreed upon for issuances of, drawings under or amendments of, Letters of Credit issued by it.

4.2. Voluntary Reduction of Commitments. Upon at least three Business Days prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Company (on behalf of each of the Borrowers) shall have the right, without premium or penalty, permanently to terminate or reduce the Commitments in whole or in part, provided that (a) any such reduction shall apply proportionately and permanently to reduce the Commitment of each of the Lenders, (b) any partial reduction pursuant to this Section 4.2 shall be in the amount of at least €5,000,000 and in integral multiples of €1,000,000 in excess thereof, (c) after giving effect to such termination or reduction and to any prepayments of the Loans made on the date thereof in accordance with this Agreement, the aggregate amount of the Lenders' Credit Exposures shall not exceed the Total Commitment and (d) if, after giving effect to any reduction of the Commitments, the Singapore Dollar Sublimit, the L/C Sublimit or the Holdings Borrowing Limit exceeds the amount of the Total Commitments, such limit or sublimit (as applicable) shall be automatically reduced by the amount of such excess. The amount of any such reduction in the Total Commitment reduction shall not be applied to the Singapore Dollar Sublimit or the L/C Sublimit unless otherwise specified by the Company.

4.3. Mandatory Termination of Commitments. The Total Commitment shall terminate at 5:00 p.m. on the Maturity Date.

SECTION 5. Payments

5.1. Voluntary Prepayments. A Borrower shall have the right to prepay Loans, without premium or penalty, in whole or in part from time to time on the following terms and conditions: (a) such Borrower shall give the Administrative Agent and at the Administrative Agent's Office written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and (in the case of LIBOR Loans or

EURIBOR Loans) the specific Borrowing(s) to be prepaid, which notice shall be given by such Borrower no later than (i) in the case of EURIBOR Loans, 10:00 a.m. two Business Days prior to, or (ii) in the case of LIBOR Loans denominated (x) in Dollars, 10:00 a.m. three Business Days, and (y) in an Alternative Currency, 10:00 a.m. five Business Days prior to, the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (b) each partial prepayment of any LIBOR Loans or EURIBOR Loans shall be in an integral multiple of €1,000,000 (or its equivalent in an Alternative Currency) and in an aggregate principal amount of at least €5,000,000 (or its equivalent in an Alternative Currency) and each partial prepayment of ABR Loans shall be in an integral multiple of $100,000 and in an aggregate principal amount of at least $500,000 or, in each case, if less, the entire principal amount thereof then outstanding, provided that no partial prepayment of Loans made pursuant to a single Borrowing shall reduce the outstanding Loans made pursuant to such Borrowing to an amount less than the applicable Minimum Borrowing Amount, and (c) any prepayment of LIBOR Loans or EURIBOR Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto shall be subject to compliance by the relevant Borrower with the applicable provisions of Section 2.11. Each such prepayment shall be applied to the Lenders' participation in each such Loan pro rata. At the relevant Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Loan of a Defaulting Lender.

5.2. Mandatory Prepayments and Cash Collateral. (a) If on any Revaluation Date the aggregate amount of the Lenders' Credit Exposures (such aggregate Credit Exposures, the "Aggregate Outstandings") exceeds 100% of the Total Commitment as then in effect, the Borrowers shall forthwith repay on such Revaluation Date a principal amount of Loans in an amount (in the Base Currency) equal to such excess. If, after giving effect to the prepayment of all outstanding Loans, the Aggregate Outstandings exceed the Total Commitment then in effect, the Company shall Cash Collateralize the then Letters of Credit Outstanding in an amount (in the Base Currency) equal to such excess.

(b) In addition to the obligations under clause (a) above:

(i) if, as of the L/C Maturity Date, there shall be any Letters of Credit Outstanding for any reason, the Company shall immediately Cash Collateralize the full amount of the then Letters of Credit Outstanding; and

(ii) if the Administrative Agent notifies the Company on any Revaluation Date that the Letters of Credit Outstanding (in the Base Currency) at such time exceeds the L/C Sublimit then in effect, then, within two Business Days after receipt of such notice, the Company shall Cash Collateralize the then Letters of Credit Outstanding in an amount equal to the amount by which the then Letters of Credit Outstanding exceeds the L/C Sublimit.

(c) As used herein, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the Letter of Credit Issuers and the Lenders, as collateral for the obligations of the Borrowers in respect of the Letters of Credit Outstanding, cash or deposit account balances pursuant to documentation in form and substance satisfactory to the Administrative Agent and the Letter of Credit Issuers which documents are hereby consented to by the Lenders and which shall permit certain Investments in Permitted Investments satisfactory to the Administrative Agent, until the proceeds are applied to the Secured Obligations. Derivatives of such term have corresponding meanings. Each Borrower hereby grants to the Administrative Agent, for the benefit of each Letter of Credit Issuer and the Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at the Administrative Agent (or an Affiliate thereof).

(d) Any prepayment of a LIBOR Loan or EURIBOR Loan pursuant to this Section on a day other than the last day of the Interest Period applicable thereto shall be subject to compliance by the relevant Borrower with the applicable provisions of Section 2.11.

(e) With respect to each prepayment of Loans by a Borrower pursuant to Section 5.2(a), such Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made, provided that (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied *pro rata* among such Loans; and (z) notwithstanding the provisions of the preceding clause (y), no prepayment made pursuant to Section 5.2(a) of Loans shall be applied to the Loans of any Defaulting Lender. In the absence of a designation by the relevant Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(f) In lieu of making any payment pursuant to this Section 5.2 in respect of any LIBOR Loan or EURIBOR Loan other than on the last day of the Interest Period therefor and so long as no Event of Default shall have occurred and be continuing, the relevant Borrower, at its option may deposit with the Administrative Agent an amount equal to the amount of the LIBOR Loan or EURIBOR Loan to be prepaid and such LIBOR Loan or EURIBOR Loan (as the case may be) shall be repaid on the last day of the Interest Period therefor in the required amount with the proceeds of the amount so deposited. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then-customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Secured Obligations, provided that the relevant Borrower may at any time direct that such deposit be applied to make the

applicable payment required pursuant to this Section 5.2 (subject, in all cases, to compliance by the relevant Borrower with Section 2.11).

5.3. Method and Place of Payment. (a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by each Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto or the Letter of Credit Issuer entitled thereto, as the case may be, not later than 12:00 Noon on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrowers, it being understood that written or facsimile notice by a Borrower to the Administrative Agent to make a payment from the funds in such Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of Loans (whether of principal, interest or otherwise) hereunder shall be made in the currency in which such amounts are denominated. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 12:00 noon on such day) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in the Base Currency Equivalent of such amount.

(b) Any payments under this Agreement that are made later than 1:00 p.m. shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, such extension of time shall be reflected in computing interest or fees (as the case may be) at the applicable rate in effect immediately prior to such extension.

5.4. Net Payments. (a) Any and all payments made by or on behalf of any Credit Party under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Indemnified Taxes; provided that if a Credit Party shall be required by law to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions or withholdings applicable to additional sums payable under this Section 5.4), the Administrative Agent, any Collateral Agent or any Lender, as the case may be, receives an amount equal to the after tax sum it would have received had no such deductions or withholdings been made, (ii) the relevant Credit Party shall make such deductions or withholdings and (iii) the relevant Credit Party shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. Whenever any Indemnified Taxes are payable by a Credit Party, as promptly as possible thereafter, such Credit Party shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt in such form as provided in the ordinary course by the relevant Governmental Authority and as is reasonably available to the relevant Credit Party (or other evidence acceptable to such Lender, acting reasonably) received by such Credit Party showing payment thereof.

(b) Each Credit Party shall pay and shall jointly and severally indemnify and hold harmless, on an after tax basis, the Administrative Agent, each Collateral Agent and each Lender (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority) with regard to any Other Taxes.

(c) Each Credit Party shall jointly and severally indemnify and hold harmless, on an after tax basis, the Administrative Agent, each Collateral Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on the Administrative Agent, each Collateral Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Credit Party hereunder or under any other Credit Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Upon the request of any Borrower, such Administrative Agent, Collateral Agent, or a Lender must provide details of how it calculated the amount of Indemnified Taxes for which it claimed liability under this Section 5.4. A certificate as to the amount of such payment or liability delivered to a Credit Party by a Lender or by the Administrative Agent or a Collateral Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Each Lender shall to the extent it is legally entitled to do so:

(i) upon the request of any Borrower or the Administrative Agent deliver to the Borrowers and the Administrative Agent two copies of any certification, information, documents or other evidence concerning the nationality, residence or identity of such Lender or make any declaration of similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, regulation or administrative practice of a relevant Governmental Authority as a precondition to exemption from all or a part of any Taxes, assessment or other governmental charge; and

(ii) deliver to the Borrowers and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to any Borrower;

unless in any such case any Change in Law has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Lender from duly completing and delivering any such form with respect to it and such Lender so advises the Borrowers and the Administrative Agent. Each Person that shall become a Participant pursuant to Section 13.7 or a Lender pursuant to Section 13.7 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 5.4(d), provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased.

(e) If a Credit Party determines in good faith that a reasonable basis exists for contesting any taxes for which indemnification has been demanded hereunder or any other Credit Document, the relevant Lender, the Administrative Agent or a Collateral Agent, as applicable, shall cooperate with such Credit Party in challenging such taxes at such Credit Party's expense if so requested by such Credit Party. If any Lender, the Administrative Agent or a Collateral Agent, as applicable, receives a refund of, or determines that a Tax Credit is available to it with respect to, a tax for which a payment has been made by a Credit Party pursuant to this Agreement, which refund or Tax Credit in the good faith judgment of such Lender, the Administrative Agent or a Collateral Agent, as the case may be, is attributable to such payment made by such Credit Party, then the Lender, the Administrative Agent or a Collateral Agent, as the case may be, shall reimburse such Credit Party for such amount (together with any interest received thereon) as the Lender, the Administrative Agent or a Collateral Agent, as the case may be, determines to be the proportion of the refund or Tax Credit as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any taxes imposed on the refund) than it would have been in if the payment had not been required. A Lender, the Administrative Agent or a Collateral Agent shall claim any refund or Tax Credit that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. Neither the Lender, the Administrative Agent nor any Collateral Agent shall be obliged to disclose any information regarding its tax affairs or computations to the any Credit Party in connection with this paragraph (e) or any other provision of this Section 5.4.

(f) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

5.5. Computations of Interest and Fees. (a) Interest on LIBOR Loans, EURIBOR Loans and, except as provided in the next succeeding sentence, ABR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of

interest is calculated on the basis of the Prime Rate and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees and Letters of Credit Outstanding shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6. Limit on Rate of Interest.

(a) No Payment shall exceed Lawful Rate. Notwithstanding any other term of this Agreement, no Borrower shall be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If a Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), such Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if any Payment exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate any Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any applicable Law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to, in the case of EURIBOR Loans and LIBOR Loans, the beginning of the relevant Interest Period or, in the case of ABR Loans, the relevant date, the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by such Borrower to the affected Lender under Section 2.8.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from any Borrower an amount in excess of the maximum permitted by any applicable Law, rule or regulation, then such Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to such Borrower.

5.7. Currency Indemnity

(a) If any sum due from a Credit Party under the Credit Documents (a "Sum"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "First Currency") in which that Sum is payable into another currency (the "Second Currency") for the purpose of: (i) making or filing a claim or proof against that Credit Party; (ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings, in either case that Credit Party shall as an independent obligation, within three Business Days of demand, indemnify each Lender to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

(b) Each Credit Party waives any right it may have in any jurisdiction to pay any amount under the Credit Documents in a currency or currency unit other than that in which it is expressed to be payable.

SECTION 6. Conditions Precedent to Initial Borrowing

The occurrence of the initial Credit Event under this Agreement is subject to the satisfaction of the following conditions precedent (subject to the final paragraph of this Section 6), except as otherwise agreed in writing between the Company and the Administrative Agent. The Administrative Agent shall, upon such conditions precedent being satisfied, promptly confirm such satisfaction in writing to the Lenders and the Company.

Evidence shall be provided that all conditions precedent to the Reorganization, Refinancing and the Acquisition (other than as to funding) have been satisfied and that the Reorganization, Refinancing and Acquisition have been (or will immediately after funding be) consummated in accordance with the terms of the Acquisition Agreement and the Acquisition Side Letter (in the form in effect on the date hereof) without any modification that is materially adverse to the Lenders (it being acknowledged and agreed that closing of the acquisition of the ownership interests in Jilin and ASMC in accordance with the terms of the Acquisition Agreement is not materially adverse to the Lenders); and that the Reorganization, to the extent not finalized on the date hereof (and except with respect to any actions or steps specifically contemplated in the schedules to the Acquisition Agreement or in the Acquisition Side Letter (in the form in effect on the date hereof) or to be taken after the Closing Date), be finalized in a manner that does not have a material adverse effect on the Guaranty and Liens created or to be created under the Security Documents, as a whole, from that contemplated under the Commitment Letter as of the date thereof (except with the prior written consent of the Joint Lead Arrangers).

6.12. Know Your Customer. The Lenders shall have received such documentation and other evidence as shall have been reasonably requested in order for each such Lender to carry out and be satisfied with the results of all necessary “know your customer” or other similar identification procedures.

Notwithstanding anything in this Section 6, to the extent any Liens over the intended Collateral or any action or deliverable related to the creation or perfection of Liens over the intended Collateral (other than any Collateral the Liens over which may be perfected by the filing of a UCC financing statement or, subject to the Agreed Security Principles, the delivery of stock certificates and the Security Document giving rise to the Lien therein) or any Guarantee is not provided on the Closing Date after use by the Borrowers and the other Credit Parties of commercially reasonable efforts to do so, the provision of any such Lien or deliverable or Guarantee shall not constitute a condition precedent to the initial Credit Event under this Agreement but shall be required to be delivered as soon as reasonably practicable, and in any event not later than 90 days or, in the case of the Security Documents set forth in paragraphs 5(b) and 5(c) of Schedule 6.12, seven months, after the Closing Date (or, in any such case, such longer period as may be agreed by the Administrative Agent with the consent of the Required Lenders); it being acknowledged and agreed that the Guarantees and Security Documents set forth on Schedule 6.12 shall not be provided on the Closing Date but shall be delivered within such period.

SECTION 7. Conditions Precedent to All Credit Events and Certain Funds

The agreement of each Lender to make any Loan requested to be made by it on any date and the obligation of the Letter of Credit Issuer to issue Letters of Credit on any date is subject to the satisfaction of the following conditions precedent:

7.1. No Default, Representations and Warranties. At the time of each Credit Event and also after giving effect thereto (subject to Section 7.3 in the case of Credit Events on the Closing Date) (a) no Default or Event of Default shall have occurred and be continuing and (b) all representations and warranties made by any Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects with the same effect as though

such representations and warranties had been made on and as of the date of such Credit Event (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date).

7.2. Notice of Borrowing, Letter of Credit Request. (a) Prior to the making of each Loan, the Administrative Agent shall have received a Notice of Borrowing (whether in writing or by telephone) meeting the requirements of Section 2.3.

(b) Prior to the issuance of each Letter of Credit, the Administrative Agent and the Letter of Credit Issuer shall have received a Letter of Credit Request meeting the requirements of Section 3.2(a).

The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by each Credit Party to each of the Lenders that all the applicable conditions specified above exist as of that time.

7.3. Certain Funds. Subject only to satisfaction of the conditions set forth in Section 6, during the period from and including the date of this Agreement to and including the earlier of March 31, 2007 and the Closing Date (the "Certain Funds Period") and notwithstanding any other provision of the Credit Documents to the contrary, no Lender may refuse to lend in accordance with its obligations under this Agreement, cancel any of its Commitment, exercise any right to rescission, termination or similar right or remedy or any other right of enforcement which it may have in relation to its rights and obligations under this Agreement, accelerate, make demand or cause or require repayment or prepayment of any Loan or exercise any right of set-off or counterclaim in respect of any facility unless:

(a) any Major Default is continuing unremedied and unwaived;

(b) it is unlawful for that Lender to perform any of its obligations under the Credit Documents;

(c) any termination right which may be exercised by the Company or Holdings has arisen under the Acquisition Agreement unless the Lenders have agreed that the Company or Holdings may not exercise such right (other than such right waived consistent with Section 6.2); or

(d) a Change of Control occurs,

provided that upon the expiry of the Certain Funds Period (subject to the Clean-up Period) all such rights, remedies and entitlements shall be available to the Lenders notwithstanding that they may not have been used or been available for use during the Certain Funds Period.

SECTION 8. Representations, Warranties and Agreements

In order to induce the Lenders and Letter of Credit Issuers to enter into this Agreement, to make the Loans and issue or participate in Letters of Credit as provided for herein,

each Borrower makes the following representations and warranties to, and agreements with, the Lenders, each Agent, each Letter of Credit Issuer, all of which shall survive the execution and delivery of this Agreement and the making of the Loans and the issuance of the Letters of Credit:

The execution, delivery and performance by each of the Credit Parties of each of the Credit Documents to which it is a party, and the borrowings and extensions of credit hereunder (a) have been duly authorized by all corporate, stockholder, shareholder, limited liability company or partnership action required to be obtained by each Credit Party and (b) will not (i) violate (A) any material provision of any material law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or by-laws of any Credit Party, (B) any applicable order of any court or any rule, regulation or order of any Governmental Authority or (C) any provision of any indenture, certificate of designation for preferred stock, agreement or other instrument to which any Credit Party is a party or by which any or any of their property is or may be bound, except for any such conflict, breach or default described in this paragraph (C) that could not reasonably be expected to have a Material Adverse Effect or otherwise have a material adverse effect on the rights and remedies of the Lenders under the Credit Documents, (ii) be in conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, give rise to a right of or result in any cancellation or acceleration of any right or obligation (including any payment) or to a loss of a benefit under any such indenture, certificate of designation for preferred stock, agreement or other instrument, except for any such conflict, breach or default described in this sub-clause (ii) that could not reasonably be expected to have a Material Adverse Effect or otherwise have a material adverse effect on the rights and remedies of the Lenders under the Credit Documents, or (iii) result in the creation or imposition of any Lien upon or with respect to any material property or assets now owned or hereafter acquired by any Credit Party.

8.3. Enforceability. This Agreement has been duly executed and delivered by each Credit Party party hereto and constitutes, and each other Credit Document when executed and delivered by each Credit Party that is party thereto will constitute, a legal, valid and binding obligation of such Credit Party enforceable against each such Credit Party in accordance with its terms, subject to Debtor Relief Laws and to general principles of equity.

8.4. Governmental Approvals; Other Consents. 8.7. Use of Proceeds. The proceeds of the Loans and the issuance of Letters of Credit will be used for general corporate purposes not in contravention of any law or any Credit Document, provided that any Loans made on the Closing Date shall be used solely for working capital purposes.

8.8. Solvency. (a) (i) Immediately after giving effect to the Transactions, (A) the fair value of the assets of Holdings and its Subsidiaries on a consolidated basis, at a fair valuation, will exceed the debts and liabilities, direct, subordinated, contingent or otherwise, of Holdings and its Subsidiaries on a consolidated basis, respectively; (B) the present fair saleable value of the property of Holdings and its Subsidiaries on a consolidated basis will be greater than the amount that will be required to pay the probable liability of Holdings and its Subsidiaries on a consolidated basis on their debts and other liabilities, direct, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (C) Holdings and its Subsidiaries on a consolidated basis will be able to pay their debts and liabilities, direct, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (D) Holdings and its Subsidiaries on a consolidated basis will not have unreasonably small capital with which to conduct the businesses in which they are engaged as such businesses are now conducted and are proposed to be conducted following the Closing Date and (ii) after giving effect to the Transactions, each Credit Party (A) has not ceased, and does not expect that it will cease, making payments on its liabilities when due and (B) can, and expects that it can, obtain credit in the ordinary course of business.

SECTION 9. Affirmative Covenants

Each Borrower hereby covenants and agrees that on the Closing Date and thereafter, until the Commitments and each Letter of Credit have terminated and the Loans and Unpaid Drawings, together with interest, Fees and all other Secured Obligations incurred hereunder, are paid and performed in full:

9.1. Financial Statements. The Company will deliver to the Administrative Agent for prompt further distribution to each Lender:

(a) as soon as available, but in any event on or before the date on which such financial statements would be required to be filed with the SEC but no later than 120 days after the end of the fiscal year (or, if such financial statements are not required to be filed with the SEC, within 120 days after the end of each fiscal year of the Company) a consolidated balance sheet of the Company and its Subsidiaries as at the end of such fiscal year, and the related consolidated statements of income or operations, shareholders' equity and cash flows for such fiscal year, setting forth in each case in comparative form the figures for the previous fiscal year, all in reasonable detail and prepared in accordance with GAAP, audited and accompanied by a report and opinion of KPMG, Ernst & Young or another registered public accounting firm of internationally recognized standing reasonably acceptable to the Administrative Agent, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any "going concern" or like qualification or exception or any qualification or exception as to the scope of such audit;

(b) as soon as available, but in any event on or before the date on which such financial statements would be required to be filed with the SEC (or, if such financial statements

are not required to be filed with the SEC, within 60 days (or 90 days in the case of the fiscal quarter ending September 30, 2006) after the end of each of the first three fiscal quarters of each fiscal year of the Company) beginning with the fiscal quarter ending September 30, 2006 a consolidated balance sheet of the Company and its Subsidiaries as at the end of such fiscal quarter, and the related consolidated statements of income or operations, shareholders' equity and cash flows for such fiscal quarter and for the portion of the Company's fiscal year then ended, setting forth in each case in comparative form the figures for the corresponding fiscal quarter of the previous fiscal year and the corresponding portion of the previous fiscal year (provided that information for prior year interim periods ending prior to the Closing Date may be based on management reports), all in reasonable detail and, other than in the case of the financial statements included in the quarterly report for the fiscal quarter ended September 30, 2006, certified by the chief executive officer, chief financial officer, treasurer or controller of the Company as fairly presenting in all material respects the financial condition, results of operations, shareholders' equity and cash flows of the Company and its Subsidiaries in accordance with GAAP, subject only to normal year-end audit adjustments and the absence of footnotes. The financial statements included in the quarterly report for the fiscal quarter ended September 30, 2006 shall be prepared on the same basis as the unaudited financial statements for the six months ended June 30, 2006 included in the offering memorandum relating to the Senior Notes Offering with such pro forma adjustments thereto as management believes appropriate in relation to the allocation of costs and expenses, and shall include a statement of cash flows prepared on a consistent basis with the income statement and balance sheet;

(c) as soon as available, but in any event within, in the case of the fiscal year of the Company commencing on January 1, 2007, 120 days after the commencement of such fiscal year and, thereafter, 90 days after the commencement of each fiscal year of the Company, forecasts prepared by management of the Company, in reasonable detail as customarily prepared by management of the Company for their internal use, of consolidated balance sheets and statements of income or operations and cash flows of the Company and its Subsidiaries for such fiscal year (including the fiscal year in which the maturity date occurs).

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries and any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, constitutes a Significant Subsidiary of the Company, then the annual and quarterly financial information required by the clauses (a) and (b) above shall include either (i) a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company or (ii) stand-alone audited or unaudited financial statements, as the case may be, of such Unrestricted Subsidiary or Unrestricted Subsidiaries (as a group or otherwise) together with an unaudited reconciliation to the financial information of the Company and its Subsidiaries, which reconciliation shall include the following items: revenue, EBITDA, net income, cash, total assets, total debt, shareholders equity, capital expenditures and interest expense.

Notwithstanding the foregoing, the obligations in clauses (a) and (b) above may be satisfied with respect to financial information of the Company and its Subsidiaries by

furnishing (i) the applicable financial statements of Holdings (or any direct or indirect parent of Holdings) or (ii) the Company's or Holdings' (or any direct or indirect parent thereof), as applicable, Form 20-F or 6-K, as applicable, filed with the SEC; provided that, with respect to each of sub-clauses (i) and (ii), (A) to the extent such information relates to Holdings (or a parent thereof), such information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to Holdings (or such parent), on the one hand, and the information relating to the Company and its Subsidiaries on a standalone basis, on the other hand and (B) to the extent such information is in lieu of information required to be provided under this Section 9.1, such materials are accompanied by a report and opinion of an independent registered public accounting firm of internationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any "going concern" or like qualification or exception or any qualification or exception as to the scope of such audit.

9.2. Certificates; Other Information. The Company will deliver to the Administrative Agent for prompt further distribution to each Lender:

(a) not later than 5 Business Days after the delivery of the financial statements referred to in Section 9.1(a), a certificate of the registered public accounting firm certifying such financial statements; and

Documents required to be delivered pursuant to Section 9.1(a) or 9.1(b) above may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (a) on which Holdings or the Company posts such documents, or provides a link thereto on Holdings' or the Company's website on the internet at the website address listed on Schedule 9.2; or (b) on which such documents are posted on Holdings' or the Company's behalf on an internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that: (i) upon written request by the Administrative Agent, Holdings or the Company shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender that requests Holdings or the Company to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender and (ii) Holdings or the Company shall notify the Administrative Agent for further notification to each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance Company shall be required to provide paper copies of the Compliance Certificates to the Administrative Agent. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents.

9.3. Notices. (a) Each Borrower will, or will cause the relevant Subsidiary (other than Jilin and SSMC or any other Unrestricted Subsidiary) to, promptly after a Responsible Officer of the Company or such Subsidiary obtains knowledge thereof, notify the Administrative Agent:

(i) of the occurrence of any Default; and

(ii) of any matter that has resulted or could reasonably be expected to result in a Material Adverse Effect, including (A) breach or non-performance of, or any default under, a contractual obligation of Holdings or any Subsidiary thereof; (B) any dispute, litigation, investigation, proceeding or suspension between Holdings or any Subsidiary thereof and any Governmental Authority; or (C) the commencement of, or any material development in, any litigation or proceeding affecting Holdings or any Subsidiary thereof, including pursuant to any applicable Environmental Laws, which, in any such case, has resulted or could reasonably be expected to result in a Material Adverse Effect.

(b) Each notice pursuant to this Section 9.3 shall be accompanied by a statement of a Responsible Officer of the Company setting forth material details of the occurrence referred to therein and stating what action the Company or the relevant Subsidiary has taken and proposes to take with respect thereto.

9.4. Payment of Obligations. Each Borrower will, and will cause each of its Restricted Subsidiaries to, pay and discharge as the same shall become due and payable, all its obligations and liabilities in respect of taxes, assessments and governmental charges or levies upon it or its properties or assets, unless (a) the same are being contested in good faith by appropriate proceedings diligently conducted and adequate reserves, if any, in accordance with GAAP are being maintained by Holdings or such Restricted Subsidiary; or (b) the failure to pay or discharge the same could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.5. Preservation of Existence; Assets. Each Borrower will, and will cause each of its Restricted Subsidiaries to:

(a) preserve, renew and maintain in full force and effect its legal existence and good standing under the laws of the jurisdiction of its organization, except to the extent the failure to do so could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect;

(b) take all reasonable action to maintain all rights, privileges, permits, licenses and franchises necessary or desirable in the normal conduct of its business, except (i) to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect or (ii) pursuant to a transaction permitted by Section 10.9 or 10.10; and

(c) preserve or renew all of its registered patents, trademarks, trade names and service marks, the non preservation of which could reasonably be expected to have a Material Adverse Effect.

9.6. Maintenance of Properties. Each Borrower will, and will cause each of its Restricted Subsidiaries to, maintain, preserve and protect all of its material properties and equipment necessary in the operation of its business in good working order and condition, ordinary wear and tear excepted and casualty and condemnation excepted, and make all necessary repairs thereto and renewals and replacements thereof (in accordance with prudent industry practice) except where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

9.7. Maintenance of Insurance. Each Borrower will, and will cause each of its Restricted Subsidiaries to, maintain with financially sound and reputable insurance companies, insurance with respect to its properties and business against loss or damage of the kinds customarily insured against by persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated persons engaged in the same or similar businesses as the Company and its Restricted Subsidiaries) as are customarily carried under similar circumstances by such other persons.

9.8. Compliance with Laws. Each Borrower will, and will cause each of its Restricted Subsidiaries to, comply in all material respects with the requirements of all laws and all orders, writs, injunctions and decrees applicable to it or to its business or property, except in such instances in which (a) such requirement of law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted; or (b) the failure to comply therewith could not reasonably be expected to have a Material Adverse Effect. Without limitation of the foregoing, Holdings and each of its Restricted Subsidiaries shall at all times comply (i) with all applicable provisions of law and all applicable regulations and published interpretations thereunder with respect to any employee pension benefit plan or other social security and employee benefit plan governed by the laws in any jurisdiction in which it operates and (ii) with the terms of any such plan (including funding obligations thereunder), except, in each case, for (x) such requirement of law, applicable regulation, published interpretations or plan term is being contested in good faith by appropriate proceeding diligently conducted; or (y) such noncompliance that could not reasonably be expected to have a Material Adverse Effect.

9.9. Inspection Rights. Each Borrower will, and will cause each of its Restricted Subsidiaries to, permit representatives and independent contractors of the Administrative Agent and the Required Lenders to visit and inspect any of its properties, to examine its corporate, financial and operating records, and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants, at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to Holdings; provided, however, that, excluding any such visits and inspections during the continuation of an Event of Default, only the Administrative Agent on behalf of the Lenders may exercise rights of the Administrative Agent and the Required Lenders under this Section 9.9 and the Administrative Agent shall not exercise such rights more often than two times during any calendar year absent the existence of an Event of Default and for one such time the reasonable expenses of the Administrative Agent in connection with such visit and inspection shall be for the Company's account; provided further that when an Event Of Default exists the Administrative Agent or any Lender (or any of their respective representatives or independent

contractors) may do any of the foregoing at the reasonable expense of the Company at any time during normal business hours and upon reasonable advance notice.

9.10. Use of Proceeds. Each Borrower will use the proceeds of the extensions of credit under this Agreement for general corporate purposes not in contravention of any law or any Credit Document.

9.11. Guarantees by Holdings and Restricted Subsidiaries. (a) Subject to the Agreed Security Principles, all existing Wholly Owned Subsidiaries (other than an Immaterial Subsidiary and the Co-Borrower) will fully and unconditionally guarantee this Agreement. If the Company or any of its Restricted Subsidiaries acquires or creates a Wholly Owned Subsidiary (other than an Immaterial Subsidiary) after the Closing Date and the issuance of a Guarantee by such Guarantor is not precluded by the Agreed Security Principles, the new Restricted Subsidiary must, within 30 days (or such longer period as the Administrative Agent may agree in writing) after becoming a Restricted Subsidiary, provide a Guarantee of this Agreement by executing a supplement to the Guaranty in the form attached thereto.

(b) The obligations of each Guarantor under the Guaranty will be limited to the maximum amount that would not render the Guarantors obligations subject to avoidance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of foreign or state law.

(c) The obligations of a Guarantor under the Guaranty will terminate upon:

(i) a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary), in each case, as permitted by this Agreement;

(ii) the designation in accordance with this Agreement of the Guarantor as an Unrestricted Subsidiary;

(iii) to the extent that the Guarantor is not an Immaterial Subsidiary due to the operation of clause (a) of the definition of “Immaterial Subsidiary”, upon the release of the guarantee referred to in such clause; or

(iv) repayment in full of all amounts due and payable under the Credit Documents and cancellation of Commitments hereunder.

9.12. Additional Liens and Security Interests. (a) Subject to the Agreed Security Principles, within 60 days (or such longer period as the Administrative Agent may agree in writing) after (i) any Restricted Subsidiary becomes a Guarantor in accordance with Section 9.11 or (ii) any Credit Party acquires any material property that is not automatically subject to a perfected security interest under the Security Documents, the relevant Credit Party shall, in each case at its sole cost and expense, duly execute and deliver to the Administrative Agent such mortgages, security agreement supplements and other security documents, as reasonably

specified by and in form and substance reasonably satisfactory to the Administrative Agent (in form and scope, and covering such collateral on such terms, in each case consistent with the mortgages, security agreements and other security documents in effect on the Closing Date), granting a security interest in favor of the Secured Parties, and take such additional actions (including the giving of notices, the filing of statements and the provision of all instruments and documents reasonably requested by the Administrative Agent) to perfect and protect the security interests of the Secured Parties under the Security Documents. Notwithstanding the foregoing, no Credit Party shall be required to provide a security interest pursuant to this Section 9.12 (x) except as provided in Section 9.16, in cash or bank accounts prior to the occurrence of an Enforcement Event, (y) if the Agreed Security Principles would not so require or (z) over assets or properties that are not subject to Liens under the Security Documents specifically set forth on Schedule 1.1(e) (whether or not such Security Documents shall have been executed on the Closing Date) as a result of the application of the Agreed Security Principles. Any security interest provided pursuant to this Section 9.12 shall be accompanied with such opinions of counsel to the Company as customarily given by borrower’s counsel in the relevant jurisdiction, in form and substance customary for such jurisdiction. The Company will use reasonable endeavors to procure that its counsel in any relevant jurisdiction provides a legal opinion in respect of any such security interest.

(b) The obligations of a Credit Party under the Security Documents to which it is a party will terminate upon:

(i) such Credit Party ceasing to be a Guarantor in accordance with Section 9.1l(c);

(ii) except in the case of Holdings, the designation in accordance with this Agreement of such Credit Party as an Unrestricted Subsidiary; or

(iii) payment and performance in full of the Secured Obligations and the cancellation of Commitments hereunder.

(c) The assets or property of a Credit Party forming part of the Collateral shall be released from the Lien created under any Security Document to which such Credit Party is a party upon the sale or disposition of such assets or property (other than to the Company or a Restricted Subsidiary) in a transaction permitted by this Agreement (other than a sale or disposition subject to Section 10.9 or 10.10(c)).

9.13. Further Assurances. Subject to the Agreed Security Principles, promptly upon request by the Administrative Agent, (a) correct any material defect or error that may be discovered in any Credit Document or in the execution, acknowledgment, filing or recordation thereof, and (b) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances and other instruments as the Administrative Agent, may reasonably require from time to time in order to carry out more effectively the purposes of any Credit Document.

9.14. Insurance Endorsements. Within 10 Business Days (or 30 days in the case of the Guarantor organized under the laws of Thailand) after the Closing Date and the end of each calendar year, the Lenders shall have received endorsements naming the relevant Collateral Agent, on behalf of the Lenders, as an additional insured or loss payee, as the case may be, under all material insurance policies to be renewed following the Closing Date or entered into prior to the end of such fiscal year with respect to the properties of Holdings and its Subsidiaries forming part of the Collateral.

9.15. Equal and Ratable Security. In the event that assets of the Guarantor organized under the laws of the Philippines or the Capital Stock in such Guarantor are provided as security (other than through sharing the benefit of any conditional assignment granted by such a Guarantor on the Closing Date) for Indebtedness referred to in Section 10. l(b)(i), 10.1(b)(iv), 10.1(b)(xi) or 10.1(b)(xiii) in excess of an aggregate of €25,000,000, then the Company shall, or shall cause the relevant Restricted Subsidiary to, provide that the obligations of the Borrowers under the Credit Documents are secured equally and ratably with all the Indebtedness that causes that threshold to be exceeded, for so long as such Indebtedness is so secured.

9.16. Security Over Cash and Bank Accounts. (a) On or before the Closing Date the Company shall establish bank accounts held, in each case, with the Global Collateral Agent in London and denominated in US Dollars, Euros and Sterling (each an "Initial Secured Account" and together the "Initial Secured Accounts") and shall, on the Closing Date, deposit a nominal amount into each Initial Secured Account.

(a) Upon the occurrence and during the continuance of an Enforcement Event the Company shall, and shall procure that each of its Restricted Subsidiaries shall (i) pay the proceeds of the sale or collection of Collateral to a bank account or bank accounts that do not contain other cash of the Company or the relevant Restricted Subsidiary (as the case may be) that is not the proceeds of Collateral, (ii) not commingle the proceeds of Collateral with other cash of the Company or the relevant Restricted Subsidiary and (iii) pay the proceeds of Collateral denominated in US Dollars, Sterling and Euros that are paid to, or received by, the Company or a Restricted Subsidiary promptly to the relevant Initial Secured Account and, to the extent practicable, direct counterparties to pay the proceeds of Collateral directly to the relevant Initial Secured Account.

(b) Upon the occurrence and during the continuance of an Enforcement Event, the Company shall, and shall procure that each of its Restricted Subsidiaries shall, grant, subject to the Agreed Security Principles, a perfected Lien in all bank accounts held by the Company or any Restricted Subsidiary to which proceeds of Collateral are paid, to the extent of the proceeds of such Collateral (any such account, an "Additional Secured Account", and together with the Initial Secured Accounts, the "Secured Accounts"); provided that, to the extent any of the Additional Secured Accounts are or become part of the bank accounts used in the cash management system of the Company, the Company and its Restricted Subsidiaries shall each be entitled to grant a Lien over the Additional Secured Accounts in favor of the bank providing cash management facilities to secure the Company's obligations to such bank, which Lien shall rank equally and ratably with the Lien created in favor of the Global Collateral Agent.

SECTION 10. Negative Covenants

Holdings and each Borrower hereby covenants and agrees that on the Closing Date and thereafter, until the Commitments and each Letter of Credit have terminated and the Loans and Unpaid Drawings, together with interest, Fees and all other Secured Obligations incurred hereunder, are paid and performed in full:

10.1. Limitation on Indebtedness. (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); provided, however, that after the expiry of the Bridge Period the Company and any of the Guarantors may Incur Indebtedness if on the date of such Incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), the Fixed Charge Coverage Ratio for the Company and its Restricted Subsidiaries is greater than 2.00 to 1.0.

(b) Clause (a) will not prohibit the Incurrence of the following Indebtedness:

(i) Indebtedness Incurred pursuant to any Credit Facility (including in respect of letters of credit or bankers' acceptances issued or created thereunder), and any Refinancing Indebtedness in respect thereof and Guarantees in respect of such Indebtedness in a maximum aggregate principal amount at any time outstanding not exceeding (A) €750,000,000, plus (B) in the case of any refinancing of any Indebtedness permitted under this sub-clause (i) or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses Incurred in connection with such refinancing;

(ii) (A) (1) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Guarantor and (2) co-issuance by the Co-Borrower of any Indebtedness of the Company, in each case so long as the Incurrence of such Indebtedness is permitted under this Agreement; or

(B) without limiting Section 10.3, Indebtedness arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Company or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is permitted under this Agreement;

(iii) Indebtedness of the Company owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Company or any Restricted Subsidiary; provided, however, that:

(A) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(B) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(iv) Indebtedness represented by (A) the Bridge Loans issued on the Closing Date and exchange notes issued in respect thereof or the Senior Notes issued on or after the Closing Date, (B) any Indebtedness (other than Indebtedness described in sub-clauses (i) and (iii) above) outstanding on the Closing Date, (C) Refinancing Indebtedness Incurred in respect of any Indebtedness described in this sub-clause (iv) or sub-clauses (v), (vii), or (xi) below or Incurred pursuant to clause (a) above, (D) Management Advances and (E) obligations arising under a declaration of joint and several liability in respect of a Restricted Subsidiary used for the purpose of section 2:403 of the Dutch Civil Code *(Burgerlijk Wetboek)* (and any residual liability under such declaration arising pursuant to section 2:404(2) of the Dutch Civil Code) to the extent that such obligations constitute Indebtedness;

(v) Indebtedness of any Person Incurred and outstanding on the date on which such Person becomes a Restricted Subsidiary of the Company or another Restricted Subsidiary of the Company or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary (other than Indebtedness Incurred (A) to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary or (B) otherwise in connection with or contemplation of such acquisition); provided, however, with respect to this sub-clause (v), that at the time of such acquisition or other transaction (x) the Company would have

been able to Incur €1.00 of additional Indebtedness pursuant to clause (a) above after giving effect to the Incurrence of such Indebtedness pursuant to this sub-clause (v), or (y) the Fixed Charge Coverage Ratio would not be lower than it was immediately prior to giving effect to such acquisition or other transaction;

(vi) Indebtedness under Currency Agreements, Interest Rate Agreements and Commodity Hedging Agreements entered into for bona fide hedging purposes of the Company or its Restricted Subsidiaries and not for speculative purposes (as determined in good faith by the Board of Directors or senior management of the Company);

(vii) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations, and in each case any Refinancing Indebtedness in respect thereof, in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this sub-clause (vii) and then outstanding, will not exceed at any time outstanding the greater of (A) €100,000,000 and (B) 1% of Total Assets;

(viii) Indebtedness in respect of (A) workers' compensation claims, self-insurance obligations, performance, indemnity, surety, judgment, appeal, advance payment, customs, VAT or other tax or other guarantees or other similar bonds,

instruments or obligations and completion guarantees and warranties provided by the Company or a Restricted Subsidiary or relating to liabilities, obligations or guarantees Incurred in the ordinary course of business, (B) letters of credit, bankers' acceptances, guarantees or other similar instruments or obligations issued or relating to liabilities or obligations Incurred in the ordinary course of business, (C) the financing of insurance premiums in the ordinary course of business and (D) any customary cash management, cash pooling or netting or setting off arrangements in the ordinary course of business;

(ix) Indebtedness arising from agreements providing for customary guarantees, indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Capital Stock of a Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring or disposing of such business or assets or such Subsidiary for the purpose of financing such acquisition or disposition); provided that the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the fair market value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(x) (A) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within five Business Days of Incurrence;

(B) Customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business;

(C) Indebtedness owed on a short-term basis of no longer than 30 days to banks and other financial institutions incurred in the ordinary course of business of the Company and its Restricted Subsidiaries with such banks or financial institutions that arises in connection with ordinary banking arrangements to manage cash balances of the Company and its Restricted Subsidiaries; and

(D) Indebtedness incurred by a Restricted Subsidiary in connection with bankers acceptances, discounted bills of exchange or the discounting or factoring of receivables for credit management purposes, in each case incurred or undertaken in the ordinary course of business on arm's length commercial terms on a recourse basis;

(xi) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this sub-clause (xi) and then outstanding, will not exceed €450,000,000;

(xii) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this sub-clause (xii) and then outstanding, will not exceed 100% of the Net Cash Proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock (other than Disqualified Stock, Designated Preference Shares or an Excluded Contribution) or otherwise contributed to the equity (other than through the issuance of Disqualified Stock, Designated Preference Shares or an Excluded Contribution) of the Company, in each case, subsequent to the Closing Date; provided, however, that (A) any such Net Cash Proceeds that are so received or contributed shall be excluded for purposes of making Restricted Payments under clause (a) above and Sections 10.2(c)(i), (vi), and (x) to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon, and (B) any Net Cash Proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this sub-clause (xii) to the extent the Company or any of its Restricted Subsidiaries makes a Restricted Payment under Section 10.2 and Sections 10.2(c)(i), (vi), and (x) in reliance thereon;

(xiii) Indebtedness of Non-Guarantor Restricted Subsidiaries incurred as a result of (A) any governmental or regulatory restrictions, limitations or penalties in the nature of capital controls, exchange controls or similar restrictions affecting the incurrence or repayment of intercompany Indebtedness by any Restricted Subsidiary or (B) any ordinary course country risk management policies of the Company restricting or limiting transfers or distributions from the Company or any Restricted Subsidiary to the Company or any Restricted Subsidiary, provided that the principal amount of such Indebtedness so incurred when aggregated with other Indebtedness previously incurred in reliance on this sub-clause (xiii) and still outstanding shall not in the aggregate exceed €350,000,000; and

(xiv) the guarantee by the Company or a Restricted Subsidiary of Debt of any Person in which the Company or a Restricted Subsidiary has beneficial ownership of 15% or more of the Voting Stock in respect of performance, bid or surety bonds issued by or on behalf of any such Person in the

ordinary course of business in an aggregate amount, together with all other guarantees of the Company outstanding pursuant to this sub-clause (xiv) on the date of such incurrence, not to exceed €15,000,000.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 10.1:

(i) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in clauses (a) and (b) above, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the sub-clauses of clause (b) or clause (a);

(ii) all Indebtedness outstanding on the Closing Date under this Agreement shall be deemed initially Incurred on the Closing Date under clause (b)(i) above and not

clause (a) or clause (b)(v)(B) above, and may not be reclassified pursuant to sub-clause (i) above;

(iii) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(iv) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clause (b)(i), (vii), (xi), (xii) or (xiii) or clause (a) above and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(v) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(vi) Indebtedness permitted by this covenant need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and

(vii) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

(d) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 10.1.

