NXP Welcomes Two New Non-Executive Directors

Dr. Marion Helmes and Julie Southern to join Board of Directors

Eindhoven, Netherlands, October 10th 2013 — NXP Semiconductors N.V. (“NXP”) (NASDAQ: NXPI) announced that today’s Extraordinary General Meeting of Shareholders resolved to appoint Dr. Marion Helmes and Julie Southern as non-executive directors in its Board of Directors. Both Dr. Helms and Ms. Southern will also be members of the Board’s Audit Committee.

“In the spirit of diversity of thought we are pleased to find two new competent directors,” said Rick Clemmer, President and CEO of NXP.

Dr. Helmes is Chief Financial Officer (CFO) and speaker of the management board of pharmaceutical company Celesio AG. Prior to joining Celesio, Dr. Helmes was CFO of Q-Cells SE and held various management roles at ThyssenKrupp AG. Ms. Southern is a former CFO and Chief Commercial Officer of Virgin Atlantic Ltd., the UK’s second largest long-haul airline; prior to that, she was chartered accountant at Price Waterhouse.

“I am excited to be able to welcome Dr. Marion Helmes and Julie Southern as independent non-executive directors,” said Sir Peter Bonfield, Chairman of the Board of Directors of NXP. “Both bring a tremendous amount of expertise and experience to our Board of Directors. In addition, their appointments will increase the independence of our board.”

Vikram Bhatia, who was originally nominated to the Board by the Philips UK Pension Fund (“PPTL”) in May 2011, has resigned as of today as non-executive director in view of the decreased shareholding of PPTL. “I am very thankful for Viki’s contribution to our Board during NXP’s journey in the last four years and wish him all the best,” said Sir Peter Bonfield.
