Non-GAAP Financial Measures

In addition to providing financial information on a basis consistent with U.S. generally accepted accounting principles ("GAAP"), the Presentation also contains the following selected financial measures on a non-GAAP basis: (i) Gross profit, (ii) Gross margin, (iii) Research and development, (iv) Selling, general and administrative, (v) Amortization of acquisition-related intangible assets, (vi) Other income, (vii) Operating income (loss), (viii) Operating margin, (ix) Financial Income (expense), (x) EBITDA, adjusted EBITDA and trailing 12 month adjusted EBITDA, and (xi) non-GAAP free cash flow and free cash flow as a percent of Revenue. The non-GAAP information excludes the amortization of acquisition related intangible assets, the purchase accounting effect on inventory and property, plant and equipment, merger related costs (including integration costs), certain items related to divestitures, share-based compensation expense, restructuring and asset impairment charges, non-cash interest expense on convertible notes, extinguishment of debt, changes in the fair value of the warrant liability prior to January 1, 2016, and foreign exchange gains and losses.

Management does not believe that these items are reflective of the Company's underlying performance. The presentation of these and other similar items in NXP's non-GAAP financial results should not be interpreted as implying that these items are non-recurring, infrequent or unusual. NXP believes this non-GAAP financial information provides additional insight into the combined business of NXP since its merger with Freescale as well as the Company's on-going performance and has therefore chosen to provide this information to investors for a more consistent basis of comparison and to help them evaluate the results of the Company's on-going operations and enable more meaningful period to period comparisons. These non-GAAP measures are provided in addition to, and not as a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP.