(e) The amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (ii) the principal amount, or liquidation preference thereof, in the case of any other Indebtedness.

(f) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 10.1 the Company shall be in Default of this covenant).

(g) For purposes of determining compliance with any euro-denominated restriction on the Incurrence of Indebtedness, the Base Currency Equivalent of the principal

amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or, at the option of the Company, first committed, in the case of Indebtedness Incurred under a revolving credit facility; provided that (i) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than euros, and such refinancing would cause the applicable euro-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such euro-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (ii) the Base Currency Equivalent of the principal amount of any such Indebtedness outstanding on the Closing Date shall be calculated based on the relevant currency exchange rate in effect on the Closing Date; and (iii) if and for so long as any such Indebtedness is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the amount of such Indebtedness, if denominated in euros, will be the amount of the principal payment required to be made under such Currency Agreement and, otherwise, the Base Currency Equivalent of such amount plus the Base Currency Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

(h) Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 10.1 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(i) If the Company adopts the US Dollars as its reporting currency, it may elect irrevocably to convert all Euro-denominated restrictions into US Dollar-denominated restrictions at the applicable Exchange Rate prevailing on the date of such election, and all references in this Agreement to determining Base Currency Equivalents and Base Currency amounts shall apply mutatis mutandis as though referring to US Dollars.

10.2. Limitation on Restricted Payments. (a) The Company will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(i) declare or pay any dividend or make any distribution on or in respect of the Company's or any Restricted Subsidiary's Capital Stock (including any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) except:

(A) dividends or distributions payable in Capital Stock of the Company (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Company or in Subordinated Shareholder Funding; and

(B) dividends or distributions payable to the Company or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Company or another Restricted Subsidiary on no more than a pro rata basis, measured by value);

(ii) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Company or any direct or indirect Parent of the Company held by Persons other than the Company or a Restricted Subsidiary of the Company (other than in exchange for Capital Stock of the Company (other than Disqualified Stock));

(iii) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (A) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement or in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement and (B) any Indebtedness Incurred pursuant to Section 10.1(b)(iii)) or any Subordinated Shareholder Funding; or

(iv) make any Restricted Investment in any Person;

(any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in sub-clauses (i) through (iv) above are referred to herein as a "Restricted Payment"), in the case of any payment described in sub-clauses (i), (ii) or (iii) at any time during the Bridge Period. If such payment is a Restricted Investment or, in the case of any such payment after the expiry of the Bridge Period, such payment may be made unless, at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(A) a Default shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) the Fixed Charge Coverage Ratio would not exceed 2.00 to 1.00 after giving effect, on a pro forma basis, to such Restricted Payment; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Closing Date (and not returned or rescinded) (including Permitted Payments permitted below by clauses (c)(vi), (x), (xi), and (xii), but excluding all other Restricted Payments permitted by clause (c)) would exceed the sum of (without duplication):

(1) 50% of Consolidated Net Income for the period (treated as one accounting period) from the first day of the first fiscal quarter commencing after the Closing Date to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which

internal consolidated financial statements of the Company are available (or, in the case such Consolidated Net Income is a deficit, minus 100% of such deficit);

(2) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with clause (b) below) of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding subsequent to the Closing Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Company subsequent to the Closing Date (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on clause (c)(vi) below, and (z) Excluded Contributions);

(3) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with clause (b) below) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Closing Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Funding (plus the amount of any cash, and the fair market value (as determined in accordance with clause (b) below) of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange);

(4) the amount equal to the net reduction in Restricted Investments made by the Company or any of its Restricted Subsidiaries resulting from:

(a) repurchases, redemptions or other acquisitions or retirements of any such Restricted Investment, proceeds realized upon the sale or other disposition to a Person other than the Company or a Restricted

Subsidiary of any such Restricted Investment, repayments of loans or advances or other transfers of assets (including by way of dividend, distribution, interest payments or returns of capital) to the Company or any Restricted Subsidiary; or

(b) the redesignation of Unrestricted Subsidiaries as Restricted Subsidiaries (valued, in each case, as provided in the definition of "Investment") not to exceed, in the case of any Unrestricted Subsidiary, the amount of Investments previously made by the Company or any Restricted Subsidiary in such Unrestricted Subsidiary, which amount, in each case under this sub-paragraph (4), was included in the calculation of the amount of Restricted Payments; provided, however, that no amount will be included in Consolidated Net Income for purposes of sub-paragraph (1) above to the extent that it is (at the Company's option) included under this sub-paragraph (4); and

(5) the amount of the cash and fair market value (as determined in accordance with the next succeeding paragraph) of property or assets or of marketable securities received by the Company or any of its Restricted Subsidiaries in connection with:

(a) the sale or other disposition (other than to the Company or a Restricted Subsidiary or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary) of Capital Stock of an Unrestricted Subsidiary of the Company; and

(b) any dividend or distribution made by an Unrestricted Subsidiary or Affiliate to the Company or a Restricted Subsidiary;

provided, however, that no amount will be included in Consolidated Net Income for purposes of sub-paragraph (1) above to the extent that it is (at the Company's option) included under this sub-paragraph (5) above; provided further, however, that such amount shall not exceed the amount included in the calculation of the amount of Restricted Payments.

(b) The fair market value of property or assets other than cash covered by clause (a) above shall be the fair market value thereof as determined in good faith by the Board of Directors of the Company or the relevant Restricted Subsidiary.

(c) Clause (a) above will not prohibit any of the following (collectively, "Permitted Payments"):

(i) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock, Disqualified Stock, Designated Preference Shares, Subordinated Shareholder Funding or Subordinated Indebtedness made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Company (other than Disqualified Stock or Designated Preference Shares), Subordinated Shareholder Funding or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares or through an Excluded Contribution) of the Company; provided, however, that to the extent so applied, the Net Cash Proceeds, or fair market value (as determined in accordance with the preceding sentence) of property or assets or of marketable securities, from such sale of Capital Stock, Subordinated Shareholder Funding or such contribution will be excluded from clause (a)(iv)(C)(2) above;

(ii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness made by exchange for, or out of the proceeds of the substantially concurrent sale of, Refinancing Indebtedness permitted to be Incurred pursuant to Section 10.1;

(iii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Preferred Stock of the Company or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Preferred Stock of the Company or a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be Incurred pursuant to Section 10.1, and that in each case, constitutes Refinancing Indebtedness;

(iv) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness:

(A) (1) from Net Available Cash to the extent permitted under Section 10.5, but only if the Company shall have first complied with Section 10.5 and purchased all Loans tendered pursuant to any offer to repurchase all the Loans required thereby, prior to purchasing, repurchasing, redeeming, defeasing or otherwise acquiring or retiring such Subordinated Indebtedness and (2) at a purchase price not greater than 100% of the principal amount of such Subordinated Indebtedness plus accrued and unpaid interest;

(B) to the extent required by the agreement governing such Subordinated Indebtedness, following the occurrence of a Change of Control (or other similar event described therein as a "change of control"), but only (1) if the Company shall have first paid in full all amounts due under this Agreement as a result of such Change of Control and purchased all Loans tendered pursuant to the

offer to repurchase all the Loans required thereby, prior to purchasing, repurchasing, redeeming, defeasing or otherwise acquiring or retiring such Subordinated Indebtedness and (2) at a purchase price not greater than 101% of the principal amount of such Subordinated Indebtedness plus accrued and unpaid interest; or

(C) (1) consisting of Acquired Indebtedness (other than Indebtedness Incurred (x) to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary or (y) otherwise in connection with or contemplation of such acquisition) and (2) at a purchase price not greater than 100% of the principal amount of such Subordinated Indebtedness plus accrued and unpaid interest and any premium required by the terms of any Acquired Indebtedness;

(v) any dividends paid within 60 days after the date of declaration if at such date of declaration such dividend would have complied with this provision;

(iii) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness of a Restricted Subsidiary), (1) to prepay, repay or purchase any Indebtedness of a non-Guarantor Restricted Subsidiary (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary) or Indebtedness under this Agreement within 365 days from the later of (x) the date of such Asset Disposition and (y) the receipt of such Net Available Cash; provided, however, that such prepayment shall only be required after the Company and the Co-Borrower have complied with Section 10.5(b)(ii) and in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this paragraph (A), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of this Agreement) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or (2) to prepay, repay or purchase Pari Passu Indebtedness at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment or purchase; provided that the Company shall redeem, repay or repurchase Pari Passu Indebtedness pursuant to this sub-paragraph (2) only if the Company makes (at such time or subsequently in compliance with this Section 10.5) an offer to Lenders to purchase Loans in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Loans at least equal to the proportion that (x) the total aggregate principal amount of Loans outstanding bears to (y) the sum of the total aggregate principal amount of Loans outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; or

(B) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted

Subsidiary) within 365 days from the later of (1) the date of such Asset Disposition and (2) the receipt of such Net Available Cash; provided, however, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; provided that to the extent that any disposition in such Asset Sale was of Collateral, the assets (including Voting Stock) acquired with the Net Cash Proceeds thereof shall, subject to the Agreed Security Principles, be pledged as Collateral under the Security Documents substantially simultaneously with such acquisition; provided further that neither the Company nor any Restricted Subsidiary shall be entitled to rely on the Agreed Security Principles so as not to provide security over the assets so acquired to the extent that it would result in more than 60% of the fair market value of the assets so acquired (as determined on the date of the acquisition thereof) not being subject to security interests (perfected to the extent required by the Security

Documents specifically set forth on Schedule 1.1 (e) or otherwise in accordance with the Agreed Security Principles);

provided that, pending the final application of any such Net Available Cash in accordance with paragraph (A)(l) or paragraph (B) above, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Agreement.

(b) (i) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in clause (a) above will be deemed to constitute "Excess Proceeds." On the 366th day after an Asset Disposition, if the aggregate amount of Excess Proceeds exceeds €50,000,000, the Borrowers will, subject to sub-clause (ii) below, be required to make an offer ("Asset Disposition Offer"') to all Lenders and, to the extent the Company elects, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Loans and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Loans in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Loans and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth herein or the agreements governing the Pari Passu Indebtedness, as applicable.

(ii) The Borrowers shall only be required to make an Asset Disposition Offer to Lenders and apply any Excess Proceeds to purchase Loans after the Company and the Co-Borrower have (A) during the Bridge Period, complied with any mandatory prepayment obligations under each of the Bridge Facilities and (B) after the Bridge Period has expired, at the election of the Company and the Co-Borrower, prepaid, repaid or repurchased Indebtedness under the Note Indentures in respect of the Senior Notes, and, in each case, then only to the extent of the Excess Proceeds available after the Company and the Co-Borrower have complied with such obligations or made such prepayment, repayment or repurchase (as the case may be).

(c) To the extent that the aggregate amount of Loans and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to the other provisions of this Agreement. If the aggregate principal amount of the Loans surrendered in any Asset Disposition Offer by Lenders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Loans and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Loans and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in the Base Currency, such Indebtedness shall be calculated by converting any such principal amounts into their Base Currency Equivalent determined as of a date selected by the Company that is within the Asset Disposition Offer Period (as defined in clause (e) below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(d) To the extent that any portion of Net Available Cash payable in respect of the Loans is denominated in a currency other than the currency in which the relevant Loans are denominated, the amount thereof payable in respect of such Loans shall not exceed the net amount of funds in the currency in which such Loans are denominated that is actually received by the Company upon converting such portion into such currency.

(e) The Asset Disposition Offer will remain open for a period of not less than 20 Business Days following its commencement (the "Asset Disposition Offer Period"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "Asset Disposition Purchase Date"), the Borrowers will purchase the principal amount of Loans and, to the extent they elect, Pari Passu Indebtedness required to be purchased pursuant to this covenant (the "Asset Disposition Offer Amount") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Loans and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(f) On or before the Asset Disposition Purchase Date, the Borrowers will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Loans and Pari Passu Indebtedness or portions of Loans and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Loans and Pari Passu Indebtedness so validly tendered and not properly withdrawn. The Company will deliver to the Administrative Agent an Officer's Certificate stating that such Loans or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 10.5. The relevant Borrowers will promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) pay to the Administrative Agent for the account of each tendering Lender an amount equal to the purchase price of the Loans so validly tendered and not properly withdrawn by such Lender, and accepted by the Borrowers for purchase.

(g) For the purposes of clause (a)(ii) above, the following will be deemed to be cash:

No Agent nor any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrower, any Guarantor, any other Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or any Collateral Agent under or in connection with, this Agreement or any other Credit Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document or for any failure of the Borrower, any Guarantor or any other Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party.

12.4. Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to any Credit Party), independent accountants and other experts selected by such Agent. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders (or such greater number or percentage of Lenders as may be expressly required by this Agreement in any instance), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

12.5. Notice of Default. In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

12.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that no Agent nor any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by any Agent hereinafter taken, including any review of the affairs of a Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender or any Letter of Credit Issuer. Each Lender and Letter of Credit Issuer represents to each Agent that it has, independently and without reliance upon such Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of each Borrower, any Guarantor and any other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time,

continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any Borrower, any Guarantor and any other Credit Party. Except for notices, reports and other documents expressly required to be famished to the Lenders by the Administrative Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Borrower, any Guarantor or any other Credit Party that may come into the possession of such Agent any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliate.

12.7. Indemnification. The Lenders agree to indemnify each Agent, each in its capacity as such (to the extent not reimbursed by any Credit Party and without limiting the obligation of any Credit Party to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct; it being acknowledged and agreed that no action taken in accordance with the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall constitute gross negligence or willful misconduct. The agreements in this Section 12.7 shall survive termination of the Commitment, the repayment of the Loans and all other amounts payable hereunder.

12.8. Agents in their Individual Capacity. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Borrower, any Guarantor, and any other Credit Party as though it were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9. Successor Agents. The Administrative Agent may resign as Administrative Agent upon 20 days' prior written notice to the Lenders and the Borrowers. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor Administrative Agent which successor agent shall be approved by the Company (which approval

shall not be unreasonably withheld or delayed) so long as no Default or Event of Default is continuing. If no successor agent has accepted appointment as the Administrative Agent by the date which is twenty (20) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor (or upon the Lenders assuming such role as provided above) and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Security Documents, and such other instruments or notices, as may be necessary or desirable, as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Security Documents or (b) otherwise ensure that the requirements set forth in Section 9.11 are satisfied, the Administrative Agent shall thereupon succeed to the rights, powers and duties of the Administrative Agent and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 12 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Credit Documents..

12.10. Withholding Tax and Deductions. To the extent required by any applicable Law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by a Credit Party and without limiting the obligation of any Credit Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

12.11. Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or Unpaid Drawing shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Unpaid Drawings and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Letter of Credit Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, Letter of Credit Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, Letter of Credit Issuers and the Administrative Agent under Sections 4.1 and 14.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Letter of Credit to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and Letter of Credit Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 4.1 and 14.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Letter of Credit Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or Letter of Credit Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

12.12. Joint and Several Claims. Each of the Agents, Lenders and Letter of Credit Issuers hereby agree that as regards any Collateral located in or related to the Republic of China, the Taiwan Collateral Agent shall be deemed to be a creditor jointly and severally with each of them with respect to the rights and claims against the Credit Parties hereunder and under any of the other Credit Documents pursuant to Article 283 of the Republic of China Civil Code and that the Taiwan Collateral Agent shall be entitled to exercise and pursue all such rights and claims against the Credit Parties in its capacity as a joint and several creditor and for the joint and several benefit of the Agents, Lenders and Letter of Credit Issuers.

(a) Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, supplemented, modified or waived except in accordance with the provisions of this Section 13.2. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent may, from time to time (i) enter into with the relevant Credit Party or Credit Parties written amendments, supplements, modifications or waivers hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (ii) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement, modification or waiver shall directly (A) forgive or reduce or waive any portion of any Loan or L/C Advance or extend the final scheduled maturity date of any Loan or any L/C Advance or reduce the stated rate (it being understood that any change to the definition of Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction in the rate and only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrowers to pay interest at the "default rate" or amend Section 2.8), or forgive any portion, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Lender's Commitment or extend the final expiration date of any Letter of Credit beyond the L/C Maturity Date, or increase the aggregate amount of the Commitments of any Lender, or amend or modify any provisions of Section 5.3(a) (with respect to the ratable allocation of any payments only) and 13.11(a), in each case without the written consent of each Lender directly and adversely affected thereby, (B) amend, modify or waive any provision of this Section 13.2 or reduce the percentages specified in the definitions of the terms "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, or consent to the assignment or transfer by any Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Sections 10.9 or 10.10), (in any such case) without the written consent of each Lender, (C) amend Section 2.14 or the definition of "Alternative Currency" in each case without the written consent of each Lender directly and adversely affected thereby, (D) amend, modify or waive any provision of Section 12 without the written consent of each Agent, (E) in addition to the Lenders required above, amend, modify or waive any provision hereof relating to a Letter of Credit Issuer or to

any Letter of Credit without the written consent of each Letter of Credit Issuer, or (F) release all or substantially all of the Guarantors under the Guaranty (except as expressly permitted by the Guaranty) or release all or substantially all of the Collateral under any of the Security Documents, without the prior written consent of each Lender and each Letter of Credit Issuer, or (G) amend Section 2.9 so as to permit Interest Periods of greater than six months without the written consent of each Lender directly and adversely affected thereby, or (H) affect the rights, duties, privileges, liabilities or obligations of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or the other Credit Documents, without the written consent of the Administrative Agent. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrowers, the Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, the Borrowers, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

(b) Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

(c) In the event that any covenant contained in any Note Indenture is amended, varied, modified, supplemented or replaced as a result of negotiations with potential investors in the Senior Notes prior to the issue date of such Senior Notes, the Lenders or the Company shall have the right to require that the corresponding covenant herein is so amended, varied, modified, supplemented or replaced and the Borrowers and the Lenders shall promptly execute such documents as may be required to give effect to any such amendment, variation, modification, supplement or replacement.

13.3. Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to a Borrower, the Administrative Agent, any Collateral Agent or any Letter of Credit Issuer, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

13.4. No Waiver: Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, a Collateral Agent, any Lender or any Letter of Credit Issuer, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

13.5. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and the issuance of Letters of Credit hereunder.

13.6. Payment of Expenses and Taxes. The Company and the Co-Borrower jointly and severally agree (a) to pay or reimburse the Agents for all their reasonable out-of- pocket costs and expenses incurred after the Closing Date in connection with any amendment, supplement or modification to, this Agreement and the other Credit Documents and any other documents prepared in connection therewith including the reasonable fees, disbursements and other charges of the Administrative Agent's counsel, (b) to pay or reimburse each Lender, Agent and Letters of Credit Issuers for all its reasonable and documented costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of counsel to each Lender, the Agents and each Letter of Credit Issuer, (c) subject to the Agreed Security Principles, to pay, indemnify, and hold harmless each Lender, each Letter of Credit Issuer and Agent from, any and all recording and filing fees incurred on or after the Closing Date and (d) to pay, indemnify, and hold harmless each Lender, Letter of Credit Issuer and Agent and their respective directors, officers, employees, advisors and agents from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including

reasonable and documented fees, disbursements and other charges of counsel, with respect to the enforcement, performance and (except in the case of each Agent and Letter of Credit Issuer) administration of this Agreement, the other Credit Documents and any such other documents, including, without limitation, any of the foregoing relating to any violation of, noncompliance with or liability under, any Environmental Law or to any actual or alleged presence, release or threatened release of Hazardous Materials involving or attributable to the operations of any Borrower, any of its Subsidiaries (all the foregoing in this clause (d), collectively, the "indemnified liabilities"), provided that the Company and the Co-Borrower shall have no obligation hereunder to the Administrative Agent, any Lender or any Letter of Credit Issuer nor any of their respective Related Parties with respect to indemnified liabilities to the extent attributable to (i) the gross negligence or willful misconduct of the party to be indemnified or any of its Related Parties or (ii) disputes among the Administrative Agent, the Lenders, the Letters of Credit Issuers and/or their transferees. All amounts payable under this Section 13.6 shall be paid within ten Business Days of receipt by the Company or the Co-Borrower (as the case may be) of an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.6 shall survive resignation of any Agent, the replacement of any Lender or Letter of Credit Issuer, the termination of the Total Commitments and repayment of the Loans and all other amounts payable hereunder.

13.7. Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Letter of Credit Issuer that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower or without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.7. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Letter of Credit Issuer that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 13.7) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Letter of Credit Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not be unreasonably withheld or delayed; it being understood that, without limitation, the Company shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable Law, the Company would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Company (which consent shall not be unreasonably withheld or delayed), provided that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Agent or an Affiliate of an

Agent (unless increased costs would result therefrom except if an Event of Default under Section 11.1(a), (b) or, with respect to any Credit Party, (g) has occurred and is continuing), an Approved Fund or, if an Event of Default under Section 11.1(a), (b) or, with respect to any Credit Party, (g) has occurred and is continuing, any other assignee; and

(B) the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and the Letter of Credit Issuers, provided that no consent of the Administrative Agent or any Letter of Credit Issuer, as applicable, shall be required for an assignment of (1) any Commitment to an assignee that is a Lender or (2) any Loan to a Lender, an Affiliate of a Lender, an Agent or an Affiliate of an Agent or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Agent or an Affiliate of an Agent or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than €5,000,000, and whole increments of €1,000,000 in excess thereof, unless each of the Company and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed), provided that no such consent of the Company shall be required if an Event of Default under Section 11.1(a), (b) or, with respect to any Credit Party, (g) has occurred and is continuing; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of €3,500, provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee, and provided further that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "Administrative Questionnaire").

For the purpose of this Section 13.7(b), the term "Approved Fund" means any Person (other than a natural person) that is (or will at the time of the relevant assignment be) engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 13.7, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 3.5, 5.4 and 13.6). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.7 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 13.7.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans and any payment made by the Letter of Credit Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Letter of Credit Issuer and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Letter of Credit Issuer and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 13.7 and any written consent to such assignment required by paragraph (b) of this Section 13.7, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. Promptly following any change to the Register, the Administrative Agent shall deliver to the Company an updated version thereof.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent or any Letter of Credit Issuer, sell participations to one or more banks or other entities (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it), provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrowers, the Administrative Agent, the Letter of Credit Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) at any time it is a requirement of Dutch law on the date participations are sold to a Participant, such Participant is a PMP. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 13.2 that affects such Participant. Subject to paragraph (c)(ii) of this Section 13.7, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the requirements of those Sections) and had acquired its interest by assignment pursuant to paragraph (b) of this Section 13.7. To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 13.11(b) as though it were a Lender, provided such Participant agrees to be subject to Section 13.7(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent (which consent shall not be unreasonably withheld or delayed).

(d) Any Lender may, without the consent of the Borrowers or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 13.7 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, each Borrower hereby agrees that, upon request of any Lender at any time and from time to time after such Borrower has made its initial borrowing hereunder, such Borrower shall provide to such Lender, at such Borrower's own expense, a promissory note, substantially in the form of Exhibit E, as the case may be, evidencing the Loans owing to such Lender; provided that any such promissory note shall be governed by the laws of the State of New York and the relevant Borrower shall not be required to pay for any notarization of any such promissory note.

(e) Subject to Section 13.19, each Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee")

and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrowers and their respective Affiliates that has been delivered to such Lender by or on behalf of the Borrowers and their respective Affiliates pursuant to this Agreement or any other Credit Document or which has been delivered to such Lender by or on behalf of the Borrowers and their respective Affiliates in connection with such Lender's credit evaluation of the Borrowers and their respective Affiliates prior to becoming a party to this Agreement.

13.8. Replacements of Lenders under Certain Circumstances. (a) A Borrower shall be permitted to replace any Lender that (i) requests reimbursement for amounts owing pursuant to Section 2.10, 3.5 or 5.4; (ii) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken; (iii) becomes a Defaulting Lender; or (iv) fails to approve an Additional Alternative Currency requested pursuant to Section 2.14 and with respect to which the Required Lenders shall have approved such request, with (in any such case) a replacement bank or other financial institution, provided that (A) such replacement does not conflict with any Law, (B) no Event of Default shall have occurred and be continuing at the time of such replacement, (C) such Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans, L/C Advances and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (D) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent and the Letter of Credit Issuer, (E) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.7 (provided that the relevant Borrower shall be obligated to pay the registration and processing fee referred to therein) and (F) any such replacement shall not be deemed to be a waiver of any rights that such Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 13.2 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then provided no Event of Default then exists, the Company shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent, provided that: (i) all Secured Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment, the Borrowers, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.7.

13.9. Resignation as Letter of Credit Issuer upon Assignment. (a) Notwithstanding anything to the contrary contained herein, if at any time a Lender assigns all of its Commitment and Loans pursuant to this Section 13.9, it may, upon three Business Days notice to the Company and the Administrative Agent, resign as Letter of Credit Issuer. In the

event of any such resignation as Letter of Credit Issuer, the Company shall be entitled to appoint from among the Lenders a successor Letter of Credit Issuer hereunder in accordance with Section 3.6; provided, however, that no failure by the Company to appoint any such successor shall affect the resignation of the relevant Lender as Letter of Credit Issuer. If a Letter of Credit Issuer resigns, it shall retain all the rights, powers, privileges and duties of the Letter of Credit Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as Letter of Credit Issuer and all Letter of Credit Exposure with respect thereto (including the right to require the Lenders to make Loans or fund risk participations in Unpaid Drawings pursuant to Section 3). Upon the appointment of a successor Letter of Credit Issuer such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Letter of Credit Issuer in accordance with Section 3.6.

(b) Notwithstanding anything to the contrary contained above the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 12.9.

13.10. Assignment to SPCs. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Company (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) such SPC makes the representations and warranties applicable to Lenders set forth in Section 13.1 (ii) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (iii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the cost or expenses or otherwise increase or change the obligations of any Borrower under this Agreement (including its obligations under Section 2.10, 2.11, 3.5 or 5.4, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of any Borrower and the Administrative Agent and with the payment of a processing fee of €3,500 assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public

information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC; provided that the information disclosed shall be limited to the extent necessary to satisfy the requirements of any such rating agency, commercial paper dealer, provider of any surety or Guarantee or credit or liquidity enhancement and shall not include (without the prior written consent of the Company) non-public projections, forecasts or any other forward looking information provided by, or relating to, the Company.

13.11. Adjustments; Set-off. (a) If any Lender (a "benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.1(g), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to any Borrower, any such notice being expressly waived by each Borrower to the extent permitted by applicable Law, upon any amount becoming due and payable by a Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any of its Affiliates or any branch or agency thereof to or for the credit or the account of such Borrower. Each Lender agrees promptly to notify the relevant Borrower and the Administrative Agent after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.12. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.13. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.14. Integration. This Agreement and the other Credit Documents represent the agreement of the Borrowers, the Collateral Agents, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrowers, the Administrative Agent, the Collateral Agents or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

13.15. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

13.16. Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) in the case of each Credit Party party hereto (other than the Co-Borrower) appoints the Co-Borrower (the "Process Agent") as its agent to receive on behalf of such Credit Party and its property service of copies of the summons and complaint and any other process which may be served by the Administrative Agent or any Lender or Letter of Credit Issuer in any such action or proceeding in any aforementioned court in respect of any action or proceeding arising out of or relating to this Agreement. Such service may be made by delivering a copy of such process to such Credit Party by courier and by certified mail (return receipt requested), fees and postage prepaid, both (iv) in care of the Process Agent at the Process Agent's address and (v) at the relevant Credit Party's address specified pursuant to Section 13.3, and each Credit Party hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 13.3;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.16 any special, exemplary, punitive or consequential damages.

13.17. Acknowledgments. Each Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) no Agent nor any Lender has any fiduciary relationship with or duty to any Borrower arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between such Agent and Lenders, on one hand, and the Borrowers, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrowers and the Lenders.

SCHEDULE 1.1(a)

AGREED SECURITY PRINCIPLES

1. Agreed Security Principles

1.1 The Guarantees and Liens to be provided by the Loan Parties will be given in accordance with certain agreed security principles (the "Agreed Security Principles"). This Schedule 1.1(a) identifies the Agreed Security Principles and addresses the manner in which the Agreed Security Principles will impact on or be determinant of the Guarantees and Liens to be taken in relation to this Agreement.

1.2 The Agreed Security Principles embody a recognition by all parties that there may be certain legal, commercial and practical difficulties in obtaining effective security from the Company and each of its Restricted Subsidiaries in every jurisdiction in which the Company and its Restricted Subsidiaries are located. In particular:

(a) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalization" rules, retention of title claims and similar matters may limit the ability of the Company or any of its Restricted Subsidiaries to provide a Guarantee or Liens or may require that it be limited as to amount or otherwise, and if so the same shall be limited accordingly, provided that the Company or the relevant Restricted Subsidiary shall use reasonable endeavors to overcome such obstacle. The Company will use reasonable endeavors to assist in demonstrating that adequate corporate benefit accrues to each of the Restricted Subsidiary;

(b) the Company and its Restricted Subsidiaries will not be required to give Guarantees or enter into Security Documents if (or to the extent) it is not within the legal capacity of the Company or its relevant Restricted Subsidiary or if the same would conflict with the fiduciary duties of their directors or contravene any legal prohibition or regulatory condition or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer or director of the Company or any of the Restricted Subsidiaries, provided that the Company and each of its Restricted Subsidiaries shall use reasonable endeavors to overcome any such obstacle;

(c) a key factor in determining whether or not security shall be taken is the applicable cost (including adverse effects on interest deductibility, registration taxes and notarial costs) which shall not be disproportionate to the benefit to the Lenders of obtaining such security;

(d) where there is material incremental cost involved in creating security over all assets owned by any of the Borrowers or a Guarantor in a particular category (e.g. real estate), regard shall be had to the principle stated at paragraph 1.2(c) of this Schedule 1.1 (a) which shall apply to the immaterial assets and, subject to the Agreed Security Principles, only the material assets in that category (e.g. real estate of material economic value) shall be subject to security;

(e) it is expressly acknowledged that it may be either impossible or impractical to create security over certain categories of assets in which event security will not be taken over such assets;

(f) any assets subject to contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Agreement and which (subject to override by the UCC and other relevant provisions of applicable law), effectively prevent those assets from being charged will be excluded from any relevant Security Document; provided that reasonable endeavors to obtain consent to creating Liens in any such assets shall be used by the Company and each of its Restricted Subsidiaries to avoid or overcome such restrictions if the Administrative Agent reasonably determines that the relevant asset is material (which endeavors shall not include the payment of any consent fees), but unless effectively prohibited by contracts, leases, licenses or other arrangements with a third party that exist concurrently (but which are not created in contemplation of the Transactions) or are not prohibited by this Agreement, this shall not prevent security being given over any receipt or recovery under such contract, lease or license;

(g) the giving of a Guarantee, the granting of security or the perfection of the security granted will not be required if it would have a material adverse effect (as reasonably determined in good faith by management of the relevant obligor) on the ability of the relevant obligor to conduct its operations and business in the ordinary course as otherwise permitted by this Agreement;

(h) in the case of accounts receivable, a material adverse effect on Holdings', either Co-Borrower's or a Guarantor's relationship with or sales to the customer generating such receivables or material legal or commercial difficulties (as reasonably determined by management of the relevant obligor in good faith) provided that none of Holdings, the Borrowers and the Guarantors may utilize this exception unless, after giving effect thereto no less than a majority of the book value of the accounts receivable of the Company and its Subsidiaries on a consolidated basis (as measured at the end of each fiscal quarter) is subject to perfected liens, and provided further that any accounts receivable of the Borrowers and the Guarantors excluded from collateral by virtue of this clause (except where prohibited by law and subject to the remainder of these Agreed Security Principles) shall be subject to perfected Liens promptly if and when the corporate credit of the Company is downgraded to "B" or lower from S&P and "B2" or lower from Moody's;

(i) security will be limited so that the aggregate of notarial costs and all registration and like taxes relating to the provision of security shall not exceed an amount to be agreed. Any additional costs may be paid by the Lenders at their option; and

(k) all security shall be given in favor of a single security trustee or collateral agent and not the secured parties individually. "Parallel debt" provisions and other similar structural options will be used where necessary and such provisions will be contained in the intercreditor agreement and not the individual security documents unless

---

required under local law. No action will be required to be taken in relation to the guarantees or security when any lender assigns or transfers any of its participation in this Agreement to a new lender.

2. Terms of Security Documents

The following principles will be reflected in the terms of any Security Document to be executed and delivered as part of the Transactions:

(a) subject to permitted liens and these Agreed Security Principles the security will be first ranking and the perfection of security (when required) and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Credit Documents or, if earlier or to the extent no such time period is specified in the Credit Documents, within the time periods specified by applicable law in order to ensure due perfection;

(b) the security will not be enforceable until an Event of Default has occurred and notice of acceleration of the Loans has been given by the applicable Administrative Agent or the Loans have otherwise become due and payable prior to the scheduled maturity thereof (an "Enforcement Event");

(c) prior to the Maturity Date, notification of any Liens over bank accounts will be given (subject to legal advice) to the banks with whom the accounts are maintained only if an Enforcement Event has occurred;

(d) notification of receivables security to debtors who are not members of the Company or its Subsidiaries will only be given if an Enforcement Event has occurred;

(e) notification of any security interest over insurance policies will be served on any insurer of the Company's or any Restricted Subsidiaries' assets (other than in respect of any insurance policy maintained by the Company or any of its Restricted Subsidiaries which is due to expire on or before December 31, 2006);

(f) the Security Documents should only operate to create security rather than to impose new commercial obligations. Accordingly, they should not contain material additional representations, undertakings or indemnities (such as in respect of insurance, information or the payment of costs) unless these are the same as or consistent with those contained in this Agreement or are necessary for the creation or perfection of the security;

(g) in respect of the share pledges and pledges of intra-group receivables, until an Enforcement Event has occurred, the pledgors will be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not materially adversely affect the value of the security (taken as a whole) or the validity or enforceability of the security or cause an Event of Default to occur, and the pledgors will be permitted to receive dividends on pledged shares and payment of intra-group receivables and retain the proceeds and/or make the proceeds available to Holdings and its Subsidiaries to the extent not prohibited under this Agreement;

(h) Secured Parties will only be able to exercise a power of attorney in any Security Document following the occurrence of an Enforcement Event or with respect to perfection or further assurance obligations that following request, the relevant obligor has failed to satisfy;

(i) no obligor shall be required to provide surveys on real property (unless such surveys already exist in which case there shall be no requirement that such surveys be certified to the Lenders) or to remove any encumbrances on title (not created in contemplation of the Transactions) that are reflected in any title insurance or any other existing encumbrances on real property (not created in contemplation of the Transactions) (not including Liens securing Indebtedness of the Company or any of its Restricted Subsidiaries);

(j) no obligor shall be required to protect any Liens in the United States prior to the occurrence of an Enforcement Event by means other than customary filings (including UCC-1s, mortgage or deed of trust filings and patent and trademark filings) and delivery of share certificates (accompanied by powers of attorney executed in blank) and any intercompany promissory notes; and

(k) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to protect or create, perfect or register the security and, to the extent so required will be provided annually (unless required to be provided by local law more frequently, but not more frequently than quarterly) and following the occurrence and during the continuance of an Event of Default, on the applicable Administrative Agent's reasonable request.

SCHEDULE l.1(d)

MANDATORY COSTS

1. The Mandatory Cost is an addition to the interest rate to compensate Lenders for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.

2. On the first day of each Interest Period (or as soon as possible thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the "Additional Cost Rate") for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders' Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum.

3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by that Lender in its notice to the Administrative Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender's participation in all Loans made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.

4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Administrative Agent as follows:

(a) in relation to a sterling Loan:

$$\frac{AB+C(B-D)+Ex0.01}{100-(A+C)}$$ per cent. per annum

(b) in relation to a Loan in any currency other than sterling:

$$\frac{E \times 0.01}{300}$$ per cent. per annum

Where:

A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

B is the percentage rate of interest (excluding the Applicable LIBOR Margin or the Applicable EURIBOR Margin (as the case may be) and the Mandatory Cost and any additional rate of interest charged on overdue amounts pursuant to Section **Error! Reference source not found.**) payable for the relevant Interest Period on the Loan.

C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.

D is the percentage rate per annum payable by the Bank of England to the Administrative Agent on interest bearing Special Deposits.

E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Administrative Agent as being the average of the most recent rates of

---

charge supplied by the Reference Banks to the Administrative Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

(a) "Eligible Liabilities" and "Special Deposits" have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

(b) "Facility Office" means, in respect of any Lender, the jurisdiction of the office out of which such Lender is making available its participation in the relevant Loan;

(c) "Fees Rules" means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

(d) "Fee Tariffs" means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and

(e) "Tariff Base" has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:

(a) the jurisdiction of its Facility Office; and

(b) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative

---

Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.

10. The Administrative Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.

11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.

12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all parties hereto.

13. The Administrative Agent may from time to time, after consultation with the Company and the Lenders, determine and notify to all parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all parties.

SCHEDULE 8.10

LITIGATION (EXCEPT INTELLECTUAL PROPERTY LITIGATION)

NETHERLANDS/CENTRAL

A. *Major European Customer*

- On May 9, 2005, one of our significant European customers filed a request for arbitration with the ICC International Court of Arbitration in relation to a product warranty claim that arose in March 2002 over the reliability of certain of our integrated circuit products that were delivered between 1999 and 2002 and were used by the customer in its products. The claims relate to a molding compound supplied to us by Sumitomo Bakelite Company of Japan ("Sumitomo") during that period. It is the customer's current view that over time all affected products supplied by us will fail and, as a result, the customer anticipates very large damages, which it claims from us in the arbitration. We believe that the defect rate will be substantially smaller than anticipated by the customer and dispute our liability on that basis, as well as on the basis of the limited warranty provision the customer has invoked. We also believe that, even if the customer were to be successful in the arbitration, we would not be liable to the extent of the damages claimed by the customer. We intend to defend the case vigorously. Moreover, on May 10, 2006, we filed a request for arbitration with the ICC International Court of Arbitration to recover from Sumitomo any amount that we become liable to pay to the customer. In addition, Philips has agreed to indemnify us with respect to any damages or losses we may sustain in relation to this arbitration and accordingly do not expect this case to have a material adverse effect on our results or financial condition.

INTELLECTUAL PROPERTY LITIGATION

NETHERLANDS/CENTRAL

A. Litigation matters

I. *Biax* (Case TA 129)

- Biax Corporation of Boulder, Colorado (Biax) filed a complaint with the U.S. International Trade Commission (ITC). The ITC case was originally filed on December 8, 2005, with a third amended complaint filed on February 17, 2006.

- The complaint alleges that Philips Semiconductors B.V., Philips Consumer Electronics B.V., Philips Consumer Electronics North America Corp. and 2Wire, Inc. are infringing Biax's U.S. patents Nos. 5,021,945, 5,517,628 and 6,253,313 by importing into the U.S., selling for importation into the U.S. and the selling within the U.S. after importation of certain digital processors and digital processing systems, in particular the Nexperia line of processors that contain a TriMedia core and the televisions produced and/or sold by Philips containing these chips.

- In parallel proceedings, Biax filed a patent infringement action in the Eastern District Court of Texas. In the Texas case all three of the above-mentioned patents are at issue, along with U.S. patent No. 4,847,755. The infringement proceedings in Texas have been stayed until the ITC action has been resolved.

- The TriMedia core technology is used in digital television sets and (multimedia) mobile phones. The TriMedia core technology was developed by Philips, subsequently spun off as TriMedia Technologies, Inc., and later re-acquired by Philips.

- 2Wire has a non-exclusive, non-transferable, royalty-bearing, worldwide license to the TriMedia technology and uses this technology in its products. According to the license agreement TriMedia – now Philips Semiconductors, Inc. – is obliged to defend and indemnify 2Wire at its expense for any loss suffered in any action based on a claim that the TriMedia technology, when used in accordance with the license, infringes U.S. patents. 2Wire has sent Philips Semiconductors, Inc. a notice regarding Philips's obligations under the license. Philips understands the indemnification agreement to cap its obligations at USD 2 million, including legal fees incurred by 2Wire. However, 2Wire also purchases TriMedia chips from Philips and wants to claim part of the liability under the sales relationship.

- On January 9, 2006 the ITC issued a notice of investigation in which it announced that an investigation will be instituted on the basis of the complaint. In response to the ITC, Philips denied the alleged patent infringement as set out in the complaint and gave an outline of its defenses. On February 9, 2006 the ITC ordered the parties to file a statement of discovery with the ITC, which was discussed in a preliminary conference at the ITC held on March 1, 2006.

- The discovery phase of the litigation has been finalized. Expert witnesses have been identified and depositions of Philips experts have been filed. Philips further filed several motions of non-infringement and invalidity/unenforceability.

- Judge Harris has found non-infringement on the Firing Time patent. We are waiting for the Commission to approve the judge's Summary Determination decision. We are still waiting to hear on several motions still outstanding on the two Condition Code patents.

- The hearing in this matter will commence immediately following the conclusion of a prehearing conference, and is scheduled for October 12th through October 18th.

- Biax has filed a motion requesting a 3-month delay in the hearing based on 1) the spinoff of NXP, 2) the need to review the Philips' workaround and 3) time to give Commission to review the Summary Determination decision on the Firing Time patent.

- The risks associated with the ITC action centre around 'exclusion orders' which may bar infringing products– and 'downstream' products containing infringing products –from import into the United States. The total sales of TriMedia products amount to USD 200 million, of which 20% is sold directly in the United States. Part of the chips sold outside the United States is incorporated in products sold in the United States. Monetary damages are not at issue in the ITC investigation. If and when the Texas action is revived, Biax may claim monetary damages in that action.

- Biax has previously asserted its patents against IBM, Apple and Motorola in the District of Delaware, and against Texas Instruments before the ITC. The IBM/Apple/Motorola case was settled pursuant to undisclosed terms. Texas Instruments won summary determination of no infringement of two patents and settled the remainder of the case pursuant to undisclosed terms. Biax is currently asserting its patents against Intel and Analog Devices in the Eastern District of Texas.

- Philips is aiming at a settlement. An early overture to Biax concerning settlement in the range of anticipated litigation costs, USD 3-4 million, was not accepted by Biax. Through July 2006, legal expenses totaled approximately USD 3.3 million. Philips provided Biax with relevant sales information. It is believed that Biax expected Philips to have had higher sales than it actually does. On June 13, 2006 Biax made an offer of USD 38 million paid for the life of the Biax patent portfolio, which would also cover chips made by 2Wire. Although Biax indicated that this was more of a gut response to Philips's low offer of USD 3.3 million, and that they were willing to negotiate, Philips indicated at that time to Biax that it did not want to meet until Biax reduces its offer to a more reasonable level. After Philips won the summary determination motion in the ITC of non-infringement on 1 of the 3 patents, BIAX has now lowered its settlement offer to USD 15 million. Further, design around efforts have been undertaken to cap exposure.

II *Sumitomo Special Metals / Neomax (Cases TA 405 and TA 406)*

- Neomax (formerly Sumitomo Special Metals Co. Ltd.) filed patent infringement actions in Germany against the mobile phone operators T-Mobile and Vodafone D2. The actions are based on the German part of their European patent EP 0 101 552 relating to magnet material. T-Mobile and Vodafone D2 are allegedly infringing this

patent by selling and distributing (about twelve brands of) mobile phones which allegedly make use of Nd-Fe-B magnets in their loudspeakers and vibrators. The claim is based on a patent that expired in July 2003. Neomax therefore only claims damages for past use; from September 1989 through July 2003. Patent nullification actions were filed by T-Mobile at the Federal Patent Court on December 7, 2004 and by SonyEricsson on December 7, 2005.

- T-Mobile and Vodafone D2 have sent third party notices to their suppliers of mobile phones and speakers.

- T-Mobile sent third party notices to Alcatel SEL AG, Robert Bosch GmbH, Motorola GmbH, Nokia GmbH, Panasonic Deutschland GmbH, Philips Consumer Electronics, Research in Motion UK Ltd., Samsung Electronics GmbH, Sharp Electronics GmbH, Siemens AG, Sony Ericsson Mobile Communications Int. AB, Philips Austria GmbH, Sony Deutschland GmbH and Ericsson GmbH. The litigation has been joined by Nokia, Philips, SonyEricsson, Ericsson, Samsung, Siemens and Research in Motion.

- It is believed that Vodafone D2 has sent third party notices to Nokia GmbH, Philips GmbH, Philips France, Alcatel, Sagem and Sony Ericsson. Philips Austria GmbH and Sonion A/S received a third party notice from Nokia. The litigation has been joined by Nokia GmbH, Philips GmbH, Sonion A/S and Ericsson GmbH.

- Some suppliers of mobile phones have in their turn sent third party notices to Philips Semiconductors, because Philips Semiconductors manufactures the speakers containing the allegedly infringing magnet material in question and supplied them with such speakers for their mobile phones. The relationships between particular mobile phones, particular speakers and especially particular magnets have been very difficult to establish. Philips has supplied most of the parties with part of their products, where the largest customers would be Nokia (supposedly purchased 100% from Philips), Motorola and Siemens. Samsung, Panasonic and Sony Ericsson, however, may not have been customers for these particular products. All of these companies may hold Philips liable. Philips's indemnification provisions are not identical among all the companies involved, and some indemnification provisions are not limited to the value of the goods delivered. The indemnification provisions do require that the customer hand over the management of the litigation to the supplier (which T-Mobile and Vodafone have not done, and Nokia and others could not do). In the end this would come down to a negotiation process with the customers, taking the long term relationship into account. Philips Semiconductors purchases the allegedly infringing magnet material from small Chinese suppliers. According to Philips it is doubtful whether they can get an indemnification from such suppliers.

- In the T-Mobile case, appeal proceedings at the Oberlandesgericht Düsseldorf are pending. The Oberlandesgericht did not render a final decision yet but has given a preliminary opinion. It decided to appoint an expert to take evidence on the infringement question. The expert will commence his activities in the near future. Neomax has filed revision to the Bundesgerichtshof against the judgment in part of the Oberlandesgericht.

- In the Vodafone D2 case, the Landgericht Düsseldorf split the litigation into separate cases for different mobile phone models/suppliers (Nokia, Siemens, Ericsson, Motorola, Alcatel, Philips and Sagem phones). The Landgericht has decided to

---

appoint an expert to take evidence on the infringement question. No decision has been rendered yet.

- Neomax dismissed its initial claim of approximately USD 100 million, which was based on the profits made by the sales of the mobile phones involved. The court recently indicated that a link to the sales price of mobile phones (or even to the telephone operator's business) will not be considered. Philips's best guess is that the financial risk involved, based on what they consider to be a reasonable royalty per magnet, is substantially lower than this amount. If the royalty would ultimately be linked to, for example, the speakers instead of the magnets inside the speakers, the total risk could be higher (but still significantly lower than if the amount would be linked to the sales prices of the mobile phones or the telephone operator's business). Neomax has recently shown an interest in negotiating with Philips Semiconductors directly, on the condition that a total solution with all parties can be achieved. Philips Semiconductors is now in discussions with Sonion, the (only) other speaker supplier involved, to agree an aligned approach. Philips Semiconductors intends to propose a settlement for use of the (expired) patents anywhere in the world, against the royalty rate that was available to the industry (5%), even dropping arguments about parts of its purchased magnets already being licensed. This would amount to a payment of less than USD 1 million. Neomax's benefit in this would be that they remove the risk of being held liable for the involved parties' legal costs.

III. *Kreft (Case TA 184)*

- Technische Beteiligungsgesellschaft Hanau GmbH (TBH) sued Giesecke & Devrient GmbH and Philips Semiconductors GmbH on July 11,2006 for infringing patent DE 3,935,364. Philips sells smart card ICs that communicate via a contact and a contact-less interface with a reader, and TBH claims that the patent covers the way the switching between these two interfaces operates. Giesecke & Devrient buys Philips ICs and manufactures dual interface smart cards. Philips has indemnity obligations towards Giesecke & Devrient.

- The first assertion by the patent owner (Mr. Kreft) was in April 2001. Philips always took the position that its ICs did not infringe, although there is a risk that Philips's solution could be judged as an equivalent solution. The case was dormant for years but was renewed with a new assertion letter dated March 3, 2006.

- The claimed amount in the German lawsuit is EUR 500,000, but it is believed that the worldwide financial risk is less than this amount based on the worldwide sales and a reasonable royalty. As this lawsuit is in an early phase, additional information may required a modified assessment.

B. Claims – pending cases

I. *Tessera (Case TA 489)*

- There is a risk that Tessera will file suit against Philips Semiconductors for alleged infringement of the patent "family" that includes U.S. patents Nos. 5,852,326, 5,679,977, 6,433,419, 6,465,893, European Patent EP1111672 and corresponding patents in Korea and Japan. These patents relate to the packaging of integrated circuits ("ICs"), and more specifically to an important subclass of ball grid arrays ("BGAs"). A product falls within the subclass when its substrate is relatively flexible or thin and the pitch between terminals is relatively small. This subclass is

---

particularly relevant for the applications for which miniaturization is key (such as mobile phones). The patents expire in September 2011.

- Tessera has not filed a lawsuit yet against Philips Semiconductors, but it did make statements on its actual liability. Philips estimates that the chances that the outcome of a lawsuit would be unfavorable to Philips Semiconductors are over 70 percent. Tessera has already been successful in its lawsuits against Texas Instruments, Sharp and Samsung, and several competitors have taken a license against considerable payments. A number of lawsuits are currently pending against other competitors and foundries, including STMicroelectronics, Infineon, Micron and ASE. Infineon, Micron, STMicroelectronics and Philips have in turn filed oppositions against EP1111672 before the European Patent Office.

- Philips Intellectual Property and Standards, on behalf of Philips Semiconductors, have been discussing license terms with Tessera since the third quarter of 2004. Tessera explained its licensing program and showed reverse engineering data on one of Philips IC packages. The package had a similarity to one of Intel's IC packages, for which Intel pays royalties to Tessera. After signing a non-disclosure agreement, Tessera presented its model for licensing payments. Although counsel believes that Tessera's position outside the United States is weaker than inside the United States, Tessera refuses to take that into account in the royalty calculation and wants a worldwide license with worldwide payment. For the period up to and including 2005, Tessera claims a one-off payment for past use in the amount of about USD 7 million. Tessera has always indicated that there is some flexibility in this past use amount. Tessera wants to agree on a running royalty per BGA package depending on its number of pins, with a maximum of USD 0.06 per BGA package. This would amount to approximately EUR 5-8 million per year for Philips Semiconductors including packages sourced from its subcontractors, depending on sales. It is Philips's position that the subcontractors are responsible for the packages they supply to Philips. Tessera had indicated that Philips may let its subcontractors pay their own royalties. Tessera indicated that the royalty rate proposed in February 2006 was the lowest possible, so they may not be inclined to lower it further.

- Philips sent a proposal to Tessera on July 8, 2006 to pay the past use and part of the running royalties with a back license under Philips's U.S. patents 5,739,591, 6,177,295 and 5,504,036 and their respective family members (which will all transfer to the Company or a Company Subsidiary in connection with the Transaction) for the Shellcase technologies including the right to sublicense these patents to Tessera's Shellcase licensees. On July 28, 2006 Philips was informed by Tessera that they are not willing to accept this form of payment.

- The proposal made by Philips on September 1, 2006 included a past use payment of USD 3 million, including the whole of 2006 and a proposal not to pay for packages supplied by Philips Semiconductors' main subcontractors. Tessera's counter offer included a past use payment of USD 10 million, including the first half of 2006 with a responsibility to pay for packages supplied by subcontractors. For the packages supplied by subcontractors we are coordinating with NXP's purchasing department. For the past use, including Q3 2006 we expect to be able to settle for about 5.5 million Euros.

- The discussions with Tessera remain mainly focused on the following issues:

    - the amount of the past use payment

    - and responsibility for royalty payments in case packaging is carried out by subcontractors.

- In relation to products manufactured by Philips using technology licensed from Amkor, Amkor has an indemnification obligation capped at USD 1 million under the applicable license and technology transfer agreement.

II. *Alliacense (Cases TA443, TA486, TA13621 and TA13864)*

- Several assertions have been made relating to alleged infringement of U.S. patent No. 5,440,749 and related dependent patents (the so-called Moore Patent Portfolio) relating to microprocessor technology and co-owned by Technology Properties and Patriot Scientific (now joined in the new company Alliacense). Because of sales by Philips of TriMedia microprocessors in the U.S., Technology Properties and Patriot Scientific in the past offered to settle for USD 22 million but did not want to substantiate their case. Philips refused the offer and is of the opinion that its microprocessors did not infringe the patents involved.

- Patriot Scientific approached a number of Japanese PC companies, such as Sony, Matsushita, Fujitsu, NEC and Toshiba. Intel, as supplier of Pentium chips, came to their defense. In 2004, Sanyo asked Philips for assistance in their defense. Philips explained that it does not believe that the Philips microprocessors infringe. Recently, Intel, which produces similar microprocessors to those that Philips does, took a license from Technology Properties and Patriot Scientific for an amount of USD 10 to 25 million. In addition, Bosch and Agfa Gevaert recently sent a letter to Philips indicating that they had been approached by Alliacense for alleged infringement by products incorporating Philips microprocessors and asking for indemnification. Philips Semiconductors is receiving questions from more customers about the Moore patents. Recently, Alliacense approached Philips Consumer Electronics again to present their claim against microprocessors used in products from both Philips Consumer Electronics and Philips Medical Systems. Because the patents pertain to microprocessor technology, Philips Consumer Electronics and Philips Medical Systems are requesting indemnification from their suppliers, including Philips Semiconductors.

- Alliacense primarily approaches companies such as Sanyo, Bosch, Agfa Gevaert, and Philips Consumer Electronics that manufacture finished products incorporating microprocessors, relying on patent claims that allegedly cover the combination of microprocessors with other components. Although Philips Semiconductors is generally not liable for infringement by the combinations, Philips Semiconductors could be liable in case their products implement all features of one or more of the Moore patent claims. Besides from indemnification requests by customers, liability

could also arise from Alliacense directly if they would decide to approach Philips Semiconductors (risking exhaustion of their patents. However, Alliacense like their predecessors declined to discuss a license on the chip level, keeping their focus on higher value products.

- Several manufacturers have recently entered into license agreements with Alliacense, including Fujitsu, HP, Sony, apparently not protected by their customer status of Intel and AMD.

III. *Silicon Image (Case TA 189)*

- In 2003, Philips Semiconductors wanted to make ICs using a standard developed by Silicon Image. Philips Semiconductors performed a check under which patents a license might be required. No such patents were identified.

IV. *IGR (Cases TA 190 and TA 204)*

- Interessengemeinschaft fur Rundfunkschutzrechte (IGR) sued Quelle in Germany under patents DE 3,137,535; DE 2,827,159 and DE 2,902,933, all of which are now all expired. Philips is not a party to the litigation.

- Quelle is seeking indemnification from Elektronika Velenje and Vestel. Both Velenje (case TA190) and Vestel is seeking indemnification from Philips (case TA204). Philips products concerned are stereo sound ICs TDA9870, 9875, 9840 , and 9820. These TV manufacturers also bought similar products from Micronas, which makes it difficult to calculate possible liability.

- Philips already has a license under these patents from the IGR, which is acknowledged by IGR, but IGR claims that the patent claims (and thus the license) do not cover ICs. In Philips's view, the patents are so broad that they do cover ICs. If so, Philips's ICs are covered, and the patents are exhausted with respect to the Quelle TVs that incorporate Philips ICs. However, if the patent claims are considered insufficiently broad to cover ICs, and only TVs are covered by the patents, there would be no such exhaustion. Philips Semiconductors cannot be held liable vis-a-vis Velenje and/or Vestel for more than the ICs themselves.

V. *Peng Tan (Case TA 316)*

- In February 2002, American Invention and Patent, which is believed to be an entity owned and operated by the inventor of the asserted patent, Peng Tan, approached Philips for alleged infringement of U.S. patent 4,682,857 by employing an IC die or wafer failure analysis method of hot spot detection utilizing liquid crystal material. While various claims of the patent have been mentioned, only one very broadly-worded claim provides any significant risk of infringement. Philips filed for re-examination with the USPTO and was successful in the first instance. An appeal is pending, and no negotiations are ongoing. Submissions on appeal by Peng Tan and by the Examiner have been filed. The next step is for Board of Patent Appeals and Interferences to decide the appeal; it is not known when the Board will hear the case.

- The royalties claimed are in the order of USD 500,000. The patent expired in April 2005.

VI. *Technology Properties /Leckrone (Case TA 443)*

- See Alliacense (Cases TA 13621 and TA 13864).

VII. *Innovatron (Case TA 450)*

- On December 11, 2003, Innovatron asserted the following patents against Philips Semiconductors B.V.:

    - ISO Patents: all family members of FR9615163; FR9702501; FR9800383
    - Application Patents: all family members of FR9804453; FR9812770.

- In a letter dated Jan 12, 2004, Innovatron informed Philips about the terms and conditions of Innovatron's license program: lump sum or USD 100,000 and royalties of 2% of net sales price, or lump sum of USD 10,000 and royalties of 4% of net sales price.

- Philips has since negotiated with Innovatron, and it seems that not all their patens are relevant. The total estimated financial risk to Philips for the years 2002 to 2009 is EUR 2 million.

VIII. *Patriot Scientific (Case TA 486)*

- See Alliacense (Cases TA 13621 and TA 13864).

IX. *WiLAN (Case TA 491)*

- WiLAN has claimed that their patents U.S. 5,282,222 and U.S. Re37,802 covered the standards for 802.11b/g and 802.15.3a (UWB). In 1999, Philips licensed WiLAN's technology, but the collaboration was short-lived. In June 2004, WiLAN claimed that as a result of Philips's use of WiLAN's technology, Philips owed royalties of 7% under the license agreement. Philips maintains that it did not use their technology and hence does not owe any royalty. After a meeting, WiLAN they backed off position but continued to claim that Philips owed royalties for allegedly infringing their patents. Philips suggested that WiLAN join the patent pool; WiLAN reportedly applied to the patent pool but failed essentiality test. Contractual issues remain.

- WiLAN is still considering Philips settlement offer (around USD 200,000). No changes since September 2005.

X. *Eastman Kodak (Case TA 497)*

- Eastman Kodak filed an infringement case in the United States against Sony Ericsson under 11 U.S. patents relating to digital cameras. Sony Ericsson requested indemnification from Philips Semiconductors for supplying image sensors of the type OM6800/01. Philips denied liability on the basis that Philips did not infringe and liability arising from combining the image sensors with other parts was excluded in the sales agreement. Sony Ericsson did not address these arguments. The latest message from Philips to Sony Ericsson was communicated on April 29, 2005, and no response has been received. The image sensor business has since been discontinued.

XI. *Cryptography Research (Case TA 509)*

- On or about August 2004, Cryptography Research, Inc. (CRI) asked Philips Semiconductors GmbH to license U.S. patent Nos. 6,298,442, 6,304,658, 6,654,884, 6,327,661, 6,510,518, 6,381,699, 6278,783, and 6,539,092 along with continuations and European counterpart patent applications. CRI states that these patents cover various cryptographic counter measures to Differential Power Analysis (DPA) attacks.

- Philips sells integrated circuits (IC's) used in smart cards, passports and similar applications. These IC's are tamper-resistant. DPA is one kind of tampering technique. CRI claims to have all countermeasures for DPA attacks covered by their patents. If CRI's claim is accurate, Philips' smart card IC's would be implicated.

- In June 2006, Philips and CRI representatives met in Hamburg, Germany to discuss a term sheet that was provided by CRI detailing the terms of the CRI proposal. Philips is considering CRI's proposal, which would result in a royalty-bearing license. CRI offered Philips a royalty-bearing patent license at a rate of approximately USD 2.5 million per year.

- Negotiations with CRI are ongoing. One possible outcome is an agreement by Philips to accept a license from CRI.

XII. *Intermec (Case TA 513)*

- Intermec Technologies Corporation (Subsidiary of UNOVA) asserted in September 2004 the following patents against Philips Semiconductors B.V.: US4,739,328; US5,030,807; US5,777,561; US5,828,693; US5,850,181; US5,912,632; US5,995,019; US6,429,775; US6,288,629; US5,528,222; US6,371,375. In a meeting with Intermec in February 2005, it was clarified that Philips Semiconductors B.V. is licensed for several of these patents under an old cross license agreement with IBM.

- Intermec is an aggressive licensor and, for example, has sued Matrix based on four of above patents. Philips Semiconductors B.V., based on the fact that it is already licensed for several of these patents, decided not take any further licenses. Since September 2005, there has been no communication in this case, and it is more or less dormant. For the new EPC Global GEN 2 IC, which will have high volume in the future (2007) a solution with Intermec will be needed.

XIII. *Motorola (Case TA 528)*

- In October 2004, Philips customer VTech informed Philips that Motorola asserted U.S. patent 5,784,585 against VTech in relation to the use one of Philips's ICs (PCD80710). This IC incorporates an ARM7 with the "Thumb" instruction set. Philips relayed this back to ARM, and they provided reasoning for non-infringement which was passed on to VTech. Since then Motorola have been applying pressure in VTech. Because of a chain of indemnity between ARM, Philips and VTech, Philips is in the middle of a discussion which should be between ARM and Motorola. Philips has initiated a dialogue between ARM and Motorola and hopes that they will sort out the matter themselves.

XIV. *Sennheiser Electronic (Case TA 553)*

- Sennheiser Electronic GmbH & Co. KG presented their patents EP0889544B1 and U.S. 6,210,241B to Nokia. Philips Sound Solutions (PSS) received a notice from Nokia on January 19, 2005 and directly from Sennheiser via their lawyers on September 2, 2005.

- Sennheiser claims that a speaker, which they found in a Nokia phone, infringes these patents. Sennheiser offered their patents for sale; as an alternative, they offered a license on their patents. It is unlikely that Sennheiser will attempt to bar PSS from producing loudspeakers, and at worst Philips would have to take a license (although Philips does not believe that it is infringing Sennheiser's patents).

- On February 14, 2006, Philips sent its most recent letter to Sennheiser. Philips cited two speakers, which are novelty destroying for U.S. 6,210,241 and EP 0 889 554. Thus, from Philips's point of view the Sennheiser patents are not valid. As evidence, drawings, invoices, and a declaration under oath were presented. Furthermore evidence was requested whether the speaker found in the Nokia phone indeed is a Philips product. No answer has been received so far.

XV. *Cabot Microelectronics Corporation (Case TA 557)*

- Cabot Microelectronics believes that Cheil, a Samsung company, is infringing patents EP0844290, SG65839 and U.S. 5,980,775 covering the IC wafer polishing slurry claims. IC manufacturers using the Cheil product are alleged to infringe the method claims in the patents. Cabot first wrote to Philips Semiconductors on January 21, 2005 to inform Philips Semiconductors about their issues with Cheil. Philips Semiconductors is not

directly implicated, as they only use the Cheil product in Nijmegen, while Cabot does not have a patent in the Netherlands, and as under European patent laws, the Nijmegen ICs cannot be considered as directly obtained by the patented process. However, Samsung would not provide full indemnification and is also not willing to file a nullity action, and the contract party, Braztek, is not strong enough to indemnify. Therefore, Philips Semiconductors has planned to stop using the Samsung/Cheil slurry in the IC Manafacturing Operations but to continue using the slurry from Cabot for manufacturing operations in those countries where Cabot does have a patent.

- A German court case initiated by Cabot to get more information from Cheil was withdrawn for procedural reasons. In March 2006, Cabot filed an action against Cheil before the U.S. International Trade Commission.

- Philips's most recent contact with Cabot was in March 2005.

XVI. *Scanner Technologies Corporation (Case TA 5938)*

- Philips received a notice from Alacron on July 18, 2005 following Alacron's receipt of a letter from Scanner Technologies stating that Philips products resold by Alacron allegedly infringed Scanner Technologies' patents.

- Scanner Technologies claims that any chip with ball grid arrays (BGA) that are inspected using their patented method infringe their U.S. Patents No. 6,064,757; 6,072,898; and 6,862,365. The three patents cover a method for inspecting the BGA on chips. These chips include numerous Philips Nexperia chips with BGAs, specifically including PNX1302EH and PNX1501E.

- Philips has not had direct contact with Scanner Technologies. Alacron informed Philips that in their initial conversation with Scanner Technologies, Scanner Technologies indicated that they were seeking a 10% royalty for every chip that is inspected under their claimed method of inspection.

- No lawsuit has been filed in this assertion. The asserted patents cover a method of testing BGA on chips. Testing on Philips's chips occurs in Taiwan either in an ASE facility or in Philips's own facility using ICOS equipment Both ICOS and ASE have been contacted regarding indemnity. ASE has indemnification obligations under the contract between ASE and Philips. ICOS is aware of the matter and filed for declaratory judgment against Scanner Technologies in July 2005 seeking a ruling

---

that chips with BGA that are tested using the patented method outside the U.S. do not infringe the patent. ICOS has also been involved in litigation with Scanner Technologies in Federal Court in New York regarding these patents since 2000.

- Philips has communicated with both ASE and ICOS regarding indemnification. The last date of communication with ICOS was October 12, 2005, when Philips received a letter of assurance from ICOS that the ICOS equipment does not practice any claims of the asserted Scanner Technologies patents.

- Scanner Technologies's assertion is considered weak assertion because they are trying to claim that an inspection method used outside of the country infringes a U.S. patent.

XVII. *Avante International Technology (Case TA 12834)*

- Avante International Technology Inc. sent an assertion letter dated October 10, 2005 and asserted patents U.S. 6,665,193 and U.S. 10/732,984 against RF tags made by Philips Semiconductors B.V. The patents relate to the manufacturing of RF tags.

- In December 2005 a letter was sent to Avante pursuant to which Philips requested a claim chart that clarifies why Avante is of the opinion that Philips products infringe their patent. No response has yet been received.

XVIII. *Vcode Holdings an Acacia Technologies, Inc. subsidiary (Case TA 13136)*

- Acacia's patents U.S. 4,924,078; U.S. 5,612,524 and EP 0438841 allegedly cover a two dimensional data matrix ID tag that holds more data than a standard bar code. It is alleged that Philips Semiconductors sells IC's with labels having this type of tag. Philips Semiconductors have contacted our supplier of bar code label printers, Intermec, with a request to indemnify.

- Acacia has asked for USD 0.5 - 2 million for a fully paid license for the life of the patent. The life is 18 months from April 15, 2006. Philips received notice in November 2005.

- Philips can and is willing to design around by using the PDF-417 bar code (as used by Fed Ex) instead of the DataMatrix bar code alleged to be infringing. Acacia represented that it believes that this PDF-417 bar code is not covered by the patents at issue. .

XIX. *Samsung (Case TA 13182)*

- Samsung asserted U.S. 5,581,716 against BENQ relating to a DVD RW using a Philips PNX7860E IC. Samsung's claim appeared to be based on compliance with the ATA-3 standard (a CD/hard disc interface standard). This was relayed back to BENQ.

XX. *Curitel cq. Pantech (Case TA 13285)*

- In one of Philips's licensing programs, the other party claimed that U.S. 6,215,905; KR 413,979; KR 086,267 were of interest for Nexperia in an attempt to get a cross-license.

XXI. *Ericsson (Case TA 13513)*

- Ericsson has initiated lawsuits against Samsung for alleged patent infringement of 15 U.S. patents by their GSM/GPRS mobile phones, along with six patents in Germany and two in the Netherlands. Ericsson has started a case in the UK as well. Samsung requested assistance from Philips because Philips chipsets OM6359EL, PCF5212, and PCF5213 are incorporated into Samsung GSM/GPRS mobile phones. Philips believes that the 15 U.S. patents asserted by Ericsson against Samsung to fall within the scope of a patent cross-license agreement for Mobile Radio Communication Systems between Philips and Ericsson as regards their subjects and as regards the time period up till July 1, 2000. The cross-license agreement extends only to the Philips products and not to combinations thereof.

XXII. *Avermedia (Case TA 13532)*

- This case relates to an injunction action in Taiwan by Avermedia against Animation based on alleged infringement by Animation of Avermedia's TW patent I240169 on an audio video signal transceiving device. Animation uses a product design that may be based on a reference design and chip set of Philips Semiconductors. Animation has requested Philips support (although Philips has no formal obligation to provide it). Both Avermedia and Animation are customers of Philips, and Philips wants to keep a good relation with both. Philips provided Animation with prior art but will not start legal action itself. The patent seems weak.

XXIII. *Card Soft (Case TA 13618)*

- Card Soft Inc. of San Mateo, California sent an assertion letter dated March 10, 2006 that their patent U.S. 6,934,935 is essential to a GPD/STIP Specification 2.2 drafted by the Global Platform. It seems that this letter was sent to all members of the Global Platform. Philips acknowledged the receipt of the letter and asked for a claim chart showing why a product of Philips infringes. On April 7, 2006, Philips received a claim chart with regard to the GPD/STIP Specification 2.2. It is Philips's understanding that the claim does not read on a product of Philips Semiconductors, but further discussions may be required.

XXIV. *LG Electronics (Case TA 13902, TA 14066)*

- LG Electronics (LGE) asserted patents EP 0 335 521, EP 0 548 054, EP 0 719 439 and foreign counterparts thereof against Philips's cell phone business semiconductor businesses. These patents were previously owned by British Telecom. LGE claims these patents cover the GSM/3GPP standards that are used in cell phones. They also asserted the patents against Nexperia Baseband Chipset including PCF 5212, PCF 5213, PNX 5220, PNX 5221 and PNX 5230. Samsung is probably the largest customer of these chips and Samsung already asked Philips Semiconductors for comments. LGE also seized some phones in France and some other financial documents based on this assertion.

- Philips argues that, under a JPEG licensing-out program between Philips and LGE, LGE is obliged to license these patents to Philips under similar terms as the JPEG licenses. Further, British Telecom entered into some undertakings to ETSI that are still believed relevant for these patents.

- In August 2006, LGE added LGE's US Patent 6,529,730 which is allegedly essential for the AMR technology as used in the GSM standard.

- For all these patents, Philips Semiconductors' position is that they are not liable for standard essential patents.

XXV. *Canon (Case TA 13986)*

- On 22 March 2006, we received a claim chart from Canon claiming that their patent US 5,231,495 is infringed by Philips' Nexperia and DVD products, in particular the PNX8550. Canon did not specify any damages. Although the US patent has rather broad claims, the only family member JP3321802 has claims that had been restricted to overcome Japanese prior art. This is under investigation.

- On 2 August, Canon extended this assertion by including a larger product list and citing in addition the patents US 5,566,002; US 5,790,265; US 6,278,486 and US 5,966,495 including their Japanese counterparts JP3542572 and JP2925281.

C. Claims – dormant cases

I. *Smart Card (Case TA 130)*

- Philips received a letter in 2000 from Smart Card LLC stating that Smart Card had sued a number of internet security companies under patents U.S. 5,530,232 and U.S. 5,578,808. Philips does not believe that it is at risk as a customer.

II. *Microtune (Case TA 247)*

- In April 2001, Microtune asserted U.S. patent 6,169,569 against Ericsson for alleged infringement by a cable modem tuner. Ericsson, as customer of Philips, in turn requested indemnification from Philips in July 2001. Philips has not had any direct contact with Microtune, and the case has been dormant since 2003.

III. *LSI LOGIC Corporation (Case TA 260)*

- In December 2001, LSI Logic asserted 28 U.S. patents against various products in response to the I2C assertion by Philips. After repeated requests for information relating to their claim of infringement by Philips, no evidence has been provided. No further communications have been received from LSI in over two years.

IV. *Polycom (Case TA 298)*

- In January 2002, Philips received a patent assertion by Polycom in response to other patent assertions against Polycom by Philips. The Polycom assertion concerned Philips Products (encoders/decoders) using various ITU standards, G.722.1, H.261 & H.263. H.323 and Polycom patents: U.S. 5924064, 6304928, 5767897, 5367385, 5283646, 4794455, 4727422, 4703350,l 5821986, 5778082. Polycom has provided no evidence that Philips is infringing its patents. Philips informed that Polycom that it does not believe there is any infringement over four years ago, and Polycom has not responded.

V. *Robert Bosch (Case TA 309)*

- In early 2004, Bosch, along with Siemens and Temic, joined the Safe-By-Wire consortium. All necessary patent claims of each consortium member are royalty free, so this issue is now considered resolved.

VI. *Technology Licensing Corporation / IP Innovation (Case TA 338)*

- This case covers a series of claims made against various Philips Semiconductors's customers. James Carl Cooper uses a plurality of business names, including Technology Licensing Corp and IP Innovation. Mr. Cooper's assertions are generally somewhat specious, although in one case Philips did indemnify Sanyo for USD 200,000 after Sanyo settled a case with Mr. Cooper. Philips Semiconductors has not been approached by Mr. Cooper directly, but from time to time is requested for assistance by its customers.

VII. *Inside Technologies (Case TA 348)*

- Philips licenses certain patents which are essential for the ISO14.443 and ISO15.693 standards in the radio frequency identification area. Philips asserted its ISO14.443 and ISO15.693 patents against Inside Technologies (now Inside Contactless) as they have potentially infringing products on the market. Inside responded by asserting that their patents U.S. 6,337,619 (WO97/42578) and U.S. 6,033,777 (WO98/06057)) are allegedly relevant for these standards. Based on Philips's evaluation, only one of Inside's patents may be relevant, and on balance Philips has a stronger position and that Inside would be the net debtor in this situation.

- In 2002, Inside filed an opposition against one of the Philips patents. The opposition procedure is ongoing, and Philips will wait for the outcome before reviewing the case and possible restarting negotiations with Inside.

VIII. *Wisconsin Alumni Research Foundation ("WARF") (Case TA 352)*

- On September 4, 2002 Philips received a letter from Intersil Corporation to the effect that they had received a notice letter from WARF asserting a claim of infringement of the patents U.S. 4,630,094 (Expired December 16, 2003); U.S. 4,494,136 (Expired December 21,1999) and U.S. 4,350,994 (Expired December 21,1999) for Semiconductors products containing amorphous films, and requesting that Philips defend and indemnify Intersil. WARF has not identified infringing products. In August 2003, there was a consensus among the engineers that the chips that Philips makes do not contain the amorphous barriers that are recited in all the relevant claims of WARF's patents. In March 2004, Joseph Grear of Intersil admitted that "WARF does not currently have a Philips chip that infringes the WARF '094 patent," but suggests that a Philips .13 micron copper interconnect chip would infringe because similar competitor chips do. Mr. Grear states that Toshiba has obtained a license under the patents, and litigation against Toshiba and Sony (a Toshiba customer) has been dismissed. Agilent, Rohm, Hitachi, Intel, Matsushita, NEC, New Japan Radio, Sanyo and Sharp also took licenses. In April/May 2004, a lawsuit was filed against Samsung.

- In October 2005, Philips received another letter from Intersil stating that they have not heard from Philips regarding this matter, and asking that Philips let him know how it would like to proceed.

IX. *Siemens (Case TA 396)*

- On April 9, 2003, V-Tech, a DECT-phone manufacturer and a customer of Philips Semiconductors, had sent an inquiry letter to Philips Semiconductors with respect to the relevance of Siemens Patent DE 195 25 425 to a Philips Software Stack. This patent covers an apparatus for receiving video signals. It appeared that because Philips was already licensed, it could not be held liable under this patent. Vtech also cited other Siemens patents which Philips VEGA/ABC products allegedly would infringe. Philips denies liability in each case either because Philips is not responsible for any infringement, because the patents relate to separate software not included in the chipset or because they relate to standard (e.g. DECT) essential technologies, respectively.

- On September 30, 2003 Siemens came forward with a similar patent infringement claim against Philips customer Detewe.

- There have been no further contacts between Philips and Siemens about this issue for over two years.

X. *Optrex (Case TA 397)*

- In the first half of 2003, Optrex asked Philips's Japanese IP&S department for its point of view on some of their Japanese patents on MRA display drivers. Philips decided to refrain from any analysis of the Optrex patents until Optrex has explained its claims against Philips in more detail and in an official letter. There has been no news with respect to this matter since then.

XI. *eFLASH (Case TA 413)*

- In June 2003, eFlash claimed that the Philips compact 2T flash cell infringed their patent U.S. 5,455,792. This 2T flash cell was one of the several options investigated at Philips Research and was not in production. It is unlikely that the compact 2T cell, also referred to as CMP cell, will ever become a product. In August 2003, Philips Semiconductors sent a message to eFlash indicating that Philips has no business interest in a license. There has been no contact with respect to this matter since then.

XII. *Raben (Case TA 434)*

- Mr. Raben approached Philips in September 2003 for damages resulting from infringement of patent application PCT/EP 93/00814 by ADSL chipsets. Because Philips could not find any patent rights resulting from this application that were still in force, Philips responded with a letter in early 2004 saying that because patent databases showed no pending patent rights, there could be no damage so Philips would not respond farther to his demand.

XIII. *Alcatel (Case TA 458)*

- In October 2003, Philips received a request for assistance from Arima, a customer of Philips, because Arima was approached by Alcatel on alleged infringement on Alcatel's patents by Arima's GSM/GPRS phones using a Philips IC (GSM GPRS SySol2 System Solution) purchased from Philips Semiconductors Zurich. Because Philips's contract with Arima excludes any liability in case of this patent infringement, Philips decided not to assist Arima in this case.

XIV. *InterDigital Communication Corporation (Case TA 459)*

Philips customer Arima requested assistance in relation to a claim by Interdigital against Arima for the alleged patent infringement of Interdigital's patents on TDMA wireless communications products for 2G mobile phones. As in Case TA 458 above, Philips decided not to assist Arima in this matter.

XV. *Texas Instruments (via 3Com) (Case TA 460*)

- In November 2003, Philips received notice of a possible indemnification claim from its customer 3Com in connection with very broad assertion by TI against 3Com of 30 TI patents, only a relatively small number of which may be relevant to Philips. There is a good possibility of settlement by 3Com. At the end of 2003, Philips sent contact information to 3Com; to date, no further contact made.

XVI. *Cisco (Case TA 476)*

- In April 2004, Cisco asserted its U.S. patents 4,963,034 and 4,868,867 against codecs used in Philips Nexperia products. Philips intended to settle this counter assertion in the same deal as the license from Philips to Cisco, but because of the relatively low license income expected from this deal, this matter has become something of low priority.

XVII. *Lexar Media (Case TA 477)*

- In April 2004, we received a letter from Lexar which discussed the IP owned by Lexar for various types of flash memory. The letter was not specific about the products involved. Philips internal counsel phoned Lexar's attorney to ask him which Philips products Lexar considered to be infringing. Philips has not received any response for two years. It is believed that this was just a 'blanket' letter and that it relates more to Consumer Electronics than to Semiconductors.

XVIII. *MGate (Case TA 529)*

- In May 2005, Mgate GmbH of Germany sent an assertion letter with a two-page patent DE 197 28 004 C2. Mgate is of the opinion that this patent reads on Near Field Communication Devices like mobile phones that comply with the ISO18.092 standard. In 2006, Philips started to sell ICs that comply with this standard. Philips requested Mgate to send a claim chart that proves why they think a product of Philips infringes their patent. No response has been received.

XIX. *Michael Branigin (Case TA 534)*

- In July 2004, Branigin claimed infringement of U.S. patent 5,471,593 by microprocessors. No substantiation or identification of individual Philips products was There have been no further contact with Branigin for a year and a half.

XX. *Thomson (Case TA 558)*

- In February 2005, Philips received notice from LGE that Thomson asserted patent EP0581835B1 (incl. U.S. 5,389,893) against their LCD TV's which use a Philips IC TDA9817. Further, Thomson filed a patent infringement case and ITC action against BenQ. Philips believes that the TDA9817 does not infringe; the TDA9800 is to be investigated, but Philips has have good prior art. In November 2005, BenQ won the

---

ITC case, and the judge held that Philips's IC did not infringe Thomson's patent. BenQ thereafter took a license under five Thomson patents including the one asserted against Philips's IC. However, not all outstanding assertions are yet resolved.

XXI. *Magellan Technology (Case TA 560)*

- Magellan Technology said in a letter to Philips Semiconductors dated April 15, 2005 that their patent US2003/112128 is relevant for all products that will comply with an EPC Global Standard. WalMart and other stores in 2006 started to request all suppliers to deliver all their products with tags that comply with this EPC Global Standard that will replace barcodes in the long run. Philips will start to sell such ICs in the first quarter of 2007.

- In an earlier case, Philips had to take a license from Magellan under a different patent in the same technology area. However, the current case is now dormant, as Philips has not had any further communication with Magellan since the initial letter did not sell such ICs in 2005 and 2006; it is expected that Philips will have to pay a reasonable royalty or can compensate in a cross-license with Philips patents relevant to that EPC Global Standard.

XXII. *Washington Research Foundation (Case TA 567)*

- In March 2005, Plantronics requested indemnification from Philips Semiconductors with respect to a letter from the Washington Research Foundation (which is associated with the University of Washington). The letter from WSF was an informational letter stating that WRF had patents that covered Bluetooth, but no specific claims were made with respect to Philips or Plantronics products. An initial assessment found no infringement.

- In November 2005, Philips sent a letter to WRF stating: "If we do not receive substantive evidence of infringement from you, including a claim chart relating all attributes of our product to every limitation in the claims, we will assume that you, as we, consider this matter settled." Because Philips has not heard from WRF since the initial March 2005 letter, and because WRF has not responded to Philips November 2005 letter, this matter is considered dormant.

XXIII. *Amiga Technologies (Case TA 12777)*

- In September 2005, HP notified Philips Electronics North America Corporation of a "potential" indemnification claim with respect to a patent infringement lawsuit filed by Amiga Technologies, Inc. (a subsidiary of Gateway). The lawsuit alleged that certain "graphics cards/chipsets or optical drives" infringed U.S. Patent Nos. 4,874,164 and 5,412,667. In connection with the lawsuit, Amiga served a subpoena on Philips Semiconductors requesting documents and information relating to Philips' CD/DVD error correction algorithms. Philips supplied certain documents and information relating to the error correction algorithms and processes used in Philips CD/DVD error correction chips and explained that Philips chips (and associated optical drives incorporating those chips) were not using the algorithms claimed in the relevant patents. After reviewing the documents and information, Amiga voluntarily dropped its patent infringement claims against HP with respect to the relevant patents.

XXIV. *Atmel-Deister (Case TA 13413)*

- Deister Electronics GmbH co-owns patent U.S. 5,286,955 together with Atmel Corporation. Philips Semiconductors has close business relations with Deister. Atmel is a competitor of Philips and entered into a license agreement with respect to a patent from Philips that Philips asserted in 2004.

- In February 2006, the CEO of Deister informed Philips that Atmel plans to use U.S. 5,286,955 that might have relevance for some Philips Semiconductors' ICs, for backfire. For this purpose, Atmel asked Deister to sell the 50% ownership of that patent to Atmel. Mr. Stobbe mentioned to Philips that he would be interested in looking for a solution with Philips to keep the good relations between the companies. Philips patent EP 0 473 569 B1 is an elder right for the EP family member and it appears that Philips already had a first product on the European market at the time the Stobbe patent was first filed. There has been no assertion letter yet, and it is possible that there never will be.

In addition, each of Newco and each Shareholder agrees to use its best efforts to cause the removal from the supervisory board of NXP of any Philips Director whom Philips requests be removed pursuant to the preceding sentence. Following the preparation of the Closing Date Financial Statements (as defined in the Stock Purchase Agreement), the Parties shall in good faith determine that ratio and amend this Shareholders' Agreement to reflect that final ratio.

(ii) except to the extent required to enable Newco to pay to Philips any Adjustment Amount (as defined in the Stock Purchase Agreement) and then only in an amount equal to the lesser of (A) the Adjustment Amount (as defined in the Stock Purchase Agreement) and (B) the difference between the Closing Date Net Cash Position (as defined in the Stock Purchase Agreement) and the Reference Net Cash Position (as defined in the Stock Purchase Agreement) (in which case Newco hereby agrees to use such funds to make the required payment to Philips pursuant to Section 2.7 of the Stock Purchase Agreement), pay dividends or make other distributions with respect to its Equity Securities, redeem or repurchase any Equity Securities or make any loans to Newco, other than loans for the purpose of funding the normal operations of Newco if, after taking into account NXP's free cash flow, its liquidity situation generally and its short- and medium-term prospects, in each case at the time of the proposed dividend or distribution, NXP would not have, in the reasonable judgment of the Chairman, sufficient and available liquidity for its foreseeable needs.

In the event that Newco (i) Sells Equity Securities of NXP or (ii) causes NXP or any of its Subsidiaries, in one or a series of transactions to dispose of stock and/or assets representing substantially all of the business of NXP and its Subsidiaries, in each case for cash and/or Cash Equivalents net of related expenses including taxes (the "Proceeds"), Newco shall, immediately following completion of such Sale (y) if Newco was not the recipient of the Proceeds, cause the Proceeds to be distributed to Newco and (z) distribute an amount of cash equal to the Proceeds to the Shareholders on a pro rata basis in a manner that is reasonably intended to be the most tax efficient to the Shareholders.

The Parties agree that, whenever there is a conflict between any provision of this Agreement and any provision of the Organizational Documents of Newco, NXP or any of their respective Subsidiaries, the provisions of this Agreement shall prevail. Further, each Party undertakes to vote its Shares at each regular or special shareholders meeting of Newco in a way that it is not inconsistent with this Agreement.

(c) Philips shall (i) make or agree to the same representations, covenants, indemnities (with respect to all matters other than Investor's ownership of Shares) and other agreements as Investor on a pro rata basis reflecting the number of Shares Sold by Philips, provided that (a) any such representations, covenants and other agreements shall be made or agreed severally and not jointly, and (b) Philips's representations, covenants and other agreements shall only survive the closing of the Sale if (x) Philips consents, which consent shall not be unreasonably withheld, and (y) if and to the extent that the Investor's representations, covenants and other agreements shall survive the closing of the Sale and (ii) take all such actions and exercise its voting rights with respect to its Shares or its right to act by written consent, as applicable, in such manner as may be necessary and appropriate to ensure that the Philips Drag-Along Sale or Management Trust Drag-Along Sale is consummated. Shares or the Management Trust Drag-A long Shares, as the case may be, to the relevant Third Party, to require Philips or the Management Trust, as the case may be, to either, at Investor's discretion, (i) contribute such Shares to Holdco (it being understood that such contribution may occur in several steps via contributions to Investor and any other wholly-owned intermediate entities) in exchange for Equity Securities issued by Holdco that are equivalent in terms of economics to such contributed Shares (taking into account the provisions of this Agreement) and then to effect a Sale of such Equity Securities to such Third Party as though such Sale were a Philips Drag-Along Sale or a Management Trust Drag-Along Sale, as the case may be or (ii) immediately prior to the time scheduled for the closing of such Sale, to transfer such Shares to Investor by way of a repurchase and cancellation, subject, in each case, to the conditions that (i) the Sale of such Equity Securities to such Third Party or such repurchase and cancellation actually occurs and (ii) as a result of such Sale or repurchase and cancellation, the net proceeds payable to Philips or the Management Trust, as the case may be, in respect of the Shares so contributed or repurchased and cancelled is not less than the net proceeds that would have been payable to Philips or the Management Trust, as the case may be, if such Shares had been Sold to such Third Party in a Philips Drag-Along Sale or Management Trust Drag-Along Sale, as the case may be.

Section 3.4. "Philips Tag-Along" Rights. (b) Disclosure Controls and Procedures and Internal Controls over Financial Reporting. (f) Ownership of Information. Any Information owned by Newco that is provided to Philips pursuant to this Article V shall remain the property of Newco. Unless specifically set forth herein, nothing contained in this Agreement shall be construed as granting or conferring rights of license or otherwise in respect of any such Information.

(g) Other Agreements Providing For Delivery of Information. All of Philips's rights and Newco's obligations set forth in this Section 5.1 are subject to Section 6.1.

Section 5.2. Auditors and Audits; Annual and Quarterly Statements and Accounting.

(a) Auditors. Unless Philips otherwise consents, for the purpose of auditing its consolidated financial statements and providing an audit opinion thereon with respect to any Reporting Period, Newco shall engage one of Deloitte, Ernst & Young, KPMG and PricewaterhouseCoopers for the purpose of auditing its consolidated financial statements and providing an audit opinion thereon, provided that Newco shall have the right to select a different accounting firm to the extent the audit committee of Newco reasonably determines that it would be in Newco's best interests to select a different accounting firm and such selection would not cause Philips to violate with the Applicable Regulatory Requirements and provided that with respect to any Reporting Period, Newco shall, and shall cause its auditor from time to time (the "Newco Auditor") to, comply with Philips's auditors independence policies with respect to the Philips Group, as amended from time to time.

(b) Annual and Quarterly Financial Statements. Newco shall provide, and shall cause the Newco Auditor to provide, to Philips (and each other Shareholder) on a timely basis all such Information as Philips may require to meet its schedule for the preparation, printing, filing, and public dissemination of its consolidated annual and quarterly financial statements for any Reporting Period. Without limiting the generality of the foregoing, Newco shall on a timely basis provide to the Newco Auditor sufficiently detailed Information with respect to Newco and its Subsidiaries to permit the Newco Auditor to take such steps and perform such reviews, and shall provide such assistance to Philips's auditor (the "Philips Auditor"), as may be required by Philips in connection with the preparation of its consolidated annual and quarterly financial statements for any Reporting Period. Newco shall use its reasonable commercial efforts to make its

quarterly and annual results announcements no later than the time at which Philips shall make its corresponding quarterly and annual results announcements, provided that Newco shall not be required to incur any additional costs or expenses in connection with such efforts.

(c) Identity of Personnel Performing Annual Audit and Quarterly Reviews. Newco shall authorize the Newco Auditor to make available to the Philips Auditors both the personnel who performed or are performing the annual audits and quarterly reviews of Newco's consolidated financial statements and work papers related to such audits and reviews, in all cases within a reasonable time prior to the date of the Newco Auditor's opinion or report thereon so that the Philips Auditor is able to perform all procedures it considers necessary to take responsibility for the work of the Newco Auditors as it relates to any opinion or report to be issued by the Philips Auditor on Philips's consolidated financial statements, all within sufficient time to enable Philips to meet its schedule for the preparation, printing, filing and public dissemination of Philips's consolidated annual and quarterly financial statements for any Reporting Period.

(d) Changes to Accounting Principles and Restatements or Revisions of Financial Statements. Newco shall give Philips as much prior notice as reasonably practicable of any proposed changes in its critical accounting policies or significant accounting principles or any proposed restatement or revision to Newco's financial statements, if any such change, restatement or revision could affect Philips's consolidated annual or quarterly financial statements for any Reporting Period. If requested by Philips, Newco will consult with Philips and the Philips Auditor, and permit Philips and the Philips Auditor to consult with the Newco Auditor for a reasonable period of time, with respect to any such change, restatement or revision. Without the prior written approval of Philips, Newco shall not (i) make any change to any of its accounting policies or principles or (ii) restate or revise its consolidated financial statements with respect to any prior Reporting Periods, in each case if such restatement, revision or change could affect, or could require Philips to restate, revise or change, Philips's consolidated financial statements or its future consolidated financial statements, provided that if in the opinion of the Newco Auditor, Newco's failure to make any such restatement, revision or change would cause Newco's consolidated financial statements not to be in compliance, in any material respect, with applicable accounting principles, Newco may make any such restatement, revision or change after (A) providing Philips with as much prior notice thereof as reasonably practicable and (B) consulting with Philips and the Philips Auditor, and permitting Philips and the Philips Auditor to consult with the Newco Auditor for a reasonable period of time, regarding such change, restatement or revision.

ARTICLE VI

Section 6.1. Confidentiality. Each Shareholder agrees that it will not at any time disclose or use any Confidential Information (as defined below) of which such Shareholder is or becomes aware, whether or not such information is developed by such Shareholder, except to the extent that such disclosure or use is directly related to and required by such Shareholder's performance of duties, if any, assigned to such

Shareholder by Newco, or such Shareholder's holding, managing or disposing of Shares, or the reporting requirements from time to time of the Investor or the Investor's direct or indirect shareholders, provided that, prior to any such disclosure of Confidential Information as permitted hereby, such Shareholder shall inform the person to whom such disclosure is to be made of the confidential nature of such information and obtain the agreement of such person to be bound

Section 6.2. Information. Subject only to Section 6.1, nothing in this Agreement will limit the principle that all information will be made available to the Investor and Philips on the basis of full transparency and that Newco shall procure that the members of the Newco Group and their auditors or other relevant advisers supply Investor and each Investor Director and Philips and each Philips Director with such financial or management information relating to the Newco Group, its activities, affairs, plans and prospects as the Investor or Philips may require, within such timeframe as Investor or Philips may reasonably require.

ARTICLE VII
REGISTRATION OF SUBJECT SECURITIES

Section 7.1. Demand Registration Rights. (a) Prior to a Qualified Public Offering, Shareholders who, collectively, hold more than 50% of the Shares and, following a Qualified Public Offering, each Shareholder (each such Shareholder, the "Demanding Shareholder") shall have the right, at any time and from time to time on or after the third anniversary of the date hereof, to demand that the IPO Entity publish an EU Prospectus and/or file and have declared effective by the SEC a Registration Statement for one or more Public Offerings of all or part of the Demanding Shareholder's Subject Securities, by giving written notice to the IPO Entity specifying the number of Subject Securities to be covered by such EU Prospectus or Registration Statement and the intended method of distribution thereof (the "Demand Request"). In the event a Demand Request is made prior to a Qualified Public Offering, the Demanding Shareholder shall forward such Demand Request to the other Shareholders. In the case of an EU Prospectus, the Demanding Shareholder may specify that such prospectus shall be in the form of a registration document, an offering supplement and a summary or such other form as the AFM or other relevant competent authority may from time to time accept to facilitate delayed or continuous offerings of securities. In the case of a Registration Statement, the Demanding Shareholder may specify that such registration statement shall be in the form of a "shelf" registration statement, providing for the offer and sale of Subject Securities by the Demanding Shareholder on a delayed or continuous basis as permitted by the Securities Act, in which case the intended method of distribution contained in the Demand Request may be general in nature or contemplate multiple methods of distribution. Any Demanding Shareholder wishing to deliver a Demand Request shall notify the IPO Entity of its intention to do so at least fourteen (14) days prior to its intended date of delivery, and the IPO Entity shall forthwith negotiate in good faith to determine the timing of the Demand Request and the number of Subject Securities to be specified therein. If the Demanding Shareholder and the IPO Entity shall agree such matters within the 14-day consultation period, the Demand Request shall reflect such agreement; if the Demanding Shareholder and the IPO Entity fail to agree such matters within the 14-day consultation period, the Demanding Shareholder shall be entitled to deliver the Demand Request on such terms as the Demanding Shareholder, in its sole discretion, sees fit.

(b) Each Shareholder shall have the right, within twenty (20) days of receiving a Demand Request by a Demanding Shareholder prior to a Qualified Public Offering, or within such lesser period of time as specified in the Demand Request which shall in any event be at least five (5) Business Days if the Public Offering is reasonably required to occur on an accelarated timetable, to request that the IPO Entity include in the Offer Document all or a portion of the Subject Securities held by such other Shareholder (a "Participation Request").

(c) Upon receipt of a Demand Request, the IPO Entity shall as promptly as practicable file with each applicable Regulator an Offer Document and shall use its best efforts to obtain the Qualification of such Offer Document, covering the Subject Securities included in the Demand Request and, if applicable, the Subject

Securities included in any Participation Request, for disposition in accordance with the intended method of disposition stated in the Demand Request.

(d) The IPO Entity shall use reasonable efforts to keep a Registration Statement that has become effective as contemplated by Section 7.1 (a) continuously effective and not subject to any stop order, injunction or other similar order or requirement of the SEC, until the earlier of (i) the expiration of the SEC Required Period and (ii) the date on which all Subject Securities covered by the Registration Statement (A) have been disposed of pursuant to such Registration Statement or (B) cease to be subject to the registration requirements of the Securities Act, provided that in no event will such period expire prior to the expiration of the applicable period referred to in Section 4(3) of the Securities Act and Rule 174 promulgated thereunder. In the event of any stop order, injunction or other similar order or requirement of the SEC relating to the Registration Statement, the SEC Required Period shall be extended by the number of days during which such stop order, injunction or similar order or requirement remains in effect.

(e) The IPO Entity's obligations under subsections (a) to (d) are subject to the following limitations:

(i) The IPO Entity shall not be required to comply with its obligations under subsections (a) to (d) during any period of time (not to exceed 90 days in the aggregate with respect to each request) with respect to which it has in good faith decided to proceed with a Public Offering for its own account and, in the good faith judgment of the managing underwriters thereof, the compliance with such obligations would have a material adverse effect on such Public Offering (any such period of time being hereinafter referred to as a "Blackout Period"); provided that (A) any such Blackout

Period shall terminate earlier upon the completion or abandonment of such Public Offering, (B) the IPO Entity shall furnish to each Shareholder a certificate of a member of its Board demonstrating that, prior to the commencement of the consultation period specified in Section 7.1 (a), it engaged an investment bank of international standing to conduct the Public Offering and (C) if during the Blackout Period a Demand Request is withdrawn, such request shall not be considered a Demand Request and such request shall be of no further effect.

(ii) The IPO Entity shall not be required to comply with its obligations under subsections (a) to (d) during any period of time (not to exceed 90 days in the aggregate with respect to each request) with respect to which in the good faith judgment of the Board of the IPO Entity it would be materially detrimental to the IPO Entity and its shareholders for any EU Prospectus or Registration Statement to be filed because such filing would (A) require disclosure of material nonpublic information, the disclosure of which would be reasonably likely to materially adversely affect the IPO Entity and its Subsidiaries taken as a whole or (B) adversely effect an existing or prospective material financing, acquisition, merger, disposition or other comparable transaction or negotiation involving the IPO Entity, provided that in any such case the IPO Entity shall have the right to

suspend the filing or use of but not the filing of, any EU Prospectus or Registration Statement and provided further that the IPO Entity shall not be entitled to exercise this right more than three times for a period of 90 days each time.

(iii) The minimum aggregate offering price of the Subject Securities in any Public Offering, as estimated in good faith by the managing underwriters thereof immediately prior to the time the Qualification of the relevant Offer Document becomes effective, shall be at least €250 million (or the equivalent in other currencies).

(iv) The number of Subject Securities to be offered and sold in any Public Offering shall not exceed the maximum number that the managing underwriter engaged for the Public Offering considers in good faith to be appropriate based on market conditions and other relevant factors, including pricing, the identity of the Shareholders and the proportion of the Subject Securities being offered and sold by the IPO Entity and the Shareholders (the "Maximum Number").

(v) If the number of Subject Securities to be offered and sold in a Public Offering following a Demand Request exceeds the Maximum Number, then the aggregate number of Subject Securities to be offered and sold shall be reduced to the Maximum Number and the IPO Entity shall include in the Offer Document up to the Maximum Number (A) first, all of the Subject Securities requested by the Demanding Shareholder and the other requesting Shareholders to be included in the Offer Document, allocated among them pro rata on the basis of the number of Subject Securities then held by them and (B) second, to the extent that the number of Subject Securities to be included in the Offer Document pursuant to (A) is less than the Maximum Number, any Subject Securities that the IPO Entity proposes to offer and sell for its own account.

(vi) The IPO Entity shall not be obligated to give effect to a Demand Request in the event that a registration pursuant to Section 7.2 has been available to any Shareholder within the ninety (90) days preceding the date of the Demand Request.

(vii) The IPO Entity shall not be obligated to give effect to more than two Demand Requests in any twelve-month period.

(f) A request by a Shareholder that the IPO Entity file an Offer Document shall not be considered a Demand Request if the Offer Document does not become Qualified.

Section 7.2. Piggyback Registration Rights. (a) If the IPO Entity proposes to seek Qualification of an Offer Document in respect of any authorized but unissued Subject Securities for purposes of a Public Offering of such Subject Securities, the IPO Entity shall give written notice to each Shareholder of such proposal at least

thirty (30) days before the commencement of preparations for such Public Offering. Such notice shall specify at a minimum the number of Subject Securities proposed to be included in the Offer Document, the proposed filing date of the Offer Document, the proposed method of distribution of the Subject Securities and the proposed managing underwriters, if any. If the IPO Entity intends to deliver such a notice, it shall notify each Shareholder of its intention to do so at least fourteen (14) days prior to its intended date of delivery, and the IPO Entity and the Shareholders shall forthwith negotiate in good faith to determine the timing of such notice, the type and amount of securities to be specified therein and the possibility for permitting the inclusion of each Shareholder's Subject Securities in the Offer Document. If the IPO Entity and the Shareholders shall agree such matters within the fourteen (14)-day consultation period, the notice given by the IPO Entity to the Shareholders shall reflect such agreement; if the IPO Entity and the Shareholders fail to agree such matters within the fourteen (14)-day consultation period; the IPO Entity shall be entitled to give such notice upon such terms as it, in its sole discretion, sees fit (any such notice hereinafter being referred to as an "Override Notice").

(b) If permitted by the notice given by the IPO Entity, each Shareholder shall be entitled to submit a written request within fifteen (15) days after receipt of such notice that all or a portion of the Subject Securities held by it shall be included in the Offer Document, and the IPO Entity shall use its best efforts to include in the Offer Document the Subject Securities referred to in such request, provided that any offer and sale of such Subject Securities shall be on substantially the same terms and conditions as the Subject Securities offered and sold by the IPO Entity and provided further that the number of Subject Securities to be included in the Offer Document shall not exceed the Maximum Number. If the number of Subject Securities to be offered and sold in a Public Offering pursuant to Section 7.2(a) exceeds the Maximum Number, the aggregate number of Subject Securities to be offered and sold shall be reduced to the Maximum Number and the IPO Entity shall include in the Offer Document up to the Maximum Number (A) first, all of the Subject Securities that the IPO Entity proposes to offer and sell for its own account and (B) second, to the extent that the number of Subject Securities to be included in the Offer Document pursuant to (A) is less than the Maximum Number, any Subject Securities requested by any requesting Shareholders to be included in the Offer Document, allocated among them pro rata on the basis of the number of Subject Securities then held by them. A Shareholder who has submitted a request to have Subject Securities included in the Offer Document pursuant to this Section 7.2(b) shall be entitled to withdraw this request by giving written notice to the IPO Entity of its election to do so at least five (5) days prior to the proposed date of Qualification of such Offer Document.

(c) In the event that the IPO Entity delivers an Override Notice to the Shareholders, then notwithstanding any other provision of this Agreement, for a period of six months following the later of the first day of trading of the Subject Securities specified in the Override Notice or the expiration

of any related lock-up period (the "Priority Period"):

(i) The IPO Entity may not deliver a notice pursuant to this Section 7.2 without first providing the Shareholders at least forty-five (45) days' advance notice thereof and an opportunity for the Shareholders to deliver a Demand Request, which shall have priority over any notice delivered by the IPO Entity during the Priority Period;

(ii) Any Demand Request delivered by a Shareholder during the Priority Period shall be deemed to have been delivered prior to any notice delivered by the IPO Entity pursuant to this Section 7.2 during the Priority Period.

(iii) The IPO Entity may not refuse to comply with any Demand Request delivered during the Priority Period on the ground that it has previously engaged an investment bank to conduct a Public Offering.

Section 7.3. Offer Procedures. If and whenever the IPO Entity is required by Section 7.1 or Section 7.2 to use its best efforts to obtain the Qualification of an Offer Document in respect of any Subject Securities, the following provisions shall apply:

(a) The IPO Entity shall:

(i) As promptly as practicable prepare and file with each applicable Regulator an Offer Document with respect to the Subject Securities and use its best efforts to cause such Offer Document to become and remain Qualified, provided that, before filing any Offer Document or any amendments or supplements thereto, the IPO Entity shall furnish to and afford each Shareholder holding Subject Securities covered by such Offer Document (a "Selling Shareholder"), its advisors and the managing underwriters (the "Underwriters"), if any, a reasonable opportunity to review and comment on copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed.

(ii) As promptly as practicable, prepare and file with each applicable Regulator such amendments and supplements to an Offer Document as may be necessary to keep the Qualification of the Offer Document current and effective and to comply with the provisions of applicable law with respect to the sale or disposition of the Subject Securities.

(iii) Promptly notify each Selling Shareholder (A) when an Offer Document or any amendment or supplement thereto has been filed and when it has become Qualified, (B) of any request by any applicable Regulator for amendments or supplements to an Offer Document or for additional information or (iii) of any order issued or threatened by any applicable Regulator suspending the Qualification of an Offer Document; the IPO Entity shall use its best efforts to prevent the issuance of any such order and, if any such order is issued, shall use its best efforts to obtain the withdrawal of such order at the earliest possible moment.

(iv) Immediately upon becoming aware thereof, notify each Selling Shareholder and the Underwriters, if any, at any time when a U.S. Prospectus or an EU Prospectus is required to be made available under applicable law or regulations, of the occurrence of an event requiring the preparation of a supplement or amendment to an Offer Document so that, as thereafter delivered to the purchasers of the Subject Securities, such Offer Document will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and promptly make available to each Selling Shareholder and the Underwriters, if any, any such supplement or amendment.

(v) Use its best efforts to register or qualify the Subject Securities under such securities or blue sky laws of such jurisdictions in the United States as the Selling Shareholders or the Underwriters, if any, shall reasonably request, and do any and all other acts and things that may be reasonably necessary to enable each participating Selling Shareholder or the Underwriters, if any, to consummate the disposition of the Subject Securities in such jurisdictions, provided that in no event shall the IPO Entity be required to qualify to do business as a foreign corporation in any jurisdiction where it is not so qualified, or to execute or file any general consent to service of process under the laws of any jurisdiction.

(vi) Make available upon reasonable advance notice for inspection by any Selling Shareholder, any Underwriters and any attorney, accountant or other professional retained by any such Selling Shareholder or Underwriter (collectively, the "Advisors"), all financial and other records, pertinent corporate documents and properties of the IPO Entity (collectively, the "Records") as shall be reasonably necessary to enable them to conduct a "reasonable" investigation for purposes of Section 11(a) of the Securities Act and other applicable antifraud and securities laws and cause the IPO Entity's directors, officers and employees to supply all information reasonably requested by any Advisors in connection with such Offer Document.

(vii) Use its best efforts to cause all Subject Securities covered by-an Offer Document to be listed or qualified for trading on any stock exchange or quotation service on which the IPO Entity's outstanding equity securities are listed or qualified for trading or, if none of the IPO Entity's outstanding equity securities are listed or qualified for trading on any stock exchange or quotation services, a generally recognized and generally accepted stock exchange or quotation service in the United States or Europe.

(viii) Furnish to each Selling Shareholder and each Underwriter, if any, such number of copies of an Offer Document, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein) and such other documents as such Selling Shareholder or Underwriter may reasonably request in order to facilitate the disposition of the Subject Securities owned by such Selling Shareholder.

(ix) In connection with an underwritten offering of Subject Securities, enter into an underwriting agreement in such form as is customary in underwritten offerings made by selling security holders and take all such other actions as are reasonably requested by the Underwriters in order to

expedite or facilitate the registration or the disposition of such Subject Securities, and in such connection (A) make such representations and warranties to the Underwriters with respect to the business of the IPO Entity and its Subsidiaries, and the relevant Offer Document and documents, if any, incorporated or deemed to be incorporated by reference therein, as are customarily made by issuers to underwriters in underwritten offerings made by selling security holders, and confirm the same on the settlement date for the offering, (B) cause opinions of counsel to the IPO Entity (which counsel and opinions shall be reasonably satisfactory to the managing underwriters) to be delivered to the Underwriters covering the matters customarily covered in opinions requested in underwritten offerings by selling security holders, (C) cause "cold comfort" letters and updates thereof (which letters and updates shall be reasonably satisfactory to the managing underwriters) from the independent certified public accountants of the IPO Entity (and, if necessary, any other independent certified public accountants of any Subsidiary or equity investee of the IPO Entity or of any business acquired or owned by the IPO Entity for which financial statements and financial data are, or are required to be, included in the Offer Document) to be delivered to the Underwriters, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings by selling security holders and (D) agree to customary indemnification and contribution provisions in favor of both the Selling Shareholders and the Underwriters or selling agents.

(x) Comply with all applicable rules and regulations of each applicable Regulator and, in the case of a U.S. Public Offering, make generally available to security holders earning statements satisfying the provisions of Section II (a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) not later than forty-five (45) days after the end of any 12-month period (or 90 days after the end of any twelve (12)-month period if such period is a fiscal year) (A) commencing at the end of any fiscal quarter in which Subject Securities are offered and sold in a Public Offering and (B) if not sold to underwriters in such an offering, commencing on the first day of the fiscal quarter of the IPO Entity after the effective date of a Registration Statement, which statements shall cover said twelve (12)-month period.

(xi) Cooperate with each Selling Shareholder and the Underwriters in connection with any filings required to be made with any Self-Regulatory Organization.

(xii) Use its best efforts to take all other steps reasonably necessary to effect the Qualification, offering and sale of the Subject Securities covered by an Offer Document and enter into any other customary agreements and take such

other actions, including participation in "road shows", as are reasonably required in order to expedite or facilitate the disposition of the Subject Securities.

(b) Each Selling Shareholder shall agree to any lock-up restrictions requested by the Underwriters prohibiting and/or restricting the transfer of Subject Securities and any hedging or other trading activities with respect to such securities, provided that the form of lock-up agreement agreed to by Investor and the Management Trust shall be substantially the same as that required of any other Selling Shareholder.

Section 7.4. Expenses, (a) All fees and expenses incident to the Qualification and offer and sale of the Subject Securities in a Public Offering pursuant to Section 7.1 or Section 7.2 shall be borne by the IPO Entity, including (a) all registration and filing fees (including (i) fees with respect to filings required to be made with any Self-Regulatory Organization and (ii) fees and expenses of compliance with state securities or blue sky laws (including fees and disbursements of counsel for the IPO Entity and the Underwriters in connection with such matters)), (b) printing expenses (including any costs of printing certificates for Subject Securities in a form eligible for deposit with clearing agencies, printing EU Prospectuses and U.S. Prospectuses, and printing or preparing any underwriting agreement, agreement among underwriters and related syndicate or selling group agreements, pricing agreements and blue sky memoranda), (c) the fees and expenses of any "qualified independent underwriter" or other independent appraiser participating in an offering pursuant to the conduct rules of the NASD, (d) the expenses and costs of any road show (including travel, meals, accommodation and other arrangements for investor presentations or meetings); (e) the fees, expenses and costs of any public relations, investor relations or other consultants retained in connection with any road show (including travel and other arrangements for any investor presentations or meetings); (f) fees and disbursements of counsel for the IPO Entity, (g) fees and disbursements of all independent certified public accountants for the IPO Entity (including the expenses of any "cold comfort" letters required by or incident to such performance) and (h) costs and expenses incurred in connection with the quotation or listing of the Subject Securities on any securities exchange or automated securities quotation system.

(b) Notwithstanding anything to the contrary in Section 7.4(a), the IPO Entity will bear all costs and expenses associated with any offering-related liability insurance, if the IPO Entity desires to obtain such insurance.

Section 7.5. Indemnification. (a) In connection with any Offer Document in respect of any Public Offering pursuant to this Article VII, the IPO Entity shall agree to indemnify and hold harmless each Selling Shareholder and each Underwriter, if any, and each of their respective officers, directors or employees, each Person, if any, who controls such Selling Shareholder or such Underwriter within the meaning of Section 15 of the Securities Act, Section 20 of the Exchange Act and each Person of which, under the laws of The Netherlands, such Selling Shareholder or such Underwriter, directly or indirectly, is a subsidiary *(dochtermaatschappij)* or group company *(groepsmaatschappij)*, from and against any and all losses, claims, damages and liabilities ("Losses") and any actions in respect thereof (including any legal or other

expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in any Offer Document, EU Prospectus, U.S. Prospectus, Issuer Free Writing Prospectus or form of prospectus (as amended or supplemented if the IPO Entity shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, except insofar as such losses, claims, damages or liabilities or actions in respect thereof are caused by any such untrue statement or omission or alleged untrue statement or omission based upon (i) any information relating to any Selling Shareholder furnished to the IPO Entity by or on behalf of such Selling Shareholder expressly for use therein or (ii) any information relating to such Underwriter furnished to the IPO Entity by such Underwriter expressly for use therein.

(b) In connection with any Offer Document in respect of any Public Offering pursuant to Article VII in which a Shareholder is not participating, the IPO Entity shall indemnify and hold harmless such Shareholder and its officers, directors or employees, each Person, if any, who controls such Selling Shareholder within the meaning of Section 15 of the Securities Act, Section 20 of the Exchange Act and each Person of which, under the laws of

The Netherlands, such Shareholder, directly or indirectly, is a subsidiary *(dochtermaatschappij)* or group company *(groepsmaaischappij)*, from and against any and all losses, claims, damages and liabilities and any actions in respect thereof (including any legal or other expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in an Offer Document, EU Prospectus, U.S. Prospectus, Issuer Free Writing Prospectus or form of prospectus (as amended or supplemented if the IPO Entity shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, except insofar as such losses, claims, damages or liabilities or actions in respect thereof are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information provided by such Shareholder to the IPO Entity in writing expressly for use therein.

(c) Each Selling Shareholder shall agree to indemnify and hold harmless the IPO Entity and each Underwriter, if any, and each of their respective officers, directors or employees, each Person, if any, who controls any such Underwriter within the meaning of either Section 15 of the Securities Act, Section 20 of the Exchange Act and each Person of which, under the laws of The Netherlands, the IPO Entity or such Underwriter, directly or indirectly, is a subsidiary *(dochtermaatschatppij)* or group company *(groepsmaaischappij)*, from and against any and all losses, claims, damages and liabilities and any actions in respect thereof (including any legal or other expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in any Offer Document or any amendment thereof, or any EU Prospectus, U.S. Prospectus or form of prospectus (as amended or supplemented if the IPO Entity shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission

to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with respect to any information relating to such Selling Shareholder furnished to the IPO Entity by or on behalf of such Selling Shareholder expressly for use therein.

(d) In the event a claim arises pursuant to subsection (a) through (c), any person in respect of which indemnification may be sought (the "Indemnified Party") shall notify the Party against whom the claim for indemnification is made of such claim and the facts constituting the basis for such claim in reasonable detail. The Party against whom the claim for indemnification is made is hereinafter referred to as the "Indemnifying Party". Failure to notify an Indemnifying Party shall not relieve such Indemnifying Party from its obligations hereunder to the extent it is not materially prejudiced as a result thereof.

(e) Counsel to the Indemnified Party shall be selected by the Indemnifying Party and shall be reasonably satisfactory to the Indemnified Party, provided that counsel to the Indemnified Party shall not (except with the consent of the relevant Indemnified Party) also be counsel to the Indemnifying Party. The Indemnifying Party may participate at its own expense in the defense of any claim arising pursuant to subsections (a) through (c) and, to the extent it shall wish and be legally permitted, assume the defense thereof, jointly with any other Indemnifying Party similarly notified, provided, however, that in the event the Indemnified Party shall have reasonably concluded that there may be defenses available to it that are different from or additional to those available to the Indemnifying Party, the Indemnifying Party shall not have the right to direct the defense of such action as it relates to such defenses on behalf of such Indemnified Party and the fees and expenses of separate counsel (selected by the Indemnified Party and reasonably satisfactory to the Indemnifying Party) relating to such defenses for such Indemnified Party shall be borne by the Indemnifying Party. After notice from the Indemnifying Party to such Indemnified Party of its election to assume the defense of any such claim and after election of counsel to the Indemnified Party as set forth above, the Indemnifying Party shall not be liable for any legal expenses of other counsel (except for separate counsel, but not more than the costs of one such separate counsel for all Indemnified Parties, in the circumstances described above) subsequently incurred by such Indemnified Party. Except as provided in the preceding sentences, the Indemnifying Party shall not be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from its own counsel for all Indemnified Parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No Indemnifying Party shall, without the prior written consent of the Indemnified Parties, settle or compromise or consent to the entry of any judgment with respect to any litigation or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification could be sought under this Section 7.5 (whether or not the Indemnified Parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each Indemnified Party from all liability arising out of such litigation or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party.

(f) If at any time an Indemnified Party shall have requested an Indemnifying Party to reimburse the Indemnified Party for fees and disbursements of counsel, such Indemnifying Party agrees that it shall be liable for any settlement effected without its written consent if (i) such settlement is entered into more than forty-five (45) days after receipt by such Indemnifying Party of the aforesaid request, (ii) such Indemnifying Party shall have received notice of the terms of such settlement at least thirty (30) days prior to such settlement taking effect and (iii) such Indemnifying Party shall not have reimbursed such Indemnified Party in accordance with such request prior to the date of such settlement. Notwithstanding the immediately preceding sentence, if at any time an Indemnified Party shall have requested an Indemnifying Party to reimburse the Indemnified Party for fees and disbursements of counsel, an Indemnifying Party shall not be liable for any settlement effected without its consent if such Indemnifying Party (i) reimburses such Indemnified Party in accordance with such request to the extent it considers such request to be reasonable and (ii) provides written notice to the Indemnified Party substantiating the unpaid balance as unreasonable, in each case prior to the date of such settlement.

(g) The indemnity and reimbursement obligations under this Section 7.5 shall be in addition to any liability each Indemnifying Party may otherwise have and shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any Indemnified Party but may be modified as appropriate and agreed by the Parties in connection with entering any customary underwriting agreement which may, among other matters, provide for contribution arrangements.

(h) In the event of any conflict between the provisions set forth in this Section 7.5 and those set forth in any underwriting agreement entered pursuant to this Article VII, the underwriting agreement shall control.

Section 7.6. No Shareholder Consent Necessary to Conduct a Public Offering. Notwithstanding anything in this Agreement to the contrary, Philips shall not have the right to object to a Public Offering initiated by Newco, Investor or the Management Trust.

ARTICLE VIII

With respect to Philips, this Agreement shall terminate on the date that Philips ceases to owns any Shares of Newco. With respect to the Management Trust, this Agreement shall terminate on the date that the Management Trust ceases to owns any Shares of Newco. Each such notice, request or communication shall be effective when received or, if given by mail, when delivered at the address or addresses specified in this Section or on the fifth business day following the date on which such communication is posted, whichever occurs first.

Section 8.4. Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by Investor and the Management Trust, on the one hand, and Philips, on the other hand, or in the case of a waiver, by the Party against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies in this Agreement provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

Section 8.5. No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, legal representatives and permitted assigns. Except as permitted in Article III, no Party may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other Parties, except that any Shareholder who is not a natural Person may assign its rights and obligations under this Agreement to its wholly-owned subsidiary, and that Investor may assign its rights and obligations under this Agreement to an Investor Affiliate, in each case, without any such consent, provided that such wholly-owned subsidiary or Investor Affiliate, as the case may be, agrees in writing to be bound by this Agreement.

Section 8.6. Entire Agreement. This Agreement contains the entire agreement between the Parties with respect to the subject matter hereof and thereof and supersedes all prior agreements and understandings, oral or written, with respect to such matters.

Section 8.7. Dispute Resolution. The Parties acknowledge and agree that it is their mutual desire and intention to work together to fulfill their respective obligations under this Agreement. Nevertheless, the Parties acknowledge that in the course of working together for such purpose, there may arise differences of opinion or conflicts as to the nature or extent of such obligations ("Disputes"). In the event that Investor or Philips, as the case may be (the "Initiator"), identifies a matter or matters that it believes have evolved to the status of a Dispute, Philips or Investor, as the case may be (the "Respondent"), agree to follow the procedure set forth below:

(a) Immediately following identification of a Dispute, the Initiator shall give the Respondent written notice (the "Initiating Notice") of the particulars of the Dispute and the Initiator's desire to resolve it. The Initiating Notice shall also provide (i) the names of one or more representatives of the Initiator designated to serve as contact persons for the Dispute and (ii) the proposed place, date and time of a meeting with the Respondent for the purpose of resolving the Dispute.

(b) Upon receipt of an Initiating Notice, the Respondent shall provide the names of one or more representatives of the Respondent designated to serve as contact persons for the Dispute.

(c) The representatives of the Initiator and the Respondent shall proceed to meet with each other at the place, date and time proposed by the Initiator or at such other place, date and time as the Initiator and the Respondent may agree (the "Initial Meeting"). In no event shall the Initial Meeting be held more than thirty (30) days after the date of the Initiating Notice.

(d) If the Dispute is not resolved to the satisfaction of the Initiator and Respondent at the Initial Meeting or within fourteen (14) days thereafter, Investor Representative and a designated officer of Philips shall for a period of thirty (30) days attempt to resolve the Dispute in good faith and in a reasonable manner, including by holding at least one meeting at which each of them is present in person (the "Executive Period").

(e) If, and only if, the Initiator and Philips have followed the procedure provided by this Section 8.7 and following the expiration of the Executive Period the Dispute is not resolved to the satisfaction of Investor and Philips, the Initiator or any other Party may bring an action or proceeding in a Chosen Court in accordance with Section 8.8.

Section 8.8. Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury. This Agreement and any agreements to be entered into pursuant to it, save as expressly otherwise provided therein, shall be governed by and

construed in accordance with the laws of The Netherlands. The Parties irrevocably agree that all disputes which may arise out of or in connection with this Agreement and the existence and validity thereof, shall be exclusively resolved by the district court of Amsterdam, The Netherlands.

Section 8.9. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

Section 8.10. Headings. The heading references in this Agreement and the table of contents hereof are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions hereof.

Section 8.11. Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

The undersigned:

1. **PHILIPS ELECTRONICS NEDERLAND B.V.,** acting herein under the name **"EXPLOITATIEMAATSCHAPPIJ PHILIPS HIGH TECH CAMPUS,"** having a principal place of business in (5656 AA) Eindhoven at Prof. Holstlaan 100, Building HTC, for the purposes of this transaction represented by Mr. C.H.L. van der Linden and Mr. J. Wilkes in their capacity as managing directors of the company under its articles and in their capacity as special authorized representatives of this company,

hereinafter referred to as **"Lessor,"**

and

2. **PHILIPS SEMICONDUCTORS B.V., acting herein for the account and risk of Philips Semiconductors-SLE,** having its principal place of business in (5656 AA) Eindhoven at Prof. Holstlaan 4, for the purposes of this transaction represented by Mr. J. Lobbezoo and Mr. T. Claasen,

hereinafter referred to as **"Lessee,"**

whereas:

- Lessor wishes to lease the office/business premises referenced hereinafter to Lessee, and Lessee wishes to lease the office/business premises referenced hereinafter from Lessor;
- Lessor derives its authority to lease out said premises from a leasing agreement that it has entered into with Tetona Investments B.V., with registered office in Amsterdam;
- Unless context indicates otherwise, references in the present agreement to leasing between the parties shall be understood as denoting subleasing;
- The parties wish to set forth their arrangements concerning this leasing in writing.

do hereby agree to the following:

1. The Leased Property, Intended Purpose and Use

1.1 The present leasing agreement relates to the office/business premises with a leasable floor area ("v.v.o.") of 5,805 m^2, which has been constructed at Prof. Holstlaan in Eindhoven and is also referred to as "Building WDN," in both respects in accordance with the site plan and other plans attached as Annex 2, with which the parties are sufficiently acquainted, hereinafter referred to as "the leased property," with 130 parking spaces in a parking garage on the Philips High Tech Campus to be further specified.

1.2 The leased property may be used exclusively as office/business premises, research and/or development premises, or laboratories.

[initials]

1.3 Lessee is not permitted, without the prior written content of Lessor, to use the leased property for any purpose other than as described in Sec. 1.2.

1.4 The maximum permitted load on the floor(s) of the leased property is 400 kilograms per square meter.

1.5 After consultation with Lessee, Lessor's site management is entitled to reduce the number of parking spaces allotted to Lessee, if a change in the expected number of parking spaces needed for the users of the Philips High Tech Campus constitutes reasonable cause to do so. The rental fee for the leased property shall in that case be lowered by €919 per parking space per year for each parking space by which Lessee's allotment is reduced. If at any time Lessee uses more or fewer parking spaces than the amount to which it is entitled under the terms of the present agreement ("actual overuse" or "actual underuse"), then it shall be charged an amount of €919 per actually overused parking space per year or be given a discount of €919 per actually underused parking space per year, or, if the actual overuse or actual underuse occurs for a period longer or shorter than one year, an amount prorated to the duration of the actual overuse or actual underuse, all as further stipulated in the regulations of the Philips High Tech Campus, to be approved by the Managing Board, on which one or more representatives of Lessor and one or more representatives of Lessee shall hold seats.

2. Terms and Conditions

2.1 The following are integral parts of the present agreement:

(i) the "General Stipulations of Leasing Agreements for Office Premises and Other Business Premises Not Subject to Article 7A (1624) of the Civil Code," filed at the Office of the District Court in The Hague on February 29, 1996 and registered there under No. 34/1996, hereinafter referred to as the "General Stipulations";

(ii) the appendix to the present agreement contained in Annex 6 to the present agreement, hereafter referred to as the "Appendix";

(iii) the annexes to the present agreement.

The parties are acquainted with the contents of the General Stipulations, the Appendix, and the annexes. Lessee has received a copy thereof and declares its acceptance thereof upon signing the present agreement.

2.2 The stipulations of Sec. 2.1 apply insofar as not provided otherwise in the present agreement or unless the application thereof with respect to the leased property is not possible.

3. Term, Duration, and Termination

3.1 The present agreement enters into force on June 21, 2002, hereinafter referred to as the "effective date." Notwithstanding the provisions of Stipulations 17.1-17.3 of the "General Stipulations," Lessee is obligated to accept leasing of the leased property and the appurtenant parking spaces effective from June 21, 2002, hereafter referred to as the "date of delivery," and Lessor is obligated, effective from the date of delivery, to provide leasing of the leased property and the

appurtenant parking spaces. If the leased property is not available on the date of delivery, Lessor shall, with due regard for Lessee's reasonable interests, set a new date that shall replace the date of delivery and shall also be referred to hereinafter as the "date of delivery."

3.2 The present agreement ends, without any notice requirement, on June 21, 2007 (hereinafter referred to as the "end date"), unless the agreement is extended or has been previously terminated pursuant to the terms of the present agreement. Lessor shall notify Lessee at least six months prior to the end date whether the agreement can be extended. If the present agreement has been extended pursuant to the terms of the agreement, it ends, without any notice requirement, on the last day of the extension period, unless the agreement is again extended or has been previously terminated pursuant to the terms of the present agreement.

3.3 If Lessor in any way obtains the authority to lease the leased property and the appurtenant parking spaces to Lessee after the end date, the present agreement shall, if so requested by Lessee, be extended for the duration of the period for which Lessor has obtained said authority. Both Lessor and Lessee can, however, limit said extension to a period of five years. In the event of any extension of the present agreement, Lessor and Lessee shall decide on a new rental fee by mutual consent, with said rental fee to be in conformity with market conditions. However, the rental fee shall in all instances be adequate to cover Lessor's reasonable costs arising from the acquisition, use, administration, and preservation of the aforesaid authority, said costs expressly including but not limited to the financing costs and/or rental fees incurred by Lessor with respect to the leased property and the appurtenant parking spaces. Lessor and Lessee shall enter into consultation concerning a further extension of the present agreement no later than six months prior to the end of the extension period.

Lessor shall make every commercially reasonable effort to obtain the authority referred to in the first sentence of this section under terms and conditions convenient to Lessor.

3.4 Lessor is entitled to effect premature termination of the present agreement, with notice:

(i) effective from the date on which its authority to lease the leased property and the appurtenant parking spaces to Lessee ends;

(ii) if a circumstance as specified in Stipulation 7 of the "General Stipulations" arises; or

(iii) if Lessee is no longer a subsidiary of Koninklijke Philips Electronics N.V. within the meaning of Article 24a, Book 2, of the Civil Code.

Premature termination of the present agreement by Lessee is not possible. Insofar as Lessor has granted its advance, written, express consent thereto, Lessee has the authority to substitute a third party in its stead, in whole or in part, with respect to the present agreement. Lessor shall not withhold its consent on unreasonable grounds nor attach unreasonable conditions to its consent to the substitution. At Lessee's request, Lessor shall make every commercially reasonable effort to find a third party for the aforesaid substitution. Any costs incurred through such efforts shall be

borne by Lessee, if approved in advance and in writing by Lessee.

3.5 Notice as referred to in Sec. 3.4 shall be effected by way of writ or by registered mail.

4. Payment Obligation, Payment Period

4.1 Lessee's payment obligation arising from the present agreement comprises:

- the rental fee (said fee being inclusive of the fee for leasing the parking spaces named in Sec. 1)
- the value-added tax owed on this rental fee or an amount corresponding thereto, in accordance with and with due regard for the provisions of Stipulations 15.2 and 15.3 of the General Stipulations, provided that the parties have agreed to a rental fee subject to value-added tax
- compensation for the user-specific investments as referred to in Sec. 9.6.

4.2 The annual rental fee is €1,049,316 (one million forty-nine thousand three hundred sixteen euros). This amount is derived as the total of €160.18 per square meter of v.v.o. per year for the leased property plus €919 per parking space per year.

4.3 The rental fee is adjusted one year after the effective date in the first instance, and subsequently as of February 1 of each year, in accordance with Stipulations 4.1 and 4.2 of the "General Stipulations," on the understanding that the consumer price index series CPI-Employees Low (1990=100) is replaced by the consumer price index series CPI-Employees Low (1995=100).

4.4 The fees for additional facilities and services are determined in accordance with Stipulation 12 of the "General Stipulations." Such fees shall be subject to a system of advance payments with settlement at a later date, as indicated there.

4.5 The payments to be made to Lessor by Lessee are due in lump sums payable in advance for successive payment period(s) as indicated in Sec. 4.6 and must be paid in full prior to or on the first day of the period to which the payments relate.

4.6 The rental fee per payment period of one calendar month is €87,443.00. The rental fee per year is €1,049,316.00. These amounts are exclusive of value-added tax.

4.7 In view of the effective date of the lease, the first payment period relates to the period from the date of delivery through the last day of the respective calendar month. The amount owed for that period shall be prorated according to the number of days in that period. Lessee shall pay that amount, plus any value-added tax owed thereon, prior to the date of delivery.

4.8 The leasable floor area named in Sec. 1.1 has been determined in accordance with the

Lessor's initials [initials] Lessee's initials [initials]

measurements indicated in the Measurement Certificate prepared in conformity with NEN 2580, Elta J. Class. Adjustments between Lessee and Lessor for under- or over-measurement of the leased property are barred.

5. Value-Added Tax

5.1 The parties agree that Lessor shall charge Lessee no value-added tax on the rental fee if they belong to the same VAT tax entity. If Lessor and Lessee cease to belong to the same VAT tax entity, Annex 5 shall apply immediately.

6. Facilities and Services

6.1 The Philips High Tech Campus shall offer a number of centrally provided additional facilities and services for all lessees. These are facilities and services that are of interest to all lessees and are not business-specific, such as catering, security, landscaping, etc. The Philips High Tech Campus site management and Lessee shall in due course enter into consultation concerning additional facilities and services to be utilized by Lessee by way of the consultation body established for this purpose, known as the "Managing Board."

6.2 If specific facilities and/or services on the so-called Central Strip of the Philips High Tech Campus are provided or offered, Lessee is immediately barred from (further) offering, directly or by way of third parties, these or comparable facilities and/or services on the High Tech Campus to its employees whose normal workplace is on the Philips High Tech Campus.

6.3 Lessee and the Philips High Tech Campus site management shall enter into further agreements concerning the terms and conditions of facilities and services as referred to in Sec. 6.1 and 6.2. The fees to be charged to Lessee shall be determined in conformity with market conditions.

7. Bank Guarantee

7.1 Contrary to Stipulation 8 of the "General Stipulations," Lessee is not obligated to furnish a bank guarantee to Lessor.

8. Coordination

8.1 Lessor designates as its agent for performance of the present agreement the Philips High Tech Campus site management, which shall act on its behalf.

9. Special Stipulations

9.1 Substantive alterations in the leased property require the advance written approval of Lessor.

Lessor's initials [initials] Lessee's initials [initials]

9.2 Notwithstanding the authorities to terminate the present agreement that Lessor may hold under the provisions of Sec. 3.4 (iii) of the agreement, the parties agree that if Lessee ceases to belong to the tax entity for value-added tax to which Lessor and Lessee belong at the time when the agreement is entered into, then they, if Lessor fails to exercise its authority to terminate the present agreement as described hereinabove, effective from the time at which Lessee ceases to belong to the tax entity as referred to hereinabove, shall enter into a new leasing agreement with respect to the leased property and the appurtenant parking spaces:

(i) in which it is stipulated that the rental fee shall be subject to value-added tax;
(ii) that shall incorporate the stipulations as attached to the present agreement as Annex 5;

(iii) whereby said agreement shall be substantively identical to the present agreement, except that Sec. 7 of the present agreement shall be replaced by a new Sec. 7 reading as follows: “The bank guarantee referred to in Stipulation 8.1 of the “General Stipulations” shall be in an amount equivalent to six times the rental fee for the leased property per month plus the costs of the additional facilities and services over that same period, as stipulated in the agreement that the present agreement replaces and at the time immediately preceding the time at which the present agreement replaces the previous agreement”; and

(iv) in which it is stipulated that the present agreement is terminated effective from the date on which the new agreement enters into force.

9.3 The October 1998 report by DNV B.V. concerning the exploratory soil study and the March 1999 report by Oranjewoud B.V. (Document No. 947051772) concerning the soil study are deemed the environmental study whose performance is required prior the start of the present agreement, as referred to in Stipulation 2.6.1 of the General Stipulations.

9.4 With the prior written consent of Lessor, Lessee has the right, with due regard for locally applicable ordinances and other regulations, to place advertising materials on, in, near, or alongside the leased property. Lessor shall not exercise its right to place advertising materials on and/or alongside the leased property as referred to in the “General Stipulations.”

Lessor shall grant or deny written consent in conformity with the policy pertaining thereto, to be established as appropriate by the steering committee.

9.5 The following elements of Stipulations 9.2.1 and 9.2.4 of the “General Stipulations” are considered altered:

(i) the following is added to the stipulation under 9.2.1 (c): “insofar as mounted on the interior of the leased property and subject to renovation owing to normal wear and tear”;

(ii) the following is added to the stipulation under 9.2.1 (d): “subject to renovation owing to normal wear and tear”;

(iii) in the stipulation under 9.2.1 (g), the parentheses around “and renovation of small components” are disregarded;

(iv) in the stipulation under 9.2.4, the phrase “and the cleaning of ventilation conduits is

disregarded.”

Costs of maintenance, repair, and renovation that are not borne by Lessee pursuant to the stipulations of (i) through (iv) shall be borne by Lessor.

9.6 Notwithstanding the provisions of Stipulation 5.1 of the “General Stipulations,” with respect to the so-called user-specific investments made by Lessor on behalf of Lessee as further specified in Annex 7 to the present agreement, the interest and repayment of principal on said user-specific investments shall be paid by Lessee in the form of an annual payment over the term of the present agreement, due each January 1, of €310,829.00, this being the annual annuity for interest and repayment of principal for said user-specific investments calculated with a term of 15 years and an interest rate of 7% per annum paid in arrears. At the end of the present leasing agreement, unless Lessor is at fault for termination, the cash value—calculated at an interest rate of 7% per annum paid in arrears—of the remaining annual annuities—over the period of 15 years after the date of delivery—shall be payable immediately and in full by Lessee to Lessor. If a subsequent owner or lessee wishes to retain user-specific investments in the leased property. Lessee’s obligation to remove user-specific investments at the end of the leasing agreement expires and any compensation paid for them by the subsequent owner or lessee shall be for the benefit of Lessee.

9.7 The present agreement supersedes all prior arrangements made between Lessee and Lessor with respect to the subject matter of the present agreement (including all appurtenant annexes).

1.4 A difference between the floor space(s) of the leased property mentioned in this lease agreement and the actual floor space(s) shall not give to either of the parties any right of adjustment of the rental fee and/or the terms and conditions. The parties agree to the floor space calculation drawn up by Zegers Bouwbedrljf [construction company] attached to this agreement and authenticated.

1.5 The lessor agrees not to load the floor space in use greater than that which is technically permissible: 300 kg/m(2).

Terms and conditions

2.1 A part of this lease agreement shall be the general stipulations for a lease agreement for office premises not from Article 7A: 1624 of the Civil Code, deposited with the Clerk of the Court in The Hague on February 29, 1996 and registered there under number 34/1996, hereinafter called the “general stipulations.”

The content of these general stipulations is known to the parties. The lessee has received a copy of them, or they are attached to this lease agreement.

2.2 The provisions referred to in 2.1 shall be applicable except insofar as they are expressly deviated from in this lease agreement or application thereof with respect to the leased property is not possible.

Duration, extension and cancellation

3.1 This lease agreement shall be entered into for a period of 5 (five) years, starting on April 01, 2001 and running through March 31, 2006.

3.2 After the end of the period stated in 3.1, this lease agreement, unless cancellation by the lessee in accordance with 3.3 has taken place, shall be continued for a subsequent period of 5 (five) years, therefore through March 31, 2011. This agreement shall then be continued for subsequent periods each time of 12 (twelve) months unless the lease agreement is cancelled by one of the parties or by both parties, with observance of a notice period of at least 12 (twelve) months.

3.3 Termination of this agreement shall take place by cancellation toward the end of a lease period with observance of a notice period of at least 12 (twelve) months.

3.4 Cancellation should occur by means of a writ or by registered letter.

3.5 Interim termination of this lease agreement shall be possible in a circumstance as stated in Article 7 of the general stipulations, Art 10.3 of the lease agreement and with the observance of the applicable mandatory requirements.

Payment obligation, payment period

4.1 The payment obligation of the lessee consists of:

- the rental fee;
- compensation for any additional supplies and services mentioned under 6;
- the value-added tax on this rental fee and additional supplies and services or a corresponding amount in accordance with and taking into account Article 5 of this lease agreement, at least if the parties have agreed upon a lease subject to value-added tax.

4.2 The rental fee per quarter shall amount to NLG 186,187.50.
in words: – one hundred eighty-six thousand one hundred eighty-seven guilders and fifty cents–

4.3 The rental fee shall be adjusted annually on 01 April, for the first time on 01 April 2002 and then further in accordance with Articles 4.1 through 4.3 of the general stipulations.

4.4 Notwithstanding a rental fee adjustment on the basis of 4.3, each of the parties shall be entitled to request an adjustment of the rental fee based on market value. That adjustment can take place for the first time starting on April 01, 2006 and then each time after a period of at least 5 (five) years after the last rental fee adjustment to the market value. If a party wishes to make use of this entitlement, he shall notify the other party thereof by means of a registered letter with a return receipt, at the latest 6 (six) months before the date on which the revised rental fee must start.

If the parties have not come to an agreement about the rental fee adjustment within 2 (two) months after receipt of this notification, the rental fee shall be determined by three experts. The experts should receive the instruction to take into account all that has been agreed between the parties with respect to the leased property and the circumstances of the case, such as location, size, layout and quality of the leased property and the facilities in and around the leased property, as well as the mutually agreed or judicially determined rental fees of comparable commercial spaces.

Of these three experts, one will be designated by each of the parties within fourteen days after the request by one of the parties for that purpose has reached the other party.

An expert shall make known within eight days after the date of the assignment whether he accepts it.

The third expert shall be designated by these two experts within eight days after they both have accepted their designation. The judgment of the three experts shall be decisive in case of lack of agreement among the experts on the rental fee to be established. If one of the parties remains in default in designating an expert or if the experts designated by the parties cannot come to an agreement on the third expert, then the party taking the initiative can ask the Chairman of the Chamber of Commerce and Industry of the region in which the leased property is located to appoint the expert(s). A party shall bear the costs of the expert designated by that party. The costs of the third expert shall be divided in half between the two parties. The experts shall receive the instruction to issue their report within six weeks after their designation is firm.

After the rental fee has been adjusted to the market value, the next rental fee indexation shall take place on the date as agreed in 4.3 of the lease agreement with the understanding that that rental fee adjustment shall take place in proportion to the period that has passed since the date of the rental fee adjustment to the market value.

4.5 The compensation for any agreed additional supplies and services shall be determined in accordance with Article 12 of the general stipulations. A system of advance payments with later settlement shall be applied to this compensation as is indicated there.

4.6 The lessor shall see to it that an invoice is sent to the accounts payable department of the lessee with a statement of order number:

The lessee shall ensure payment in one amount within 30 calendar days after the date of the invoice provided the invoice is drawn up correctly according to agreement.

The dating of the invoice shall be a maximum of 30 calendar days prior to the first of each pay period and should be received by the lessee at the latest 5 days after date.

4.7 Per pay period of 1 (one) quarter, the amounts are:

• the rental fee	NLG	186,187.50
• the advance payment on the compensation for additional supplies and services	NLG	21,082.50
• Total	NLG	207,270.00

in words: – two hundred seven thousand two hundred seventy guilders–

to be increased by the value-added tax.

Value-added tax

5.1 All amounts mentioned in this lease agreement shall be exclusive of value-added tax (VAT). The parties agree that the lessor shall invoice the lessee value-added tax (VAT) on the rental fee and any agreed additional supplies and services.

The value-added tax (VAT) shall be invoiced by the lessor and should be paid at the same time as the rental fee and any agreed compensation for additional supplies and services, or the advance payment thereon.

[initials] [initials]
Initials of lessee Initials of lessor

5.2 The lessee and the lessor declare expressly that, in determining the rental fee, the assumption was that the lessee shall continue to use the leased property at least the minimum percentage established by law or to be established by law for activities which give the right to deduct value-added tax (VAT), such that they can opt for a lease subject to value-added tax.

5.3 The lessee and the lessor shall make use of the possibility on the basis of Notice 45, Decree of March 24 1999, Number VB 99/571, to waive the submission of a joint option request for a lease subject to value-added tax and to confine themselves to a statement to be completed and signed by the lessee, which statement shall be an integral part of the present lease agreement.

5.4 Before or at the latest at the signing of this lease agreement, the lessee shall submit to the lessor a statement completed and signed by the lessor, in accordance with a model made available to the lessee by the lessor, which shows that the lessee shall use the leased property for purposes for which a complete or almost complete right of deduction of value-added tax exists as laid down in Article 15 of the Value-added Tax Act of 1968.

5.5 The lessee herewith states that his fiscal year runs from January 01 through December 31.

5.6.a If the lessee is not/no longer using the leased property for activities which give the right to deduct value-added tax (VAT) and because of that the exception to the deduction of value-added tax (VAT) is ended, the lessee shall no longer owe value-added tax (VAT) on the rental fee to the lessor or his legal successor(s), but then the lessee, starting on the date on which that termination becomes effective, in addition to the rental fee less value-added tax (VAT), shall owe as a separate compensation to the lessor or his legal successor(s) and amount such that the latter shall be completely compensated for:

I The value-added tax (VAT) no longer deductible as a result of the ending of the option for the lessor or his legal successor(s) on the operating costs of the leased property or investments therein.

II The value-added tax (VAT) that the lessor or his legal successor(s) will have to pay to the tax authorities as a result of the ending of the option because of recalculation as referred to in Article 15, Paragraph 4, of the Value-added Tax Act of 1968 or revision as referred to in Articles 11 though 13 of the Value-added Tax implementation Decree of 1968.

III All other damage suffered by the lessor or his legal successor(s) because of the ending of the option.

5.6.b The damage as a result of the ending of the option for the lessor or his legal successor(s) of not/no longer being able to deduct value-added tax (VAT) as referred to in I under 5.6.a shall be established by the parties in advance at 9% of the (indexed) rental fee.

5.6.c The financial disadvantage suffered by the lessor or his legal successor(s) after the ending of the option because of the ending of the option shall be paid each time to the lessor or his legal successor(s) simultaneously with the periodic rental fee payments and shall be, with the exception of damage as referred to in I under 5.6.a, if possible by means of an annuity, equally distributed over the remaining duration of the current lease period, but can be immediately, completely and at one time be made due and payable from the lessee if this lease agreement is terminated in the interim for whatever reason.

5.7 That which is stated under 5.6.a shall not be applicable if, when entering into the present lease agreement, the revision period for the deduction of VAT already paid, with respect to the leased property has already passed.

5.8 That which is stated under 5.6 shall also be applicable if the lessee, upon entering into the lease agreement, does not complete, sign and has not given to the lessor a VAT declaration as referred to under 5.4. That which is stated in 15.2 of the general stipulations which are part of this agreement is therefore herewith expressly declared not applicable.

5.9 When a situation as referred to under 5.6 occurs, the lessor or his legal successor(s) shall notify the lessee what amounts must be paid by the lessor or his legal successor(s) to the tax authorities and give an insight into the other damage as referred to under 5.6, such with the exception of the damage determined in advance as referred to in I under 5.6.a. The lessor or his legal successor(s) shall provide his cooperation if the lessee wishes to verify the statement of the lessor or his legal successor(s) by an independent certified public accountant. The costs of this shall be for the lessee’s account.

5.10 In case in any fiscal year, the requirement of use for purposes as reflected under 5.2 is not met, the lessee shall notify the lessor or his legal successor(s) within four weeks after the end of the relevant fiscal year by means of a statement to that effect signed by the lessee. Within that same period, the lessee shall send a copy of that statement to the Inspector of Value-added Tax.

5.11 If the lessee does not satisfy the notification obligation as referred to under 5.4 or under 5.10 and/or does not satisfy the obligation for putting into use as referred to under 5.13, or it turns out afterwards that he made an incorrect assumption and the lessor or his legal successor(s) because of that, according to what turns out afterwards, erroneously invoiced value-added tax (VAT) on the rental fee, lessee shall be in default and the lessor or his legal successor(s) shall be entitled to claim the financial damage occurring therefrom from the lessee.

This damage shall concern the entire value-added tax (VAT) still owed to the tax authorities by the lessor or his legal successor(s), increased by interest, any increases, as well as further costs and damages. This article provides a damage compensation arrangement in case the option should be ended with retroactive effect, such in addition to the arrangement reflected under 5.6. The extra damage that arises for the lessor or his legal successor(s) from that retroactive effect shall be immediately, completely and at once due and payable by the lessee. The lessor or his legal successor(s) shall cooperate if the lessee wishes to verify the statement of the lessor or his legal successor(s) by an independent certified public accountant. The costs of this shall be for the lessee’s account.

5.12 That which is stated under 5.6, 5.9 and 5.11 shall likewise be applicable if the lessor or his legal successor(s) for the first time after termination, interim or not, of this lease agreement are confronted with damage because of the termination of the option valid for the parties, which damage then shall be Immediately, completely and at once due and payable to the lessor or his legal successor(s).

5.13 Without prejudice to the other provisions of this lease agreement, the lessee shall in any case put into use the leased property, with application of the option right, before the end of the fiscal year in which he leases the leased property.

Supplies and services

6.1 The parties agree on the following as additional supplies or services to be provided by or on behalf of the lessor:

- gas consumption, including standing charges, for the individual consumption of the lessee;
- electricity consumption, including standing charges, for the individual consumption of the lessee;
- electricity consumption, including standing charges, for the installation(s) and the lighting of the community areas;
- water consumption, including standing charges, for the individual consumption of the lessee;
- maintenance (not being replacement maintenance as referred to in Article 9.1 of the general stipulations) and periodic checks of heating and air conditioning installation(s):
- maintenance (not being replacement maintenance as referred to in Article 9.1 of the general stipulations) and periodic checks of the elevator installation(s);

- insurance premium for outside glazing and glazing of the community areas;
- administrative costs at NLG 1,000.00 excluding VAT per year to be indexed at the same time and in the same manner as the rental fee, on the above-named supplies and services.

For the above supplies and services, the lessor shall invoice the lessee for a cash advance to be settled later of NLG 30.00 per m^2 per year, to be increased by value-added tax. The actual consumption shall be determined on the basis of the readings from individual meters and for the other supplies and services which cannot be registered by means of individual meters, the total costs for the abovementioned supplies and services divided by the total surface area of the building multiplied by the leased surface area.

If, in the building of which the leased property is a part, there are one or more users who make relatively more use of the above-named supplies and services, the above-mentioned formula should possibly be adjusted.

Within a month after the effective date of the present lease agreement, the parties shall hold a consultation and make further agreements about the service levels of the service contracts to be entered into.

The parties have agreed that the lessee shall receive copies of the agreements entered into by the lessor with respect to the above supplies and services. The copies must be sent by the lessor to the lessee within a reasonable period after they have been entered into.

Bank guarantee

7.1 Contrary to Article 8 of the general stipulations, the parties have agreed that the lessee need not provide a bank guarantee.

- surface area calculation from Zegers Bouwbedrijf.

Special provisions

10.1 The parties agree that the lessee shall have the right of substitution with respect to the leased property, in which the lessor reserves the right of approval of the successive lessee. The lessor shall only be able to withhold his approval of a candidate proposed by the lessee on the basis of reasonableness and fairness—by this is meant *inter alia* that the new lessee is creditworthy, shall continue to use the leased property at at least the minimum percentage established by law or to be established by law for activities which give the right to deduct value-added tax (VAT), such that they can opt for a lease subject to value-added tax or, if this is not done, that the lessor is completely compensated herefor and they are prepared to issue a rent guarantee of three months' payment obligation.

10.2 After consultation and written approval from the lessor and the responsible (government) agencies, the lessee may affix his name on or to the leased property.

10.3 The lessee shall have the right to end this lease agreement prematurely after the second year in the first option period and therefore only as of April 1, 2008 without legal intermediary with observance of a notice period of a minimum of 12 months. That is to say that cancellation must take place in

accordance with the provisions of Art. 3.3 and 3.4 and before April 1, 2007. If the lessee makes use of this right, the lessee shall owe a lump sum payment equal to a quarter of the annual rental fee applicable as of April 1, 2008 to the lessor.

[initials] Initials of lessee | [initials] Initials of lessor

10.4 Supplementary to the provisions of Art. 3.2, the parties have agreed that the lessor, with observance of a period of at least 14 (fourteen) months and therefore before or at the latest on January 1, 2005, shall indicate to the lessee that the lessee can have cancellation take place in accordance with Art. 3. If the lessor does not indicate, or indicates too late, that the lease cancellation can take place, the notice period and option period shall be correspondingly changed.

4.2 The Parties have agreed that Lessor will indeed charge value-added tax on the rental fee. If a lease unencumbered by value-added taxes is agreed upon, Lessee shall owe Lessor a separate fee in addition to the rental fee, as compensation for the loss which Lessor and/or his legal successor(s) may sustain because the value-added taxes on the investments and the operational costs of Lessor will not (no longer) be deductible. The stipulations of 19.1 through 19.9 of the General Stipulations shall not apply in that case.

4.3 If the Parties have agreed upon a lease encumbered by value-added taxes, Lessee and Lessor will take advantage of the possibility pursuant to Notification 45 in the Decree of March 24, 1999, No. VB 99/571, to renounce the filing of a joint option request for a lease encumbered by value-added taxes. Lessee states by signing the Lease Agreement, also for the benefit of the successor(s) of Lessor, that he will use the Leased Property on a continuing basis, or will have them used on a continuing basis, for purposes for which there exists a complete, or practically complete, right of deduction of value-added taxes pursuant to Article 15 of the 1968 Value-Added Tax Act.

4.4 Lessee's fiscal year shall run from through

4.5 The rental fee shall be adjusted annually as of **March 15**, effective for the first time as of **March 15, 2005**, in accordance with General Stipulations 9.1 through 9.4.

4.6 The fee which Lessee may owe for any additional deliveries and services to be provided by or on behalf of Lessor shall be determined in accordance with General Stipulation 16. As specified there, a system of advance payments with subsequent settlement shall be applied to this fee.

4.7.1 Lessee's payment obligation shall consist of:

- The rental fee:
- The separate fee if a lease unencumbered by value-added taxes is agreed upon:
- The value-added tax owed on the rental fee if the Parties have agreed upon a lease encumbered by value-added taxes:
- The advance on the fee for the additional deliveries and services to be provided by or on behalf of Lessor, together with the value-added tax owed thereon:

4.7.2 Lessee shall not owe any more value-added tax on the rental fee if the Leased Property may no longer be leased with value-added taxes, even though the Parties had agreed that it would be so leased. If this should be the case, the fees for the value-added tax specified in General Stipulations 19.3.A. shall be substituted and the fee specified in 19.3.A., Section I, shall be set in advance **at a more specifically to be determined %** of the present rental fee.

4.8 At the start of the Lease Agreement, the total per payment period of 1 calendar month(s) shall amount to:

• The rental fee	**€**	**7,000.00**
• The value-added tax owed on the rental fee	**€**	**1,330.00**
• The separate fee stated in 4.2 if a lease unencumbered by value-added taxes is agreed upon or	**€**	**—**
• The fee(s) stated in 4.7.2 if properties may no longer be leased with value-added taxes, even though the Parties had agreed on it	**€**	**—**
• The advance on the fee for additional deliveries and services to be provided by or on behalf of Lessor, together with the value-added tax owed thereon	**€**	**892.50**
Total	**€**	**9,222.50**

that is, **nine thousand two hundred twenty-two Euros and fifty Euro cents**.

4.9 In view of the effective date of the Lease, Lessee's first payment shall be for the period from **March 15, 2004** through **April 30, 2004**, and the amount owed for this first period shall be **E 13,833.75**. This amount includes value-added taxes, also the value-added tax on the rental fee, but only if Lessee owes value-added taxes on the rental fee. Lessee shall pay this amount before or on **March 15, 2004**.

4.10 The periodical payments to be made by Lessee to Lessor pursuant to this Lease Agreement, as specified in **4.8**, shall be due as a lump sum advance payment in Euros and they must be paid in entirety before or on the first day of the period to which the payments relate. *Lessee has Indicated that he cannot make the payments before or on the first day of the period, but no later than within 10 days after the expiration thereof.*

4.11 Except for any stipulations to the contrary, all amounts in this Lease Agreement and in the General Stipulations that are a part thereof shall be exclusive of value-added taxes.

Deliveries and Services

5. The Parties agree that the following shall constitute additional deliveries and services to be provided by or on behalf of Lessor: gas, electricity and daily maintenance.

~~**Bank Guaranty**~~

7.2 Unless agreed otherwise in writing, Lessee must communicate with the administrator regarding the contents of and all other matters relating to this Lease Agreement.

Special Stipulations

8.1 Lessor does not make any warranties as to the suitability of the Leased Property with respect to the use intended by Lessee. Lessee consequently accepts that all risks for the fact that the Leased Property may not be suitable for the use intended by him shall remain his risks.

8.2 Wherever Article 9.1 of the General Stipulations refers to monthly price index figure(s) and/or calendar month(s), it should be interpreted as annual price index figure(s) and/or calendar year. The adjusted rental fee shall be calculated in accordance with the following formula: the adjusted rental fee equals the current rental fee multiplied by the index figure for the calendar year prior to the year in which the adjusted rental fee becomes effective, divided by the index figure for the calendar year prior to the effective date of the current rental fee.

8.3 In cases where it has been agreed that value-added taxes will be charged on the rental fee, Lessee and Lessor state explicitly that in determining the rental fee it has been assumed that Lessee will use at least the minimum percentage of the Leased Property established by law, or to be more specifically established by law, on a continuing basis for performances that entail the right to deduction of VAT, in such a way that a lease encumbered by value-added taxes can be chosen.

8.4 Before or no later than at the signing of this Lease Agreement, Lessee shall submit to Lessor a statement, filled out and signed by Lessee in accordance with a model made available by Lessor to Lessee, which shows that Lessee uses the Leased Property or allows the Leased Property to be used for purposes for which there exists a complete, or practically complete, right of deduction of value-added taxes pursuant to Article 15 of the 1968 Value-Added Tax Act.

8.5 A. If Lessee does not (or no longer) use the Leased Property or allow it to be used for performances that entail the right to deduction of VAT and therefore the exception to the exemption from payment of value-added taxes is terminated, Lessee shall no longer owe Lessor and/or his legal successor(s) value-added tax on the rental fee. In this case, Lessee shall owe Lessor and/or his legal successor(s), effective from the date when this termination becomes effective and in addition to the rental fee exclusive of VAT, an amount as a separate fee such that Lessor will be completely compensated for:

I The VAT on the operating costs of the Leased Property or the investments therein which is not (no longer) deductible for Lessor and/or his legal successor(s) as a result of the termination of the option, as well as for the future loss of profits on the value-added taxes that were (previously) deductible by Lessor.

II The VAT which Lessor and/or his legal successor(s) must pay to the fiscal authorities as a result of the termination of the option due to recalculation as stipulated in Article 15, Section 4, of the 1968 Value-Added Tax Act or revision as stipulated in Articles 11 through 13 of the Implementation Decree of the 1968 Value-Added Tax Act, as well as for the future loss of profits on the amount to be paid to the fiscal authorities.

III All other losses sustained by Lessor and/or his legal successor(s) due to the termination of the option.

b. The VAT as defined in Item 1 of 8.5, Section A., which is not (no longer) deductible for Lessor and/or his legal successor(s) as a result of the termination of the option, as well as the future loss of profits on this deductible amount, shall be set between the Parties at a percentage of the (indexed) rental fee which will be more specifically determined.

Initials of Lessor: [initials] Initials of Lessee: [initials]

c. The financial loss to be sustained by Lessor and/or his legal successor(s) after termination of the option, as a result of that termination, shall be paid by Lessee to Lessor and/or his legal successor(s) each time simultaneously with the periodic rental fee payments. With the exception of the loss referred to in Item 1 of 8.5, Section A., the financial loss shall be divided equally over the remaining duration of the current rental period, by means of an annuity if possible. But the financial loss shall be claimable from Lessee on demand, in its entirety and as a lump sum, if the Lease Agreement for whatever reason is terminated in the interim.

8.6 The stipulation in Item II of 8.5, Section A., shall not apply if the revision period for the deduction of pretax with regard to the Leased Property has elapsed at the time when this Lease Agreement is entered into.

8.7 The stipulations in 8.5 shall also apply if Lessee has not filled out, signed and given to Lessor a “VAT statement” as defined in 9.4 at the time when this Lease Agreement is entered into.

8.8 When a situation as described in 8.5 occurs, Lessor and/or his legal successor(s) shall advise Lessee which amounts must be paid by Lessor and/or his legal successor(s) to the fiscal authorities and also provide an insight into the other losses as defined in 8.5, however, with the exception of the loss established in advance as defined in Item 1 of 8.5, Section A. Lessor and/or his legal successor(s) shall provide their cooperation if Lessee wants to have the report given by Lessor and/or his legal successor(s) verified by an independent auditor. The cost of this shall be born by Lessee.

8.9 In case in any fiscal year there has not been compliance with the usage of the Leased Property, or the allowed usage, for purposes as defined in 8.3, Lessee shall advise Lessor and/or his legal successor(s) about this within four weeks after the end of the fiscal year involved by means of a statement signed by him (Lessee). Within the same time period Lessee shall send a copy of this statement to the Inspector of Value-Added Taxes.

8.10 If Lessee does not meet the information obligation as defined in 8.4 or in 8.9 and/or does not meet the obligation for occupation as defined in 8.12, or if it is found later on that he has used an incorrect assumption and that as a consequence thereof Lessor and/or his legal successor(s) have erroneously charged VAT on the rental fee, as subsequently demonstrated, Lessee shall be in default while Lessor and/or his legal successor(s) shall be entitled to recover the resulting financial loss on Lessee. This loss shall entail the entire relevant VAT still owed to the fiscal authorities by Lessor and/or his legal successor(s), augmented by interest, any increases, as well as other costs and losses. The stipulations of this Section shall provide for an arrangement for compensation of damages in case the option should be terminated with retroactive effect, which would be in addition to the arrangement described in 8.5. The additional losses that derive for Lessor and/or his legal successor(s) from that retroactive effect shall be claimable from Lessee on demand, in their entirety and as a lump sum. Lessor and/or his legal successor(s) shall provide their cooperation if Lessee wants to have the report of these additional losses given by Lessor and/or his legal successor(s) verified by an independent auditor. The cost of this shall be born by Lessee.

8.11 The stipulations in 8.5, 8.8 and 8.10 shall also apply if Lessor and/or his legal successor(s) are faced with losses due to termination of the option in force for the Parties only after termination of the Lease Agreement, whether or not this termination is interim. These losses shall then be claimable by Lessor and/or his legal successor(s) on demand, in their entirety and as a lump sum.

8.12 With the relevant stipulations of this Lease Agreement otherwise remaining fully applicable, Lessee shall in any case occupy the Leased Property, or have it occupied, while applying the option right and he shall do so before the end of the fiscal year in which he took the lease for the Leased Property.

~~8.13 Each of the parties shall be entitled to demand a revision of the rental fee each time after a period of five rental years, that is, for the first time N.A., by comparing the rental fee to the market rental value of the Leased Property. The market rental value shall be defined as the rental value of the Leased Property in proportion to the rental value of other comparable rental premises. The desire for a revision shall have to be communicated to the other party by means of a registered letter six months before the aforementioned date. However this revision shall never be allowed to result in a decrease in the rental fee below the level of the average of the rental fee that was in effect during the three rental years immediately preceding the point in time of the revision. If the Parties have not yet reached an agreement three months before the effective date of the rental fee that is to be revised, the market value shall be binding and shall be determined in the final instance by three experts who shall be charged to decide on their position within one month after their appointment.~~

~~Both Lessor and Lessee shall each designate one expert within fourteen days after it has been found that an agreement has not yet been reached. The experts thus appointed shall jointly have to designate a third expert within two weeks after they have both been appointed. If it turns out that the appointment of the experts has not happened within the time period indicated or if the experts have not decided on their position within the time period indicated, either party may submit the case for a decision to the Justice of the Peace in whose jurisdiction the Leased Property is located. The pronouncement of the joint experts shall be binding for Lessor and Lessee. If Lessee and Lessor are in agreement that one expert should be sufficient and if furthermore written agreement is reached regarding the appointment of this one expert, this one expert shall then in deviation from the above establish the rental fee with binding effect. The expert(s) or the Justice of the Peace shall also determine who will bear the costs of the procedure. The rental fee thus established anew shall also in the following period(s) be indexed and adjusted annually, as stated earlier.~~

~~8.14 Lessee shall hereby authorize Lessor to effect automatic collection of the rental amount and service costs owed per month, increased by VAT, and he shall commit to cooperate in this. The bank/giro account number of Lessee to be used by Lessor is …….~~

8.15 If upon termination of the Agreement Lessee fails in whatever manner and for whatever reason to deliver the premises to Lessor on time, he shall owe Lessor for each day for which he fails to do so a penalty of € 1,000.00, payable on demand and not subject to mitigation, without any summons or notice of default being required and without prejudice to Lessor's right to compensation of damages which he might sustain as a result of Lessee's omission. *These stipulations are reasonable and fair.*

8.16 In the framework of the prevention of Legionnaire's disease in tap water, Lessee must maintain the temperature of hot water at higher than 55 degrees Celsius, prevent water from remaining stagnant in the pipes for long periods of time, and follow other directions from Lessor or experts designated by him. Lessee must also allow Lessor to perform adaptations to the Leased Property in the framework of preventing Legionnaire's disease and Lessee may not demand any compensation of damages for this.

8.17 If a risk analysis of the water supply system must be made for the Leased Property and a management plan must be prepared as a result, all costs associated with these investigations and plans shall be applied to the service costs.

Initials of Lessor: [initials]

Initials of Lessee: [initials]

8.18 Lessee shall not be allowed to use the outside terrain that constitutes a part of the Leased Property as storage space (not even temporarily) or as a parking lot for trucks and/or trailers. In case of violation of this stipulation, Lessee shall owe Lessor a penalty of E 227.00 per day for each day that the violation continues. This penalty represents additional rental money due and as such it shall be claimable on demand by Lessor. Furthermore Lessor shall hold and/or make Lessee responsible at all times if losses are sustained due to this violation as a consequence of fire, vandalism, nuisance, and such. It must be noted here that all consequences deriving from this shall be at Lessee's risk and charged to his account.

8.19 Lessee may occupy the premises from the effective date of the lease and after this Lease Agreement has been signed, the first installment has been paid and the bank guaranty has been submitted.

8.20 *Lessor shall not make any structural adaptations in order to divide up the premises.*

8.21 *If Lessee wants to rent less than approximately 3,000 m^2 of business premises after 6 months, the following graduated calculation shall apply: for every 500 m^2 less which Lessee will use (up to a maximum of 1,500 m^2, Lessee shall pay €1.00/m^2 more in rent per year, to which VAT is to be added.*

8.22 *Article 18.2 of the General Stipulations may only be applied after the first ten days subsequent to the payment date have elapsed.*

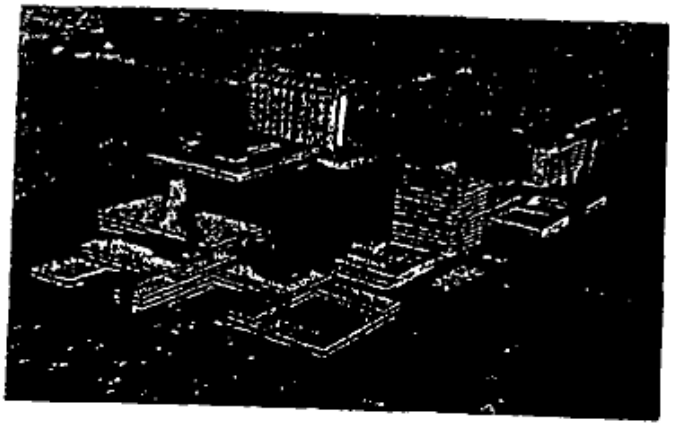
Philips Business Park Eindhoven



“Workplace Agreement”

Introduction

The Philips Business Park in Eindhoven guarantees an optimal workplace with a wide range of different types of underlying services offered by or on behalf of the Site Management. The Site Management is responsible for the integrated supply of space and services and the quality of its services in the form of fully fitted-out, immediately usable workplaces.

The Workplace Agreement for the Philips Business Park is under development and constantly subject to amendment. This document has been written for the purpose of providing information for potential lessees regarding the makeup and structure of the Workplace Agreement.

The document can also be used as discussion material to enable supply and demand to be better matched, thereby further optimising the Workplace Agreement.

The document is divided into two parts.

In the first part the workplace management that will be conducted on the Philips Business Park Eindhoven is described in general terms.

The last part contains the customer-specific section of the Workplace Agreement and further develops the services covered earlier.

Workplace management

1. Introduction

The traditional view of office accommodation is no longer adequate in our present work environment. Social, economic and technological changes have greatly changed the work processes of organisation units and individual employees and the changes are taking place at an increasingly rapid pace. The workplace must be capable of developing quickly in line with the organisation as regards size, requirements and preferences. Work flexibilisation has resulted in more and more people working on the basis of new work patterns, in different work environments and in rapidly changing organisational units. The five-day working week in a permanent contract situation is no longer the only standard, so employees are not always in the office from nine till five. Deregulation and internationalisation result in increasing competition and are forcing organisations to be cost-efficient, including where the costs of the workplace are concerned. Cost-efficiency also means that the 'ample' size of European office buildings is being put under pressure. Higher quality requirements from the marketplace also make greater co-ordination necessary between functional work processes.

This means more project-based work, more teamwork and more consultation inside and outside the organisation. The relationship between individual work 'at the desk' and collaboration with others has been drastically changed. These radical changes in work processes mean that office spaces, as the 'workplace of the administrative organisation', must meet entirely new requirements.

2. What is workplace management?

The 'internal lessee' rents a variety of the number of required workplaces instead of buildings or building parts and is obliged to buy a number of 'standard services' linked to them and provided by the site/facility manager. The contents of the package of services and products are set out in clear policy lines and are made known via site-specific 'mandatories'. These standard products and services are primarily building-related and are directly connected to the valuation/value retention of the building, maintenance, economies of scale advantages or management aspects for the location in question.

3. What does workplace management do?

Workplace management ensures that all secondary matters are taken out of the hands of the business units concerned so that they can focus fully on their primary business processes.

The dedicated support organisation (the Site Management) focuses on standardisation, on optimum, on flexibility and on unambiguousness in the conduct of business. Services are offered to every user. In this way the core businesses have the minimum of concerns.

In addition, space is used intelligently, so that when a business unit is eventually ready to take a subsequent step there are sufficient possibilities for expansion or contraction and so the unit can stay where it is.

4 What is the advantage of workplace management?

Philips is striving worldwide for more synergy, efficiency and returns in the various functions so as to put itself in a better competitive position, supported by numerous elements, including the Philips TOP programme.

In line with this programming a more creative and more efficient approach than has (often) been the case in the past is also applicable to accommodation and related services.

A summary of the most important advantages:

- Creating a stimulating work environment with potential for synergy and co-operation by creating a transparent and flexible work environment which:
    - promotes communication and interaction,
    - optimally houses multidisciplinary project teams,
    - offers a high-quality IT structure,
    - integrates work and private life.
- Creating conditions for long-term accommodation for the organisation.
- Creating efficient accommodation that can pass the test of meeting market requirements.
- More efficient utilisation of the buildings by managing the space utilisation 'across' the boundaries of the individual organisational units, as a result of which vacancies are monitored centrally and managed, thus minimising overall vacancies.
- Flexibility: since vacancies are managed centrally, rental and associated service contracts can be concluded for shorter periods.

  As a result, organisational units can and will return spaces more quickly.

- Only a centrally set-up group of people will be involved with the site-specific facilities. This prevents fragmented knowledge and creates an efficient organisation, which will give rise to synergy in costs/quality.

- Professionalism and economies of scale advantages are achieved because several people are involved with the facility management aspects on a ‘dedicated’ basis. Subcontracted third parties (80-90% of FM turnover) are also managed in a more cost-conscious manner, which will provide returns in cost management, cost savings and organisational efficiency.

Workplace management is aimed at maintaining high quality in the work environment, grounds and buildings by organising their operation, management & maintenance collectively. It also offers the business units and their employees products and services that can be provided efficiently when purchased, organised and implemented collectively, but only with difficulty and at higher cost when these activities are performed individually.

The value added for the individual business units can be summarised as follows

- The focus remains on the core activities, since it is better and easier to leave secondary matters to others/third parties.
- Cost, quality and organisational advantages due to collective procurement, organisation and operation of the necessary and desired services.
- Greater flexibility to expand and contract thanks to the possibilities offered by the location.

Workplace Agreement (customer-specific)

This section stipulates the specific agreements for lessees (customers).

First the contents of the “rental agreement for flexible office space with services” (Workplace Agreement) are given.

An overview giving the description of the 'standard' services that are actually purchased and a cost structure for each workplace then follows, thus creating a transparent whole.

1.4 Specific agreements for each product/service with an agreed validity of more than a year shall be set out in a separate annexe to this Workplace Agreement. As far as possible, account will be taken in these agreements of any initial investment obligations.

Article 2 - Period of validity and termination

2.1 The Agreement takes effect on October 13, 2003 and ends on October 13, 2006. This Workplace Agreement has been entered into for the office spaces, rents and costs as indicated in greater detail in annexes 1 and 2 and for a particular period of validity. This particular period of validity of the agreement is 36 months for newly constructed office spaces and 12 months for existing office spaces.

2.2 At the end of the period as referred to in section (1) of this Article this Workplace Agreement shall be continued for an indefinite period.

2.3 If at the end of the particular period this Workplace Agreement is continued for an indefinite period, this Workplace Agreement may be terminated by either of the parties in writing, with due observance of a period of notice of six months.

2.4 Termination shall be effected in units of at least 5 workplaces.

2.5 If expansion of workplaces in terms of volume or composition is formally requested by Lessee, the Site Management undertakes to make every effort to offer an acceptable solution. Timely notification increases the chances of this being successful.

2.6 If no acceptable solution can be reached in the current building, other solutions shall be sought in consultation with Lessee. Lessee’s preferences shall then be taken into account as much as possible.

Article 3 - Communication

3.1 Site Management has organised a Facility Management Desk for all occupants of the PBPE. This Facility Management Desk maintains contacts with the users at operational level (requests, malfunctions, complaints, orders, reservations, wishes, information requirements and advice).

3.2 Lessee and/or its employees is/are not entitled without prior consent from Site Management to contact the selected suppliers directly regarding the method of implementation or modification of services by such selected suppliers. Contacts regarding implementation or modification and complaints relating to all services performed on the PBPE that are carried out under the supervision of Site Management may only go through the Facility Management Desk.

3.3 Operational adjustments in the service delivery are only awarded to Site Management or their facility management agent/organisation (AA).

Structural adjustments need the approval of the Site Management Committee.

Article 4 - Quality and reporting

4.1 Unless agreed otherwise, once a quarter Site Management shall inform lessee on the basis of the agreed quality and service levels regarding the current situation (the structure of the quarterly report of this Workplace Agreement shall be agreed following negotiations).

4.2 By not later than mid-August of every year, Site Management shall discuss the quarterly reports with Lessee with regard to defining the agreements for the next calendar year. If so requested, further analyses or reports shall be provided based on a previously agreed number of hours x hourly rate.

4.3 For the purpose of quality management Site Management shall put together customer panels, with which discussions shall be held periodically. The results of all discussions shall be communicated to Lessee.

4.4 If so requested, in mid-August of every year Site Management shall give a budget indication based on the number of workplaces applicable at that time.

Article 5 - Confidentiality

5.1 Parties are not entitled to make available to third parties substantive information about this Workplace Agreement without prior written consent from the other party.

Article 6 - Ownership

6.1 All fixtures and fittings and resources pertaining to investments made by Site Management remain the property of Site Management. Lessee enjoys a right of use in this regard and shall deal with said items with due diligence.

Article 7 - Liability

7.1 Site Management is liable in respect of Lessee for any damage suffered directly by Lessee resulting from unlawful actions or imputable non-performance by Site Management, its employees or the third parties brought in by Site Management for the purpose of providing the facility management services on the PBPE.

7.2 The liability for damage as referred to in Article 7.1 is limited to:

a) The liability that Site Management has in respect of the third party brought in by Site Management.

b) The maximum amount placed with Site Management's insurance company as coverage and paid out by the insurance company for the event in question. (Site Management undertakes to arrange suitable insurance during the period of validity of this Agreement).

Article 8 - Invoicing and payment

8.1 Deviations relating to the method and frequency of invoicing for the various workplaces as stated in this article are stipulated in Annexe I to this Workplace Agreement. The (annual) budget breakdown is added as Annexe II.

8.2 Payment by Lessee of the amounts charged by Site Management as part of this Workplace Agreement shall be effected without discount or set-off within 30 days of invoice date.

8.3 If Lessee fails to pay the amounts owed to Site Management within the agreed payment period, Site Management shall charge Lessee the legal interest following a written reminder.

8.4 If Lessee continues to fail to pay the amount due after being declared to be in default by Site Management, the costs of collection - both inside and outside a court of law - shall be paid by Lessee, this with a minimum of 15% of the total amount due, without prejudice to Site Management's right to terminate this Workplace Agreement without recourse to a court of law and/or to claim full compensation.

8.5 All sums specified in this Workplace Agreement and the annexes are exclusive of VAT.

8.6 All sums specified in this Workplace Agreement and the annexes should, if needed, be indexed once a year. This will be done on 1 January, starting on 1 January 2005. This shall be done, when needed, in accordance with the movement of the consumer price index CPI (2000 = 100) or in accordance with the industry index for the service in question. The industry index shall prevail if demonstrable developments take place or have taken place in the industry in question that justify a higher indexation than the CPI.

8.7 Invoices relating to workplace usage (in accordance with the budget) shall be sent out approximately one month before the start of any month.

8.8 Other invoices relating to deliveries and services, including projects, variable offtake, etc., shall be sent out as soon as possible after the administrative details are known, with the aim being not more than one invoice per month.

Article 9 - Disputes

9.1 The law of the Netherlands is applicable to this Workplace Agreement. Disputes shall be submitted to the competent Dutch court.

"Workplace Agreement"

Version 0.3
March 9, 2005

High Tech Campus Eindhoven

Introduction

The High Tech Campus Eindhoven guarantees an optimal workplace with a wide range of different types of underlying services offered by or on behalf of the Site Management. The Site Management is responsible for the integrated supply of space and services and the quality of its services in the form of fully outfitted, immediately usable workplaces.

The Workplace Agreement for the High Tech Campus Eindhoven is under development and constantly subject to amendment. This document has been written for the purpose of providing information for (potential) lessees regarding the makeup and structure of the Workplace Agreement. The document can also be used as a discussion tool in order to better match supply and demand, thereby further optimizing the Workplace Agreement.

The workplace concept was introduced to meet the business needs for flexible space, and to match this with the attractive environment of the High Tech Campus Eindhoven. This is achieved through:

- A combined lease and services agreement (workplace agreement).
- Workplaces equipped with a large amount of services.
- A professional one-stop provider.
- Short duration of contract obligations that enable businesses to adapt the work environment to the current needs.
- Integrated workplace services take care of matters for the businesses that can now focus entirely on their core business.
- This standardized setup reduces service costs.
- Efficient and uniform workplace environment and use of space.
- Relocations are organized completely by facility management.

The services described in this document are offered through CSM, have been agreed with the Board and are set annually by the Board. For this purpose, the Board consists of representatives of all "major" inhabitants of HTC. The service offerings and the pricing is set in a uniform and transparent manner throughout HTC and is compared to the other comparable services in other locations (inside and outside of Philips).

A high level of customer satisfaction is essential to the success of workplace management and is assessed through periodic customer satisfaction surveys among the users.
To that end, CSM has planned periodic contact and consultation with users and suppliers to discuss the results of these surveys and then resolve any generic issues.

The document is divided into two parts.
In the first part the workplace management that will be applied on the Philips Business Park Eindhoven is described in general terms.
The last part contains the customer-specific section of the Workplace Agreement and further develops the *services* covered earlier.

Workplace management

1. Introduction

The traditional view of office accommodation is no longer adequate in our present work environment. Social, economic and technological changes have greatly changed the work processes of organization units and individual employees and the changes are taking place at an increasingly rapid pace. The workplace must be capable of adapting quickly in line with the organization as regards size, requirements and preferences. Work flexibilization has resulted in more and more people working on the basis of new work patterns, in different work environments and in rapidly changing organizational units. The five-day work week in a permanent employment situation is no longer the only standard, so employees are not always in the office from nine to five. Deregulation and internationalization result in increasing competition and are forcing organizations to be cost-efficient, including where the costs of the workplace are concerned. Cost-efficiency also means that the “ample” size of European office buildings is being put under pressure. Higher quality requirements from the marketplace also make greater coordination necessary between functional work processes.

This means more project-based work, more teamwork and more consultation inside and outside the organization. The relationship between individual work “at the desk” and collaboration with others has drastically changed. These radical changes in work processes mean that office spaces, as the “workplace of the administrative organization,” must meet entirely new requirements.

2. What is workplace management?

The “internal lessee” rents a variety of the number of required workplaces instead of buildings or building sections and is obliged to buy a number of “standard services” linked to them and provided by the site/facility manager. The contents of the package of services and products are set out in clear policy lines and are made known via site-specific “mandatories.” These standard products and services are primarily building-related and are directly connected to the valuation/value retention of the building, maintenance, economies of scale advantages or management aspects for the location in question.

2. What does workplace management do?

Workplace management ensures that all secondary matters are taken out of the hands of the business units concerned so that they can focus fully on their primary business processes.

The dedicated support organization (the Site Management) focuses on standardization, on optimum, on flexibility and on unambiguousness in the conduct of business. Services are offered to every user. In this way the core businesses have the minimum of concerns.

In addition, space is used intelligently, so that when a business unit is eventually ready to take a subsequent step there are sufficient possibilities for expansion or contraction and so the unit can stay where it is.

4 What is the advantage of workplace management?

Philips is striving worldwide for more synergy, efficiency and returns in the various functions so as to put itself in a better competitive position, supported by numerous elements, including the Philips TOP program.

In line with this programming, a more creative and more efficient approach than has (often) been the case in the past is also applicable to accommodation and related services.

A summary of the most important advantages:

- Creating a stimulating work environment with potential for synergy and co-operation by creating a transparent and flexible work environment which:
  - Promotes communication and interaction,
  - Optimally houses multidisciplinary project teams,
  - Offers a high-quality IT structure,
  - Integrates work and private life.
- Creating conditions for long-term accommodation for the organization.
- Creating efficient accommodation that can pass the test of meeting market conformity.
- More efficient occupation of the buildings by managing the space utilization “across” the boundaries of the individual organizational units, as a result of which vacancies are monitored centrally and managed, thus minimizing overall vacancies.
- Flexibility: since vacancies are managed centrally, rental and associated service contracts can be concluded for shorter periods. As a result, organizational units can and will return spaces more quickly.
- Only a centrally set-up group of people will be involved with the site-specific facilities. This prevents fragmented knowledge and creates an efficient organization, which will give rise to synergy in costs/quality.
- Professionalism and economies of scale advantages are achieved because several people are “dedicated” to the facility management aspects. Subcontracted third parties (80-90% of FM turnover) are also managed in a more cost-conscious manner, which will provide returns in cost management, cost savings and organizational efficiency.

Workplace management is aimed at maintaining high quality in the work environment, grounds and buildings by organizing their operation, management & maintenance collectively. It also offers the business units and their employees products and services that can be provided efficiently when purchased, organized

and implemented collectively, but only with difficulty and at higher cost when these activities are performed individually.

The value added to the individual business units can be summarized as follows:

- The focus remains on the core activities, since it is better and easier to leave secondary matters to others/third parties.
- Cost, quality and organizational advantages through collective procurement, organization and operation of the necessary and desired services.
- Greater flexibility to expand and contract thanks to the possibilities offered by the location.

Workplace Agreement (customer-specific)

This section stipulates the specific agreements for lessees (customers).
First the contents of the “lease agreement for flexible office space with services” (Workplace Agreement) are given.
An overview giving the description of the “standard” services that are actually purchased and a cost structure for each workplace then follows, thus creating a transparent whole.

Because of their nature, some services are mandatory. Here, a distinction is made between mandatory purchase and forced store trade. Beside the forced store trade which applies to the collective services, there is free store trade for the optional services. In order to prevent any ambiguity, the type of the various services is briefly explained below.

These service types are:
- Standard services
- Collective services
- Optional services

Standard services:
The standard services are the base for the organization of workplace services. This is a mandatory package of standard services to which everyone contributes. These pertain mainly to the property and maintenance of the grounds and buildings.

Collective services:
This is a collective offer which one can use as a lessee, but it is not mandatory. There is however forced store trade. This means that it is not allowed to obtain similar products and services from any other source than the Campus supplier. The reason for this is that, on one hand, this makes it possible to offer the collective services, in consultation with the lessees, at a low price (through volume discount). Another reason for this is that the Campus is seen as a whole, and it eliminates the proliferation of service providers. This would eliminate the essence of the Campus Model.

The collective services are paid for based on consumption. One of the main reasons to centrally organize the services is to guarantee the quality of the services. After all, the offer then is the responsibility of the Campus Site Management. This collective offer is set by the Board.

Optional services:
With regard to optional services, the lessee indicates which business specific services that do not appear in the SLA, he would like to receive from the facilities. These services are developed and offered, and tailored to individual needs. Individual business units can thus subcontract their need for secondary matters, while the employees can enjoy an increasing number of personal services. This is free store trade.

Lease agreement for flexible office space with services

Annexes

The undersigned:

Philips Electronics Nederland B.V., “Site Management High Tech Campus Eindhoven” department, domiciled at Eindhoven at Professor Holstlaan 100, building HTC, hereby legally represented by drs. Jérôme Verhagen, hereinafter referred to as: “Site Management.”

and

Philips Software, domiciled at Eindhoven at Professor Holstlaan 4, building WCB, hereby legally represented by drs. Hans Streng, hereinafter referred to as “Lessee,”

With Site Management and Lessee hereinafter to be referred to jointly as “Parties;”

Whereas:

The parties have agreed that Lessee concludes a lease agreement relating to the use of 60 workplaces and associated facility management services (hereinafter referred to as: “Workplace Agreement”) on the High Tech Campus Eindhoven (HTC).

The facility management services on the HTC are performed by third parties under the supervision of the Site Management.

Set out in this Workplace Agreement and accompanying annexes are the service levels, the (delivery) conditions and the method for quality measurement.

These service levels, (delivery) conditions, methods for quality measurement and other specific agreements shall in principle be laid down for a full calendar year and shall, no later than August I5 of every year, be laid down anew for the following calendar year.

Site Management is responsible for obtaining, maintaining and administering the required licenses and shall consequently act for or on behalf of the accommodated units.

Agree as follows:

Article 1 – Purpose

1.1 The purpose of this Workplace Agreement is to coordinate the demand for suitable workplaces and the associated services provided by the Site Management as closely as possible to the requirements of Lessee on the HTC.

1.2 Specific agreements for each product/service shall also be stipulated for a period of one year, taking effect on January 1 of every year unless otherwise agreed. These agreements shall be laid down anew for the following calendar year no later than August 15 of every calendar year.

1.3 Interim changes to the services that occur in the course of the calendar year may be agreed between Parties within the limits of the flexibility incorporated in the agreements between the Site Management and (partial) suppliers of facility management services.

1.4 Specific agreements for each product/service with an agreed validity of more than a year shall be set out in a separate annex to this Workplace Agreement. In these agreements, any initial investment obligations will be taken into account, if applicable.

Article 2 – Period of validity and termination

2.1 The Agreement takes effect on January 1, 2005 and ends on December 31, 2006. This Workplace Agreement has been entered into for the office spaces, rents and costs as indicated in greater detail in annexes 1 and 2 and for a particular period of validity.

2.2 At the end of the period as referred to in section (1) of this Article, this Workplace Agreement shall be continued for an indefinite period.

2.3 If at the end of the particular period this Workplace Agreement is continued for an indefinite period, this Workplace Agreement may be terminated by either of the parties in writing, with due observance of a period of notice of six months.

2.4 Termination shall be effected in units of at least 5 workplaces.

2.5 If expansion of workplaces in terms of volume or composition is formally requested by Lessee, the Site Management undertakes to make every effort to offer an acceptable solution. Timely notification increases the chances of this being successful.

2.6 If no acceptable solution can be reached in the current building, other solutions shall be sought in consultation with Lessee. Lessee’s preferences shall then be taken into account as much as possible.

2.7 If there are vacancies shattered throughout the building in question which could be used by regrouping the existing Lessees, the Lessor will contact the Lessees, and the Lessees will cooperate if the regrouping proposals are reasonable and equitable. The costs of such regrouping are borne entirely by the Lessor.

Article 3 – Communication

3.1 Site Management has organized a Facility Management Desk for all occupants of the High Tech Campus. This Facility Management Desk maintains contacts with the users at operational level (requests, malfunctions, complaints, orders, reservations, wishes, information requirements and advice).

3.2 The Lessee and/or its employees is/are not entitled to directly contact the selected suppliers regarding the method of implementation or modification of services by such selected suppliers without prior consent from Site Management. Contacts regarding implementation or modifications and complaints relating to all services performed on the HTC that are carried out under the supervision of Site Management may only go through the Facility Management Desk.

3.3 Operational adjustments in the facility management services can only be made by Site Management or their facility management agent/organization (AAfm).

Structural adjustments need the approval of the Site Management Committee.

Article 4 – Quality and reporting

4.1 Unless agreed otherwise, Site Management shall inform Lessee every quarter regarding the current situation (the structure of the quarterly report of this Workplace Agreement shall be agreed following negotiations) based on the agreed quality and service levels.

4.2 No later than mid-August of every year, Site Management shall discuss the quarterly reports with Lessee with regard to defining the agreements for the next calendar year. If so requested, further analyses or reports shall be provided based on a previously agreed number of hours x hourly rate.

4.3 For the purpose of quality management, Site Management shall form customer panels, with which discussions shall be held periodically. The results of these discussions shall be communicated to Lessee.

4.4 If so requested, in mid-August of every year Site Management shall give a budget indication based on the number of workplaces applicable at that time.

Article 5 - Confidentiality

5.1 The parties are not entitled to make available to third parties substantive information about this Workplace Agreement without prior written consent from the other party.

Article 6 - Ownership

6.1 All fixtures and fittings and resources pertaining to investments made by Site Management remain the property of Site Management. Lessee enjoys a right of use in this regard and shall deal with said items with due diligence.

Article 7 - Liability

7.1 Site Management is liable toward Lessee for any damage suffered directly by Lessee resulting from unlawful actions or imputable non-performance by Site Management, its employees or the third parties brought in by Site Management for the purpose of providing the facility management services on the HTC.

7.2 The liability for damage as referred to in Article 7.1 is limited to:

a) The liability that Site Management has in respect of the third party brought in by Site Management.

b) The maximum amount placed with Site Management’s insurance company as coverage and paid out by the insurance company for the event in question. (Site Management undertakes to arrange suitable insurance during the period of validity of this Agreement).

Article 8 - Invoicing and payment

8.1 Deviations relating to the method and frequency of invoicing for the various workplaces as stated in this article are stipulated in Annex I to this Workplace Agreement. The (annual) budget breakdown is added as Annex II.

8.2 Payment by Lessee of the amounts charged by Site Management as part of this Workplace Agreement shall be effected without discount or set-off within 30 days of invoice date.

8.3 If Lessee fails to pay the amounts owed to Site Management within the agreed payment period, Site Management shall charge Lessee the legal interest following a written reminder.

8.4 If Lessee continues to fail to pay the amount due after having received notice of default by Site Management, the costs of collection—both inside and outside a court of law—shall be paid by Lessee, with a minimum of 15% of the total amount due, without prejudice to Site Management’s right to terminate this Workplace Agreement without recourse to a court of law and/or to claim full compensation.

8.5 All sums specified in this Workplace Agreement and the annexes are exclusive of VAT.

8.6 All sums specified in this Workplace Agreement and the annexes should, if needed, be indexed once a year. This will be done on January 1, starting on January 1, 2006. This shall be done, when needed, in accordance with the movement of the consumer price index CP1 (year 2000 = 100) or in accordance with the industry index for the service in question. The industry index shall prevail if demonstrable developments take place or have taken place in the industry in question that justify a higher indexation than the CPI.

8.7 Invoices relating to workplace usage (in accordance with the budget) shall be sent out approximately one month before the start of any month.

8.8 Other invoices relating to deliveries and services, including projects, variable purchase, etc., shall be sent out as soon as possible after the administrative details are known, with the aim being not more than one invoice per month.

Article 9 - Disputes

9.1 The law of the Netherlands is applicable to this Workplace Agreement. Disputes shall be submitted to the competent Dutch court.

Article 10 - Confidentiality and Non-compete clause

10.1 If a Lessee wishes to protect himself against another lessee in the same building with regard to confidentiality and/or competition, the Lessor will be informed thereof. The parties will then confer and take the necessary measures, which will not result in a cost increase for the Lessor.

hereinafter referred to as **"Lessor,"**

and

2. **PHILIPS SEMICONDUCTORS B.V.,** having its principal place of business in (5656 AA) Eindhoven at Prof. Holstlaan 4, for the purposes of this transaction represented by Mr. J. Lobbezoo and Mr. T. Claasen,

hereinafter referred to as **"Lessee,"**

whereas:

- Lessor wishes to lease the office/business premises referenced hereinafter to Lessee, and Lessee wishes to lease the office/business premises referenced hereinafter from Lessor;

- Lessor derives its authority to lease out said premises from a leasing agreement that it has entered into with Tetona Investments B.V., with registered office in Amsterdam;

- Unless context indicates otherwise, references in the present agreement to leasing between the parties shall be understood as denoting subleasing;

- The parties wish to set forth their arrangements concerning this leasing in writing.

do hereby agree to the following:

1. The Leased Property, Intended Purpose and Use

1.1 The present leasing agreement relates to the office/business premises with a leasable floor area ("v.v.o.") of 9,8~~30~~22 m(2), which has been constructed at Prof. Holstlaan in Eindhoven and is also referred to as "Building WDE," in both respects in accordance with the site plan and other plans attached as Annex 2, with which the parties are sufficiently acquainted, hereinafter referred to as "the leased property," with 230 parking spaces in a parking garage on the Philips High Tech Campus to be further specified.

[initials]

1.2 The leased property may be used exclusively as office/business premises, research and/or development premises, or laboratories.

1.3 Lessee is not permitted, without the prior written content of Lessor, to use the leased property for

any purpose other than as described in Sec. 1.2.

1.4 The maximum permitted load on the floor(s) of the leased property is 400 kilograms per square meter.

1.5 After consultation with Lessee, Lessor's site management is entitled to reduce the number of parking spaces allotted to Lessee, if a change in the expected number of parking spaces needed for the users of the Philips High Tech Campus constitutes reasonable cause to do so. The rental fee for the leased property shall in that case be lowered by €919 per parking space per year for each parking space by which Lessee's allotment is reduced. If at any time Lessee uses more or fewer parking spaces than the amount to which it is entitled under the terms of the present agreement ("actual overuse" or "actual underuse"), then it shall be charged an amount of €919 per actually overused parking space per year or be given a discount of €919 per actually underused parking space per year, or, if the actual overuse or actual underuse occurs for a period longer or shorter than one year, an amount prorated to the duration of the actual overuse or actual underuse, all as further stipulated in the regulations of the Philips High Tech Campus, to be approved by the Managing Board, on which one or more representatives of Lessor and one or more representatives of Lessee shall hold seats.

2. Terms and Conditions

2.1 The following are integral parts of the present agreement:

(i) the "General Stipulations of Leasing Agreements for Office Premises and Other Business Premises Not Subject to Article 7A (1624) of the Civil Code," filed at the Office of the District Court in The Hague on February 29, 1996 and registered there under No. 34/1996, hereinafter referred to as the "General Stipulations";
(ii) the appendix to the present agreement contained in Annex 6 to the present agreement, hereafter referred to as the "Appendix";

(iii) the annexes to the present agreement.

The parties are acquainted with the contents of the General Stipulations, the Appendix, and the annexes. Lessee has received a copy thereof and declares its acceptance thereof upon signing the present agreement.

2.2 The stipulations of Sec. 2.1 apply insofar as not provided otherwise in the present agreement or unless the application thereof with respect to the leased property is not possible.

3. Term, Duration, and Termination

3.1 The present agreement enters into force on May 17, 2002, hereinafter referred to as the "effective date." Notwithstanding the provisions of Stipulations 17.1-17.3 of the "General Stipulations," Lessee is obligated to accept leasing of the leased property and the appurtenant parking spaces effective from May 17, 2002, hereafter referred to as the "date of delivery," and Lessor is obligated, effective from the date of delivery, to provide leasing of the leased property and the appurtenant parking spaces. If the leased property is not available on the date of delivery, Lessor

shall, with due regard for Lessee's reasonable interests, set a new date that shall replace the date of delivery and shall also be referred to hereinafter as the "date of delivery."

3.2 The present agreement ends, without any notice requirement, on May 17, 2007 (hereinafter referred to as the "end date"), unless the agreement is extended or has been previously terminated pursuant to the terms of the present agreement. Lessor shall notify Lessee at least six months prior to the end date whether the agreement can be extended. If the present agreement has been extended pursuant to the terms of the agreement, it ends, without any notice requirement, on the last day of the extension period, unless the agreement is again extended or has been previously terminated pursuant to the terms of the present agreement.

3.3 If Lessor in any way obtains the authority to lease the leased property and the appurtenant parking spaces to Lessee after the end date, the present agreement shall, if so requested by Lessee, be extended for the duration of the period for which Lessor has obtained said authority. Both Lessor and Lessee can, however, limit said extension to a period of five years. In the event of any extension of the present agreement, Lessor and Lessee shall decide on a new rental fee by mutual consent, with said rental fee to be in conformity with market conditions. However, the rental fee shall in all instances be adequate to cover Lessor's reasonable costs arising from the acquisition, use, administration, and preservation of the aforesaid authority, said costs expressly including but not limited to the financing costs and/or rental fees incurred by Lessor with respect to the leased property and the appurtenant parking spaces. Lessor and Lessee shall enter into consultation concerning a further extension of the present agreement no later than six months prior to the end of the extension period.

Lessor shall make every commercially reasonable effort to obtain the authority referred to in the first sentence of this section under terms and condition convenient to Lessor.

3.4 Lessor is entitled to effect premature termination of the present agreement, with notice:

(i) effective from the date on which its authority to lease the leased property and the appurtenant parking spaces to Lessee ends;
(ii) if a circumstance as specified in Stipulation 7 of the "General Stipulations" arises; or
(iii) if Lessee is no longer a subsidiary of Koninklijke Philips Electronics N.V. within the meaning of Article 24a, Book 2, of the Civil Code.

Premature termination of the present agreement by Lessee is not possible. Insofar as Lessor has granted its advance, written, express consent thereto, Lessee has the authority to substitute a third party in its stead, in whole or in part, with respect to the present agreement. Lessor shall not withhold its consent on unreasonable grounds nor attach unreasonable conditions to its consent to the substitution. At Lessee's request, Lessor shall make every commercially reasonable effort to find a third party for the aforesaid substitution. Any costs incurred through such efforts shall be

borne by Lessee, if approved in advance and in writing by Lessee.

3.5 Notice as referred to in Sec. 3.4 shall be effected by way of writ or by registered mail.

4. Payment Obligation, Payment Period

4.1 Lessee's payment obligation arising from the present agreement comprises:

- the rental fee (said fee being inclusive of the fee for leasing the parking spaces named in Sec. 1)
- the value-added tax owed on this rental fee or an amount corresponding thereto, in accordance with and with due regard for the provisions of Stipulations 15.2 and 15.3 of the General Stipulations, provided that the parties have agreed to a rental fee subject to value-added tax.
- compensation for the user-specific investments as referred to in Sec. 9.6.

4.2 The annual rental fee is ~~€1,884,144~~*1,882,782* (one million eight hundred eighty-four thousand one hundred forty-four euros). This amount is derived as the total of €170.17 per square meter of v.v.o. per year for the leased property plus €919 per parking space per year. [initials]

4.3 The rental fee is adjusted one year after the effective date in the first instance, and subsequently as of February 1 of each year, in accordance with Stipulations 4.1 and 4.2 of the "General Stipulations," on the understanding that the consumer price index series CPI-Employees Low (1990=100) is replaced by the consumer price index series CPI-Employees Low (1995=100).

4.4 The fees for additional facilities and services are determined in accordance with Stipulation 12 of the "General Stipulations." Such fees shall be subject to a system of advance payments with settlement at a later date, as indicated there.

4.5 The payments to be made to Lessor by Lessee are due in lump sums payable in advance for successive payment period(s) as indicated in Sec. 4.6 and must be paid in full prior to or on the first day of the period to which the payments relate.

4.6 The rental fee per payment period of one calendar month is €157,012.00. The rental fee per year is €1,884,144.00. These amounts are exclusive of value-added tax.

4.7 In view of the effective date of the lease, the first payment period relates to the period from the date of delivery through the last day of the respective calendar month. The amount owed for that period shall be prorated according to the number of days in that period. Lessee shall pay that amount, plus any value-added tax owed thereon, prior to the date of delivery.

4.8 The leasable floor area named in Sec. 1.1 has been determined in accordance with the measurements indicated in the Measurement Certificate prepared in conformity with NEN 2580,

Elta J. Claas. Adjustments between Lessee and Lessor for under- or over-measurement of the leased property are barred.

5. Value-Added Tax

5.1 The parties agree that Lessor shall charge Lessee no value-added tax on the rental fee if they belong to the same VAT tax entity. If Lessor and Lessee cease to belong to the same VAT tax entity, Annex 5 shall apply immediately.

6. Facilities and Services

6.1 The Philips High Tech Campus shall offer a number of centrally provided additional facilities and services for all lessees. There are facilities and services that are of interest to all lessees and are not business-specific, such as catering, security, landscaping, etc. The Philips High Tech Campus site management and Lessee shall in due course enter into consultation concerning additional facilities and services to be utilized by Lessee by way of the consultation body established for this purpose, known as the "Managing Board."

6.2 If specific facilities and/or services on the so-called Central Strip of the Philips High Tech Campus are provided or offered, Lessee is immediately barred from (further) offering, directly or by way of third parties, these or comparable facilities and/or services on the High Tech Campus to its employees whose normal workplace is on the Philips High Tech Campus.

6.3 Lessee and the Philips High Tech Campus site management shall enter into further agreements concerning the terms and conditions of facilities and services as referred to in Sec. 6.1 and 6.2. The fees to be charged to Lessee shall be determined in conformity with market conditions.

7. Bank Guarantee

7.1 Contrary to Stipulation 8 of the "General Stipulations," Lessee is not obligated to furnish a bank guarantee to Lessor.

8. Coordination

8.1 Lessor designates as its agent for performance of the present agreement the Philips High Tech Campus site management, which shall act on its behalf.

9. Special Stipulations

9.1 Substantive alterations in the leased property require the advance written approval of Lessor.

9.2 Notwithstanding the authorities to terminate the present agreement that Lessor may hold under

the provisions of Sec. 3.4 (iii) of the agreement, the parties agree that if Lessee ceases to belong to the tax entity for value-added tax to which Lessor and Lessee belong at the time when the agreement is entered into, then they, if Lessor fails to exercise its authority to terminate the present agreement as described hereinabove, effective from the time at which Lessee ceases to belong to the tax entity as referred to hereinabove, shall enter into a new leasing agreement with respect to the leased property and the appurtenant parking spaces:

(i) in which it is stipulated that the rental fee shall be subject to value-added tax;
(ii) that shall incorporate the stipulations as attached to the present agreement as Annex 5;
(iii) whereby said agreement shall be substantively identical to the present agreement, except that Sec. 7 of the present agreement shall be replaced by a new Sec. 7 reading as follows: "The bank guarantee referred to in Stipulation 8.1 of the "General Stipulations" shall be in an amount equivalent to six times the rental fee for the leased property per month plus the costs of the additional facilities and services over that same period, as stipulated in the agreement that the present agreement replaces and at the time immediately preceding the time at which the present agreement replaces the previous agreement"; and
(iv) in which it is stipulated that the present agreement is terminated effective from the date on which the new agreement enters into force.

9.3 The October 1998 report by DHV B.V. concerning the exploratory soil study and the March 1999 report by Oranjewoud B.V. (Document No. 947051772) concerning the soil study are deemed the environmental study whose performance is required prior the start of the present agreement, as referred to in Stipulation 2.6.1 of the General Stipulations.

9.4 With the prior written consent of Lessor, Lessee has the right, with due regard for locally applicable ordinances and other regulations, to place advertising materials on, in, near, or alongside the leased property. Lessor shall not exercise its right to place advertising materials on and/or alongside the leased property as referred to in the "General Stipulations." Lessor shall grant or deny written consent in conformity with the policy pertaining thereto, to be established as appropriate by the steering committee.

9.5 The following elements of Stipulations 9.2.1 and 9.2.4 of the "General Stipulations" are considered altered:

(i) the following is added to the stipulation under 9.2.1 (c): "insofar as mounted on the interior of the leased property and subject to renovation owing to normal wear and tear";
(ii) the following is added to the stipulation under 9.2.1 (d): "subject to renovation owing to normal wear and tear";
(iii) in the stipulation under 9.2.1 (g), the parentheses around "and renovation of small components" are disregarded;
(iv) in the stipulation under 9.2.4, the phrase "and the cleaning of ventilation conduits is disregarded."

Costs of maintenance, repair, and renovation that are not borne by Lessee pursuant to the stipulations of (i) through (iv) shall be borne by Lessor.

9.6 Notwithstanding the provisions of Stipulation 5.1 of the "General Stipulations," with respect to the so-called user-specific investments made by Lessor on behalf of Lessee as further specified in Annex 7 to the present agreement, the interest and repayment of principal on said user-specific investments shall be paid by Lessee in the form of an annual payment over the term of the present agreement, due each January 1, of €223,871, this being the annual annuity for interest and repayment of principal for said user-specific investments calculated with a term of 15 years and an interest rate of 7% per annum paid in arrears. At the end of the present leasing agreement, unless Lessor is at fault for termination, the cash value — calculated at an interest rate of 7% per annum paid in arrears — of the remaining annual annuities — over the period of 15 years after the date of delivery — shall be payable immediately and in full by Lessee to Lessor. If a subsequent owner or lessee wishes to retain user-specific investments in the leased property, Lessee's obligation to remove user-specific investments at the end of the leasing agreement expires and any compensation paid for them by the subsequent owner or lessee shall be for the benefit of Lessee.

9.7 The present agreement supersedes all prior arrangements made between Lessee and Lessor with respect to the subject matter of the present agreement (including all appurtenant annexes).

4. General contract terms and conditions

Except as additional or other agreements may be provided for in numbers 2, 5 and 6 of this lease, the lease shall otherwise be subject to the “General Contract Terms and Conditions of the City of Hamburg for the Leasing of Properties” (AVB in the version of February 2002), which are attached and are part of the present agreement.

5. Termination

The agreement shall cease without termination on July 31, 2007 upon expiration of the period agreed under No. 1.

Termination shall otherwise be governed by the provisions of law and the AVB.

6. Special contract terms and conditions

The following is agreed in addition or as a change to the AVB:

6.1 Lessee has created a structure (parking facility) on the Leased Property on the basis of the lease dated August 12, 1991 as well as the lease amendments dated February 26, 1992, March 22, 1993, November 1, 1994, May 3, 1996 and the lease dated February 18, 1998.

It is only intended for a temporary purpose within the meaning of § 95 subsection 1 BGB [German Civil Code] and therefore remains the property of Lessee.

No compensation is due in the event of an extraordinary termination in accordance with No. 20 AVB.

6.2 Lessee's right of termination—as provided in § 549 subsection 1 sentence 2 BGB—in the event that consent to subleasing is not granted (No. 16 AVB) is precluded. However, Lessor will only withhold its consent on important grounds.

6.3 In the event of a change in ownership or a change in the corporate form on the part of Lessee, No. 16 AVB shall apply accordingly.

6.4 Upon termination, Lessee shall be required to return the Leased Property in a cleared state. To this end, reference is made to the full content of Item 19 AVB. This notwithstanding, Lessor agrees, however, to assert this claim only to the extent that it is necessary for financial reasons or reasons of expediency in light of an intended or conceivable subsequent use. However, Lessor will not assert any right to re-conversion of access roads or of the sidewalk.

6.5 Lessee shall maintain the Leased Property including the footpath at its own expense. In the event of a removal, it has no claims whatsoever to reimbursement of expenditures of any kind whatsoever.

General Terms and Conditions of the City of Hamburg
for the Leasing of Properties (AVB)

1. Condition and liability.

1.1 Lessee takes possession of the Leased Property in the state existing at the start of the contractual relationship without taking delivery separately on-site. The boundaries of the leased area are known to Lessee; they will be documented by the building authorities—Office for Geo-Information and Surveys—upon request at Lessee's expense.

1.2 Unless reference to defects is made in the lease, Lessor is not aware of any defects relating to the property, especially to the subsoil. Any liability for compensation on the part of Lessor according to § 536a subsection 1 BGB is ruled out.

2. Rent

2.1 Offsets

Lessee may offset rent only against receivables acknowledged by Lessor or recognized by declaratory judgment. It may not refuse payment of the rent or part thereof by citing a withholding right based on a legal relationship other than the present agreement. In the case of arrears, this applies also to the period after termination of the lease.

2.2 Arrears

If rent is not paid when due, default interest will be charged in an amount of 8 per cent per annum above the relevant base interest rate; if a consumer is party to the legal transaction, the interest rate will be 5 per cent above the relevant base interest rate. The base interest rate in effect when the arrears occur will be applied for the entire default period. An appropriate amount of demand costs may also be billed for every demand notice. Lessee is at liberty to show that no or only immaterial injuries or losses have occurred.

2.3 Review of rent for leases with a fixed contract period

The contracting parties have the right to review the appropriateness of the rent agreed for the Leased Property every three years and to agree on a new rent amount. The reference date for the start of the three-year period is the first day of the month in which the lease commences.

Rent adjustments shall take changes in purchasing power into account that have occurred since the signing of the agreement. They shall be guided in particular by the index for the cost of living of all private households in Germany. The rent agreed at the signing of the contract shall, in any event, be the minimum rent.

5. Access roads

Lessee shall arrange to create or alter any access roads or crossings that may be required at its own expense.

Upon termination of the lease, Lessor shall have the right to take over the access roads or crossings created by Lessee, or to demand that Lessee remove the same. If Lessor decides to take over said facilities, Lessee's right of removal is ruled out; the facilities shall become Lessor's property without compensation. If Lessor does not exercise its right to take possession, Lessee shall remove said facilities completely at its own expense and restore the original state.

6. Utility and waste removal connections, pipes and cables

6.1 Lessee shall arrange to install all necessary utility and waste removal pipes, cables and connections to the public mains at its own expense, provided the same are not already in place at the start of the lease.

6.2 Lessee must tolerate any installations and equipment for utilities or waste removal that are in place in the Leased Property. It may only alter, relocate, remove or build over such pipes at its own expense with the prior written approval of Lessor and the responsible governmental authority and/or the responsible network, utility or waste removal enterprise; in doing so, it is required to comply with the relevant regulations as well as additional conditions imposed, if any.

6.3 In the protective area around the pies and cables, Lessee shall refrain from all measures or uses that could interfere with or jeopardize these installations or impede or interfere with the necessary maintenance.

7. Maintenance and traffic safety

7.1 Lessee is required to maintain the Leased Property including the buildings, installations and access roads included in the lease or belonging to it at its own expense in a proper condition that ensures traffic safety. The buildings, installations and equipment included in the lease are to be maintained in operational readiness; parts are to be replaced as necessary.

7.2 Lessee is further required to properly clean and keep open any bodies of water on or adjacent to the Leased Property that are second-order bodies of water according to the Hamburg Water Act (HWaG) as most recently amended in accordance with the instructions of Lessor or the responsible governmental authority to the extent that Lessor is responsible for such cleaning. Lessee assumes this obligation also vis-à-vis the Water Authority and authorizes Lessor to inform the Water Authority accordingly (§ 41 HWaG).

---

11. Sidewalk cleaning

Lessee is obligated to clean the sidewalks and access roads bordering on the Leased Property at its own expense to the extent that this is required by law of the property owner, and in particular to remove snow and ice to spread sufficient materials to dull slippery surfaces. It shall hold Lessor harmless of all claims arising from a neglect of this obligation.

12. Impairment of the property

Lessee is responsible for ensuring that the boundaries of the property are not infringed, that it is not used by unauthorized persons—especially to walk or drive across—and that no garbage, debris or other environmentally hazardous or detrimental materials are discarded on it. It shall prohibit violations and report them to Lessor without delay.

Lessee is further obligated to inform Lessor without delay if it becomes known that facilities are installed or maintained on neighboring properties that are expected to result in an impermissible impairment of the Leased Property.

13. Pest and weed control

13.1 Lessee is required to arrange for pest control services at its own expense if vermin are found in the Leased Property and to take the respective measures for the control of rats and vermin that are ordered by governmental authorities.

13.2 In connection with weed control, the use of chemical weed control substances (herbicides is impermissible.

14. Third party claims

Lessee is required to hold Lessor harmless of all claims by third parties arising from the state of the Leased Property, its use or neglect of the obligations that Lessee has assumed. It shall obtain sufficient liability insurance coverage and provide proof of having done so if requested.

15. Entry to the Leased Property

15.1 Lessee grants Lessor’s representatives permission to enter the Leased Property at appropriate intervals or as required and also in order to perform work (surveys, repairs, drilling for soil testing, lowering of the groundwater level, etc.) that the latter deems necessary. If possible, Lessor shall give timely advance notice before doing so.

18.2 Termination without notice

Without prejudice to the possibilities of termination, if any, provided for in the Lease, Lessor can terminate the agreement without notice if Lessee

18.2.1 does not start to use the Leased Property for the intended purpose within three months after entering into the agreement;

18.2.2 does not use the Leased Property for more than six months for the intended purpose, provided Lessor does not offer proof that this involves a temporary circumstance for which it is not responsible;

18.2.3 uses the Leased Property despite warning notice in a manner that is not permissible under the lease or without the permits required under public law;

18.2.4 has not started construction of the buildings and facilities provided for in the agreement within one year from entering into the agreement;

18.2.5 despite a warning notice, does not comply with other obligations assumed under the agreement, including these General Contract Terms and Conditions within an appropriately set grace period;

18.2.6 changes its residence or domicile in a manner that prevents it, in Lessor's judgment, from properly using the property or

18.2.7 it or a co-lessee is prevented for reasons of an actual or legal nature to dispose of its assets (death and/or liquidation, enforcement of judgment).

18.3 Extraordinary termination

In cases of leases with a fixed duration, Lessor has the right to terminate the lease before expiration of the agreement either entirely or subject to the proviso that parts of the Leased Property be re-delivered to Lessor early if either the entire Leased Property or parts thereof are urgently required in the public interest. In the event of early termination of the agreement, such cancellation can only be notified as of the last day of any month with a six-month notice period. Whether the conditions for an extraordinary right of termination are met is decided by Lessor alone.

In the event of a partial termination, the rent shall be reduced in the proportion or the value of the part to be ceded relative to that of the entire Leased Property. Tenant shall be free on its part, however, to cancel the remainder of the Leased Property as of the same date within three months from receipt of the termination notice if it cannot reasonably be expected to continue the lease.

18.4 Exclusion of tacit extension

In a departure from § 545 BGB, the lease is not tacitly extended if the Leased Property is not returned as contractually agreed at the end of the lease period.

In the event of a partial termination, the right to compensation shall only extend to the structures and facilities constructed on the area to be returned, provided that Lessee, on its part, has not legitimately terminated the entire Leased Property.

No compensation is paid for buildings or parts of building constructed without Lessor's approval.

21. Contract penalty, substitute performance

21.1 Lessor can demand a contract penalty without prejudice to satisfactory cure in the event of Lessee's violation of

- Items 6.2 or 6.3 AVB (Pipes and cables) or Item 10 AVB (Advertising displays)	up to one half of the annual rent
- Items 16.1 and 16.2 sentence 1 AVB (Assignment and subletting) or Item 19.1 para. 3 AVB (Soil contamination)	up to one year's rent

And—after prior warning notice—in the event of Lessee's violation of

- Item 2 para. 1 of the lease (Intended purpose) or	up to one year's rent
- Item 7 AVB (Maintenance and traffic safety) Item 9 AVB (Enclosure) or Item 11 AVB (Sidewalk cleaning)	up to one half of the annual rent

21.2 If Lessee continues the conduct in violation of the agreement despite the demand for a contract penalty, said penalty may be repeatedly imposed.

21.3 The amount of the contract penalty incurred in the specific case shall be determined by Lessor according to its reasonable judgment in accordance with the gravity of the contract violation, especially according to the degree of interference with the public interest and the intended purpose of the leasing as well as the degree of culpability. § 343 BGB (penalty reduction) shall remain unaffected.

21.4 The right to termination without notice and possible claims for damages shall remain unaffected.

21.5 Lessor also has the right—after having unsuccessfully set an appropriate grace period—to arrange for performance of an action that Lessee has failed to perform in violation of the lease at the latter's expense.

Sublease Agreement

§ 1 Leased Property

1. The Sublessor hereby leases the aforementioned space at Lübeckertordamm 5, 20099 Hamburg to the Subtenant.

2. The leased space in question is “preliminary leased space.” The “final leased space” will not be determined until the building is completed by Credit Suisse Asset Management. The “final leased space” of the area delivered shall be determined in accordance with the Guidelines for Calculating Leased Space for Offices (MF-B) issued by gif (Gesellschaft für Immobilienwirtschaftliche Forschung e. V.) and the gif Guidelines for Calculating Leased Space for Retail Purposes.”

3. The leased area shall consist of the following:

   - net office space
   - a pro rata share of the circulation areas, such as corridors, pantries, and bathrooms
   - a share of the “general building area,” which is available to all users (e.g. canteen, reception hall).

4. The Subtenant declares that it agrees to the method of measuring the leased area. This shall serve as the basis for future rent calculations and billing of ancillary costs.

5. The leased space shall be in “New Construction/First Occupancy” condition when possession is delivered.

§ 2 Purpose of the Tenancy; Use of the Leased Space

1. The Subtenant may use the leased space only for the contractually agreed-upon purpose (office). Such use may be changed only with the written approval of the Sublessor.

2. The Subtenant has no right to protection from competition of any kind.

3. No items, such as boxes or other objects, may be stored outside the leased area.

4. The Subtenant shall ensure that the operation of its business does not unduly interfere with third parties or other users of the building.

§ 3 Lease Period and Termination

This section does not apply to Philips Semiconductors Germany GmbH

1. The Master Lease Agreement has a fixed term of 10 years (December 15, 2005 to December 14, 2015).

   The subtenancy shall commence on January 1, 2006 and is entered into for an indefinite period of time.

2. The Subtenant shall have the right to return rental space to the Sublessor after the following rental periods and under the following conditions:

   a. Return of rental space within the first five years of the lease:

   - The Subtenant can terminate the lease with respect to portions of the leased space with a notice period of nine months as of the end of any month. This notice period shall apply until September 30, 2009. Thereafter, the lease can be terminated with a notice period of 15 months as of the end of the rental year (by analogy to § 3/2b).
   - The portion of the leased area being returned must be contiguous and constitute at lease 1/4 of a standard floor (app. 270 m^2, including a pro rata share of the circulation area, but excluding the general building area).
   - If individual rooms or portions of the rental space constituting less than 1/4 of a standard floor are to be returned, the Sublessor shall collaborate with the Subtenant to work out a possible solution for optimizing space to create a contiguous area that the Sublessor can lease out. The Subtenant shall bear the costs of the necessary alterations, relocations, etc.
   - The Subtenant is required to absorb the rent payments for any periods when the returned space is vacant until the expiration of the fifth year of the lease (December 31, 2010) though for a maximum of 36 months from the expiration of the notice period.
   - The Subtenant shall pay a fee for fitting out and re-conversion (in accordance with § 4/1) for a period of 60 months.
   - The Sublessor shall make every effort to relet the returned rental area quickly.

b. Return of rental space after the first five years of the lease:

- Either Contracting Party may give 15 months' notice as of the end of any rental year; they may do so for the first time effective December 31, 2010.

- The portion of the leased space being returned must be contiguous and constitute at least 1/4 of a standard floor (about 270 m^2, including a pro rata share of the circulation area, but excluding the general building area).

  Under the Master Lease Agreement, the Sublessor may return a maximum of 1,400 m^2 of contiguous rental space per year to the Principal Lessor from the end of the fifth year of the lease. The rental space must be located on upper floors 10 to 16 of the building.

  Any costs for space optimization, relocations, alternations, etc., resulting from the return of space by the Subtenant shall be borne by the Subtenant.

- If individual rooms or portions of rental space that constitute less than 1/4 of a standard floor are to be returned, the Sublessor shall collaborate with the Subtenant to work out a possible solution for optimizing space to create contiguous area that the Sublessor can lease out. The Subtenant shall bear the costs for the necessary alterations, relocations, etc.

- The Subtenant shall pay a fee for fitting out and re-conversion (in accordance with § 4/1) for the remainder of the depreciation period (until 2015).

3. When the Master Lease Agreement ends by termination or expiration, this subtenancy shall end automatically.

4. All notices of termination must be in writing.

5. When possession of the Leased Property is delivered to the Subtenant, a record of delivery shall be made and signed by both Contracting Parties.

6. After giving notice of termination, the Subtenant shall grant any potential new tenant access to the leased premises after prior consultation.

---

§ 4 Rent and Ancillary Costs

1. The monthly rent per m^2 shall be composed of the following elements:

Net rent for rental space (without heat)	EUR	12.64
Net rent for parking spaces (without heat)	EUR	0.84
Advance payment of ancillary costs (Credit Suisse)	EUR	3.27
Advance payment of ancillary costs (Philips)	EUR	4.21
Depreciation (fitting out)	EUR	3.55
Depreciation (re-conversion in accordance with the Master Lease)	EUR	1.04
Financing	EUR	0.90
Total monthly per m^2	**EUR**	**26.46**

Net rent (without heat) for permanently allocated parking spaces (per parking space) EUR 75.00

2. As soon as the final rental space in accordance with § 1 para. 4 is determined, the preliminary rent shall be adjusted on the basis of the results of the survey. The Sublessor is free to decide the date on which the adjustment will be made.

3. The tenant shall pay the rent each month in advance, no later than the third business day of the month.

4. The tax number assigned to the Sublessor by the Hamburg Tax Office is:

27/278/0000/2

§ 5 Sublessor's VAT Tax Option (for Third-Party Tenants)

1. The Sublessor has waived exemption from VAT tax under § 4 No. 12a of the USTG [VAT Tax Act] for the leasing of the premises in accordance with § 9 of the VAT Tax Act (VAT tax option). Accordingly, the Subtenant must pay VAT in the statutory amount in addition to basic rent and advance payments of ancillary and heating costs.

   The Subtenant is aware that the Sublessor may exercise the VAT tax option only under the conditions set forth in § 9 para. 2 of the VAT Tax Act.

2. In this regard, the Parties enter into the following agreements:

3. The Subtenant agrees to use the Leased Property only for sales that do not exclude deduction of input VAT by the Sublessor.

4. It further agrees to provide the Sublessor, promptly upon request with all documents necessary to enable the Sublessor to comply with its documentation obligations vis-à-vis the tax authorities under § 9 para. 2 of the VAT Tax Act. To this extent, the Sublessor can require the Subtenant to provide the documentation and/or declarations required from him by the competent tax authorities.

5. If circumstances that affect the permissibility of the Sublessor's use of the VAT tax option should arise with the Subtenant or such circumstances should be assumed to exist by the tax authorities during a tax audit, the Subtenant shall promptly inform the Sublessor of this.

6. To the extent that and as long as the tax authorities use a safe *de minimis* limit with respect to the term "exclusive use for sales that do not exclude deduction of input VAT"—such save limit also being recognized by the tax courts—this *de minimis* limit shall also circumscribe the definition of exclusivity in the foregoing provisions (see Sec. 148a para. 3 UstR [VAT Regulation] 2005).

7. If the Subtenant should violate the obligations under this paragraph, the Subtenant shall compensate the Sublessor for all losses it may suffer as a result.

§ 6 Adjustment of Rent (Net Rent without Heat)

1. Under the Master Lease Agreement, the net rent (without heat) for the leased areas and parking spaces shall be adjusted every two years as of January 1 in accordance with the percentage change in the Consumer Price Index (base year 2000 = 100) determined by the Federal Statistical Office of the Federal Republic of Germany. The basis for calculation of the first rent adjustment is the level of the Index in the month in which the obligation to pay rent under the Master Lease Agreement begins versus the level of the index in December of the second full calendar year, with the adjusted rent being due as of the following January 1. Thus, the net rent (without heat) is increased or decreased every two years as of January 1 to the extent the index has changed as compared to the level at the last index-related rent adjustment.

2. If the aforementioned index is discontinued and replaced by a different index, the new index shall replace the aforementioned index. Otherwise, the Contracting Parties are mutually obligated to agree upon an appropriate rule that comes closest in economic effect to the agreement entered into here.

3. The Contracting Parties agree that the net rent (without heat) for the space and the parking spaces can be adjusted by analogy to the same extent and at the same point in time as provided in the Master Lease Agreement.

---

§ 7 Ancillary Costs under the Master Lease Agreement with Credit Suisse

1. The Subtenant shall bear all ancillary costs in accordance with the Operating Costs Regulation, including No. 17 (Appendix 5), to the extent they are billed to the Subtenant by the Principal Lessor or that such costs are incurred by the Sublessor.

2. If new operating costs are incurred or new public levies are introduced, which are not currently included in the Operating Costs Regulation, the Lessor can pass them on to the Subtenant in the same ratio as the other operating costs.

3. The Sublessor shall be entitled to establish a new allocation standard for operating costs (as a whole, or for individual categories of costs) at any time, insofar as this is appropriate.

4. The Sublessor shall be entitled to demand reasonable monthly advance payments for operating and heating costs, which are to be paid when the monthly rent is due.

5. Any difference in favor of the Sublessor between the advance payment and the invoice amount shall be paid by the Subtenant within 30 days of receipt of the invoice. Any overpayment shall be refunded to the Subtenant within 30 days of receipt of the invoice.

6. The Sublessor may also re-calculate the advance payments during the billing period, if it is apparent that the advance payments will not cover the anticipated costs.

7. Heating and operating costs shall be billed and passed on based on the proportion of the respective leased space occupied by the Subtenant, including any pro rata leased space with a common right of use, to the entire area of the property. The costs of maintaining the parking spaces shall be allocated pro rata to the parking spaces used by the Subtenant.

---

§ 7a Philips' Ancillary Costs

The Contracting Parties shall enter into a Service Level Agreement (SLA) (Appendix 7). This SLA shall have two parts:

Part A: Services provided by the Sublessor and covered by the rent per m^2, such as cleaning, waste disposal, security, technical building management, etc.

The Subtenant must also make advance payments for these services (in accordance with § 4/1). Accounting for advance payments for the current year of the lease shall be done in December of the year.

The Sublessor shall have the right, in accordance with the accounting, to adjust the advance payment to reflect the costs actually incurred. The Sublessor may also re-calculate the advance payments during the billing period, if it is apparent that the advance payments will not cover the anticipated costs.

Part B: Services provided by the Sublessor and billed separately in addition to the rent, such as a mail room, telephone exchange, in-house logistics, and catering.

Tariffs or fees will be agreed upon for these services annually as part of the budgeting procedure.

The following applies for 2006:

Mail room, messenger and distribution service	A fixed amount of EUR 18,000
Mail room fees	Based on time and effort
Telephone exchange	A fixed amount of EUR 12,000
In-house logistics	A fixed amount of EUR 14,400
Catering, food per employee	EUR 4.25
Catering, canteen for guests and services	Based on use

If the services listed under Part B should change significantly, the agreed-upon amounts can be adjusted at any time during the current year in consultation with the Subtenant.

§ 8 Offsetting Claims by Subtenant

1. The Subtenant may not offset off counterclaims against the rent or advance payments of ancillary costs or exercise a right to reduce or withhold such payments unless its counterclaim is uncontested or has been adjudged final and absolute. This shall not apply to the case listed under § 7 para. 2.

2. If there are defects, the Subtenant can only demand that they be eliminated, and cannot demand a reduction in rent or damages, unless it is impossible to eliminate the defect or the defect is not promptly eliminated.

§ 9 Maintenance and Use of the Leased Property

1. The Subtenant must treat the Leased Property with care. The Principal Lessor is responsible for servicing the following technical equipment and systems:

    - heating, ventilation, and climate control
    - conveyor systems
    - technical utility systems
    - security systems

2. The costs of operating and maintaining the aforementioned systems are covered by the Operating Costs Regulation and will be billed to the Subtenant as part of the accounting for ancillary costs.

3. The Sublessor shall service the technical equipment and systems owned by Philips.

4. The costs incurred to maintain and operate the aforementioned systems are covered by the Service Level Agreement and are billed to the Subtenant in the accounting for the ancillary costs/SLA.

5. The Subtenant must clean and care for the leased premises, make cosmetic repairs to the interior, perform maintenance, and make repairs within the leased premises. This applies to technical equipment (electrical and sanitary installations, etc.) and doors and windows, to the extent they are on or in the Leased Property. Cosmetic repairs to the interior shall include the cleaning and, if necessary, the replacement of carpeting.

6. The aforementioned items shall also be handled and billed by the Sublessor as part of the Service Level Agreement.

7. The Subtenant shall report any defects in and damage to the Leased Property to the Sublessor. If notice is not given in a timely manner, the Subtenant shall be required to pay compensation for the resulting losses.

8. The Sublessor shall assume maintenance and repair of the general areas of the building. The costs incurred in doing so shall be distributed on a pro rata basis among all the Subtenants as part of the annual accounting for the ancillary costs/SLA.

9. The Subtenant shall be liable for injuries or losses caused by its negligent violation of its duties of care and notification, particularly by improper handling of the building technical equipment and installations.

10. The Subtenant shall likewise be liable for injuries and losses that its members, employees, and other persons visiting Subtenant cause through their own fault. The Subtenant shall have the burden of proving it was not at fault.

§ 10 Subleasing

The Subtenant is not entitled to sublet the leased space, in whole or in part.

§ 11 Subtenants' Installations and Alterations

1. Installations and alterations within the Leased Property, including installing fixed equipment or modifying such, shall require the written permission of the Sublessor. When deciding whether to grant permission, the Parties shall jointly determine whether it will be necessary to reconvert and restore the original condition upon returning the leased premises.

   The permission of the Principal Lessor shall be obtained if appropriate, so that approval shall be made contingent upon the same.

2. The Subtenant shall be responsible for obtaining and maintaining any official permits required for the aforementioned measures, and shall also bear all costs associated with the measures.

3. The Subtenant shall have no claim to compensation from the Sublessor for any costs or for the resulting appreciation in value. If there is no obligation to reconvert the premises, structural alterations shall become the property of the Sublessor without compensation.

4. The Subtenant shall bear all risks associated with implementing the structural changes. The Sublessor is hereby released from all claims and demands raised

against the Subtenant in this regard on whatever legal grounds.

§ 12 Structural Changes by the Sublessor/Principal Lessor

1. Upon timely notification of the date thereof, the Sublessor and/or the Principal Lessor may make improvements and structural changes necessary to avert imminent peril or eliminate damage, even without the consent of the Subtenant. Work needed to preserve the property may also be carried out after prior agreement on a date. In performing such work, the Sublessor and/or Principal Lessor shall give due consideration to the interests of the Subtenant. It shall give the Tenant timely written notice before commencement of the work and structural changes and shall describe the scope and type of work scheduled. The Subtenant shall provide reasonable access to the rooms and areas of the Leased Property that are affected by these measures.

2. To the extent that the Subtenant is required to tolerate the performance of this work, it can neither reduce the rent nor exercise a right to withhold rent or demand damages, as long as such performance is not delayed.

§ 13 Sublessor's Liability

1. Brief interruptions of the operation of the Leased Property—for whatever reason (e.g. bomb threat, fire alarm, sprinkler activation, etc.)—which are not the Sublessor's responsibility, shall not affect the obligation to pay rent, as long as they can be eliminated within a reasonable period of time. In coordination with the Subtenant, the Sublessor shall be entitled to evacuate the property for security reasons and bar access to the property. If no contact person for the Subtenant can be reached or if danger is imminent, the property may also be evacuated without consultation. The Sublessor shall do everything in its power, not omitting anything to minimize the interruption of operations required to this end. The Subtenant shall not be entitled to damages.

§ 14 Advertising

Placing advertising displays on the roof of the building is not permitted. Advertising displays within the building are permitted only with the approval of the Sublessor.

§ 15 Insurance

1. The Leased Property shall be insured by the Principal Lessor in accordance with the provisions of law.

2. The Sublessor shall not be liable for damage to the Subtenant's property caused by fire, smoke, soot, snow, water, dry rot and the gradual effects of moisture, unless such damage occurred due to gross neglect of the Leased Property or as a result of gross negligence or intentional acts or omissions of the Sublessor.

3. The Subtenant shall purchase all insurance necessary to operate its business, particularly liability insurance.

§ 16 Access to the Leased Premises by the Sublessor

1. Representatives of the Sublessor may enter onto the leased premises during the Subtenant's regular business hours after informing the Subtenant in advance. When there is danger, entering of the leased premises is permitted at any time. The Sublessor may commission third parties.

2. The Subtenant shall ensure that the leased premises can be accessed even in its absence and, if necessary shall name an agent to the Sublessor. If the Subtenant does not meet this obligation, it shall be liable for all injuries and losses resulting from the Sublessor's inability to enter the leased premises, e.g. in case of imminent danger.

§ 17 House Rules

The Sublessor reserves the right to issue reasonable and legally permissable general rules or separate instructions from time to time as required to maintain order in the building, including the outside installations, and to modify existing rules/instructions. The version of the House Rules in effect at the time shall be an integral part of this Workplace Agreement. The provisions of the House Rules are intended, *inter alia*, to guarantee the smooth operation of the businesses of all users [of the building] and ensure that the property and the outside installations are kept clean.

§ 18 Right of Access, Keys

1. The Subtenant shall obtain access to the building through the use of programmed ID cards, entitling the Subtenant and its employees to pass through the entrances and exits of the building and the garage, which are all equipped with access control readers.

The ID card has other functions, too, such as recording time and payments in the canteen. If an ID card is lost, building management must be informed immediately so it can block the ID card to prevent misuse.

2. The Subtenant shall receive authorization to access the general building areas, such as the elevator area and garage entrances and exits. No security measures for the leased areas are currently contemplated.

3. If it is necessary to provide authorization to individual persons for specially secured rooms (such as storage rooms), this shall be requested from building management in writing.

4. If the Subtenant receives keys for certain rooms (e.g. storage rooms) upon delivery of possession, the exact number shall be recorded in a separate record of delivery of possession. The Subtenant shall be liable for all injuries or losses resulting from the loss or negligent handling of the keys that have been provided to it if and when the Subtenant is at fault.

   All keys, including any keys subsequently requested or made by the Subtenant, shall be returned at the end of the subtenancy.

5. No keys will be provided for the office rooms at the time of moving into the leased premises.

6. Keys for individual office doors can be ordered from building management, if needed. The Subtenant shall bear the costs thereof.

§ 19 Sublessor’s Extraordinary Right of Termination

The Sublessor shall be entitled to terminate the subtenancy without a notice period

a. if the Subtenant is in arrears in payment of rent or cost allocations in an amount that exceeds three months’ rent and fails to pay within 14 days of the Sublessor’s payment demand, sent by registered mail;

b. if the Subtenant violates a material obligation under this Agreement or an existing House Rule or Common Rule or uses the Leased Property in a manner that violates the Agreement, and does not desist from doing so within a month’s time after repeated warning by registered letter from the Lessor; or

c. if judicial reorganization or bankruptcy proceedings against the Subtenant’s assets are petitioned for or enforcement measures are taken against substantial portions of the Subtenant’s assets.

---

§ 20 Termination of the Subtenancy Agreement

1. The Subtenant shall deliver possession of the leased premises and any appurtenances thereto in “swept clean” condition. The carpeting shall be properly cleaned or replaced, where cleaning is unsuccessful.

2. The Sublessor shall arrange for the correction of any damage caused by the Subtenant to equipment, walls, furniture, etc., at the Subtenant’s expense.

3. At the end of the subtenancy, the Subtenant shall return all the access authorizations and keys with which it was provided.

4. If, when the leased premises are returned, it is determined that walls, doors, and/or radiators need painting, the Sublessor shall also have this work done at the expense of the Subtenant.

5. When the subtenancy ends, the Subtenant shall, upon request from the Sublessor, remove all installations, alterations, and equipment (§ 11) and restore the leased premises to the condition in which they were delivered.

6. The entire return procedure shall be handled through local building management, which, in consultation with the Subtenant, shall obtain the appropriate cost estimates, place orders, and coordinate the work of building trades.

7. If the subtenancy is ended by termination under § 19, the Subtenant shall be liable for the losses the Sublessor suffers due to the leased premises standing vacant after they have been vacated and surrendered by the Subtenant or having to be leased. The injuries or losses shall be calculated in accordance with provisions referred to in § 3. § 19 sentence 3 of the Cost Regulation [KO]/Insolvency Code [InsolvenzVo] shall remain unaffected.

In this case, the Subtenant shall release the Sublessor from all claims by third parties based on the termination under § 17.

8. If there is delay in vacating and returning the Leased Property after the subtenancy has ended, the Subtenant shall pay the Sublessor rent, ancillary costs as compensation for the duration of the delay. In addition, the Subtenant shall be liable to the Sublessor for all additional losses resulting from its delay in vacating and returning the leased premises.

§ 21 Final Provisions

1. All additions and amendments to this Agreement must be in writing.

2. It is agreed that Hamburg shall be the place of performance and jurisdiction, unless otherwise mandated by law.

If provisions of this Agreement are or become invalid—for whatever reason—such provisions shall be promptly replaced by the Contracting Parties with permissible provisions that most closely approximate their economic and legal effect. This shall not affect the validity of the remaining provisions.

1.3 Lessee is not permitted, without the prior written consent of Lessor, to use the leased property for any purpose other than as described in Sec. 1.2.

1.4 The maximum permitted load on the floor(s) of the leased property is 400 kilograms per square meter.

1.5 After consultation with Lessee, Lessor's site management is entitled to reduce the number of parking spaces allotted to Lessee, if a change in the expected number of parking spaces needed for the users of the Philips High Tech Campus constitutes reasonable cause to do so. The rental fee for the leased property shall in that case be lowered by €919 per parking space per year for each parking space by which Lessee's allotment is reduced. If at any time Lessee uses more or fewer parking spaces than the amount to which it is entitled under the terms of the present agreement ("actual overuse" or "actual underuse"), then it shall be charged an amount of €919 per actually overused parking space per year or be given a discount of €919 per actually underused parking space per year, or, if the actual overuse or actual underuse occurs for a period longer or shorter than one year, an amount prorated to the duration of the actual overuse or actual underuse, all as further stipulated in the regulations of the Philips High Tech Campus, to be approved by the Managing Board, on which one or more representatives of Lessor and one or more representatives of Lessee shall hold seats.

2. Terms and Conditions

2.1 The following are integral parts of the present agreement:

(i) the "General Stipulations of Leasing Agreements for Office Premises and Other Business Premises Not Subject to Article 7A (1624) of the Civil Code," filed at the Office of the District Court in The Hague on February 29, 1996 and registered there under No. 34/996, hereinafter referred to as the "General Stipulations";

(ii) the appendix to the present agreement contained in Annex 6 to the present agreement, hereafter referred to as the "Appendix";

(iii) the annexes to the present agreement.

The parties are acquainted with the contents of the General Stipulations, the Appendix, and the annexes. Lessee has received a copy thereof and declares its acceptance thereof upon signing the present agreement.

2.2 The stipulations of Sec. 2.1 apply insofar as not provided otherwise in the present agreement or unless the application thereof with respect to the leased property is not possible.

3. Term, Duration, and Termination

3.1 The present agreement enters into force on June 27, 2002, hereinafter referred to as the "effective date." Notwithstanding the provisions of Stipulations 17.1-17.3 of the "General Stipulations," Lessee is obligated to accept leasing of the leased property and the appurtenant parking spaces effective from June 27, 2002, hereafter referred to as the "date of delivery," and Lessor is obligated, effective from the date of delivery, to provide leasing of the leased property and the

appurtenant parking spaces. If the leased property is not available on the date of delivery, Lessor shall, with due regard for Lessee's reasonable interests, set a new date that shall replace the date of delivery and shall also be referred to hereinafter as the "date of delivery."

3.2 The present agreement ends, without any notice requirement, on June 27, 2007 (hereinafter referred to as the "end date"), unless the agreement is extended or has been previously terminated pursuant to the terms of the present agreement. Lessor shall notify Lessee at least six months prior to the end date whether the agreement can be extended. If the present agreement has been extended pursuant to the terms of the agreement, it ends, without any notice requirement, on the last day of the extension period, unless the agreement is again extended or has been previously terminated pursuant to the terms of the present agreement.

3.3 If Lessor in any way obtains the authority to lease the leased property and the appurtenant parking spaces to Lessee after the end date, the present agreement shall, if so requested by Lessee, be extended for the duration of the period for which Lessor has obtained said authority. Both Lessor and Lessee can, however, limit said extension to a period of five years. In the event of any extension of the present agreement, Lessor and Lessee shall decide on a new rental fee by mutual consent, with said rental fee to be in conformity with market conditions. However, the rental fee shall in all instances be adequate to cover Lessor's reasonable costs arising from the acquisition, use, administration, and preservation of the aforesaid authority, said costs expressly including but not limited to the financing costs and/or rental fees incurred by Lessor with respect to the leased property and the appurtenant parking spaces. Lessor and Lessee shall enter into consultation concerning a further extension of the present agreement no later than six months prior to the end of the extension period.

Lessor shall make every commercially reasonable effort to obtain the authority referred to in the first sentence of this section under terms and conditions convenient to Lessor.

3.4 Lessor is entitled to effect premature termination of the present agreement, with notice:

(i) effective from the date on which its authority to lease the leased property and the appurtenant parking spaces to Lessee ends;

(ii) if a circumstance as specified in Stipulation 7 of the "General Stipulations" arises; or

(iii) if Lessee is no longer a subsidiary of Koninklijke Philips Electronics N.V. within the meaning of Article 24a, Book 2, of the Civil Code.

Premature termination of the present agreement by Lessee is not possible. Insofar as Lessor has granted its advance, written, express consent thereto, Lessee has the authority to substitute a third party in its stead, in whole or in part, with respect to the present agreement. Lessor shall not withhold its consent on unreasonable grounds nor attach unreasonable conditions to its consent to the substitution. At Lessee's request, Lessor shall make every commercially reasonable effort to find a third party for the aforesaid substitution. Any costs incurred through such efforts shall be

borne by Lessee, if approved in advance and in writing by Lessee.

3.5 Notice as referred to in Sec. 3.4 shall be effected by way of writ or by registered mail.

4. Payment Obligation, Payment Period

4.1 Lessee's payment obligation arising from the present agreement comprises:

- the rental fee (said fee being inclusive of the fee for leasing the parking spaces named in Sec. 1)
- the value-added tax owed on this rental fee or any amount corresponding thereto, in accordance with and with due regard for the provisions of Stipulations 15.2 and 15.3 of the General Stipulations, provided that the parties have agreed to a rental fee subject to value-added tax
- compensation for the user-specific investments as referred to in Sec. 9.6.

4.2 The annual rental fee is €1,043,388 (one million forty-three thousand three hundred eighty-eight euros). This amount is derived as the total of €160.18 per square meter of v.v.o. per year for the leased property plus €919 per parking space per year.

4.3 The rental fee is adjusted one year after the effective date in the first instance, and subsequently as of February 1 of each year, in accordance with Stipulations 4.1 and 4.2 of the "General Stipulations," on the understanding that the consumer price index series CPI-Employees Low (1990=100) is replaced by the consumer price index series CPI-Employees Low (1995=100).

4.4 The fees for additional facilities and services are determined in accordance with Stipulation 12 of the "General Stipulations." Such fees shall be subject to a system of advance payments with settlement at a later date, as indicated there.

4.5 The payments to be made to Lessor by Lessee are due in lump sums payable in advance for successive payment period(s) as indicated in Sec. 4.6 and must be paid in full prior to or on the first day of the period to which the payments relate.

4.6 The rental fee per payment period of one calendar month is €86,949.00. The rental fee per year is €1,043,388.00. These amounts are exclusive of value-added tax.

4.7 In view of the effective date of the lease, the first payment period relates to the period from the date of delivery through the last day of the respective calendar month. The amount owed for that period shall be prorated according to the number of days in that period. Lessee shall pay that amount, plus any value-added tax owed thereon, prior to the date of delivery.

4.8 The leasable floor area named in Sec. 1.1 has been determined in accordance with the

measurements indicated in the Measurement Certificate prepared in conformity with NEN 2580, Elta J. Claas. Adjustments between Lessee and Lessor for under- or over-measurement of the leased property are barred.

5. Value-Added Tax

5.1 The parties agree that Lessor shall charge Lessee no value-added tax on the rental fee if they belong to the same VAT tax entity. If Lessor and Lessee cease to belong to the same VAT tax entity, Annex 5 shall apply immediately.

6. Facilities and Services

6.1 The Philips High Tech Campus shall offer a number of centrally provided additional facilities and services for all lessees. These are facilities and services that are of interest to all lessees and are not business-specific, such as catering, security, landscaping, etc. The Philips High Tech Campus site management and Lessee shall in due course enter into consultation concerning additional facilities and services to be utilized by Lessee by way of the consultation body established for this purpose, known as the "Managing Board."

6.2 If specific facilities and/or services on the so-called Central Strip of the Philips High Tech Campus are provided or offered, Lessee is immediately barred from (further) offering, directly or by way of third parties, these or comparable facilities and/or services on the High Tech Campus to its employees whose normal workplace is on the Philips High Tech Campus.

6.3 Lessee and the Philips High Tech Campus site management shall enter into further agreements concerning the terms and conditions of facilities and services as referred to in Sec. 6.1 and 6.2. The fees to be charged to Lessee shall be determined in conformity with market conditions.

7. Bank Guarantee

7.1 Contrary to Stipulation 8 of the "General Stipulations," Lessee is not obligated to furnish a bank guarantee to Lessor.

8. Coordination

8.1 Lessor designates as its agent for performance of the present agreement the Philips High Tech Campus site management, which shall act on its behalf.

9. Special Stipulations

9.1 Substantive alterations in the leased property require the advance written approval of Lessor.

9.2 Notwithstanding the authorities to terminate the present agreement that Lessor may hold under the provisions of Sec. 3.4(iii) of the agreement, the parties agree that if Lessee ceases to belong to the tax entity for value-added tax to which Lessor and Lessee belong at the time when the agreement is entered into, then they, if Lessor fails to exercise its authority to terminate the present agreement as described hereinabove, effective from the time at which Lessee ceases to belong to the tax entity as referred to hereinabove, shall enter into a new leasing agreement with respect to the leased property and the appurtenant parking spaces:

(i) in which it is stipulated that the rental fee shall be subject to value-added tax;
(ii) that shall incorporate the stipulations as attached to the present agreement as Annex 5;

(iii) whereby said agreement shall be substantively identical to the present agreement, except that Sec. 7 of the present agreement shall be replaced by a new Sec. 7 reading as follows: “The bank guarantee referred to in Stipulation 8.1 of the “General Stipulations” shall be in an amount equivalent to six times the rental fee for the leased property per month plus the costs of the additional facilities and services over that same period, as stipulated in the agreement that the present agreement replaces and at the time immediately preceding the time at which the present agreement replaces the previous agreement.”; and
(iv) in which it is stipulated that the present agreement is terminated effective from the date on which the new agreement enters into force.

9.3 The October 1998 report by DNV B.V. concerning the exploratory soil study and the March 1999 report by Oranjewoud B.V. (Document No. 947051772) concerning the soil study are deemed the environmental study whose performance is required prior the start of the present agreement, as referred to in Stipulation 2.6.1 of the General Stipulations.

9.4 With the prior written consent of Lessor, Lessee has the right, with due regard for locally applicable ordinances and other regulations, to place advertising materials on, in, near, or alongside the leased property. Lessor shall not exercise its right to place advertising materials on and/or alongside the leased property as referred to in the “General Stipulations.”

Lessor shall grant or deny written consent in conformity with the policy pertaining thereto, to be established as appropriate by the steering committee.

9.5 The following elements of Stipulations 9.2.1 and 9.2.4 of the “General Stipulations” are considered altered:

(i) the following is added to the stipulation under 9.2.1(c): “insofar as mounted on the interior of the leased property and subject to renovation owing to normal wear and tear”;
(ii) the following is added to the stipulation under 9.2.1(d): “subject to renovation owing to normal wear and tear”;
(iii) in the stipulation under 9.2.1(g), the parentheses around “and renovation of small components” are disregarded;
(iv) in the stipulation under 9.2.4, the phrase “and the cleaning of ventilation conduits is

disregarded.”

Costs of maintenance, repair, and renovation that are not borne by Lessee pursuant to the stipulations of (i) through (iv) shall be borne by Lessor.

9.6 Notwithstanding the provisions of Stipulation 5.1 of the “General Stipulations,” with respect to the so-called user-specific investments made by Lessor on behalf of Lessee as further specified in Annex 7 to the present agreement, the interest and repayment of principal on said user-specific investments shall be paid by Lessee in the form of an annual payment over the term of the present agreement, due each January 1, of €310,829.00, this being the annual annuity for interest and repayment of principal for said user-specific investments calculated with a term of 15 years and an interest rate of 7% per annum paid in arrears. At the end of the present leasing agreement, unless Lessor is at fault for termination, the cash value—calculated at an interest rate of 7% per annum paid in arrears—of the remaining annual annuities—over the period of 15 years after the date of delivery—shall be payable immediately and in full by Lessee to Lessor. If a subsequent owner or lessee wishes to retain user-specific investments in the leased property, Lessee’s obligation to remove user-specific investments at the end of the leasing agreement expires and any compensation paid for them by the subsequent owner or lessee shall be for the benefit of Lessee.

9.7 The present agreement supersedes all prior arrangements made between Lessee and Lessor with respect to the subject matter of the present agreement (including all appurtenant annexes).

McGarrah, George W. Perkins, William H. Porter, John F. Thompson, Albert H. Wiggin, Samuel Woolverton and Edward F. C. Young, all being persons of full age and citizens of the United States, and a majority of us being residents of the State of New York, desiring to form a corporation to be known as a Trust Company, do hereby associate ourselves together for that purpose under and pursuant to the laws of the State of New York, and for such purpose we do hereby, under our respective hands and seals, execute and duly acknowledge this Organization Certificate in duplicate, and hereby specifically state as follows, to wit:

I. The name by which the said corporation shall be known is Bankers Trust Company.

II. The place where its business is to be transacted is the City of New York, in the State of New York.

III. Capital Stock: The amount of capital stock which the corporation is hereafter to have is Three Billion One Million, Six Hundred Sixty-Six Thousand, Six Hundred Seventy Dollars ($3,001,666,670), divided into Two Hundred Million, One Hundred Sixty-Six Thousand, Six Hundred Sixty-Seven (200,166,667) shares with a par value of $10 each designated as Common Stock and 1,000 shares with a par value of One Million Dollars ($1,000,000) each designated as Series Preferred Stock.

(a) *Common Stock*

1. Dividends: Subject to all of the rights of the Series Preferred Stock, dividends may be declared and paid or set apart for payment upon the Common Stock out of any assets or funds of the corporation legally available for the payment of dividends.

2. Voting Rights: Except as otherwise expressly provided with respect to the Series Preferred Stock or with respect to any series of the Series Preferred Stock, the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes, each holder of the Common Stock being entitled to one vote for each share thereof held.

3. Liquidation: Upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, and after the holders of the Series Preferred Stock of each series shall have been paid in full the amounts to which

---

they respectively shall be entitled, or a sum sufficient for the payment in full set aside, the remaining net assets of the corporation shall be distributed pro rata to the holders of the Common Stock in accordance with their respective rights and interests, to the exclusion of the holders of the Series Preferred Stock.

4. Preemptive Rights: No holder of Common Stock of the corporation shall be entitled, as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend or other distribution.

(b) *Series Preferred Stock*

1. Board Authority: The Series Preferred Stock may be issued from time to time by the Board of Directors as herein provided in one or more series. The designations, relative rights, preferences and limitations of the Series Preferred Stock, and particularly of the shares of each series thereof, may, to the extent permitted by law, be similar to or may differ from those of any other series. The Board of Directors of the corporation is hereby expressly granted authority, subject to the provisions of this Article III, to issue from time to time Series Preferred Stock in one or more series and to fix from time to time before issuance thereof, by filing a certificate pursuant to the Banking Law, the number of shares in each such series of such class and all designations, relative rights (including the right, to the extent permitted by law, to convert into shares of any class or into shares of any series of any class), preferences and limitations of the shares in each such series, including, buy without limiting the generality of the foregoing, the following:

(i) The number of shares to constitute such series (which number may at any time, or from time to time, be increased or decreased by the Board of Directors, notwithstanding that shares of the series may be outstanding at the time of such increase or decrease, unless the Board of Directors shall have otherwise provided in creating such series) and the distinctive designation thereof;

(ii) The dividend rate on the shares of such series, whether or not dividends on the shares of such series shall be cumulative, and the date or dates, if any, from which dividends thereon shall be cumulative;

(iii) Whether or not the share of such series shall be redeemable, and, if redeemable, the date or dates upon or after which they shall be redeemable, the amount or amounts per share (which shall be, in the case of each share, not less than its preference upon involuntary liquidation, plus an amount equal to all dividends thereon accrued and unpaid, whether or not earned or declared) payable thereon in the case of the redemption thereof, which amount may vary at different redemption dates or otherwise as permitted by law;

(iv) The right, if any, of holders of shares of such series to convert the same into, or exchange the same for, Common Stock or other stock as permitted by law, and the terms and conditions of such conversion or exchange, as well as provisions for adjustment of the conversion rate in such events as the Board of Directors shall determine;

(v) The amount per share payable on the shares of such series upon the voluntary and involuntary liquidation, dissolution or winding up of the corporation;

(vi) Whether the holders of shares of such series shall have voting power, full or limited, in addition to the voting powers provided by law and, in case additional voting powers are accorded, to fix the extent thereof; and

(vii) Generally to fix the other rights and privileges and any qualifications, limitations or restrictions of such rights and privileges of such series, provided, however, that no such rights, privileges, qualifications, limitations or restrictions shall be in conflict with the organization certificate of the corporation or with the resolution or resolutions adopted by the Board of Directors providing for the issue of any series of which there are shares outstanding.

All shares of Series Preferred Stock of the same series shall be identical in all respects, except that shares of any one series issued at different times may differ as to dates, if any, from which dividends thereon may accumulate. All shares of Series Preferred Stock of all series shall be of equal rank and shall be identical in all respects except that to the extent not otherwise limited in this Article III any series may differ from any other series with respect to any one or more of the designations, relative rights, preferences and limitations described or referred to in subparagraphs (I) to (vii) inclusive above.

---

2. Dividends: Dividends on the outstanding Series Preferred Stock of each series shall be declared and paid or set apart for payment before any dividends shall be declared and paid or set apart for payment on the Common Stock with respect to the same quarterly dividend period. Dividends on any shares of Series Preferred Stock shall be cumulative only if and to the extent set forth in a certificate filed pursuant to law. After dividends on all shares of Series Preferred Stock (including cumulative dividends if and to the extent any such shares shall be entitled thereto) shall have been declared and paid or set apart for payment with respect to any quarterly dividend period, then and not otherwise so long as any shares of Series Preferred Stock shall remain outstanding, dividends may be declared and paid or set apart for payment with respect to the same quarterly dividend period on the Common Stock out the assets or funds of the corporation legally available therefor.

All Shares of Series Preferred Stock of all series shall be of equal rank, preference and priority as to dividends irrespective of whether or not the rates of dividends to which the same shall be entitled shall be the same and when the stated dividends are not paid in full, the shares of all series of the Series Preferred Stock shall share ratably in the payment thereof in accordance with the sums which would be payable on such shares if all dividends were paid in full, provided, however, that any two or more series of the Series Preferred Stock may differ from each other as to the existence and extent of the right to cumulative dividends, as aforesaid.

3. Voting Rights: Except as otherwise specifically provided in the certificate filed pursuant to law with respect to any series of the Series Preferred Stock, or as otherwise provided by law, the Series Preferred Stock shall not have any right to vote for the election of directors or for any other purpose and the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes.

4. Liquidation: In the event of any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, each series of Series Preferred Stock shall have preference and priority over the Common Stock for payment of the amount to which each outstanding series of Series Preferred Stock shall be entitled in accordance with the provisions thereof and each holder of Series Preferred Stock shall be entitled to be paid in full such amount, or have a sum sufficient for the payment in full set aside, before any payments shall be made to the holders of the Common Stock. If, upon liquidation, dissolution or winding up of the corporation, the assets of the corporation or proceeds thereof, distributable among the holders of the shares of all series of the Series Preferred Stock shall be insufficient to pay in full the preferential amount aforesaid, then such assets, or the proceeds thereof, shall be distributed among such holders ratably in accordance with the respective amounts which would be payable if all amounts payable thereon were paid in full. After the payment to the holders of Series Preferred Stock of all such amounts to which they are entitled, as above provided, the remaining assets and funds of the corporation shall be divided and paid to the holders of the Common Stock.

5. Redemption: In the event that the Series Preferred Stock of any series shall be made redeemable as provided in clause (iii) of paragraph 1 of section (b) of this Article III, the corporation, at the option of the Board of Directors, may redeem at any time or times, and from time to time, all or any part of any one or more series of Series Preferred Stock outstanding by paying for each share the then applicable redemption price fixed by the Board of Directors as provided herein, plus an amount equal to accrued and unpaid dividends to the date fixed for redemption, upon such notice and terms as may be specifically provided in the certificate filed pursuant to law with respect to the series.

6. Preemptive Rights: No holder of Series Preferred Stock of the corporation shall be entitled, as such, as a matter or right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend.

(c) *Provisions relating to Floating Rate Non-Cumulative Preferred Stock, Series A. (Liquidation value $1,000,000 per share.)*

1. Designation: The distinctive designation of the series established hereby shall be “Floating Rate Non-Cumulative Preferred Stock, Series A” (hereinafter called “Series A Preferred Stock”).

2. Number: The number of shares of Series A Preferred Stock shall initially be 250 shares. Shares of Series A Preferred Stock redeemed, purchased or otherwise acquired by the corporation shall be cancelled and shall revert to authorized but unissued Series Preferred Stock undesignated as to series.

---

3. Dividends:

(a) Dividend Payments Dates. Holders of the Series A Preferred Stock shall be entitled to receive non-cumulative cash dividends when, as and if declared by the Board of Directors of the corporation, out of funds legally available therefor, from the date of original issuance of such shares (the “Issue Date”) and such dividends will be payable on March 28, June 28, September 28 and December 28 of each year (“Dividend Payment Date”) commencing September 28, 1990, at a rate per annum as determined in paragraph 3(b) below. The period beginning on the Issue Date and ending on the day preceding the first Dividend Payment Date and each successive period beginning on a Dividend Payment Date and ending on the date preceding the next succeeding Dividend Payment Date is herein called a “Dividend Period”. If any Dividend Payment Date shall be, in The City of New York, a Sunday or a legal holiday or a day on which banking institutions are authorized by law to close, then payment will be postponed to the next succeeding business day with the same force and effect as if made on the Dividend Payment Date, and no interest shall accrue for such Dividend Period after such Dividend Payment Date.

(b) Dividend Rate. The dividend rate from time to time payable in respect of Series A Preferred Stock (the “Dividend Rate”) shall be determined on the basis of the following provisions:

(i) On the Dividend Determination Date, LIBOR will be determined on the basis of the offered rates for deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date, as such rates appear on the Reuters Screen LIBO Page as of 11:00 A.M. London time, on such Dividend Determination Date. If at least two such offered rates appear on the Reuters Screen LIBO Page, LIBOR in respect of such Dividend Determination Dates will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such offered rates. If fewer than those offered rates appear, LIBOR in respect of such Dividend Determination Date will be determined as described in paragraph (ii) below.

(ii) On any Dividend Determination Date on which fewer than those offered rates for the applicable maturity appear on the Reuters Screen LIBO Page as specified in paragraph (I) above, LIBOR will be determined on the basis of the rates at which deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than $1,000,000 that is representative of a single transaction in such market at such time are offered by three major banks in the London interbank market selected by the corporation at approximately 11:00 A.M., London time, on such Dividend Determination Date to prime banks in the London market. The corporation will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such quotations. If fewer than two quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of the rates quoted by three major banks in New York City selected by the corporation at approximately 11:00 A.M., New York City time, on such Dividend Determination Date for loans in U.S. dollars to leading European banks having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than $1,000,000 that is representative of a single transaction in such market at such time; provided, however, that if the banks selected as aforesaid by the corporation are not quoting as aforementioned in this sentence, then, with respect to such Dividend Period, LIBOR for the preceding Dividend Period will be continued as LIBOR for such Dividend Period.

(ii) The Dividend Rate for any Dividend Period shall be equal to the lower of 18% or 50 basis points above LIBOR for such Dividend Period as LIBOR is determined by sections (I) or (ii) above.

As used above, the term “Dividend Determination Date” shall mean, with respect to any Dividend Period, the second London Business Day prior to the commencement of such Dividend Period; and the term “London Business Day” shall mean any day that is not a Saturday or Sunday and that, in New York

City, is not a day on which banking institutions generally are authorized or required by law or executive order to close and that is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

4. Voting Rights: The holders of the Series A Preferred Stock shall have the voting power and rights set forth in this paragraph 4 and shall have no other voting power or rights except as otherwise may from time to time be required by law.

So long as any shares of Series A Preferred Stock remain outstanding, the corporation shall not, without the affirmative vote or consent of the holders of at least a majority of the votes of the Series Preferred Stock entitled to vote outstanding at the time, given in person or by proxy, either in writing or by resolution adopted at a meeting at which the holders of Series A Preferred Stock (alone or together with the holders of one or more other series of Series Preferred Stock at the time outstanding and entitled to vote) vote separately as a class, alter the provisions of the Series Preferred Stock so as to

---

materially adversely affect its rights; provided, however, that in the event any such materially adverse alteration affects the rights of only the Series A Preferred Stock, then the alteration may be effected with the vote or consent of at least a majority of the votes of the Series A Preferred Stock; provided, further, that an increase in the amount of the authorized Series Preferred Stock and/or the creation and/or issuance of other series of Series Preferred Stock in accordance with the organization certificate shall not be, nor be deemed to be, materially adverse alterations. In connection with the exercise of the voting rights contained in the preceding sentence, holders of all series of Series Preferred Stock which are granted such voting rights (of which the Series A Preferred Stock is the initial series) shall vote as a class (except as specifically provided otherwise) and each holder of Series A Preferred Stock shall have one vote for each share of stock held and each other series shall have such number of votes, if any, for each share of stock held as may be granted to them.

The foregoing voting provisions will not apply if, in connection with the matters specified, provision is made for the redemption or retirement of all outstanding Series A Preferred Stock.

5. Liquidation: Subject to the provisions of section (b) of this Article III, upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, the holders of the Series A Preferred Stock shall have preference and priority over the Common Stock for payment out of the assets of the corporation or proceeds thereof, whether from capital or surplus, of $1,000,000 per share (the “liquidation value”) together with the amount of all dividends accrued and unpaid thereon, and after such payment the holders of Series A Preferred Stock shall be entitled to no other payments.

6. Redemption: Subject to the provisions of section (b) of this Article III, Series A Preferred Stock may be redeemed, at the option of the corporation in whole or part, at any time or from time to time at a redemption price of $1,000,000 per share, in each case plus accrued and unpaid dividends to the date of redemption.

At the option of the corporation, shares of Series A Preferred Stock redeemed or otherwise acquired may be restored to the status of authorized but unissued shares of Series Preferred Stock.

In the case of any redemption, the corporation shall give notice of such redemption to the holders of the Series A Preferred Stock to be redeemed in the following manner: a notice specifying the shares to be redeemed and the time and place of redemption (and, if less than the total outstanding shares are to be redeemed, specifying the certificate numbers and number of shares to be redeemed) shall be mailed by first class mail, addressed to the holders of record of the Series A Preferred Stock to be redeemed at their respective addresses as the same shall appear upon the books of the corporation, not more than sixty (60) days and not less than thirty (30) days previous to the date fixed for redemption. Any interest accrued on such funds shall be paid to the corporation from time to time. Any funds so deposited and unclaimed at the end of two (2) years from such redemption date shall be released or repaid to the corporation, after which the holders of such shares of Series A Preferred Stock so called for redemption shall look only to the corporation for payment of the redemption price.

SECTION 1. The annual meeting of the stockholders of this Company shall be held at the office of the Company in the Borough of Manhattan, City of New York, in January of each year, for the election of directors and such other business as may properly come before said meeting.

SECTION 2. Special meetings of stockholders other than those regulated by statute may be called at any time by a majority of the directors. It shall be the duty of the Chairman of the Board, the Chief Executive Officer, the President or any Co-President to call such meetings whenever requested in writing to do so by stockholders owning a majority of the capital stock.

SECTION 3. At all meetings of stockholders, there shall be present, either in person or by proxy, stockholders owning a majority of the capital stock of the Company, in order to constitute a quorum, except at special elections of directors, as provided by law, but less than a quorum shall have power to adjourn any meeting.

SECTION 4. The Chairman of the Board or, in his absence, the Chief Executive Officer or, in his absence, the President or any Co-President or, in their absence, the senior officer present, shall preside at meetings of the stockholders and shall direct the proceedings and the order of business. ARTICLE II

DIRECTORS

SECTION 1. The affairs of the Company shall be managed and its corporate powers exercised by a Board of Directors consisting of such number of directors, but not less than seven nor more than fifteen, as may from time to time be fixed by resolution adopted by a majority of the directors then in office, or by the stockholders. SECTION 4. The Board of Directors may adopt such Rules and Regulations for the conduct of its meetings and the management of the affairs of the Company as it may deem proper, not inconsistent with the laws of the State of New York, or these By-Laws, and all officers and employees shall strictly adhere to, and be bound by, such Rules and Regulations.

SECTION 6. The compensation of directors as such or as members of committees shall be fixed from time to time by resolution of the Board of Directors.

ARTICLE III

COMMITTEES

In his absence, the Chief Executive Officer or, in his absence, the President or any Co-President or, in their absence, such other member of the Committee as the Committee from time to time may designate shall preside at such meetings.

The Executive Committee shall possess and exercise to the extent permitted by law all of the powers of the Board of Directors, except when the latter is in session, and shall keep minutes of its proceedings, which shall be presented to the Board of Directors at its next subsequent meeting. ARTICLE V

INDEMNIFICATION OF DIRECTORS, OFFICERS AND OTHERS

SECTION 1. The Company shall, to the fullest extent permitted by Section 7018 of the New York Banking Law, indemnify any person who is or was made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, whether involving any actual or alleged breach of duty, neglect or error, any accountability, or any actual or alleged misstatement, misleading statement or other act or omission and whether brought or threatened in any court or administrative or legislative body or agency, including an action by or in the right of the Company to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the Company is servicing or served in any capacity at the request of the Company by reason of the fact that he, his testator or intestate, is or was a director or officer of the Company, or is serving or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement, and costs, charges and expenses, including attorneys' fees, or any appeal therein; provided, however, that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 2. The Company may indemnify any other person to whom the Company is permitted to provide indemnification or the advancement of expenses by applicable law, whether pursuant to rights granted pursuant to, or provided by, the New York Banking Law or other rights created by (i) a resolution of stockholders, (ii) a resolution of directors, or (iii) an agreement providing for such indemnification, it being expressly intended that these By-Laws authorize the creation of other rights in any such manner.

SECTION 3. The Company shall, from time to time, reimburse or advance to any person referred to in Section 1 the funds necessary for payment of expenses, including attorneys' fees, incurred in connection with any action or proceeding referred to in Section 1, upon receipt of a written undertaking by or on behalf of such person to repay such amount(s) if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 4. Any director or officer of the Company serving (i) another corporation, of which a majority of the shares entitled to vote in the election of its directors is held by the Company, or (ii) any employee benefit plan of the Company or any corporation referred to in clause (i) in any capacity shall be deemed to be doing so at the request of the Company. In all other cases, the provisions of this Article V will apply (i) only if the person serving another corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise so served at the specific request of the Company, evidenced by a written communication signed by the Chairman of the Board, the Chief Executive Officer, the President or any Co-President, and (ii) only if and to the extent that, after making such efforts as the Chairman of the Board, the Chief Executive Officer, the President or any Co-President shall deem adequate in the circumstances, such person shall be unable to obtain indemnification from such other enterprise or its insurer.

SECTION 5. Any person entitled to be indemnified or to the reimbursement or advancement of expenses as a matter of right pursuant to this Article V may elect to have the right to indemnification (or advancement of expenses) interpreted on the basis of the applicable law in effect at the time of occurrence of the event or events giving rise to the action or proceeding, to the extent permitted by law, or on the basis of the applicable law in effect at the time indemnification is sought.

SECTION 6. The right to be indemnified or to the reimbursement or advancement of expense pursuant to this Article V (i) is a contract right pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Company and the director or officer, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto.

SECTION 7. If a request to be indemnified or for the reimbursement or advancement of expenses pursuant hereto is not paid in full by the Company within thirty days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled also to be paid the expenses of prosecuting such claim. Neither the failure of the

Company (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of or reimbursement or advancement of expenses to the claimant is proper in the circumstance, nor an actual determination by the Company (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses, shall be a defense to the action or create a presumption that the claimant is not so entitled.

SECTION 8. A person who has been successful, on the merits or otherwise, in the defense of a civil or criminal action or proceeding of the character described in Section 1 shall be entitled to indemnification only as provided in Sections 1 and 3, notwithstanding any provision of the New York Banking Law to the contrary.

ARTICLE VI

The Board of Directors shall provide a seal for the Company, the counterpart dies of which shall be in the charge of the Secretary of the Company and such officers as the Chairman of the Board, the Chief Executive Officer or the Secretary may from time to time direct in writing, to be affixed to certificates of stock and other documents in accordance with the directions of the Board of Directors or the Executive Committee.

SECTION 2. The Board of Directors may provide, in proper cases on a specified occasion and for a specified transaction or transactions, for the use of a printed or engraved facsimile seal of the Company.

ARTICLE VII

Young, all being persons of full age and citizens of the United States, and a majority of us being residents of the State of New York, desiring to form a corporation to be known as a Trust Company, do hereby associate ourselves together for that purpose under and pursuant to the laws of the State of New York, and for such purpose we do hereby, under our respective hands and seals, execute and duly acknowledge this Organization Certificate in duplicate, and hereby specifically state as follows, to wit:

I. The name by which the said corporation shall be known is Bankers Trust Company.

II. The place where its business is to be transacted is the City of New York, in the State of New York.

III. Capital Stock: The amount of capital stock which the corporation is hereafter to have is Three Billion One Million, Six Hundred Sixty-Six Thousand, Six Hundred Seventy Dollars ($3,001,666,670), divided into Two Hundred Million, One Hundred Sixty-Six Thousand, Six Hundred Sixty-Seven (200,166,667) shares with a par value of $10 each designated as Common Stock and 1,000 shares with a par value of One Million Dollars ($1,000,000) each designated as Series Preferred Stock.

(a) *Common Stock*

1. Dividends: Subject to all of the rights of the Series Preferred Stock, dividends may be declared and paid or set apart for payment upon the Common Stock out of any assets or funds of the corporation legally available for the payment of dividends.

2. Voting Rights: Except as otherwise expressly provided with respect to the Series Preferred Stock or with respect to any series of the Series Preferred Stock, the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes, each holder of the Common Stock being entitled to one vote for each share thereof held.

3. Liquidation: Upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, and after the holders of the Series Preferred Stock of each series shall have been paid in full the amounts to which

---

they respectively shall be entitled, or a sum sufficient for the payment in full set aside, the remaining net assets of the corporation shall be distributed pro rata to the holders of the Common Stock in accordance with their respective rights and interests, to the exclusion of the holders of the Series Preferred Stock.

4. Preemptive Rights: No holder of Common Stock of the corporation shall be entitled, as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend or other distribution.

(b) *Series Preferred Stock*

1. Board Authority: The Series Preferred Stock may be issued from time to time by the Board of Directors as herein provided in one or more series. The designations, relative rights, preferences and limitations of the Series Preferred Stock, and particularly of the shares of each series thereof, may, to the extent permitted by law, be similar to or may differ from those of any other series. The Board of Directors of the corporation is hereby expressly granted authority, subject to the provisions of this Article III, to issue from time to time Series Preferred Stock in one or more series and to fix from time to time before issuance thereof, by filing a certificate pursuant to the Banking Law, the number of shares in each such series of such class and all designations, relative rights (including the right, to the extent permitted by law, to convert into shares of any class or into shares of any series of any class), preferences and limitations of the shares in each such series, including, buy without limiting the generality of the foregoing, the following:

(i) The number of shares to constitute such series (which number may at any time, or from time to time, be increased or decreased by the Board of Directors, notwithstanding that shares of the series may be outstanding at the time of such increase or decrease, unless the Board of Directors shall have otherwise provided in creating such series) and the distinctive designation thereof;

(ii) The dividend rate on the shares of such series, whether or not dividends on the shares of such series shall be cumulative, and the date or dates, if any, from which dividends thereon shall be cumulative;

(iii) Whether or not the share of such series shall be redeemable, and, if redeemable, the date or dates upon or after which they shall be redeemable, the amount or amounts per share (which shall be, in the case of each share, not less than its preference upon involuntary liquidation, plus an amount equal to all dividends thereon accrued and unpaid, whether or not earned or declared) payable thereon in the case of the redemption thereof, which amount may vary at different redemption dates or otherwise as permitted by law;

(iv) The right, if any, of holders of shares of such series to convert the same into, or exchange the same for, Common Stock or other stock as permitted by law, and the terms and conditions of such conversion or exchange, as well as provisions for adjustment of the conversion rate in such events as the Board of Directors shall determine;

(v) The amount per share payable on the shares of such series upon the voluntary and involuntary liquidation, dissolution or winding up of the corporation;

(vi) Whether the holders of shares of such series shall have voting power, full or limited, in addition to the voting powers provided by law and, in case additional voting powers are accorded, to fix the extent thereof; and

(vii) Generally to fix the other rights and privileges and any qualifications, limitations or restrictions of such rights and privileges of such series, provided, however, that no such rights, privileges, qualifications, limitations or restrictions shall be in conflict with the organization certificate of the corporation or with the resolution or resolutions adopted by the Board of Directors providing for the issue of any series of which there are shares outstanding.

All shares of Series Preferred Stock of the same series shall be identical in all respects, except that shares of any one series issued at different times may differ as to dates, if any, from which dividends thereon may accumulate. All shares of Series Preferred Stock of all series shall be of equal rank and shall be identical in all respects except that to the extent not otherwise limited in this Article III any series may differ from any other series with respect to any one or more of the designations, relative rights, preferences and limitations described or referred to in subparagraphs (I) to (vii) inclusive above.

---

2. Dividends: Dividends on the outstanding Series Preferred Stock of each series shall be declared and paid or set apart for payment before any dividends shall be declared and paid or set apart for payment on the Common Stock with respect to the same quarterly dividend period. Dividends on any shares of Series Preferred Stock shall be cumulative only if and to the extent set forth in a certificate filed pursuant to law. After dividends on all shares of Series Preferred Stock (including cumulative dividends if and to the extent any such shares shall be entitled thereto) shall have been declared and paid or set apart for payment with respect to any quarterly dividend period, then and not otherwise so long as any shares of Series Preferred Stock shall remain outstanding, dividends may be declared and paid or set apart for payment with respect to the same quarterly dividend period on the Common Stock out the assets or funds of the corporation legally available therefor.

All Shares of Series Preferred Stock of all series shall be of equal rank, preference and priority as to dividends irrespective of whether or not the rates of dividends to which the same shall be entitled shall be the same and when the stated dividends are not paid in full, the shares of all series of the Series Preferred Stock shall share ratably in the payment thereof in accordance with the sums which would be payable on such shares if all dividends were paid in full, provided, however, that any two or more series of the Series Preferred Stock may differ from each other as to the existence and extent of the right to cumulative dividends, as aforesaid.

3. Voting Rights: Except as otherwise specifically provided in the certificate filed pursuant to law with respect to any series of the Series Preferred Stock, or as otherwise provided by law, the Series Preferred Stock shall not have any right to vote for the election of directors or for any other

purpose and the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes.

4. Liquidation: In the event of any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, each series of Series Preferred Stock shall have preference and priority over the Common Stock for payment of the amount to which each outstanding series of Series Preferred Stock shall be entitled in accordance with the provisions thereof and each holder of Series Preferred Stock shall be entitled to be paid in full such amount, or have a sum sufficient for the payment in full set aside, before any payments shall be made to the holders of the Common Stock. If, upon liquidation, dissolution or winding up of the corporation, the assets of the corporation or proceeds thereof, distributable among the holders of the shares of all series of the Series Preferred Stock shall be insufficient to pay in full the preferential amount aforesaid, then such assets, or the proceeds thereof, shall be distributed among such holders ratably in accordance with the respective amounts which would be payable if all amounts payable thereon were paid in full. After the payment to the holders of Series Preferred Stock of all such amounts to which they are entitled, as above provided, the remaining assets and funds of the corporation shall be divided and paid to the holders of the Common Stock.

5. Redemption: In the event that the Series Preferred Stock of any series shall be made redeemable as provided in clause (iii) of paragraph 1 of section (b) of this Article III, the corporation, at the option of the Board of Directors, may redeem at any time or times, and from time to time, all or any part of any one or more series of Series Preferred Stock outstanding by paying for each share the then applicable redemption price fixed by the Board of Directors as provided herein, plus an amount equal to accrued and unpaid dividends to the date fixed for redemption, upon such notice and terms as may be specifically provided in the certificate filed pursuant to law with respect to the series.

6. Preemptive Rights: No holder of Series Preferred Stock of the corporation shall be entitled, as such, as a matter or right, to subscribe for or purchase any part of any new or additional issue of stock of any class or series whatsoever, any rights or options to purchase stock of any class or series whatsoever, or any securities convertible into, exchangeable for or carrying rights or options to purchase stock of any class or series whatsoever, whether now or hereafter authorized, and whether issued for cash or other consideration, or by way of dividend.

(c) *Provisions relating to Floating Rate Non-Cumulative Preferred Stock, Series A. (Liquidation value $1,000,000 per share.)*

1. Designation: The distinctive designation of the series established hereby shall be “Floating Rate Non-Cumulative Preferred Stock, Series A” (hereinafter called “Series A Preferred Stock”).

2. Number: The number of shares of Series A Preferred Stock shall initially be 250 shares. Shares of Series A Preferred Stock redeemed, purchased or otherwise acquired by the corporation shall be cancelled and shall revert to authorized but unissued Series Preferred Stock undesignated as to series.

---

3. Dividends:

(a) Dividend Payments Dates. Holders of the Series A Preferred Stock shall be entitled to receive non-cumulative cash dividends when, as and if declared by the Board of Directors of the corporation, out of funds legally available therefor, from the date of original issuance of such shares (the “Issue Date”) and such dividends will be payable on March 28, June 28, September 28 and December 28 of each year (“Dividend Payment Date”) commencing September 28, 1990, at a rate per annum as determined in paragraph 3(b) below. The period beginning on the Issue Date and ending on the day preceding the first Dividend Payment Date and each successive period beginning on a Dividend Payment Date and ending on the date preceding the next succeeding Dividend Payment Date is herein called a “Dividend Period”. If any Dividend Payment Date shall be, in The City of New York, a Sunday or a legal holiday or a day on which banking institutions are authorized by law to close, then payment will be postponed to the next succeeding business day with the same force and effect as if made on the Dividend Payment Date, and no interest shall accrue for such Dividend Period after such Dividend Payment Date.

(b) Dividend Rate. The dividend rate from time to time payable in respect of Series A Preferred Stock (the “Dividend Rate”) shall be determined on the basis of the following provisions:

(i) On the Dividend Determination Date, LIBOR will be determined on the basis of the offered rates for deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date, as such rates appear on the Reuters Screen LIBO Page as of 11:00 A.M. London time, on such Dividend Determination Date. If at least two such offered rates appear on the Reuters Screen LIBO Page, LIBOR in respect of such Dividend Determination Dates will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such offered rates. If fewer than those offered rates appear, LIBOR in respect of such Dividend Determination Date will be determined as described in paragraph (ii) below.

(ii) On any Dividend Determination Date on which fewer than those offered rates for the applicable maturity appear on the Reuters Screen LIBO Page as specified in paragraph (I) above, LIBOR will be determined on the basis of the rates at which deposits in U.S. dollars having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than $1,000,000 that is representative of a single transaction in such market at such time are offered by three major banks in the London interbank market selected by the corporation at approximately 11:00 A.M., London time, on such Dividend Determination Date to prime banks in the London market. The corporation will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of such quotations. If fewer than two quotations are provided, LIBOR in respect of such Dividend Determination Date will be the arithmetic mean (rounded to the nearest one-hundredth of a percent, with five one-thousandths of a percent rounded upwards) of the rates quoted by three major banks in New York City selected by the corporation at approximately 11:00 A.M., New York City time, on such Dividend Determination Date for loans in U.S. dollars to leading European banks having a maturity of three months commencing on the second London Business Day immediately following such Dividend Determination Date and in a principal amount of not less than $1,000,000 that is representative of a single transaction in such market at such time; provided, however, that if the banks selected as aforesaid by the corporation are not quoting as aforementioned in this sentence, then, with respect to such Dividend Period, LIBOR for the preceding Dividend Period will be continued as LIBOR for such Dividend Period.

(ii) The Dividend Rate for any Dividend Period shall be equal to the lower of 18% or 50 basis points above LIBOR for such Dividend Period as LIBOR is determined by sections (I) or (ii) above.

As used above, the term “Dividend Determination Date” shall mean, with respect to any Dividend Period, the second London Business Day prior to the commencement of such Dividend Period; and the term “London Business Day” shall mean any day that is not a Saturday or Sunday and that, in New York

City, is not a day on which banking institutions generally are authorized or required by law or executive order to close and that is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

4. Voting Rights: The holders of the Series A Preferred Stock shall have the voting power and rights set forth in this paragraph 4 and shall have no other voting power or rights except as otherwise may from time to time be required by law.

So long as any shares of Series A Preferred Stock remain outstanding, the corporation shall not, without the affirmative vote or consent of the holders of at least a majority of the votes of the Series Preferred Stock entitled to vote outstanding at the time, given in person or by proxy, either in writing or by resolution adopted at a meeting at which the holders of Series A Preferred Stock (alone or together with the holders of one or more other series of Series Preferred Stock at the time outstanding and entitled to vote) vote separately as a class, alter the provisions of the Series Preferred Stock so as to

---

materially adversely affect its rights; provided, however, that in the event any such materially adverse alteration affects the rights of only the Series A Preferred Stock, then the alteration may be effected with the vote or consent of at least a majority of the votes of the Series A Preferred Stock; provided, further, that an increase in the amount of the authorized Series Preferred Stock and/or the creation and/or issuance of other series of Series Preferred Stock in accordance with the organization certificate shall not be, nor be deemed to be, materially adverse alterations. In connection with the exercise of the voting rights contained in the preceding sentence, holders of all series of Series Preferred Stock which are granted such voting rights (of which the Series A Preferred Stock is the initial series) shall vote as a class (except as specifically provided otherwise) and each holder of Series A Preferred Stock shall have one vote for each share of stock held and each other series shall have such number of votes, if any, for each share of stock held as may be granted to them.

The foregoing voting provisions will not apply if, in connection with the matters specified, provision is made for the redemption or retirement of all outstanding Series A Preferred Stock.

5. Liquidation: Subject to the provisions of section (b) of this Article III, upon any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, the holders of the Series A Preferred Stock shall have preference and priority over the Common Stock for payment out of the assets of the corporation or proceeds thereof, whether from capital or surplus, of $1,000,000 per share (the “liquidation value”) together with the amount of all dividends accrued and unpaid thereon, and after such payment the holders of Series A Preferred Stock shall be entitled to no other payments.

6. Redemption: Subject to the provisions of section (b) of this Article III, Series A Preferred Stock may be redeemed, at the option of the corporation in whole or part, at any time or from time to time at a redemption price of $1,000,000 per share, in each case plus accrued and unpaid dividends to the date of redemption.

At the option of the corporation, shares of Series A Preferred Stock redeemed or otherwise acquired may be restored to the status of authorized but unissued shares of Series Preferred Stock.

In the case of any redemption, the corporation shall give notice of such redemption to the holders of the Series A Preferred Stock to be redeemed in the following manner: a notice specifying the shares to be redeemed and the time and place of redemption (and, if less than the total outstanding shares are to be redeemed, specifying the certificate numbers and number of shares to be redeemed) shall be mailed by first class mail, addressed to the holders of record of the Series A Preferred Stock to be redeemed at their respective addresses as the same shall appear upon the books of the corporation, not more than sixty (60) days and not less than thirty (30) days previous to the date fixed for redemption. In the event such notice is not given to any shareholder such failure to give notice shall not affect the notice given to other shareholders. If less than the whole amount of outstanding Series A Preferred Stock is to be redeemed, the shares to be redeemed shall be selected by lot or pro rata in any manner determined by resolution of the Board of Directors to be fair and proper. From and after the date fixed in any such notice as the date of redemption (unless default shall be made by the corporation in providing moneys at the time and place of redemption for the payment of the redemption price) all dividends upon the Series A Preferred Stock so called for redemption shall cease to accrue, and all rights of the holders of said Series A Preferred Stock as stockholders in the corporation, except the right to receive the redemption price (without interest) upon surrender of the certificate representing the Series A Preferred Stock so called for redemption, duly endorsed for transfer, if required, shall cease and terminate. The corporation’s obligation to provide moneys in accordance with the preceding sentence shall be deemed fulfilled if, on or before the redemption date, the corporation shall deposit with a bank or trust company (which may be an affiliate of the corporation) having an office in the Borough of Manhattan, City of New York, having a capital and surplus of at least $5,000,000 funds necessary for such redemption, in trust with irrevocable instructions that such funds be applied to the redemption of the shares of Series A Preferred Stock so called for redemption. Any interest accrued on such funds shall be paid to the corporation from time to time. Any funds so deposited and unclaimed at the end of two (2) years from such redemption date shall be released or repaid to the corporation, after which the holders of such shares of Series A Preferred Stock so called for redemption shall look only to the corporation for payment of the redemption price.

IV. The name, residence and post office address of each member of the corporation are as follows:

SECTION 2. Special meetings of stockholders other than those regulated by statute may be called at any time by a majority of the directors. It shall be the duty of the Chairman of the Board, the Chief Executive Officer, the President or any Co-President to call such meetings whenever requested in writing to do so by stockholders owning a majority of the capital stock.

SECTION 3. At all meetings of stockholders, there shall be present, either in person or by proxy, stockholders owning a majority of the capital stock of the Company, in order to constitute a quorum, except at special elections of directors, as provided by law, but less than a quorum shall have power to adjourn any meeting.

SECTION 4. The Chairman of the Board or, in his absence, the Chief Executive Officer or, in his absence, the President or any Co-President or, in their absence, the senior officer present, shall preside at meetings of the stockholders and shall direct the proceedings and the order of business. The Secretary shall act as secretary of such meetings and record the proceedings.

ARTICLE II

DIRECTORS

SECTION 1. The affairs of the Company shall be managed and its corporate powers exercised by a Board of Directors consisting of such number of directors, but not less than seven nor more than fifteen, as may from time to time be fixed by resolution adopted by a majority of the directors then in office, or by the stockholders. In the event of any increase in the number of directors, additional directors may be elected within the limitations so fixed, either by the stockholders or within the limitations imposed by law, by a majority of directors then in office. One-third of the number of directors, as fixed from time to time, shall constitute a quorum. Any one or more members of the Board of Directors or any Committee thereof may participate in a meeting of the Board of Directors or Committee thereof by means of a conference telephone, video conference or similar communications equipment which allows all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at such a meeting.

All directors hereafter elected shall hold office until the next annual meeting of the stockholders and until their successors are elected and have qualified.

No Officer-Director who shall have attained age 65, or earlier relinquishes his responsibilities and title, shall be eligible to serve as a director.

SECTION 2. Vacancies not exceeding one-third of the whole number of the Board of Directors may be filled by the affirmative vote of a majority of the directors then in office, and the directors so elected shall hold office for the balance of the unexpired term.

SECTION 3. The Chairman of the Board shall preside at meetings of the Board of Directors. In his absence, the Chief Executive Officer or, in his absence the President or any Co-President or, in their absence such other director as the Board of Directors from time to time may designate shall preside at such meetings.

SECTION 4. The Board of Directors may adopt such Rules and Regulations for the conduct of its meetings and the management of the affairs of the Company as it may deem proper, not inconsistent with the laws of the State of New York, or these By-Laws, and all officers and employees shall strictly adhere to, and be bound by, such Rules and Regulations.

ARTICLE V

INDEMNIFICATION OF DIRECTORS, OFFICERS AND OTHERS

SECTION 1. The Company shall, to the fullest extent permitted by Section 7018 of the New York Banking Law, indemnify any person who is or was made, or threatened to be made, a party to an action or proceeding, whether civil or criminal, whether involving any actual or alleged breach of duty, neglect or error, any accountability, or any actual or alleged misstatement, misleading statement or other act or omission and whether brought or threatened in any court or administrative or legislative body or agency, including an action by or in the right of the Company to procure a judgment in its favor and an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the Company is servicing or served in any capacity at the request of the Company by reason of the fact that he, his testator or intestate, is or was a director or officer of the Company, or is serving or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement, and costs, charges and expenses, including attorneys' fees, or any appeal therein; provided, however, that no indemnification shall be provided to any such person if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 2. The Company may indemnify any other person to whom the Company is permitted to provide indemnification or the advancement of expenses by applicable law, whether pursuant to rights granted pursuant to, or provided by, the New York Banking Law or other rights created by (i) a resolution of stockholders, (ii) a resolution of directors, or (iii) an agreement providing for such indemnification, it being expressly intended that these By-Laws authorize the creation of other rights in any such manner.

SECTION 3. The Company shall, from time to time, reimburse or advance to any person referred to in Section 1 the funds necessary for payment of expenses, including attorneys' fees, incurred in connection with any action or proceeding referred to in Section 1, upon receipt of a written undertaking by or on behalf of such person to repay such amount(s) if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

SECTION 4. Any director or officer of the Company serving (i) another corporation, of which a majority of the shares entitled to vote in the election of its directors is held by the Company, or (ii) any employee benefit plan of the Company or any corporation referred to in clause (i) in any capacity shall be deemed to be doing so at the request of the Company. In all other cases, the provisions of this Article V will apply (i) only if the person serving another corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise so served at the specific request of the Company, evidenced by a written communication signed by the Chairman of the Board, the Chief Executive Officer, the President or any Co-President, and (ii) only if and to the extent that, after making such efforts as the Chairman of the Board, the Chief Executive Officer, the President or any Co-President shall deem adequate in the circumstances, such person shall be unable to obtain indemnification from such other enterprise or its insurer.

SECTION 5. Any person entitled to be indemnified or to the reimbursement or advancement of expenses as a matter of right pursuant to this Article V may elect to have the right to indemnification (or advancement of expenses) interpreted on the basis of the applicable law in effect at the time of occurrence of the event or events giving rise to the action or proceeding, to the extent permitted by law, or on the basis of the applicable law in effect at the time indemnification is sought.

SECTION 6. The right to be indemnified or to the reimbursement or advancement of expense pursuant to this Article V (i) is a contract right pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Company and the director

or officer, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto.

SECTION 7. If a request to be indemnified or for the reimbursement or advancement of expenses pursuant hereto is not paid in full by the Company within thirty days after a written claim has been received by the Company, the claimant may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled also to be paid the expenses of prosecuting such claim. Neither the failure of the

Company (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of or reimbursement or advancement of expenses to the claimant is proper in the circumstance, nor an actual determination by the Company (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses, shall be a defense to the action or create a presumption that the claimant is not so entitled.

SECTION 8. A person who has been successful, on the merits or otherwise, in the defense of a civil or criminal action or proceeding of the character described in Section 1 shall be entitled to indemnification only as provided in Sections 1 and 3, notwithstanding any provision of the New York Banking Law to the contrary.

SECTION 2. The Board of Directors may provide, in proper cases on a specified occasion and for a specified transaction or transactions, for the use of a printed or engraved facsimile seal of the Company.
